

INTRODUCTION

The information in this booklet has been compiled by the Conference Committee on Clergy Support and Pastoral Care. This resource is intended for use by clergy and their families. Financial assistance, up to \$700 per family per year, is available from the Committee on Clergy Support for counseling for clergy and their dependents. The Rev. Dr. Ravi Isaiah (phone 304-388-4290) administers the funds for the Clergy Support Committee. There is also coverage for counseling in the 4-Most plan offered by the Annual Conference.

Being listed in this booklet DOES NOT indicate an endorsement of the counselor by the conference. Counselors listed here are not necessarily members of the 4Most Health System (conference insurance plan). The procedure for adding a counselor to the plan is outlined in the Conference Insurance Packet. Please feel free to contact the counselor to see if he or she is willing to participate in the insurance plan. Follow the instructions in the insurance packet for adding the counselor.

Counselors are listed in this booklet in two ways:

Pages 4 - 23 lists counselors and agencies by District**

Pages 25 - 28 lists counselors and agencies by last name followed by their districts so that contact information may be referenced by district.

**Each district has a section of counselors which includes name, address and contact information. These licensed professional counselors have responded to a request to be included in this booklet and have indicated a willingness to see clergy and families. Community behavioral mental health centers have also been listed. If you are aware of others who should be included, please forward their information to the chairperson of Clergy Support.

Updates will appear on the conference website: wvumc.org
