II. AGENCIES OF THE ANNUAL CONFERENCE AND RELATED or AFFILIATED AGENCIES

The following pages contain information concerning over one thousand persons, lay and clergy, who have been elected by the West Virginia Annual Conference to serve in many different ministries with the intent of making disciples of Jesus Christ for the transformation of the world.

The Conference Secretary maintains a database that serves as a resource for identifying persons who are to be recommended to the Annual Conference for election. Lay and clergy persons in local congregations are invited to submit their own names and/ or suggest persons who should be considered for short- term as well as long-term ministries of the Conference. This information should include name, address, telephone number(s), e-mail, local church, district, inclusiveness information and a brief statement telling of skills and areas of interest. A form for submitting this information is available on the conference website.

Mail to:
Conference Secretary
PO Box 2313
Charleston, WV 25328

or e-mail to: **JKenaston@wvumc.org**

****A note about phone numbers:** Two numbers are listed for clergy. The first is the home phone number. The second is an alternative phone number, usually the church phone number or a cell phone. Alternative phone numbers for lay persons are listed if they have selected to use their cell phone. Work numbers for lay persons are generally not shown.

CLERGY EXECUTIVE SESSION

Chapel Hill United Methodist Church, Buckhannon

The Clergy Executive Session was held under the direction of Martha Hill, chairperson of the Conference Board of Ordained Ministry, and Bishop Sandra Steiner Ball, resident and presiding Bishop. At the beginning of the session, permission was granted for the following persons who are not clergy members or members of the Board of Ordained Ministry to be seated in the session: Judi Kenaston, Secretary of the Annual Conference, Bonnie MacDonald, Director of Leadership Formation and Ministry Support, and Dee Ann Heptas, who is under assignment by the Board of Global Ministries. The format for the report was designed by the Order of Elders and presented the required Business of the Annual Conference in the context of worship. Candidates for ordination and commissioning, who had been approved by the Board of Ordained Ministry, were presented for approval by the Executive Session. During the session there was a period of accountability during which Ken Krimmel, Dean of the Cabinet, reported that, with the exception of situations which were being handled through a supervisory process, all others were blameless in their life and official administration.

The Clergy Session supported the rule change with the result of this vote to be presented to the Conference Plenary during the Rules Committee report.

He moved the printed agenda, with permission given to the Program Committee Chair, the bishop and her assistant to adjust the agenda as needed. The agenda was approved.

RULES: Patsy Flensburg (lay, chair of the Rules Committee) presented the Rules report. She introduced Julie Tennant and Jerry Linkous, new lay members of the Rules Committee.

The Rules Committee received the report from the task group established at the 2013 Annual Conference in regard to election of clergy delegates. The following changes were made to the proposed rule change as printed in the Conference Workbook:

Part B—Rules and Procedures for the Organization of the Annual Conference; IV. Miscellaneous Standing Rules of the Conference; #10 “Election of Clergy Delegates to General & Jurisdictional Conference.

From the proposed rule (as found in the Rules Report in Section VII) strike the following from paragraph b:

“and during Executive Session, clergy shall be led by the Chairs of the Orders and Fellowship in a process to discern and affirm clergy delegates. After this discernment process,”

Strike the following from paragraph c. Data Collection Committee (2): “Plus a paragraph in 50 words or less, what you would contribute as a Delegate” and add “The personal data sheet may include a statement of 50 words or less describing what the nominee would contribute as a delegate.”

Nancy Stevens (lay, Sand Hill, Little Kanawha District) asked if “after the discernment process” was removed. Bishop Steiner Ball said that it was.

Julie Dean (clergy, Cross Roads, Mon Valley District) asked a question about another rule change. Bishop Steiner Ball said that she would come back to her when that rule change was before the Conference.

Bishop Steiner Ball requested that the Conference Secretary read the entire rule change. Patsy Flensburg moved the adoption of the rule change as presented and amended by the committee.

Brent Sturm (clergy, Extension Ministry, Western District) asked if this rule change would be in effect for this year. All rule changes become effective immediately unless otherwise specified by conference rules.

Bishop called for the vote and the rule change was approved.

Patsy Flensburg explained the rule change concerning the percentage of seminary classes that can be taken online as a pre-requisite for ordination as elder, which was proposed by Martha Hill, chair of the Board of Ordained Ministry. The Conference Secretary read the proposed changes. Monty Brown (clergy, St. Mark's, Charleston, Midland South District) moved an amendment to the proposed rule change.

Point of Order: Ken Krimmel requested that the vote taken at the Clergy Session be reported to the body. The Bishop reported that the rule was approved by a vote of 2/3 of the clergy session, with 1/3 being opposed.

Monty Brown continued making his amendment by adding "provided, however, that classes in preaching, pastoral care and church administration may not be taken in correspondence or on-line format." following the listing of courses in the current rule, which ends with the words "pastoral care; and church administration."

Randy Flanagan (clergy, Christ Church, Charleston, Midland South District) spoke against the amendment claiming that the wording would disallow all hybrid courses.

Diane Kenaston (clergy, Crossroads, Little Kanawha District) stated that she had spoken with the members of the Board of Ordained Ministry and the Conference Board of Ordained Ministry counts hybrid courses that have at least 50% of the course in person as not being online.

Julie Dean (clergy, Cross Roads, Mon Valley District) stated that University Senate considers hybrid courses as online.

Butch Baker (clergy, Retired, Mon Valley District) spoke for the amendment from her experience on the Board of Ordained Ministry.

Lauren Godwin (clergy, Sand Hill, Little Kanawha District) spoke against the amendment because not all courses are offered at all approved seminaries.

Justin Martin (lay equalization, Southern District) moved an amendment to the amendment to remove "Church Administration" from the list of those that could not be taken online.

Nancy Stephens (lay, Sand Hill, Little Kanawha District) asked what percentage of each course is offered online. Bishop said that they are all available online.

Karen Tate (clergy, Brookhaven-Tyrone, Mon Valley District) spoke against removing church administration from the list because of its importance to clergy.

Okey Harless (clergy, Dunbar, Midland South District) moved the question on all before the conference. The bishop explained that this would end debate. A hand vote was taken to determine if there were 2/3rds majority in favor of ending debate. The vote was not able to be determined and a counted vote was taken. The vote total was just at a 2/3 majority and thus ended debate.

Vote on the amendment to the amendment moved by Justin Martin was approved by a counted vote of 389-327. The amendment proposed by Monty Brown and amended by the conference was read by the Conference Secretary. It was approved.

Tom Bone (lay, Concord, Southern District) offered the correction that the percent sign should not be removed from the original wording of the rule.

Joe Hill (clergy, Johnson Memorial, Western District) asked for a clarification from the Board of Ordained Ministry concerning the earlier statements offered about online hybrid courses. Martha Hill (lay, chair of BOOM) said that hybrid courses that are at least 50% in person are counted as in-person courses, which is consistent with the Association of Theological Schools.

The amended rule change was voted on and approved.

Rules report was interrupted to bring the report from West Virginia Wesleyan College.

~~“Therefore be it resolved that all clergy serving in the West Virginia Annual Conference will attend at least one training on how to counsel sexual assault victims in the proper fashion, led by a certified counselor with experience in sexual assault counseling. shall be trained in how to be supportive of victims of sexual assault.~~ The training will be completed in conjunction with the sexual ethics trainings done by the Sexual Ethics Team.

Be it further resolved that all clergy in the West Virginia Annual Conference and those in assigned supply positions educate themselves about resources available to them in their local communities, including but not limited to women’s crisis centers, domestic violence tip lines, and qualified counselors, so that appropriate referrals can be made.

~~Be it further resolved that this training will occur triennially to allow clergy to obtain the training or renew on the training.~~

~~Be it even further resolved that all clergy in the West Virginia Annual Conference and those in assigned supply positions educate themselves about resources available to them in their local communities, including but not limited to women’s crisis centers, and domestic violence tip lines.~~

Gary Nelson spoke in favor of the amendment, stressing the need for the emphasis on support and referral rather than counseling.

Calvin McCutcheon (clergy, retired, Wesleyan District) asked if the amendment removes all the language in the “therefore” section of the proposed resolution. The bishop stated that while the amendment incorporates some of the language of the resolution, it also changes it.

Jacqueline Stow (lay equalization, Young Adult 18 -30, Wesleyan District) asked if the amendment allowed for training for all clergy. The bishop said that it does.

Michelle Lucarelli (lay equalization, Northern District) expressed concern that the Sexual Ethics Committee would not have the expertise to offer such training. Bishop Steiner Ball clarified with the maker of the amendment that the role of the Sexual Ethics Committee would be to arrange for the appropriate training.

Nancy Stephens (lay, Sand Hill, Little Kanawha District) spoke in favor of the amendment, and asked what the time frame would be. Bishop Steiner Ball said that the Conference Rules state that the resolution would take effect immediately. She also reiterated that the amendment does not call for clergy to be counselors, but to be supportive and refer to counselors.

Jim Christain (lay, Westmoreland, Western District) spoke about the needs of children of sexual abuse.

At this point, the time period for resolutions was interrupted for the Order of the Day, Cabinet Report.

CABINET REPORT: The Cabinet Report, “Rise Up!” was based on Numbers 13:2-3, and 25-33, and compared the issues within the conference to the giants that the Israelites faced. VI. RESOLUTIONS ADOPTED BY THE FORTY-SIXTH REGULAR SESSION

Resolution Number One

Rental/Housing Allowances for Retired or Disabled Clergypersons of the West Virginia Annual Conference

The West Virginia Annual Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

1. THAT an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the “*Discipline*”), which includes all such payments from the General Board of Pension and Health Benefits (“GBOPHB”), during the year 2015 by each active, retired, or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

2. THAT the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any

service a Clergy person rendered to this Conference or that an active, a retired, or a disabled Clergy person of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergy person to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired, or disabled Clergy person's pension or disability as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergy person's gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations thereunder to the least of: (1) the amount of the rental/housing allowance designated by the Clergy person's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergy person to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

Resolution Number Two

Train Clergy to Support Sexual Assault Victims

WHEREAS according to Discipline Paragraph 161 "Sexual assault is wrong. We affirm the right of all people to live free from such assaults...and condemn rape in any form. It does not matter where the person is, what the person is wearing, whether or not he or she is intoxicated, if he or she is flirtatious, what is the victim's gender, or any other circumstance;" and

WHEREAS Discipline Paragraph 340.2 states that counseling those going through "personal, ethical, or spiritual struggles" is a responsibility of clergy; and

WHEREAS according to the National Crisis Center one in four women will suffer from sexual violence and every 45 seconds a woman is raped. In addition one in fourteen men are victims of domestic violence with an estimated 835,000 male victims annually; and

WHEREAS victims of sexual assault need a special kind of counseling to help them understand and recover from their assaults; and

WHEREAS some churches and clergy have actually blamed the victims for their abuse and not offered any help, or the help is ineffective and only isolates the victim more;

THEREFORE, BE IT RESOLVED that all clergy serving in the West Virginia Annual Conference shall be trained in how to be supportive of victims of sexual assault.

The training will be completed in conjunction with the sexual ethics trainings done by the Sexual Ethics Team.

BE IT FURTHER RESOLVED that all clergy in the West Virginia Annual Conference and those in assigned supply positions educate themselves about resources available to them in their local communities, including but not limited to women's crisis centers, domestic violence tip lines, and qualified counselors, so that appropriate referrals can be made.

Resolution Number Three

Annual Conference Support of
“20 / 20 Visioning an AIDS-Free World”

WHEREAS, the global HIV and AIDS pandemic has for more than 30 years been impacting the world, particularly among the poor and the marginalized, and the General Conference has established the United Methodist Global AIDS Fund which has supported more than 175 HIV and AIDS church-oriented and Christ-centered ministries in 37 countries, and

WHEREAS, more than 30 million people are infected world-wide, almost 50% of whom are women, and more than 15 million children are orphaned, and information about the global health crisis and the church response are available on the website - www.umglobalaidsfund.org, and

WHEREAS, Jesus called his disciples to “heal every disease and sickness” (Matthew 10:1) and John Wesley instructed his followers to treat the sick without stigma or discrimination, and

WHEREAS, a gift as small as \$10.00 can stop the transmission of HIV from mother to newborns, \$20.00 can supply nutrients to 20 HIV-positive children suffering from dehydration and additional funds will ensure nursing care for a newborn infant born with AIDS, teach young people and adults how to prevent HIV, feed an HIV-positive person for a month so they can take powerful medicines, and provide free Upper Room biblical readings and prayers for those infected and affected.

THEREFORE, since the United Methodist Global AIDS Fund Committee has launched a campaign entitled “20/20: Visioning an AIDS-Free World,” the West Virginia Annual Conference:

1. Endorses the “20/20: Visioning an AIDS-Free World” campaign.
2. Calls upon its churches in 2014-2015 to devote some special time in the life of the congregation discussing the AIDS/HIV pandemic and practical ways the congregation can respond.
3. Invites Bishop Steiner Ball and the Annual Conference Program Committee to consider having time in the agenda of the 2016 Annual Conference session to be devoted to *Visioning an AIDS-Free World Celebration* to end the 3rd quadrennium of this fund-raising priority and to offer more education and advocacy about HIV/AIDS.
4. Invites every church member to contribute yearly \$10.00, \$20.00, \$200.00 or more to the United Methodist Global AIDS Fund Advance #982345. Twenty-five percent of what the annual conference raises would be kept by and used within the conference for AIDS work locally and regionally in the West Virginia Conference through grants from the West Virginia Conference Global AIDS Task Force.
5. Asks individuals and congregations to join together to raise a total of \$150,000.00 for the United Methodist Global AIDS Fund, by 2016.

BE IT FURTHER RESOLVED that the Covenant Council and the Conference Council on Finance and Administration consider receiving a special offering to support the United Methodist Global AIDS Fund (Advance #982345) at the 2015 Annual Conference session.

Resolution Number Four

Voting Values for the Election of
General and Jurisdictional Conference Delegates

WHEREAS, the members of the West Virginia Annual Conference of The United Methodist Church value a diverse, inclusive, and effective delegation;

THEREFORE, as we move into the selection process of delegates for the 2016 General and Jurisdictional Conferences, WE RESOLVE:

To commit ourselves to these values:

- Discernment of the Holy Spirit in our selection process,
- Full and equal participation of racial and ethnic constituencies in the total life and mission of the church,
- Full equity and equal participation of women and men in the total life and mission of the church,

- Embracing the wisdom of Christians, young and old
- Inclusion of all our sisters and brothers in the Order of Deacons and Order of Elders, and
- Participation of the Fellowship of Associate Members and Local Pastors who are eligible to vote, and have a shared responsibility in discerning and caring for the life of the church

THEREFORE, BE IT RESOLVED that we will, with the guidance of the Holy Scriptures and the Holy Spirit, strive to elect a clergy delegation that is effective and diverse.

