## II. AGENCIES OF THE ANNUAL CONFERENCE AND RELATED or AFFILIATED AGENCIES

The following pages contain information concerning over one thousand persons, lay and clergy, who have been elected by the West Virginia Annual Conference to serve in many different ministries with the intent of making disciples of Jesus Christ and assisting all people on their journeys of Christ-like holiness.

The Conference Secretary maintains a database that serves as a resource for identifying persons who are to be recommended to the Annual Conference for election. Lay and clergy persons in local congregations are invited to submit their own names and/ or suggest persons who should be considered for short- term as well as long-term ministries of the Conference. This information should include name, address, telephone number(s), e-mail, local church, district, inclusiveness information and a brief statement telling of skills and areas of interest. A form for submitting this information is available on the conference website.