BE IT FURTHER RESOLVED that our elected delegation will seek to be guided by the Holy Spirit in conversation, voting, and conferencing.

BE IT EVEN FURTHER RESOLVED that a copy of this resolution be put forth in front of the Annual Conference in print or projection, just prior to the first vote and just prior to subsequent votes at a frequency to be determined by the bishop presiding at that session of the Annual Conference.

Resolution Number Five

Unlawful Appropriation of Church Property

WHEREAS, at the 1970 through 2013 annual meetings of the West Virginia Annual Conference of The United Methodist Church, certain Resolutions were adopted with reference to the unlawful appropriation by former members and Trustees of local church congregations of real and personal property formerly used in the ministry of The United Methodist Church (said Resolutions being 1970 Resolution No. 4; 1973 Resolution Nos. 5 and 12; 1974 Resolution No. 17; 1975 Resolution No. 22; 1976 Resolution No. 23; 1977 Resolution No. 17; 1978, 1979 and 1980 Resolution No. 11; 1981 Resolution No. 2; 1982 Resolution No. 7; 1983 Resolution No. 2; 1984 Resolution No. 2; 1985 Resolution No. 9; 1986 Resolution No. 11; 1987 Resolution No. 7; 1988 Resolution No. 9; 1989 Resolution No. 5; 1990 Resolution No. 1; 1991 Resolution No. 17; 1992 Resolution No. 11; 1993 Resolution No. 3; 1994 Resolution No. 4; 1995 Resolution No. 2; 1996 Resolution No. 5; 1997 Resolution No. 4; 1998 Resolution No. 2; 1999 Resolution No. 7; 2000 Resolution No.2; and 2001 Resolution No. 8; and 2002 Resolution No. 3; 2003 Resolution No. 7; 2004 Resolution No. 7; 2005 Resolution No.7; and 2006 Resolution No. 7; 2007 Resolution No.11; 2008 Resolution No.7; 2009 Resolution No. 5; 2010 Resolution No. 5; 2011 Resolution No. 7; 2012 Resolution No. 7; and 2013 Resolution No. 4 (hereinafter sometimes referred to as the “1970 through 2013 Resolutions”); and

WHEREAS, said 1970 through 2013 Resolutions authorized, empowered and directed the Board of Trustees of the Annual Conference to take such action as might be

necessary to establish the legal rights of The United Methodist Church in and to all of the real and personal property formerly used in the ministry of The United Methodist Church or its predecessors, which had been or might thereafter be unlawfully appropriated and made provisions as to the disposition of such property and the proceeds thereof; and

WHEREAS, the Conference has heretofore paid and will be hereafter obligated to pay legal fees, expenses and court costs in connection with litigation instituted and to be instituted by the Board of Trustees pursuant to said Resolutions and it is the opinion of this Annual Conference that the proceeds of any sale, lease or other dispositions of any such real or personal property coming into the hands of said Board of Trustees should be used to reimburse the Conference for any such legal fees, expenses and court costs heretofore or hereafter paid by the Conference and authority for such use of said proceeds was contained in said 1970 through 2013 Resolutions, which use this Conference desires to ratify and confirm by this Resolution, all as hereinafter provided.

NOW THEREFORE BE IT RESOLVED by the West Virginia Annual Conference of The United Methodist Church as follows:

1. That the Board of Trustees of this Annual Conference after establishing and securing its ownership of and title to any real and personal property formerly used in the ministry of The United Methodist Church, or its predecessors, by any local church as a result of action under and pursuant to any of the above-mentioned Resolutions or this Resolution, shall report thereon to the Bishop of this Annual Conference and Bishop's Cabinet who are hereby expressly authorized and empowered on behalf of this Annual Conference to direct whatever disposition is to be made of said real and personal property, including without limitation, the right to authorize said Board of Trustees to sell any or all of said real or personal property or to enter into appropriate agreements as to the use thereof as in the judgment of said Trustees and said Bishop and Cabinet would best preserve said property from loss, damage or destruction and provide for its use in accordance with the best interests of and subject to the usage and discipline of The United Methodist Church.
2. That the funds derived from any sale, lease or other disposition of any real or personal property recovered by or coming into the possession of the Board of Trustees as a result of action taken under and pursuant to said 1970 through 2013 Resolutions or this Resolution shall be remitted to the Treasurer of this Annual Conference and be by him deposited in a special account in the name of the Board of Trustees of the West Virginia Annual Conference; and that the Treasurer be and is hereby authorized from time to time to use said funds to the extent necessary to reimburse the Annual Conference for funds heretofore or hereinafter paid by the Conference for legal fees, expenses and court costs in connection with action taken under and pursuant to said 1970 through 2013 Resolutions or this Resolution; that any balance in said special account from time to time in excess of that required to meet anticipated payments shall be invested by the Treasurer in accordance

- with the direction of the Board of Trustees; and that the Board of Trustees shall report to each Annual Conference hereafter the balance in such special account.
3. That except as heretofore and herein modified, said 1970 through 2013 Resolutions shall be and remain in full force and effect.
 4. That if, prior to the next regular meeting of this Annual Conference, any local church within the bounds of this Conference, or any such of the members of the congregations of any such church, should withdraw or declare their intention of withdrawing from The United Methodist Church and retain or seek to retain possession and control of or otherwise appropriate real or personal property formerly used by such local church in the ministry of The United Methodist Church or its predecessors, such local church is hereby declared to no longer serve the purpose for which it was organized, and, therefore, is deemed to be abandoned as a local church in the West Virginia Annual Conference of The United Methodist Church, and the Board of Trustees of this Annual Conference is hereby authorized, empowered and directed to take such action as may be necessary to establish the legal rights of The United Methodist Church in and to such real and personal property, and to eliminate all claims of any and all persons asserting a right of ownership or right of possession adverse to the rights of this Annual Conference including the authority, upon the advice of counsel, to institute legal proceedings and pursue said proceedings to the extent necessary to conclude the issues with finality; and that such real or personal property or the proceeds thereof coming into the possession of said Board of Trustees shall be disposed of, administered, managed and invested as provided in this Resolution.
 5. That until the next regular meeting of this Annual Conference the presiding Bishop and Bishop's Cabinet are hereby further authorized, empowered and directed on behalf of this Annual Conference to take any and all such action and to instruct said Board of Trustees to take any and all such action. In addition to the actions hereby authorized, as said Bishop and Cabinet may deem necessary and appropriate to safeguard and protect the interests and rights of this Annual Conference and The United Methodist Church with respect to any real or personal property now or formerly or hereafter used by any local church within the bounds of this Annual Conference.

Resolution Number Six

**Abandoned Properties, and the Sale and
Other Disposition of the Same**

WHEREAS, the Board of Trustees of this Annual Conference has been and is in the process of compiling a list of church property, both real and personal, within the bounds of the Conference which is no longer used, kept or maintained for church purposes; and

WHEREAS, it is deemed desirable by this Annual Conference to declare under

what circumstances certain properties may be deemed to be abandoned, placed in the hands of the Board of Trustees of the Annual Conference and sold, or otherwise disposed of; and

WHEREAS, *The Book of Discipline of The United Methodist Church* sets forth procedures that should be followed with regard to such matters;

NOW, THEREFORE BE IT RESOLVED:

1. When a local church property is no longer used, kept, or maintained by its membership as a place of divine worship, it shall be considered abandoned, if no action has been taken by the Annual Conference to declare it abandoned.
2. When a local church is abandoned and is, therefore, deemed to no longer serve the purpose for which it is organized and incorporated, with the consent of the Bishop, a majority of the District Superintendents of this Conference and the District Board of Church Location and Building, the Annual Conference Trustees may, upon such procedures as may be prescribed by them, assume control of the property.
3. If circumstances make immediate action necessary, the Conference Board of Trustees may sell or lease said property; provided, however, that the Conference Board of Trustees must first give an option to purchase the property, at the price for which it is otherwise to be sold, to other denominations represented in the Commission on Pan-Methodist Cooperation, and, provided further, however, that the Board of Trustees shall retain the proceeds of any said sale or lease in an interest-bearing account and recommend the disposition of the proceeds by the Annual Conference, in keeping with Annual Conference policies, if any, heretofore adopted regarding the disposition of proceeds of sale of church properties. If circumstances do not make immediate action necessary, the Conference Board of Trustees may sell, transfer, lease or mortgage such property in accordance with the applicable provisions of *The Book of Discipline of The United Methodist Church*, as revised from time to time.
4. For purposes of this Resolution, the circumstances which make immediate action necessary shall be deemed to include the following: the possibility that the property will decline materially in value prior to the next meeting of the Annual Conference; the need to expend substantial funds for repair, alteration, safety and health precautions; excessive costs of insuring the property; the need for funds by the Annual Conference or the Board of Trustees for uses previously authorized by the Annual Conference or the Board; the existence of an exceptional offer of purchase which is not likely to reoccur in the immediate future; and such other unique circumstances which the Board determines, in its discretion, justify the sale of such property as being in the best interest of the Annual Conference and its members. (The foregoing Resolution is based on the *2012 Book of Discipline of The United Methodist Church*).

Resolution Number Seven

Abandoned Property Funds

WHEREAS, the Annual Conference annually approves the Discontinuance and Abandonment of specific church properties upon recommendation of the Cabinet and the Conference Board of Trustees; and,

WHEREAS, said properties are sold by the Annual Conference Board of Trustees; and

WHEREAS, not all proceeds from the sale of said properties are designated by the Annual Conference and are thus placed in a Property Account of the Annual Conference; and;

WHEREAS, requests are made to the Annual Conference Board of Trustees for these funds by local churches for capital improvements; and,

WHEREAS, the Board of Trustees makes recommendations to the Annual Conference at a regularly scheduled session of the Annual Conference for the dispersing of these funds, thereby delaying many local churches in securing the funds for their needed capital improvements;

NOW, THEREFORE BE IT RESOLVED that 10% of the net proceeds from the sale of abandoned church property shall be allocated for the purpose of creating an endowment fund for capital improvements, repair and restoration of ethnic minority local churches. These funds shall be invested through the United Methodist Foundation of WV, Inc., and that the income shall be administered by the Ministry Team on Religion and Race (Fiscal Policy 47).

AND, BE IT FURTHER RESOLVED that 40% of the proceeds from the sales of discontinued and abandoned properties, after all expenses related to the sales have been paid, be allocated to the New Church Development and Congregational Revitalization Fund of the Annual Conference. (2002 Conference Journal, page 244 - "Recommendations from the Conference Treasurer").

FINALLY, BE IT RESOLVED that the Annual Conference authorize the Annual Conference Board of Trustees, upon recommendation of the Cabinet, to disburse up to \$50,000 a year of those funds between sessions of the Annual Conference. Said disbursement is to be reported to the Annual Conference at its next regularly scheduled session.

Resolution Number 8

Parsonage Allowances - Clergy in Extension Ministries

(Also appears in CFA report)

WHEREAS, The West Virginia Annual Conference of The United Methodist Church is the qualified employing organization of its clergy; and

WHEREAS, The Internal Revenue Code, Section 107, provides for clergy to exclude (a) the rental value of a home furnished as part of compensation, and (b) the rental allowance paid as part of compensation, to the extent used to rent or provide a home,

THEREFORE BE IT RESOLVED, that in the calendar year 2015, the actual expense for housing, not to exceed \$18,000, be designated as the parsonage allowance excludable under Section 107 of the Internal Revenue Code as part of the compensation of clergy employed by the West Virginia Conference in positions other than local churches such as Director of Administrative Services, Conference Secretary, Conference Staff, and Administrators of Conference Programs and Projects. District Superintendents shall have \$4,000 be designated as the parsonage exclusion excludable under Section 107 of the Internal Revenue Code as part of the compensation of clergy employed by the West Virginia Annual Conference in positions other than local churches.

Archives and History

Greetings from members of your Commission on Archives & History who send many thanks to those of you who have responded to our request for up-dated local church histories for inclusion in the Conference Archives Collection. We depend on many persons to make it possible to locate, collect, and preserve United Methodist historical information from individuals, congregations and other agencies of the Annual Conference in order to maintain our *Ministry of Memory* for generations to come.

If you have a special interest in the mission of our Commission, we hope you will consider becoming a member of our Historical Society. The Society meets once a year for a luncheon and a program of interest on the opening day of Annual Conference. During this last year our Commission researched the history of The West Virginia Conference Historical Society and prepared the following revised *Plan of Organization* which was adopted at the 2013 luncheon meeting:

Whereas, The Methodist Historical Society, incorporated on October 30, 1942, by Harvey Harmer and others, was revoked by the West Virginia State Tax Department on December 7, 2001; and

Whereas, on July 9, 2004, Joe Manchin III, Secretary of State of the State of West Virginia, issued a Certificate of a Voluntary Association for the Historical Society of West Virginia Conference, United Methodist Church, on application by Dr. Robert Florian and others; and

Whereas, this non-profit voluntary association, Control Number 68080 and WV Tax ID #151-00-230 shall continue to be registered until a certificate of dissolution has been filed with the Secretary of State; and

Whereas, Documentation is needed for how this Society is governed, therefore be it **Resolved** that the following *Plan of Organization* be approved by a two thirds vote of members of the Society attending the 2013 Annual Archives & History Luncheon:

The **Name** of this organization shall be: **Historical Society of West Virginia Annual Conference United Methodist Church** and it shall continue to be registered with the Secretary of State of West Virginia as a Voluntary Non-Profit Association.

Membership in the Society shall be based upon payment of annual dues of \$5.00 or more by persons attending the annual Archives & History Luncheon at Annual Conference and by others who are sympathetic with the aims and purposes of the Society.

Purpose of the Society shall be to work closely with the West Virginia Annual Conference Commission on Archives & History to help maintain an awareness of the work of Jurisdictional and General Commissions on Archives & History and The Historical Society of The United Methodist Church and assist the Annual Conference Commission in the following tasks: Collection and Preservation of materials related to history of The United Methodist church and its antecedents in West Virginia; To encourage the writing of local church histories; Promote research, writing and publication of United Methodism in West Virginia; To help identify sites of Methodist and Evangelical United Brethren historical interest within the West Virginia Annual Conference; To develop interest in United Methodist History among local church historians and others; To publicize observances of historical anniversaries and Heritage Sunday; and to promote and support West Virginia Annual Conference Archives located in the Annie Merner Pfeiffer Library at West Virginia Wesleyan College.

Meetings: The Society shall meet annually during the Archives & History Luncheon at Annual Conference. Other meetings may be held at the call of the President and members present shall constitute a quorum.

Officers: The Society shall elect a President and Secretary/Treasurer from its membership. The Vice Chair of the Annual Conference Commission on Archives & History shall serve as Vice President of the Historical Society.

Administration: The officers shall be responsible for management of the Society including matters related to future projects, annual dues and other financial concerns; a checking account will be maintained by the Historical Society's Secretary/Treasurer for holding both Historical Society dues/donations and funds temporarily deposited there by the Commission on Archives & History; Provision shall be made for an Annual Audit and appropriate bonding for the Secretary/Treasurer; the President and Secretary/Treasurer shall be elected following adoption of this Plan of Organization at the 2013 Luncheon and thereafter during the first Luncheon/Business Meeting of each quadrennium, on nomination by the Commission on Archives & History with additional nominations accepted from current members of the Historical Society in attendance; All historical materials acquired by the Society, unless otherwise stipulated, shall become the property of the West Virginia Annual

Conference Commission on Archives & History and placed in Annual Conference Archives located in the Annie Merner Pfeiffer Library at West Virginia Wesleyan College. **(Carol Bowman, Library Staff Liason to the Conference Archives Collection, is available by appointment to lead individuals or groups on a tour of the WV Conference Archives Collection. (304)473-8601); Written requests for information should be mailed to Carol at 59 College Avenue, Buckhannon, WV 26201)** The Society shall be amenable to the Commission on Archives & History of the Annual Conference in all matters relating to its organization and operation.

Amendments: This Plan of Organization may be amended by a two-thirds vote of those present and voting at subsequent annual Luncheons/Business Meetings;

Parliamentary Authority: Robert's Rules of Order (Newly Revised) shall apply in all circumstances where it is not in conflict with the United Methodist *Book of Discipline*, actions of the Annual Conference, or this Plan of Organization.

Following adoption of the Plan of Organization, Dr. William H. Wilson was elected President and Kathy Hanko was re-elected Secretary/Treasurer.

As many of you know, **Dr. Lawrence F. Sherwood, Jr.** has been actively involved in the research and preservation of the history of Methodism in West Virginia for many years. At the 2011 Session of the West Virginia Annual Conference he was presented a plaque designating him as a "Distinguished Historian" for his historical work and teaching! He is well known as an excellent teacher, researcher, and author and for owning a very large personal collection of historical documents. At the October 2013 meeting of the Commission we nominated Lawrence to be named one of the **2014 West Virginia History Heroes** by the West Virginia Division of Culture and History. He will receive this honor on West Virginia History Day, February 13th, at an official ceremony at the Culture Center and then will receive special recognition during the House of Delegates Session.

This is the fifth year our Commission has taken part in the celebration of West Virginia History Day at the Legislature by providing an educational exhibit in the Capitol Rotunda.

We are still in the process of compiling a list of all West Virginia Conference Local Church Historians and look forward to receiving that information as soon as possible through the District Offices following this year's Charge Conferences.

Christian Unity and Inter-Religious Concerns

In 2013, Christian Unity and Interreligious Concerns affirmed a grant for *Bridging Cultures Bookshelf: Muslim Journeys* received by the library of West Virginia Wesleyan College. The Muslim Journeys Bookshelf is a collection of 25 books, four DVDs, and other programming resources selected to help public audiences in the United States become more familiar with the people, places, history, faith, and cultures of Muslims around the world and within the United States. The Bookshelf is intended to address both the need and the desire of the American public for trustworthy and accessible resources about Muslim beliefs, practices, and the cultural heritage associated with Islamic civilizations. The resources have been received and can be found in the WVWC library. Christian Unity and Inter-religious Concerns continues to seek ways to an ecumenical forum for young adults, particularly college-age students.

Christian Unity was represented at the Annual Assembly of the Council of Churches, the WV Council of Churches Board Retreat at Huttonsville. Denominational dialogues continue and look to be expanded to include new conversations between denominations. Hope continues for our entry into the LARC (Lutheran-Anglican-Roman Catholic) dialogue(s).

Last year's initiative for a new endeavor to develop and sustain an ecumenical forum for young adults, particularly college age students has been launched in cooperation with Jeff Allen and Angela Gay Kinkad.

Respectfully Submitted,
Timothy Allen, Chairperson

Clergy Support and Pastoral Care Team

Several funds exist to support clergy and clergy families. The following funds are administered by our Team:

- Mental Health Counseling—funds available to cover the cost of mental health services not covered at 100% by our conference insurance plan. These funds are handled by one person and kept confidential.
- Dependent Care—funds available to subsidize dependent care while attending a district or conference meeting or event
- Clergy Furniture Grants—Historically grants up to \$1000 have been available for seminarians returning to the annual conference to take an appointment. Some money remains in this fund, and our Team has requested additional funding in the 2015 Annual Conference budget.

The Board of Ordained Ministry provides funds for

- Continuing Formation Grants—Maximum of \$600 available

every 24 months for clergy members in full connection, associate members who have completed Course of Study and are not working toward provisional membership, provisional members who have completed the Residency Program, full and part time local pastors who have completed Course of Study, and diaconal ministers who have been under full-time appointment for at least two years. Retired clergy who are involved in church related ministry and clergy on sabbatical leave will be considered on a per case basis.

For more specific information on any of these funds, you may contact your District Superintendent or me.

I am stepping down from the role of chairing this committee but will continue to administer the funds until a new chairperson has been named. I have appreciated the opportunity to provide support for clergy and clergy families in varied seasons of life and ministry, and I pray God's blessings upon the new chair and the Team.

Peace in Christ,
Rev. Jenny Williams

Conflict Transformation

The Conflict Transformation Team began in 2001 under the leadership of Bishop S. Clifton Ives who was very aware of the need for a group of trained individuals who could work in conflicted church situations, including those which a bishop and cabinet member are not seen as impartial, or in situations where a bishop and cabinet member are parties to the conflict, or where the bishop and cabinet want to use the expertise of a trained Team.

Since its beginning, Team Consultants have been trained by staff of JustPeace Center for Mediation and Conflict Transformation (Washington, DC) and the Lombard Mennonite Peace Center (Lombard, IL).

Consultants are available to visit your congregation to prevent destructive conflict; help people engage conflict constructively; teach strategies to engage the present crisis and in doing so, prepare for any future conflicts.

Currently the Team offers: Mediation, Facilitation of Large Groups in Dialogue, Facilitation of Circles of Healing and Accountability and Consultation. The model uses Clergy and Laity, who not only are trained in conflict management/transformation, but may have experience in labor arbitration, mediation and ethics.

Coordination of assignments is handled through the Coordinator who is contacted by a district superintendent or pastor to assist in addressing the organizational development needs of congregations and/or agencies within the WV Annual Conference. The Conference has established a fee standard for these services, which are paid by the church or other parties.

As of this date, 25 West Virginia Conference churches and/or church-related agencies have been served by Team Consultants to help reconcile conflicts, transform congregations and provide education. No Consultants were utilized through the 2013-2014 church year.

You are encouraged to contact the Team Coordinator, Rev. Janet Harman at 304/343-2115 for further information.

Congregational Development

Congregational Development is presenting our Ministry Action Plan (see next page) as our report to Annual Conference. Aligning with our vision, mission, values, and context, we use our MAP to guide and direct our work. This is one of many tools we can help churches develop, as we work to assist them in gaining insight and focus as they seek to become faithful, fruitful congregations.

CONNECTIONAL MINISTRIES

The Rev. Dr. J.F. Lacaria

Assistant to the Bishop and Director of Connectional Ministries

A number of years ago I began exchanging books at Christmas with a close friend. This year I received *The Early Preaching of Karl Barth: Fourteen Sermons with Commentary by William H. Willimon*. [John Knox Press, 2009] The second sermon within this collection is Barth's Easter morning sermon, 1917, delivered as the shells of World War I began to approach his home town. [ibid: pages 15-22]

Barth examines what it means to live without God: "we try to learn and do what is good (without God) – and the dry finger of morality points to us accusingly: you must be good, but you are not! We look within ourselves (without God) – and the thundering word frightens us: you are sinners! We want to work, earn, use our abilities, call something our own (without God) – and there looms up before us modern capitalism, King Mammon, enveloping us in his claws and making us his sad and beleaguered servants. ... We wish to live with and be good to our fellow human beings (without God) – and between us and them emerge, like the stones of an insurmountable wall, the differences of position and class, of peoples, religions, parties, standpoints, education, character, and view of life."

But like so many Psalms, Barth's lament ends in triumph – Easter triumph – "Yes, God is! ... *you, you are, you are God!* ... God was stronger than human sin, for Jesus could pray on the cross for sinners. God was stronger than fate, for even in deepest distress Jesus did not resign to his fate... God was stronger than Mammon, for in the suffering of Jesus *that* came to light which holds and binds human beings *stronger* than the cursed 'mine' and 'yours' that separate us."

God's triumph goes on. We are not called to save our church, our conference, our denomination (without God). It is this declaration that I celebrate in my report this year.

We have a vision of a people who "are a Christ-led, spiritual breath of fresh air that changes the world!" What does a spiritual breath of fresh air smell like? How can you tell if it is Christ-led? Does it always change the world, or does it sometimes just blow on by? These are key phrases of a vision and important questions to consider.

We make a difference each time we discover a new leader, develop his or her gifts and graces, and deploy that leader to the place where their deep calling meets the world's great need. Our conference is postured to do just this, more and more often, in predictable and unexpected places, making more disciples who make more disciples, unto the very transformation of the world.

We are organizing in teams: task teams, lead teams, operational teams, directional teams, who are clear about their purpose, focused on their work, passionate about their spiritual grounding, sacrificial in their commitment, and gracious in their mutual accountability.

CONNECTIONAL MINISTRIES

We make MAPS, pray and long for the Spirit, regenerate ourselves, ask deep questions, love one another, travel to the hinterlands, seek new leaders, tell better stories, share ministry “secrets,” and create webs of ministry that reflect our connection.

Most importantly, we are not (without God). God is with us, before us, and around us. And if we prayerfully seek our triumphant celebrations among all the people, if we invite new leaders from new places and help them join in this great joy of transforming the world, I believe we will discover again and again just how real and good God is.

The Rev. Dr. Bonnie Glass MacDonald **Director of Leadership Formation and Ministry Support**

¹¹ The gifts he gave were that some would be apostles, some prophets, some evangelists, some pastors and teachers, ¹² to equip the saints for the work of ministry, for building up the body of Christ....

Ephesians 4

⁴ Now there are varieties of gifts, but the same Spirit; ⁵ and there are varieties of services, but the same Lord; ⁶ and there are varieties of activities, but it is the same God who activates all of them in everyone. ⁷ To each is given the manifestation of the Spirit for the common good.

I Corinthians 12

I have experienced a year of rich blessings and wonderful surprises as I have felt the welcome from so many during my first year within the West Virginia Conference. I have thoroughly enjoyed the privilege of exploring the beauty of the region and coming to know many of you and a little bit of your stories.

Though the title of my position may sound curious, my job is a great one. Essentially, I get to help people pay attention to how God might be working in their lives and help them ask questions about how God might want to use them for God’s work in the world. Then I help them follow through on the steps needed to bring those questions to reality. These are questions that are meant to be asked over and over, throughout the course of a lifetime, regardless of age, education; whether one is laity or clergy.

The best part about my job is that it involves all of you, everyone in your congregations, plus each person your congregation might reach out and care about. As the people of The United Methodist Church, we have defined our mission as creating disciples for the transformation of the world. The apostle Paul wrote letters to the churches in Ephesus and Corinth comparing the community of faith to the “Body of Christ” that needs each of its parts to be in working order and that God equips each of us with unique gifts “for the

CONNECTIONAL MINISTRIES

common good” (I Corinthians 12:7) and “for the work of ministry” (Ephesians 4:12). We are meant to help each other discover not only how deeply we are loved, but how God intends for us to act out that love, developing continually the gifts that God has given us.

In practical terms, I focus on those aspects of West Virginia Conference life that discover and develop leaders in ministry. I support the Board of Ordained Ministry and the Lay Ministry Team and their many related teams. I also support the work of the Board of Higher Education and Campus Ministry. This has been a year of learning and listening; of celebrating strengths and considering areas for growth and possibility. There is much to celebrate!

I have felt blessed to be part of many moments of grace this year as people have shared with me how they are living out God’s calling in their lives. My ongoing hope is that each of us who are blessed to consider ministry as our vocation will always be attentive to the awesome opportunity we have to cultivate the awareness of God’s calling in others. More than witnessing, this is about being and creating *transforming disciples for the transformation of the world*.

If you have questions about how you or someone you know can discover and develop gifts for ministry in the West Virginia Conference, I’d love to hear from you.

Laura Harbert Allen **Conference Director of Communications**

On Ash Wednesday this year, I stood near the corner of University and Wiley Avenue in Morgantown, W.Va., camera in hand. I watched people walk by the Rev. Matthew Johnson and his wife, Beth, who patiently waited for students to ask to have ashes put on their foreheads.

“You are marked by Christ; live differently,” said Matthew an hour or so later as he marked my forehead with the outline of the cross.

Live differently. These words sum up the efforts of conference communications during the past year. We bid farewell to The West Virginia United Methodist, the official publication of the West Virginia Annual Conference for nearly 40 years, and said hello to The Mountain Circuit.

The Mountain Circuit has several pieces that serve different functions with a common purpose: to tell and connect the story of the Conference. Our team now publishes a newsletter ten times a year - the same schedule as the former West Virginia United Methodist. It’s purpose: to provide the nuts and bolts items needed in the work of ministry around the conference.

We also produce The Short Circuit, an electronic newsletter that is emailed to subscribers every other Tuesday throughout the year. This publication keeps subscribers

CONNECTIONAL MINISTRIES

up with events, announcements and stories from around the conference.

The Mountain Circuit digs deep into the spiritual and creative life of the conference, concepts that are vital to the Christian faith. This quarterly full-color magazine features photography, reflection, poetry and creative writing from conference members and the communities of West Virginia.

Digital subscriptions to all of our publications come at no charge to subscribers. Ask a member of the communications team to help you sign up this week at Conference.

All church pastors and lay leaders receive apportionment-subsidized copies of the monthly newsletter and quarterly magazine at no additional charge. We also provide churches with a subscription at no charge upon request. If you fall outside one of these categories, print subscriptions are \$30/year and include the monthly newsletter as well as the quarterly magazine.

These changes reflect the use of digital technology to create and distribute information and stories around the conference, while acknowledging that the need for print media still exists. We do this to be good financial stewards as well. The cost of producing the print newsletter went from nearly \$5,000.00/issue to around \$2000.00/issue. This leaves more funds for other types of print media such as posters, fliers and bulletin inserts. For example, this year we have partnered with Global Ministries to create three fliers describing various ministries and programs.

Finally, some words about district lead teams. You have likely heard a great deal about them throughout the past year, and you will learn more about what they have discovered during conference. Each district lead team has a communications coordinator who will help connect the stories of ministry and hope that are in churches throughout our districts with conference communications.

This ministry is much more than information gathering and distribution. District lead teams and communications coordinators will make our connection deep and vital, helping conference and local church members find the unity that is proclaimed in our name. District communications coordinators will build teams of people around them to help share the story. If you run AV in your local church, love to write, take pictures or have a knack for social media, please let a communications team member know! Just look for the bright yellow t-shirts during conference.

I also have to thank the entire communications team for their work and ministry. We have an active, vital team that brings much joy to my daily work. I also want to thank the communications lead team: Rev. Brad Bennett (our coach) and Rev. Jonathan Nettles (our chair), and Rev. Kathy Ambler for their support and advice throughout the year. Thanks also to communications specialist Adam Cunningham for his tireless efforts in the work of communications.

We value stories that show the kingdom-building truth of the gospel and build grace-filled relationships so that lives will be transformed for Jesus. As we transition to a digital world, regardless of the format, we are here to engage, connect and empower people inside and outside our church to share the good news of Jesus Christ.

CONNECTIONAL MINISTRIES**The Rev. Amy Shanholtzer****Director of Evangelism and Congregational Development**

Sometimes there just are no words for the joy of the ministry that I get to do. All over the West Virginia Conference there are faithful servants of Jesus Christ who are reaching out in love to their communities and the world. On occasion, I get to observe that faith and passion. I am often invited to join them in their work and find ways for the conference to come alongside them as we see new life emerge. Please see the reports of the Congregational Development and Evangelism teams for another perspective on this work. For my report this year, I'd like to draw your attention to some new initiatives.

The Congregational Development Team has partnered with the Suncrest United Methodist Church as they give birth to Ignite – a ministry striving to raise up a generation of leaders who will engage culture and change the world. Suncrest has long had a student ministry and recently has experienced great growth. We have been able to work together to bring Matthew Johnson on board to begin this project. They are exploring several vehicles with which to accomplish this new ministry: a new worship service, small group studies and small discipleship groups called huddles. All of these are designed to raise up leaders who will multiply ministry. We hope that you will join us in prayer for this new project and the potential impact on this mission field of 30,000 young people doing vocational discernment.

We continue to engage with Griffith Coaching in our Growing Your Church process. This weekend event followed up with coaching seems to be an effective tool for churches seeking to build new systems to reach new people in their communities. We are also working to contextualize this process for small and rural churches in a process we are calling Rethinking How We Do Church. This is in the testing phase right now. Once we test it, the challenge will be scaling it up with leaders and coaches to be useful across the conference. We've got some ground to cover though because we've only reached approximately 10% of the churches in our conference with these tools so far.

We are also continuing to look for ways to build partnerships and increase our resource base. Whether this is through monetary contributions or the combination of resources and expertise with other teams and leaders, we believe that this is the best stewardship of all of our gifts when we learn from one another and move in the same direction.

One example of this is the Evangelism team's partnership with Spring Heights. As we can, we hope to build bridges between children who have a significant faith formation experience at camp and the local church. While Spring Heights does what they do best – providing a week of exciting fun and formation in Christ, we believe we can help provide connection in local communities following camp.

The Evangelism team is also taking seriously spreading the gospel in every place and is working with folks in ministry in McDowell County. We hope to bring faith formation and community development resources to bear so that the United Methodist Church in McDowell County can be strengthened to share Christ with their neighbors.

CONNECTIONAL MINISTRIES

I am blessed to continue to work with congregational developers around the denomination through my work on Route 122, as well as serving at the NEJ representative to Path1. I've also been blessed with an opportunity to lead a webinar with GBOD focused on the small membership church – sharing with others some of what we are learning in our conference. My service with the Bishop's Lead Team and in the development of the Radical Discipleship Academy of Appalachia has provided great learning as we work to lead the way into some new ministries and pathways in our conference. I am grateful for these opportunities to serve.

Thomasina S. Stewart

Director of Ethnic and Outreach Ministries

Faithful Ministry—*The people of God, who are the church made visible in the world, must convince the world of the reality of the gospel or leave it unconvinced. There can be no evasion or delegation of this responsibility; the church is either faithful as a witnessing and serving community, or it loses its vitality and its impact on an unbelieving world.*

The Book of Discipline of the United Methodist Church 2012, Para. 130

Paragraph 130 presents the church with a bit of a dilemma. How do we convince a culturally, socio-economically, racially, linguistically, diverse-in-so-many-ways world of the gospel when the church does not look very diverse? We can overcome this challenge. Congregations around the conference are doing ministries that can move us in the direction of becoming a more diverse church.

Several congregations are providing *table ministries* that welcome people from the community to gathering for a meal, or a meal and worship. In other faith communities members are going out two-by-two and door-to-door to invite their neighbors to church or special events. Bible study groups are forming in trailer parks and senior housing complexes. Children and youth are showing up in church fellowship halls for homework time and snacks. Housing repairs are being done for seniors and single-parent households. Pastors are caring for people who are not a part of the congregations they serve. These are glory sightings of the church at work in its location. The church becomes more diverse when the people of God become more visible in the world through prayers, presence, gifts, service, and witness, and by building relationships with those we welcome, invite and serve.

As Ethnic Ministries/Religion and Race considers what it means to be a more diverse church, the team will begin to consider options and collaborations as they struggle

CONNECTIONAL MINISTRIES

with the challenge of how to increase the number of clergy-of-color in the conference. A diverse team, brought together and led by Bishop Steiner Ball, will be working with General Commission on Religion and Race staff on leadership development, specifically discovering and developing clergy-of-color. The Global Ministries team is exploring the matter of how to help congregations start an outreach ministry or build on current ministry in an effort to increase the church's presence in more communities. Both ministry teams are also looking at ways to resource lay leadership currently serving and to discover new leadership. As the staff person related to Committee on Ethnic Ministries/Commission on Religion and Race and Board of Global Ministries it is my hope that together we can help the church, lay and clergy, *to reach more young people, more diverse people, more new people.*

Again, thank you for what you do where you are to convince the world of the gospel by showing the love of Christ to one another and to those around you through the work of ministry.

With gratitude...

Heather Withrow **Director of Camping and Outdoor Ministries**

"Therefore let us not become weary in doing good; for at the proper time we will reap the harvest if we do not give up."

– Galatians 6:9

The ministry at Spring Heights continues to be one of blessings and challenges. We have seen a large increase in retreat usage and are consistently growing our camp numbers at a rate of about 10% per year for the last two years. Last summer we began asking campers to let us know about any faith decisions they made at camp. Seventy-one campers reported an interest in pursuing full-time ministry as a vocation. Thirty-one reported inviting Christ into their hearts for the very first time at camp. Summer camp remains a most significant evangelism tool for our conference.

Major infrastructure issues are now completely resolved. Thanks to the Conference Trustees and the members of the conference, we have installed an entirely new system of sewage pumps and septic systems, renovated the Amphitheatre, purchased a new maintenance truck with a snow plow and salt spreader, installed swing circles for Bible Study, replaced doors and windows throughout camp, replaced the roof and renovated the interior of the residence, and repaired the roof of the dining hall. We have completed several other minor projects as well. Currently, we are renovating the retreat center and replacing the furniture within it. We are also opening new trails that help keep campers off the main road and

rebuilding the pavilion at Rustic Village. The Camp Commission and I cannot express our thanks enough.

Program expansions continue at camp and into our retreat offerings. We have launched our 10 Below retreat for youth from small churches and are integral in the development and launch of the Radical Discipleship Academy of Appalachia – set to begin this summer.

We are looking forward to a great summer and hope that you will join us! If you can't join in person, please follow the progress of our ministry at www.springheights.org, on facebook at www.facebook.com/springheightsfb, on Twitter @spring_heights, on Instagram @springheights or on Pinterest, SpringHeights. See you at camp!

Theological Implications for the Disaster Response

"We are not lords, but instruments in the hand of the Lord of history; and we can share in other people's sufferings only to a very limited degree. We are not Christ, but we must have some share in Christ's large heartedness by acting with responsibility and in freedom when the hour of danger comes, and by showing a real sympathy that springs, not, from fear, but from the liberating and redeeming love of Christ for all who suffer.

Mere waiting and looking on is not Christian behavior. The Christian is called to sympathy and action, not in the first place by his own sufferings, but by the sufferings of his brethren, for whose sake Christ suffered."¹

There are many logical and practical reasons why churches respond to disaster. Sociologically² churches are grass roots institutions which...are being looked to for help, comfort and leadership in the times of stress and crisis. "They are among the basic institutions within any social unit...they have 'territories' within which they have social, physical, and economic, as well as 'spiritual concerns'. They have visibility and strength which their individual members do not have."

In practice, churches are involved in response to disaster from the very first hour. The church gives unique help in four areas.³

Spiritual (dealing with questions of life, death, eternal hope, why me?, why not me?, values, etc.)

Emotional ('caring presence', support, re-establishing a sense of community, resolving the emotional conflicts of such trauma.)

Physical (people involvement, clean-up, transportation, etc.)

Material (those areas which are crucial for living, but to which no other source can give.)

"These are all essential. They have to do with the quality of life for persons suffering great trauma from disaster. No one except the Church can really function well in these areas – especially the first two."

Theologically, there are reasons central to the Church's existence which calls for compassionate response to the needs occasioned by disaster. Churches "have a mandate: they must be concerned with the welfare of individuals. They must address the concerns of the poor, the needy, and the victimized." The Church's mission is found within the Biblical and theological background of our faith. The Church is about the reconciliation of people with themselves, with each other, and with God, in the face of disruptive forces within and without.

It is the Church which comes proclaiming, in a profound way, a significant message of continuity between what has been, what is now, and what will be in the future. It is the church that comes representing the essence of eternal values that transcend the immediate.

The task of the church, in the break-up of community occasioned by disaster, through its involvement in community organization, pastoral care, and involvement in local leadership, is to re-establish the presence of a supportive, caring community.

Through the work of local ministers, lay persons, pastoral counselors, and Church and Community Workers, the message is strong and clear. "You are a disaster victim, but you still have eternal strengths and potentials for coping. You have abilities to regroup. Most important, you have the unique qualities that God has given you to discover hope in the midst of disaster."

The church is involved in disaster response to project a prophetic message related to the future. The prophetic voices of the church....seeks to prevent conditions which make the possibility of future disaster less prevalent than necessary.

PREFACE

Our United Methodist disaster response effort has been for years called a ministry of pastoral care. We now realize the term pastoral care is insufficient to define what we do in our disaster response ministry. To many, the term means mental and spiritual health counseling. Yes, there is a counseling component, but our disaster response ministry is much broader.

To others, pastoral care is even more narrowly defined as services provided to or by ordained religious leaders. However, disaster response ministry is not the exclusive territory of clergy. Perhaps what we do is best described as a *Ministry of Care*.

Our multifaceted ministry of Christ's Church has theological, material, mental health, advocacy, and social service components designed to provide for the spiritual, emotional and physical recovery of disaster survivors and for the well-being of their caregivers.

Remember a disaster erodes some relationships and cuts others. The aim of our caring ministry is to strengthen and reconnect these relationships—between persons and God, persons and families, persons and communities. Whatever you plan, do it so relationships are built and/or restored, not further damaged.

The parable of the Good Samaritan (Luke 10:30-37) tells of two religious officials and a man from Samaria. The Samaritan holds no religious office, and is, in fact, of a race despised and considered “unclean” by those arrogant officials. When the three are confronted with a call to care, it is the Samaritan who answers and gets the approving nod from Jesus. He performs his caring ministry at some cost and personal risk. Those hearing Jesus tell of it were no doubt surprised to hear that an “unfit” Samaritan is portrayed as capable of compassion.

The story is a reminder to any who call themselves followers of Christ that when strangers lie wounded, each of us is called to respond. We have no choice but to set aside our personal agenda and embrace inconvenience in order to offer care, always at some cost and risk. All of us, laity and clergy alike, are God's designated caregivers, urged by Jesus “to do likewise.”

WV Conference Policies and Procedures for Disaster Response Ministries (Adopted: 2013, Global Ministries Team)

Administrative Policies

There are levels of disaster: local, parish, district, annual conference, and national. As the scope of disaster extends beyond a particular level, the next level's resources are accessed. For example, if a local church can handle the needs of a localized disaster, then there is no need to seek further assistance. If not, resources should be found at the parish or district levels. If a Parish Coordinator, District Superintendent or District Disaster Coordinator senses the disaster is beyond the scope of the parish or district, then the Annual Conference Disaster Response Coordinator should be notified and annual conference resources made available.

District Disaster Response Coordinators

Each district shall have a district response coordinator to coordinate district disaster response and cooperate with the annual conference response coordinator. The district coordinator and the parish coordinator (s) should work together to provide response to disasters beyond what a local church can handle. The district coordinator along with the District Superintendent will decide if the Conference Disaster Response Coordinator needs to be contacted. The district coordinator will become a member of the Annual Conference Adhoc Disaster Committee, when the affected area is within the district's boundaries.

Annual Conference Disaster Response Coordinator (s)

The coordinator(s) is responsible to coordinate conference response to disasters as they occur. The Episcopal office and Conference Coordinator (s) will assess whether UMCOR should become involved. The conference coordinator (s) is responsible for the disbursements of conference funds and the signing of vouchers.

Annual Conference Adhoc Disaster Committee

This committee is comprised of the Bishop, the Director of Connectional Ministries, the Director of Leadership Formation, Division of Health and Welfare Chairperson, the VIM Coordinator, the Director of Communications, the Conference Disaster Response Coordinator(s), the Treasurer, the Global Ministries Team chairperson, and the District Superintendent(s) and district disaster coordinator(s) of the affected area(s). The Director of Connectional Ministries serves as the chair of the adhoc committee. The adhoc committee will act upon requests that exceed the pre-approved voucher limits and/or require dealing with special circumstances. The adhoc committee will meet when a disaster requires further action and/or long term support.

Response to Damage to Church Property

1. There are immediate grants to churches, affected by a disaster, of \$1000 per church (rebuilding church property or serving the citizens of the disaster area) upon request of the district superintendent of the district where the church is located. The grants will be disbursed by the Conference Disaster Response Coordinator(s).
2. Additional grant requests (to help churches restore church property) will be acted upon by the Conference Adhoc Disaster Committee.
3. Local churches may make application to the Revolving Loan Fund for emergency grants through the Division on Missions.

Limited Access to Disaster Area

Disaster response training is mandatory for anyone wishing to help in a disaster area. Admission to a disaster area or contact with victims/families will be prohibited unless the person can provide disaster training certification. Person trained by the WV Annual Conference can be identified by proper badging credentials.

Financial Policies

The primary purpose of Disaster Response is to meet the needs of the people through agencies and programs. A disaster response fund exists for disbursement of funds. This fund is comprised of donations given by individuals and organizations for disaster response.

1. The conference disaster response coordinator(s) is responsible for the disbursements of funds and reports the status of the disaster fund annually to the Conference Global Ministries Team and the Annual Conference. Vouchers will be signed by the disaster response coordinator(s) and sent to the Conference Treasurer for checks to be written from the disaster response fund. The voucher limit is \$5000 per voucher. Reimbursements for expenses incurred by the Disaster Response Coordinator(s) are approved by the Director of Connectional Ministries.
2. The Adhoc Disaster Committee will meet and act upon requests that exceed the approved limits and/or require dealing with special circumstances.
3. When a disaster requires further action and/or long-term support, a meeting of the Annual Conference Disaster Adhoc Committee will be called.

Planned Reserves

When possible and prudent, a balance of \$100,000 should be reserved for the next possible disaster. Twenty percent of the balance should be reserved for administration.

Episcopacy

The West Virginia Conference Committee on Episcopacy has met twice, November 21, 2013, and March 26, 2014, during the past conference year for the important ministry of supporting, encouraging, and interpreting the work of Bishop Sandra L. Steiner Ball, our resident and presiding bishop. We continue to be grateful to God for her vision, commitment, wisdom, and her positive spirit as she serves as our West Virginia Annual Conference Episcopal leader. She, and often with her husband Barry, has traveled throughout the Annual Conference visiting, preaching, teaching, and worshiping, demonstrating her commitment to be a leader who is among us in our places of worship and ministry in so many ways.

The Bishop hosted us at the Episcopal residence for our November meeting. Our agenda was to familiarize ourselves with the work of the committee (§ 637, 2012 Book of Discipline), visit the new Episcopal residence that was purchased prior to her assignment in July 2013, and hear updates and concerns from the Bishop relating to: family, her first year and first Annual Conference, looking ahead to 2014, Episcopal responsibilities beyond the Annual Conference, and maintenance concerns at the Episcopal residence.

The March 2014 meeting was held at the Conference Center. The committee reviewed the Episcopal Review and Evaluation document prepared by the Northeastern Jurisdictional Committee on Episcopacy that will be used during the quadrennium to provide self-evaluation, assessment, and comment to enhance and support the work of our Episcopal leader and the Jurisdictional Committee.

Officers of the committee are: Ellis Conley, Chair; Judi Kenaston, Vice-Chair, and Joe Hill, Secretary. Ellis Conley and Judi Kenaston also serve on the Northeastern Jurisdictional Committee on Episcopacy representing the West Virginia Annual Conference.

Grace and freedom,
Ellis Conley, Chairperson

Equitable Compensation

Fellow Disciples of Jesus Christ known as United Methodists -

I bid you greetings from the Equitable Compensation Team and praise God with thanksgiving for your dedication and determination of paying your apportioned gifts to the West Virginia Annual Conference. It is through this connectional giving that we are able to provide well educated and equitably compensated full time clergy to all areas of our conference. Whether aid is long term, designed for growth, or short term emergency situations, we stand ready to help and support the local church.

The 2012 Book of Discipline charges the Commission on Equitable Compensation to support full-time clergy serving as pastors in the charges of the annual conference by:

- a) Recommending conference standards for pastoral support;
- b) Administering funds to be used in base compensation supplementation; and
- c) Providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations.

To fulfill these responsibilities, the West Virginia Conference Commission on Equitable Compensation meets twice a year to review applications from churches for assistance in meeting the base compensation for their pastors. A church wishing to make such an application should be in consultation with their superintendent. We monitor and distribute information, as needed, to the Bishop and Cabinet for help in the appointment process and long term strategy development of the West Virginia Annual Conference.

2013 proved to be a challenging year for Equitable Compensation by way of special requests from the bishop and cabinet. All program items and administration costs were in range of projected budget figures with the exception of special requests. The payout for this area was \$36,800.62 against a budget of \$7500.00. Total budget for 2013 was \$157,300.00, amount received from apportionments was \$138,400.01 and amount paid out in claims was \$178,066.12. This resulted in a total of \$39,666.11 being drawn from reserve.

The charges, in cooperation with the district superintendents, are to be commended for their attention to exploring new avenues of revenue for compensation. Our thanks to the local churches of the West Virginia Annual Conference for the love and support you give the clergy families.

The Equitable Compensation Team recommends and presents for adoption the following:

The Equitable Compensation budget for 2015 be set at \$170,000.00.

Specifically, the amounts budgeted:

Administration =	\$2,500.00

STANDARDS FOR CLERGY SUPPORT FOR FULL-TIME PASTORS OF THE WEST VIRGINIA ANNUAL CONFERENCE

The West Virginia Annual Conference Standard of Clergy Support for Pastors appointed to a full-time ministry shall include the following:

- A parsonage furnished as recommended by the Conference Parsonage Standards.
- Parsonage utilities as defined by Conference Fiscal Policy #7.
- The means to participate in the Clergy Retirement Security Plan (CRSP)
- The means to participate in the Ministerial Pension Plan.
- The means to participate in the Comprehensive Protection Plan.
- An “accountable reimbursement plan” (sometimes called an expense allowance) to cover the costs of a pastor’s performance of pastoral duties including educational requirements.
- Base compensation for the work required and in consideration of ministerial competence, skill development, and years of experience.
- The means to participate in the conference sponsored hospital and medical insurance programs.

NOTE: Where a charge elects to pay part or all of a pastor’s self-employment tax the amount of that tax paid for the pastor by the charge shall be considered part of the base compensation. (This is in keeping with IRS regulations and provides for parity of compensation levels among charges.) If a charge elects to pay this optional amount for one pastor it shall be required to pay the same for any pastor appointed to the charge.

ELIGIBILITY/APPLICATION FOR EQUITABLE COMPENSATION (Guidelines are established by the Annual Conference)

To be eligible for Equitable Compensation churches/charges shall:

- have a minimum of 125 members;
- pay 70% of the total compensation;
- be encouraged to pay their Fair Share Giving;
- submit to the Commission on Equitable Compensation:
 - a. Charge Request Form

- b. The Budget adopted by the Church/Charge for the year, containing an accountable reimbursement plan for the pastors' expenditures
- c. Progress Report with plans for underwriting budget
- d. Bank information and Form I-9 with supporting documents, if it is first time pastor is receiving assistance be a full-time appointment having one pastor/ministerial student, provided that no member in good standing, who is appointed to a pastoral charge, is denied the minimum base compensation. (2012 Book of Discipline paragraph 625.9)

GUIDELINES FOR PROCESSING FORMS

Every charge requesting compensation support for a pastor shall submit all forms listed under #4 above to their District Superintendent. These forms are to be submitted 6 weeks prior to the beginning of the appointive year or when a new appointment is made and assistance for financial support is needed to maintain the minimum compensation support set by the Annual Conference. Changes in classification must be cleared through the Board of Ordained Ministry upon recommendation of the District Committee and approved by ministerial members in Full Connection.

The Time Table for processing of the charge request form by the charges is as follows:

MAY 15: The District Superintendents forward ALL forms to the Chairperson of the Equitable Compensation Commission

JUNE 15: The Chair of the Commission on Equitable Compensation will forward the forms to the Conference Treasurer's office for processing.

FALL: To expedite the processing of forms in a timely manner, District Superintendents shall place church/charge conferences that are requesting support from the Commission on Equitable Compensation at the beginning of their Charge Conference schedules.

DECEMBER 1: The District Superintendent shall process all new Charge Request Forms or Continuation Forms requesting financial assistance from the Commission on Equitable Compensation to the Chairperson of the Commission for processing and forwarding to the Conference Treasurer's Office. The pastor of each church/charge receiving compensation support shall also submit a Progress Report to the District Superintendent on or before December 1 of each year.

Failure to process the Request Forms on time will cause a delay in payment of compensation to the pastor.

LIMITATIONS OF FINANCIAL SUPPORT

The maximum amount the Commission will pay to any one pastor is 30% of the total compensation (base compensation, medical insurance over 75%, personal pension contribution).

No churches/charges or pastors receiving funds from General or Conference Board of Global Ministries, Black Ministries Fund, or any other Conference Agency for compensation support are eligible to receive funds from Equitable Compensation. The only exceptions to this rule will be churches receiving non-recurring grants from the General Board of Global Ministries for Church Extension.

EXPECTATIONS

Churches making application for supplement from the Equitable Compensation Fund shall:

Assume an increasing share of total compensation in each of four years as follows: 75% the first year, 80% the second year, 85% the third year and 90% the fourth year.

This effectively limits compensation support to four years for any particular charge.

Initiate evangelism programs that will promote membership growth.

Implement programs that are designed to meet the social, physical, and spiritual needs of church members as well as persons in the surrounding community.

Develop an effective program of Christian stewardship.

Pay the Fair Share Giving.

Standards 1 through 5 are given provided that no member in good standing, who is appointed to a pastoral charge, is denied the minimum base compensation. (2012 Book of Discipline paragraph 625.9)

The Commission on Equitable Compensation shall provide assistance to and monitoring of the progress of each church/charge receiving compensation support. A support team consisting of a District Superintendent, one member of the Commission on Equitable Compensation, and a member from the Lay Ministry Team responsible for stewardship shall be available to visit each church/charge upon their request.

SPECIAL CONSIDERATIONS

The Commission on Equitable Compensation will cooperate with the Cabinet to provide support in making open/ethnic itinerancy appointments with \$17,500 reserve for:

meeting necessary expenses for making open/ethnic itinerancy appointments;

provide compensation support where needed to assure or continue an appointment where compensation is temporarily insufficient or withdrawn.

Extenuating circumstances may indicate a need for a church/charge to remain on Equitable Compensation support for one additional year. Such extension may be granted upon approval of the Commission on Equitable Compensation and the Cabinet. Each church/charge will be reviewed on an annual basis.

Where a church/charge is less than 125 members or when special consideration is requested by the District Superintendent as an instrument in helping that church/charge become self-supporting emergency requests from the District Superintendent will be considered.

MINIMUM SALARIES RECOMMENDED TO THE 2014 ANNUAL CONFERENCE:

The Commission on Equitable Compensation sets the total minimum compensation categories (defined beginning in 2015) as listed below:

- Category I -- \$35,000.00
 Members in Full Connection
 Probationary Members who are Seminary Graduates serving under full-time appointment (1992 Discipline)
 Commissioned Probationary Members who are Seminary Graduates serving under full-time appointment
 (2004 Discipline, ¶324, ¶325)
- Category II -- \$32,800.00
 Associate Members
- Category III -- \$32,000.00
 Full-time Local Pastors
 Student Probationary Members
 Student Associate Members
- Category IV -- \$28,900.00
 Ministerial Students

Accountable Reimbursement Plan - The minimum amount for Accountable Reimbursement Plan will be \$1200.00 per charge.

Evangelism

Our 2013 fall sessions with Doug Anderson were successful. While attendance could have been better, it was still good. Several churches have begun to implement what they learned.

In 2014 the Evangelism Team is focusing on work in McDowell County. The county has 21 United Methodist Churches with approximately 600 people. The Evangelism Team believes and would like to convince the Annual Conference that if something is not done quickly we could have a county in our conference with no United Methodist Churches! There will be a leadership Incubator training beginning very soon. We will be holding a fall event that will both teach and celebrate worship and evangelism for the churches of McDowell County. There will be an Advent teaching/worship event with Bishop Sandra Steiner Ball.

I would like to thank the team for their work and commitment.

Rev. Dr. Okey Harless, Chairperson

GLOBAL MINISTRIES

Global Ministries

Global Ministries is charged with maintaining the connectional relationship and providing for global ministries responsibilities related to the objectives and scope of work of the General Board of Global Ministries. (2012 Book of Discipline, ¶633.1) On occasion I have placed this charge on the agenda of our meetings as a reminder of our work.

The board in its work is called *to make disciples of Jesus Christ for the transformation of the world*. As a conference fulfilling this mission, our work must equip and transform people and places for God's mission globally. Additionally, the board is entrusted with the tasks of strengthening, developing, and renewing Christian congregations and communities; alleviating human suffering; and seeking justice, freedom, and peace.

Currently most of the work of the Conference Board of Global Ministries is divided among three divisions: Missions, Health and Welfare, and Parish and Community Development. Other responsibilities are vested in the positions of the Conference Secretary of Global Ministries, the Volunteer-in-Missions Coordinator, and the Church and Community Workers Advisory Committee.

Rev. Tom Clark retired as the VIM Coordinator effective December 31, 2013, and is now a part of the church eternal. The board greatly appreciates his pioneer work in the ministry of VIM in the conference. As of January 1, 2014, Sandy Binotto was named the interim VIM coordinator. We also said good-bye to Anita Tracy who has been serving as the Church and Community Worker in the Richwood/Craigsville/Webster Cooperative Parish. We wish Anita the best in the next journey of her life.

To know specifically what is happening in each area of the Conference Board of Global Ministries to fulfill its mission and responsibilities, please read the reports of these divisions and positions which follow.

Patricia (Pat) Mick, Chairperson

GLOBAL MINISTRIES

Division of Health and Welfare

This has been a busy and exciting year of ministry in the Division of Health and Welfare. Our Division works with, supports and promotes the ministries of Burlington United Methodist Family Services and Glenwood Park and the Sanctity of Human Life Sunday; thus reaching out to persons in a wide spectrum of ages from the unborn to children to older adults. The Division has helped to promote the Imagine No Malaria campaign as well as Disabilities and Deaf Ministries, Global Health, Hunger Ministries and AIDS and HIV prevention. The Division is responsible for administering our Hunger Ministries Funds as well as the Virginia Higgins Grants.

It was with great joy that we were able to purchase a van for the Disaster Relief and Response Team with a special grant from the Virginia Higgins Fund.

The Division of Health and Welfare will continue our current ministries throughout the coming year as well as adding a special emphasis on Hunger and Poverty relief within the bounds of our Annual Conference.

The reports of many of these ministries are included at other places in our journal.

Rev. Dallas Forren, Chairperson

Burlington United Methodist Family Services, Inc.

“Changing lives by preventing harm and providing hope & healing
to hurting children and families”

All things are possible to him that believeth:

Mark 9:23

The Lord continues to bless this organization by enabling us to touch the lives of so many children and families we serve. Burlington United Methodist Family Services continues to grow, and through your support, we are able to make a difference in people's lives.

We recently returned from the United Methodist Association Eagle Commission Conference, where our agency was awarded the renewal of our **Eagle Accreditation**. This is different from many Accreditation bodies as it emphasizes our Christian values and practices. The process includes an application, self-study and site visits before receiving EAGLE Commission approval. During the conference this year, SARAH'S House was

GLOBAL MINISTRIES

recognized as an innovative program that is a Child Advocacy Center providing a different way to investigate, prosecute and treat child abuse.

We continue to celebrate the agency's 100th year of existence by spreading the word about all of the programs that we provide and explaining how your donations including prayers, volunteer hours and monetary contributions, have impacted the lives of many. I believe GOD is pleased with all that we do.

Our two Capital Campaigns; a chapel/community building on our Beckley Campus and a school on our Burlington Campus are slowly moving along.

WE NEED YOUR HELP!

The residents on the Beckley Campus have been using the basement of the Administration Building for worship. Knowing that GOD will provide has made it possible to begin construction of the \$820,000 Chapel Complex. We are more than halfway complete as we have received several sizable donations including two totaling \$350,000 from Candice Cline Keenan and Greg Darby. Therefore, we have received Board approval to borrow the needed funds to finish this project. We do, however, need your financial assistance to pay down the loan. GOD will provide!

The residents on the Burlington Campus have been using a cottage as a school. All children deserve to be educated in an up-to-date facility. Knowing that God will provide has also made this \$2 million dollar project possible with phase one construction set to begin later this year. The State School Building Authority (SBA) approved a \$600,000 grant shortly after visits to the Burlington Campus from State Senator Cookman, Delegate Evans, Governor Tomblin's Regional Representative and SBA Executive Director Mark Manchin. BUMFS is providing \$500,000 to match the grant. Our plan is to ask the state for additional funding to include the second phase of this project. We do, however, need your financial assistance. GOD will provide!

This past summer, forty-three children attended Spring Heights Summer Camp. This record breaking number of attendees was made possible by donations from you. Thank you for helping to make memories that will last forever.

Our annual fall events, the Apple Harvest and Pumpkin Festivals, also continue to provide financial support for the agency. The Apple Harvest this past year had one of its biggest crowds ever on Saturday. Even though it rained on Sunday in Burlington and rained the entire weekend in Beckley, the fun and enthusiasm continued. If you haven't experienced this time of joy and fellowship, I challenge you to attend this year's event and bring a friend. If you have been coming for years, I challenge you to bring a friend who is ten years younger than you.

The monies raised during the festivals allowed the Burlington Auxiliary to purchase more than \$76,000 in needed supplies and equipment for the agency along with a very important contribution to the Spiritual Life programs. The Beckley Auxiliary provided funding to purchase a propane heating system for the Beckley Campus to use if there is a power outage.

GLOBAL MINISTRIES

December has always been the most exciting time on our campuses as well as our Foster Care homes. Bringing joy to a child for at least one Christmas in their lives is made possible by your generous donations. Seeing the smiles and hearing the joys of laughter, during the Christmas Holiday, makes the trying times worthwhile.

Maybe I am biased, but I believe our residential programs continue to provide the best care compared to any other agency in the state. Our emphasis on the Spiritual needs of our youth prepares them for adulthood.

We have remodeled a house in Old Fields that will house children ages 5-10 years. The State Licensing Specialist was here in late February 2014 to do the final inspection so we hope to open the facility in early March. Needed modifications and upgrades to the home will ensure that the children enjoy their stay while in our care.

At the end of 2013, we reached out for more Foster Care Homes. Our prayers were answered, as we added several new homes. At the same time, we lost several homes due to Foster Care parents choosing to adopt the children. If you want the joy of bringing stability to a child and providing a loving environment, we need you.

Our Right From The Start Program (RFTS) has grown by leaps and bounds. The program is an in-home program that serves expectant mothers and at-risk infants that receive Medicaid services. The Designated Care Coordinators (DCC) provides services in seventeen counties throughout the state. There were 2,507 referrals processed through BUMFS in 2013 with 439 clients accepting services. This important program is mainly funded with your contributions. Therefore, we are always in need of monetary donations, diapers and car seats.

Our Transitional Living Program serves youth ages 16-21 years that have been in long-term, out-of-home placements and are transitioning into independence. This is a unique and important program that prepares our youth for adulthood.

The music programs on both campuses are going strong. Residents are playing instruments including drums, guitars, bowed psaltery, piano and the dulcimer. Between the tone chimes, guitar players and Rainbow Choir, we manage to perform at many churches. **Ask And We Will Come!** The music room addition to our Burlington Chapel which is currently under roof is being named after the Rev. Andy Agnew who previously served as CEO/President of BUMFS. Although the outside of the building is nearing completion, we still need volunteers to complete the interior of the room. **HELP!**

The BUMFS Student Attendance Assistant Program (SAA) returned at the beginning of the 2013-2014 Monongalia County School Year. Our focus has been on student attendance and truancy issues with an emphasis on early intervention. This year we are providing services to eight Monongalia County Elementary Schools. Our hope is that the Governor uses this program as a pilot project for more schools. Truancy is a big problem in the state. This program has a proven track record.

Serving the children and families is a partnership with state and local programs. BUMFS employees continue to spread the word about our programs through our presence at local events in the communities that we serve. This is accomplished by wearing BUMFS logo apparel during fairs and festivals, speaking engagements and public events.

GLOBAL MINISTRIES

We have two new additions to our PRDM Department. Cindy Pyles, Resource Development Manager and Michael Imperio, Planned Giving Coordinator. They are busy raising public awareness about the great things that are happening at BUMFS as well as raising funds for the agency that the state does not provide.

We continue to be good Stewards of God's gifts as this is the second year in a row that we have had a clean audit. John Burdette, Auditor for JB&A, attended a recent Board of Trustees meeting to answer any questions concerning his audit report for the fiscal year ending June 30, 2013. He was quick to point out that there were no discrepancies.

Projects we are still trying to fund include:

- ❖ Phase Two of the New School on the Burlington Campus (\$800,000 possible state funding)
- ❖ Chapel on the Beckley Campus (\$350,000 to pay off the loan and purchase furnishings)
- ❖ Burlington Chapel Music Room Interior including Heat/AC (\$15,000)
- ❖ Seven Cottages Remodeled (7 x \$100,000)
- ❖ Continued Lease or Purchase of the Keyser Community Based Services location

I end with asking for your continued prayers and support for our mission "Changing lives by preventing harm and providing hope and healing to hurting children and families." Thanks again for allowing me to serve God through you.

GlenWood Park Retirement Village

GlenWood Park Retirement Village, a continuing care retirement community, is one of the agencies of the Annual Conference's Health and Welfare Ministries. We provide independent living patio homes and town houses, assisted living apartments, a Memory Support unit, nursing care and skilled nursing care, therapies, activities, a chaplain and dining services that all strive to meet the needs of our residents.

Like any long-term care provider that is dependent upon government funding, GlenWood Park is asked to provide quality care and to hire, train and retain qualified personnel without enough reimbursement to meet the costs of our services. In addition, the economic climate in our conference area, and especially in southern West Virginia, has made it difficult for some people to sell their homes so that they might move into one of our patio homes or townhouses.

In spite of the economic hardship that we face, our ministry continues. We appreciate the support of the churches through the Golden Cross offering which helps meet the needs of residents through our Golden Cross Resident Assistance Fund. In addition, the money budgeted for GlenWood Park through Health and Welfare Ministries enables us to support the spiritual life services we offer our residents. We have a part-time chaplain who is responsible for weekly worship and Sunday School as well as visitation. Part of his salary comes from these funds.

There have been many changes over my first year as President/CEO at GlenWood Park. Strategic planning with the Board of Trustees and the development of a business plan have given us new direction. Our new mission statement is: GlenWood Park Retirement Village is a faith-based, not-for-profit, Continuing Care Retirement Community whose mission is to provide holistic, quality care and services to our residents in a picturesque setting.

We hope that fundraising events organized by the Foundation Board of Directors will help provide the much needed cash for a Memory Support garden and capital improvements.

As I look back at the year, the thing that impresses me most is what happens each month when we pass out certificates to staff for years of service. It is not uncommon to have employees celebrating 30 years of service or more in our community. Their dedication to our community and our residents helps make GlenWood Park a very special place.

I encourage your continued support of our ministry to the elderly and infirmed. Your contributions, your prayers, and your service all sustain us as we do all we can to enhance the lives of our residents.

Division of Parish and Community Development

Once again, it is my privilege and pleasure to greet you all on behalf of our Church and Community workers as well as all cooperative parish ministries. As with each passing year comes change, this past year has been no exception. As last year saw the evolution of Mary's Cradle from a Church and Community Worker (CCW) project to a parish project, so this year has seen more change in our Church and Community projects.

Gayle Lesure, Deaconess and CCW in the WV Annual Conference continues to work with the Greater Clarksburg Cooperative Parish as Director of Open Hearts Ministries in reaching out to the community in many ways, including the distribution of around \$59,000 in utility assistance, rent and home repair. Gayle continues to work through the local congregations to provide for the homeless, provide leadership in mission projects as well as share the love of God wherever she goes.

Our newest member is Dee Ann Heptas, Church and Community Worker for Southern Coalfields, centered in Welch. Throughout a large poverty stricken area, Dee Ann continues to reach out to those in need. In addition to raising and distributing funds to help families with utilities and rent, Dee Ann has worked to help families who have lost their homes due to fires and other natural disasters. One of the more recent efforts is the Blessings in a Backpack Program which supplies grocery store supplies to children during the weekend when school meals are not available.

Serving as CCW for the Richwood-Craigsville-Webster Cooperative Parish is Anita Tracy. Working with local congregations, Anita has also worked to provide families with help as needed. In addition to financial help, she has worked with others to help families recovering from the terrible storms of 2012. Anita has also worked with the Church in implementing several of Jim Griffith's *Growing Your Church* programs and has reported much success and growth. Some of Anita's other projects include the PB & JC ministries focusing on Bible Study for children, and 20-20-20, a program to help families start over after an emergency.

One of the changes I mentioned earlier is that as of April 11, 2014, Anita has resigned as a Church and Community worker. We will certainly miss Anita and her devotion to the Church and wish her well and God's blessings in her new endeavors.

The other change in our Church and Community projects is the development of a new CCW project at The House of the Carpenter in Wheeling. One of the main focuses of the project is to develop drug counseling and rehabilitation initiatives which could be shared throughout the conference. Although the project has not been finalized, it appears that everything is moving right along for approval by the GBGM. We have great hopes that a CCW will be assigned before the end of the year.

One last note concerning our Church and Community Projects: the West Virginia Annual Conference continues to make provisions to fund four CCW projects. With the

GLOBAL MINISTRIES

resignation of Anita Tracy, (and hopes for The House of the Carpenter) there still remains funding for one more project. If you are interested in developing a project, or need more information on this process, I would suggest you contact either J. F. Lacaria, Director of Connectional Ministries, or Judy Nutter, chair of the Church and Community Advisory Committee.

In addition to proposing a budget for 2015 of \$140,720 which is a 1.8% increase over last year, we are still looking for ways to improve cooperative parishes by providing training for leaders, finding better ways to share ideas for developing community and parish projects, and providing resources for cooperative parishes. One of the new and exciting developments within our conference is the addition of Leadership Teams as implemented by our conference this year. We all have much to learn about what this will mean within each district, however, I have been assured by the Bishop that the Leadership Team will not replace the Cooperative Parish or the leadership, but hopes to help each congregation by providing more information and better communications about what works throughout our annual conference.

With great hopes for the year to come, I remain yours in Christ.

Rev. David L. Hall, Jr.
Division Chair

Church and Community Ministry

“You bring a heart of joy to one in need.” That is one response the generous giving of the West Virginia Annual Conference received as a family recovering from a fire was blessed with household supplies. The household pantry at Houston United Methodist Church in Kimball is just one of the ministries in United Methodist Coalfields Ministry, served by Dee Ann Heptas, Church and Community Worker.

Church and Community Workers are commissioned missionaries of the General Board of Global Ministries of The United Methodist Church, who, in response to God’s call, are devoted to uplifting the poor and disenfranchised in rural and urban areas throughout the United States. They work to change the social inequities of poverty, racial injustice, and domestic violence. As their name implies, they take the church into the community and bring the community into the church. Church and Community Ministry is a kaleidoscopic ministry, ever-changing and never remaining the same. It is a partnership between the General Board of Global Ministries, the annual conference, the project and the worker. Support for Church and Community Workers in the West Virginia Conference is shared between the General Board of Global Ministries, the conference, United Methodist Women, and Cooperative

GLOBAL MINISTRIES

Parishes in which the projects are housed. The West Virginia Conference has been committed to the placing of 4 church and community workers within the conference. It is our desire to continue this strong support for 4 church and community workers.

Gayle Lesure is a Deaconess and a Church and Community Worker in the Wesleyan District of the West Virginia Conference. A missionary with the General Board of Global Ministries of the United Methodist Church, she is involved in the Greater Clarksburg Cooperative Parish, a project related to Global Ministries. "It is really great to experience churches and communities working together to live out the gospel by responding in loving ways with persons who struggle to provide for their families' needs," Gayle shares.

Anita D. Tracy, served as a Church and Community Worker with the Richwood-Craigsville-Webster Cooperative Parish, in the Greenbrier District. Anita began her ministry with the parish in December 2008 and left this ministry in April 2014. She assisted with the assessment of needs within the cooperative parish, provided lay leadership for churches and designed programs for need-based evangelism. A strong outreach ministry of the parish includes Webster County HOPE (Helping Other People Eat), Women's Aid in Crisis, the 20/20/20 Program and a Children's Bible Study within a Housing Complex.

United Methodist Southern Coalfields Ministry is a project of two parishes in McDowell and Mercer counties in the Southern District. Dee Ann Heptas works in community connections through FACES, Reconnecting McDowell, and the Hope Coalition, and through the churches in these two parishes with programs such as Jesus Care Food Pantry and a Clothing Closet in Pinnacle Parish and Northfork, and Soup for the Soul, at First United Methodist, Welch. The ministry is building connections with ministries such as Big Creek People in Action, as well as developing strong partnerships such as that between Coalwood UMC and the Southfork Baptist Association. Our ministry has implemented an emergency assistance program, is clarifying ministry with persons to whom assistance is given, and is modernizing business practices. Southern Coalfields Ministry celebrates the beginnings of "Blessings in a Backpack" through the United Methodist churches of Bluewell, Brushfork, Bramwell and Montcalm.

The House of the Carpenter has been approved by the WV Annual Conference and the General Board of Global Ministries for the placement of a Church and Community Worker in 2014. Currently the search is on for this person. Once in place, the CCW will be responsible for Intergenerational Ministries that will include cooperating with the Anchor program at Madison Elementary, the development of a "Relatives as Parents" (RAP) program and for material regarding a Circles Campaign as part of a Bridges Out of Poverty approach.

The third and final regional meeting of Church and Community Workers and Partners was held March 17-19 at **Blessed John XXIII Pastoral Center**, in Charleston, WV, with 13 members of the West Virginia Conference of The United Methodist Church hosting and participating with 46 CCW's, partners and staff of GBGM. Consultant, Tenneson Woolf and the host team led discussions and work on two new documents that will be implemented this year through the use of Art of Hospitality Tools. The **Memorandum of Understanding** between Global Ministries and the project, and the **Letter of Agreement**, the employment contract between the missionary and Global Ministries will hopefully provide structure

GLOBAL MINISTRIES

for collaboration. It is the hope of GBGM that these documents will offer possibilities for greater things in the future.

The West Virginia Conference Church and Community Workers Advisory Committee celebrates the election of Dr. Rev. William Wilson as Chairperson of the National Church and Community Workers Advisory Committee.

So we all say together, with Psalms 4:7, you do “Fill my Heart with Joy.”

Judy Nutter, Chairperson
Church and Community Worker Advisory Committee

Global AIDS Task Team

The Global AIDS Task Team would like to thank the Annual Conference for such a wonderful response to the Healing Service prepared by the Program Committee for Annual Conference in 2013. Thanks also to the Program Committee for the creation of the service. We also appreciate the opportunity to have had the NAMES Project AIDS Memorial Quilt Panels on display last year. Our Team is very grateful for the support of Bishop Sandra Steiner Ball, JF Lacaria, Thomasina Stewart, and Chris Ridgeway.

The Team has been working on our plans for the time between now and the 2016 Annual Conference year. We want to raise a grand total of \$150,000.00 by 2016. The total raised as of May 5, 2014, was \$96,626.28 which is fantastic! We are over halfway there! Your generosity has been wonderful. We hope you will be able to help us to complete our goal by raising another \$53,373.72 by the end of December 2015. Remember 25% of the money raised stays in our Annual Conference to use in local HIV/AIDS ministries. The Team intends to continue to work with individuals, churches or community groups who are working in the prevention of HIV/AIDS field in the West Virginia Conference.

UMCOR's top priorities in addressing HIV and AIDS around the world are challenging stigma and mother-child transmission in partnership with the Ecumenical Advocacy Alliance.

With this in mind, the Global AIDS Fund on the national level has chosen a new theme, “Just Save One.” The emphasis is on saving one baby from being born HIV positive, from an HIV positive mother. We can save one, then another one, then another, and so on.

The United Methodist Global AIDS Fund is working toward an AIDS free world by providing a tangible response to the worldwide HIV & AIDS crisis. Thirty four million persons around the globe are infected, including 3.4 million children.

UMGAF supports education, prevention, and care programs for people living with HIV & AIDS around the world. The fund supports more than 200 HIV & AIDS church-oriented and Christ-centered ministries in 35 countries, including the United States. (http://umc_gbcs.org)

GLOBAL MINISTRIES

Through the generosity of United Methodists and others, UMGAF has supported more than 200 HIV/AIDS church-oriented programs in over 35 countries. For United Methodists living in the United States, 25 percent of all contributions given to UMGAF through a local United Methodist church remain in the annual conference for AIDS ministries.

UMGAF is guided by an interagency committee comprised of representatives from the Council of Bishops, General Board of Church and Society, General Board of Global Ministries, General Commission on Communications, the Division on Ministries with Young People, United Methodist Women, and the Office of Christian Unity and Interreligious Concerns.

If you could save just one person's life, would you do it? You have the opportunity to Just Save One person living with HIV and AIDS.

UMGAF has raised more than US \$3.5 million to assist thousands of people who are infected and affected by HIV and AIDS. Yet, there are 34 million individuals living with the virus. We need your financial contribution to Just Save One of those millions.

- *A gift of US \$10 can help prevent an HIV positive woman's baby being from becoming infected.*
- *A gift of US \$20 can provide nursing care for a child born HIV positive;*
- *A US \$50 gift can help educate young people and adults how to prevent HIV;*
- *A US \$100 gift will supply nutrients to 100+ AIDS orphans suffering from dehydration.*

Your gift could also help: Distribute copies of *Prayers for Encouragement for Persons Living with and Affected by HIV and AIDS* through the Upper Room; Prevent children from being orphaned by providing HIV testing and education for their parents; Expand healthcare services to prevent the transmission of HIV from mother to child.

Drop a check payable to your local church with the UMGAF Advance #982345 in the memo line in the offering plate in your local church this Sunday. By contributing through your local church, 25 percent will remain in our Annual Conference for local AIDS ministries and the remainder will be sent to UMCOR to support worldwide ministries.

More than 3,000 persons have become UMGAF AIDS Ambassadors. Ambassadors are volunteers who advocate for needed funding for AIDS projects, help strengthen laws related to AIDS, and also broker partnerships between congregations and AIDS organizations globally to implement AIDS ministries. You, too, can become an AIDS Ambassador.

Be a social justice advocate! Many legislative bodies—local and national—appropriate funding for AIDS. Learn about what's happening in your part of the world and let your legislators know about your interest and concern. Attend district legislative meetings, write to your legislator, and call to voice your concern for persons living with and affected by HIV and AIDS.

GLOBAL MINISTRIES

Be a welcoming congregation! As an act of faith, we are called to welcome all people into our local churches, including persons living with AIDS who are often marginalized and stigmatized by society, including the church. By extending love and acceptance to those living with AIDS, transformation can happen. Encourage your pastor to preach on AIDS, sponsor an educational class on HIV and AIDS, explore how your congregation can become more welcoming, and invite each member to give to UMGAFF as an act of stewardship and mission.

Conference Secretary of Global Ministries

This has been an exciting year. The West Virginia Annual Conference has made history. We are the first conference to ever have a Cooperative Parish enter into a Covenant Relationship with a Missionary!

That's Right a Cooperative Parish!!! The Asbury Cooperative Parish in the Greenbrier District invited Dr. Paul Manyeza to speak at a Cooperative Parish meeting. The entire Cooperative Parish wanted to support Dr. Manyeza after his presentation, but only one church felt it had the financial means to do so. So without knowing it, they made history. They decide the Cooperative Parish would enter into a Covenant Relationship with Dr. Manyeza. I contacted the General Board on Global Ministries and they told me it had never been done before, but why not? We made history and created a new way for churches to support our G.B.G.M. Missionaries without even knowing it!

This is awesome on a multitude of levels. Now our small and large churches with limited budgets can commit to supporting a missionary without hundreds of dollars. It only takes \$500.00 a year to support a missionary. In the case of the Asbury Cooperative Parish that was only \$36.00 a church! Any church can make that commitment. This will allow our conference to form more Covenant Relationships with missionaries in a time where we find our families and churches have less money to give.

These Covenant Relationships allow our churches to impact the world in ways that we could never do on our own. We have over 300 missionaries scattered across the globe. This provides job security for missionaries who have made tremendous sacrifices in devoting their lives to serving God around the world. This allows them to focus more on the mission and less on raising money. In the case of Dr. Manyeza, that means saving more lives! He and his hospital cannot continue to operate without our support.

GLOBAL MINISTRIES

Covenant Relationships are relationships. They connect our churches with our missionaries on a personal level. Our G.B.G.M. missionaries only itinerate through the United States once every three years. Missionaries must first visit the churches and conferences where they have covenant relationships before they can branch out to form new relationships with other churches and conferences. So far this year, Dr. Manyeza has been the only missionary to visit the West Virginia Annual Conference. It was his first visit to West Virginia, prompted by a relationship that started between him and a volunteer on a Volunteers-in-Mission team that visited his hospital.

I am also proud to announce that Dr. Manyeza was overwhelmed by the hospitality that he received in West Virginia. He wanted me to convey his thanks to the entire annual conference. His visit to West Virginia was the best experience he had during this year's itineration in the United States. That says a lot for our churches and families that hosted him. Thank you for all that you do for all of our missionaries around the globe. I look forward to reporting to you next year on the visits and success stories of other missionaries and Church and Community workers in the year to come.

I would also encourage you to participate in the amazing work that our missionaries are doing. This is one of many ways that your church can show their commitment to mission on your Gifts to Service and Mission form. The General Board of Global Ministries (GBGM) supports missionaries, church and community workers, and registered mission projects nationally and internationally. GBGM cannot do this without your support. Each missionary must seek out covenant relationships with local churches to help the GBGM sustain their mission efforts. It is easy for you and/or your church to participate in these vital ministries through the Advance. The first level of all covenant relationships is prayer, committed prayer for a specific missionary or project. We all can do that! To learn more about covenant relationships go to: www.umcmmission.org

My primary responsibilities are to help missionaries to itinerate in West Virginia as they visit the USA, and help them to develop and maintain supportive relationships with our churches. I also am here to assist church laity and clergy with any questions about missionaries, the Advance, and other ways to get and/or stay connected with missionaries, Church and Community Workers, Advance Projects, and other ministries and services provided by G.B.G.M.

You can find the General Board of Global Ministries on Facebook or follow them on Twitter. Please take a moment to "like" G.B.G.M. on Facebook and "follow" them on Twitter so your friends can discover these ministries on your news feeds and/or timelines.

If you have any questions feel free to email me at: mr.missions@gmail.com or call me at 304-404-7027.

Thank you for all your support.

GLOBAL MINISTRIES

Missions

Division of Missions

The focus of the report this year for the Division of Missions is on the expanding opportunities to engage in mission ministry in each community throughout the annual conference. There are two newly established mission grants that are available to local churches. The background, purpose and requirements of the grants are explained below. I encourage you to review the guidelines to see if these Division of Mission grants might be just what you need to launch that ministry you know will make a difference in the lives of your neighbors.

Mission Statement

God's Holy Spirit calls the Church into being for mission. The Church experiences and engages in God's mission as it pours itself out for others, ready to cross every boundary to call for true human dignity among all peoples, especially among those regarded as the least of God's children, all the while making disciples of Christ for the transformation of the world.

Purpose of Grants

The Southern WV Mission Initiative Grant and Mission Ministries Grant are both designed to provide churches and church ministries within the WV Annual Conference an opportunity to continue or initiate ministries in local communities throughout the conference that will alleviate human suffering and/or seek justice especially to those who find themselves marginalized. These grants are intentionally established to support and encourage local creativity in response to local necessity.

Southern WV Mission Initiative Grant

The geographic areas that are included in the Southern WV Mission Initiative Grant and therefore eligible for consideration are the following twelve counties: Boone, Fayette, Greenbrier, Lincoln, Logan, McDowell, Mercer, Mingo, Raleigh, Summers, Wayne and Wyoming. These southern WV Annual Conference counties have a US Census Bureau poverty rate at or above 15% as of March 2013.

Mission Ministries Grant

The geographic areas that are included in the Mission Ministries Grant are any WV Annual Conference county, charge or church not included in the Southern WV Mission designated area.

Criteria for the Grants

1. The Grants are to be used to help local United Methodist churches and church ministries undertake and establish a mission emphasis in their community which will alleviate human suffering and/or seek justice especially to those who find themselves marginalized.

GLOBAL MINISTRIES

Missions

2. Projects should be sponsored or partially sponsored by local United Methodist Churches, or other WV Conference bodies engaged in or planning to undertake mission ministries.
3. Any WV Conference Mission Project that is receiving Work Funds from the Conference budget is not eligible to participate in the grant program.
4. Requests by Church and Community Workers are only eligible if the grant application is originated by and in partnership with a local church, charge or parish.
5. Funds will not be granted for replacement of existing funding.
6. Funds will not be granted for salary support.
7. Maximum grant is \$3000.
8. Granted projects will be funded no more than three times.
9. A report on the most recently funded project including a financial statement needs to be on file with the Division of Missions before any additional requests are considered.
10. Applications are accepted any time during the year.
11. Signatures of the pastor, administrative board chairperson and district superintendent are required for the application to be considered completed.
12. Only completed applications (all parts responded to) will be considered.

Already over the past several months churches have been awarded funds to help start after school programs in their community, offer evening community meals, stuff backpack snacks for elementary school kids, along with a few other very creative projects. What can you do to extend the hand of fellowship and Christ's love through an outreach program in your church? Think about it and contact a Division member for more information.

You will also see a lot more information about the newly updated **Volunteers in Mission** program for our conference. Sandy Binotto as the interim volunteer coordinator has been busy making contacts, setting up mission opportunities and getting information to all districts about what is happening and how to participate in a mission experience. Contact Sandy for complete and up to date details.

Our VIM program and our Mission Projects have web sites and some are on Facebook as well. Check out what is currently happening and how you might be able to lend a hand. You will be glad you did. The projects would be delighted, too, and look forward to welcoming you, either through their internet portal or their front door.

The West Virginia Annual Conference has always been mission oriented. This pattern is continuing. In some respects this is one way of checking the vitality and spirituality of the conference. Let's stay healthy and let's stay active in mission ministry.

Community Development Outreach Ministries

The year 2013 has been like a Roller-Coaster ride, up and down, twists and turns. When the Executive Director decided to leave to return to pastoral ministry, there was a flurry of activity to continue the vital work in our district. In June, the search committee decided to return to the previous Interim Director to handle things until a new Director could be found. So it was that I came back to my old job once again.

With careful consideration of the lack of program and lack of participants at Avesta Drive, the program committee voted to close that facility. It was presented to the Board and to the District Superintendent and at a district conference, it was decided to sell that property.

With a new vision of our ministry, we set out to build relationships with the churches of the Midland South District. We believe the churches to be the front line in doing mission work, and CDOM should be there to assist them with support, training, and presence. We have invited them to join in a partnership to do what the Lord has called us to do. Several have called us, and we have answered.

Meanwhile, Heart and Hand, under the direction of Patty Tilley, continued to serve the community with their usual activities. Although there were several difficult situations, such as their box truck being smashed, they continue to work, serve, and at the end of the year, found they had met their goals for the year.

Coal Branch Heights, under the direction of Melissa Creel and Marikza Chinnery, is strong and healthy. Varied programs, some in the community and some from other organizations, and activities to help the students grow are being used. At the beginning of this year, we have put the emphasis upon purchasing educational programs to assist with the schoolwork in the after-school program. We also find other groups are using the facility when it is available.

In the spring, CDOM used money from an inheritance to purchase a machine to print tees and thus we began the Garment Printing Activities. Tees, aprons, and hoodies poured out of the room. We served the conference youth for their activities. We delivered our products to churches for their programs, and we supplied more than was expected in the quality of our product. At the end of the year, we found we had earned more than \$6000 with which we could do more of our outreach ministry.

I am pleased to write that CDOM began this year with hope, promise, and the blessings of cooperation as we travel. CDOM is financially stable. There are new directions to embrace on our mission journey. There is a new director on the horizon, and God's Will flies before us and we continue to serve.

Ebenezer Community Outreach Center, Inc.

Another year has come and gone. With the help of the WV United Methodist Annual Conference, community organizations and individuals, Ebenezer has been able to continue to provide programs and services to the Huntington community. These programs provide a relief for many families on a daily basis.

63 children are enrolled in the Learning Center, including preschool and the after school program. Youth Energized for Success (after-school program) enjoyed many exciting activities during the summer due to a grant from the Virginia Higgins Foundation. Youth participated in activities such as swimming, skating and bowling. They also visited the Highlands Museum in Ashland to learn how people lived in the past and to see what a one room school house looked like. Youth also visited the Cultural Center in Charleston. Fun was had by all and the children also learned a few new things as well.

On a monthly basis, approximately 420 people are served through the various programs and services we offer to parents, children and the community.

Westmoreland United Methodist Church's Wesleyan Group continued to sponsor a family to help subsidize their childcare payments.

Our clothing closet has provided clothing to parents, children and the community at no charge. Ebenezer also continues to provide Branches Domestic Violence Shelter and the City Mission with any left-over clothing.

Through the generous support of First United Methodist (Huntington), Central United Methodist (Huntington), Beverly Hills United Methodist, HIMG, Bella Consignment, and individuals from the community, Ebenezer was able to continue to provide Christmas gifts to 68 families of the community.

School Supplies, including backpacks and binders, were given to over 120 children.

A special thank you to ECOC's Board of Directors, the Board of Global Ministries, West Virginia Annual Conference, Western District Office, local United Methodist churches and individuals for their continued support of Ebenezer's mission to our parents, children and the community. Thank you to the members of the Virginia Higgins Foundation for allowing Ebenezer to be a recipient of funding to give our youth some wonderful opportunities and learning experiences during the summer.

Please remember the mission project's work is not complete and would not survive without YOU! The Lord's work still needs to be done whether it is through your skills, time or money; please continue to reach out and help those in need. May you be blessed in all that you do!

GLOBAL MINISTRIES Missions

Heart and Hand House, Inc.

In 2013 Heart and Hand responded to more than 1,800 requests for assistance from families in Barbour County. We distributed approximately 1,000 food boxes to local families, each box containing enough food to provide three meals a day for three days for a family of four. During the summer, our home repair and construction volunteers completed 15 repair projects and constructed two new homes. Our thrift stores collected and distributed countless articles of clothing, shoes, furniture, appliances, antiques, books and other items. In addition, more than 100 producers participated in the Community Garden Market, making fresh, local foods readily available to the community, including low-income community members who were able to use their SNAP EBT, WV Farmers Market Nutrition Program coupons, and vouchers received from our food pantry to purchase food items.

We also distributed infant layettes and baby items to over 40 families during the year and provided food to more than 60 elementary school children each week through our backpack feeding program. Approximately 200 children benefitted from assistance provided during the holidays through our Christmas Toy Store and through the donation of gift bags containing hats, gloves, coloring books, crayons, and other small items to students in the local Head Start Program. Other ways we helped were by providing financial assistance for payment of past due rent, utilities, and certain medical expenses, and by providing hygiene and household cleaning supplies.

None of this would have been possible without the faithful support of our ministry partners throughout the West Virginia Annual Conference. Thank you for blessing us so that we could be a blessing to others.

Brenda Hunt, Executive Director

The House of the Carpenter

The prophet Hosea preached to the nation of Israel during a time when there was great social injustice. Where there is injustice, there is human need. He was announcing words of judgment against those who took advantage of the poor. He also offered words of hope to those in need when he proclaimed that God would act. God said, "I will turn the Valley of Achor (trouble) and it will become a doorway of hope." At the HOC we can look out the door and see a region facing significant trouble.

- A family whose rent cost has skyrocketed and now amounts to 78.5% of their income for the same apartment they have been in for 5 years.
- A large number of families coming to the food pantry because rising housing costs have stretched the home income too far.

GLOBAL MINISTRIES

Missions

- A man who is raising his daughter alone has his work hours cut in half so the employer can avoid paying benefits.
- Increase in drug trafficking and violence. Wheeling was named by USA Today to be #3 in the country with the largest increase in violent crime over the past 5 years. Violent crime is up 67%.
- Growing number of grandparents raising grandchildren because the parents have been incarcerated, primarily for drug charges.
- 78% of the 4th and 5th graders in the local elementary school cannot read at a 4th grade reading level. To have any hope of moving out of poverty, a person must read at a 6th grade level.
- An increase in prostitution and in human trafficking.

In this valley of trouble, the HOC strives to embody God's promise to be a doorway of hope. In our ministry we strive to have ministries of mercy (meeting basic needs), ministries of justice (helping people improve their quality of life) and offering spiritual formation and hope throughout.

Since our last report to the Annual Conference, the HOC has begun to develop several new ministries. A few of the highlights of our ministry in 2013-14 include:

One of our staffing moves this year was to hire an Associate Director. Ms. Michelle Lucarelli is a licensed Social Worker in both West Virginia and Ohio. She has brought a vast amount of knowledge as well as the relationships and understanding of how to make connections that has proved very helpful to our neighbors who come to us for assistance. We are excited to announce that the HOC has been approved through the WV Annual Conference and the General Board of Global Ministries to be assigned a Church and Community Worker sometime in 2014. This person will be our Director of Multi-generational Ministries. The ministries to be developed will include expanding our work with the Anchor Program, Relatives as Parents (RAP) program to assist grandparents and other relatives who are suddenly primary care givers with issues of custody, services available, understanding and using social media, as well as working with the children and youth to adjust to their new circumstances. We will also be looking more in depth at the Bridges Out of Poverty material and develop ministries to assist persons who are trying to move out of their present circumstances.

In March of this year we launched our new website. We hope you will take a moment to browse the site. We would also like to extend an invitation for congregations to invite someone from the HOC to come and speak to you. This report only skims the surface of the work that is being done. We would love to tell you more.

Scott's Run Settlement House

Although we are in our early 90's, Scott's Run Settlement House is growing our mission service to those most in need in Monongalia County. We have served an unprecedented number of clients through our food pantry, increased our backpack feeding program and seek to strengthen other lines of service.

From 2011 - 2013, there has been a 43% increase in the number of individuals seeking service through our food pantry; in 2013, 6,808 individuals were provided with a weeks' worth of groceries. Scott's Run Settlement House continued to add schools to the Backpack Feeding Program. What began in 2011 with one school and 217 children has grown to six schools and 869 children. We continue to seek ways to ensure children have food over the summer break; we have been partnering with Energy Express programs as well as the Boys and Girls Club.

Our seasonal outreach programs continue to make a direct impact in Monongalia County. At the beginning of the school year 645 fully-stocked backpacks were provided to children in grades Pre-K – 12; 1,543 people in 365 families enjoyed a Thanksgiving meal; 494 people in 198 families were sponsored at Christmas; and 89 people in 19 families were able to prepare an Easter meal and have treat baskets because of the generosity of churches, businesses, and sponsors. Families were also served through quarterly Family Fun Nights which included seasonal holiday parties and special "take home" gifts for each child such as brand-new books!

SRSR's Thursday Senior program continues to be well attended. There are 14 regular attendees who participate in weekly lunch and learn sessions and 65 individuals who attend the monthly covered dish lunch. Educational sessions offered focus on health, wellness and other senior-related issues. Our Quilters on the Run group meets each Monday and keeps creating works of beauty!

The services provided by Scott's Run Settlement House are truly making a difference in the lives of those who struggle with food insecurity and hunger in Monongalia County. The generosity of your faithful giving and support of our work makes all of this possible. Saint Augustine said "Find out how much God has given you and from it take what you need; the remainder is needed by others." Without question, these words are heeded by you and all those who have made it possible for us to provide for so many in need.

Thank you for showing God's grace and abundance through your continued support of our ministries.

Tyrand Cooperative Ministries, Inc.

Tyrand Cooperative Ministries, Inc., continues to be in mission in Southern Randolph County. We have seen a slight increase in families and individuals needing assistance. In addition to the Food Pantry being busy we have seen a large increase in folks needing help with utility bills. Our goal is to help keep the utilities on because once it is shut off additional fees are added to the balance including a reconnect fee. Once they get behind it is so difficult for the families to get caught up. I am always proud of our staff and volunteers and humbled by the way they show love and respect to our clients.

We have been on call three times this winter to open as a Disaster Shelter but by the Grace of God the power did not go off and we did not have to open a Shelter. During 2013 all staff renewed their UMCOR ERT and completed the UMCOR Case Management Class. We want to be proactive in being prepared for Disaster. During Hurricane Sandy we realized the present kitchen in the Bunkhouse was not large enough to handle all the extra people that needed to be in there prepping for the meals. We received a couple of small grants from local organizations that allowed us to add on to the kitchen. With the grants we were able to get the addition under roof and some of the interior completed. It was exciting when we received a Grant for \$10,000.00 from the Conference Trustees from the sale of one of the discontinued churches in the Wesleyan District. With this grant we were able to finish the addition, make a few upgrades to the main kitchen and put new flooring in the large common area. We have been blessed by dedicated members of Christ Presbyterian Church in Pennsylvania who come each year as a full work team to do home repair. They have several members that come several times per year just to do repairs to our facility. This group has been here three weekends helping get the work done in the Bunkhouse. God provides and blesses us above what we ever expect.

We continue to sell items on E-bay to help generate extra funds to meet our budget. Last fall a woman from New York purchased one of our items that was listed for \$2.99. When we mail packages we include our brochure and pray that the buyers will read it and purchase more from us. Well, this particular buyer not only read our brochure but has actively supported Tyrand since the initial purchase. We receive two to three boxes each week of new items that she collects from her friends. This past Christmas she held a Hanukkah Party and asked that each of her guests bring a new toy for Tyrand. We received 11 giant boxes full of new toys and clothing for children. We praise God for every box we receive from our new friend. If one woman can do this much for mission it shows that if each of us only gave one box we could do so much more for the less fortunate in our area. Our e-bay seller name is **tyrand2009**.

We are very appreciative to all the churches throughout the Conference that support us. Please know that each monetary gift, each pack of underwear collected on Undie Sunday, each minute of time given through our volunteers and each prayer for our mission is what allows us to address the needs of the less fortunate.

Our slogan "Faith and Action Joined in Love" is a constant reminder for us to be disciples of Christ and to help our brothers and sisters in need. I also invite you to visit Tyrand and all your mission projects to see first-hand what each of us do.

Upshur Parish House/Crosslines, Inc

It has been a long winter, but today on a Friday in the first half of Lent, there are so many promises to acknowledge, like the promise of spring that floats on the air on this beautiful, sunny day. While this year, like most years, has been a year of challenges for the Upshur Parish House, it has also been a year of realizing God's promises. It is with a grateful heart for all of God's promises and gifts that I make this report this year.

Crosslines, Inc., the ecumenical help agency that is a huge part of what we do through the Upshur Parish House has had a very busy year. In the past year we have added almost 300 new families. Our total assists, for utility help, food packages, clothing vouchers, and temporary housing is 11,207. Included in that figure is \$54,742.70 spent in utility assistance, \$9,089.06 spent in emergency housing, \$12,221.11 spent in rent assistance, and \$27,237.56 spent for additional food distributed in the food pantry. Many churches and individuals have been very generous in helping to keep our food pantry stocked with non-perishable items. We are very grateful that we have never had to close our doors because there is no food.

Crosslines, Inc. is operated through the Upshur Parish House, which allows all the money donated to Crosslines to be used for assistance to our neighbors. The cash payout for assistance this year is \$122,707.36, which is a \$16,335 increase over last year. We are grateful for the generosity of so many individuals and churches that make it possible for us to help so many people.

Feeding hungry people has always been a passion for me. I am proud that we are able to offer hot meals twice a week here at the Parish House. These meals are open to everyone and usually we have between 30 and 40 people for these meals. This summer we are hosting a summer intern who will work with our food ministries program including the meals and the two community gardens. Hopefully, through the efforts this summer we will be able to expand the number of meals that are offered each week. There are some other possibilities including offering a meal on the weekend.

GLOBAL MINISTRIES

Missions

Our community garden provided much needed fresh produce for our food pantry in 2013 despite a bad summer for tomatoes. For summer of 2014 we are partnering with Create Buckhannon to build raised beds in our garden and to produce even more vegetables for our food pantry. In addition plans have been made to create another community garden on the property of the Adrian UMC, which was closed in 2013 and the property turned over to the Upshur Cooperative Parish. We hope that this additional community garden will help to provide community for the folks who live in that area.

The Clothes Closet continues to offer low cost, gently used clothing and household items. In addition to selling the items, much of the clothing is provided to low-income families at no cost. Plans have been made to add storage and to reconfigure the sorting area so that more space can be used as merchandise space. This expansion will take place this summer. We have hard working volunteers and a hard working manager that keeps the Clothes Closet humming. Always, we could use more volunteers.

In the past year our home repair program has been expanding under the direction of Rev. Roy Mick. In summer of 2013, we hosted 8 work teams and completed projects in 14 homes. Applications for projects for 2014 are now being accepted. We anticipate another successful work team season.

We have been involved in other short-term programs throughout this past year. During August we gave out over 300 back packs filled with school supplies to children from low-income families. Through our layette program we have been able to provide 31 new mothers with most items needed to care for a newborn baby. Through our holiday food program we were able to provide over 1200 Thanksgiving and Christmas meal packages for our families. These meal packages included all the items needed to prepare these holiday meals for our neighbors' families. We also hosted over 400 people for dinner on Christmas Day.

I am grateful for the relationship that we have with West Virginia Wesleyan College. We are a partner agency with the Service Scholar program through the Center for Community Engagement. Many of the fraternities, sororities, and other organizations on campus offer volunteer hours and host food and clothing drives for us. It is joy to work with so many of these students.

The Hall House, a recovery drop-in center that we sponsored, has operated this year with lots of challenges. Turnover in staff was frequent. With all of the challenges the drop-in center continued to open every day, offered lunch, and other resources. The Recovery Coach program was established and offered amazing services to the Recovery community. The Upshur Cooperative Parish has operated as the pass through, administering the grant money from the State of WV. During November, it became clear to us that we could no longer operate as the pass through for the Hall House and Recovery Coach grant and with the understanding that the grant could pass to another 501.c3, the Parish Executive Council made the decision to cease as the pass through by Feb. 16, 2014. Unfortunately, the State

GLOBAL MINISTRIES

Missions

made the decision to open the grant again and not allow us to transfer the pass through status to another 501.c3. Because of the state's decision, the services at the Hall House closed on Feb. 14, 2014.

In the coming year there are a few challenges that we want to tackle. One challenge that I hope that Upshur Parish House can address in this year is the need for shelter for temporarily homeless families and individuals. Crosslines, Inc., often pays for temporary shelter for suddenly homeless families. Over the past year this amount has added into the thousands of dollars, \$9,089.06 to be exact. So, I ask your prayers for wisdom and direction for that project. Another challenge is providing space to house small work teams, so currently we are working on a building for that purpose.

I am certain that there will be other challenges that will stretch us as we seek to provide support and help for our neighbors. Thanks be to God who promises to help us meet those challenges. And thanks be to God for each of you who pray for us and support us in many ways.

To God be the Glory!

Volunteers in Mission

But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to me in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.

Acts 1:8

Volunteers in Mission continues to be one of the most wonderful and life-changing, grass roots ministries of The United Methodist Church. It is a ministry, in which you will be changed, broken, inspired and never be quite the same. As a team member you will be able to use your God given talents and gifts to bring others HOPE. As I was told in Haiti, without HOPE, there is nothing but death.

UMVIM reaches outside our church doors, across the street to the next state or further across the seas. Many are praying for help and you may be the answer to their prayers.

GLOBAL MINISTRIES

Missions

I consider it a great honor to be chosen to fill this position in the West Virginia Conference. It has been quite uplifting as I meet and talk to people who have participated in UMVIM teams and their passion for it. Many others are curious to find out what UMVIM represents and are nudged by the Holy Spirit to be a part of it.

My job as UMVIM coordinator is to educate and resource the church about UMVIM.

Projected Plans for WV UMVIM

- That each District have a UMVIM representative to sit on the UMVIM Conference Team (Lay or Clergy) meeting 3-4 times a year
- As Coordinator, I will lead 2-3 mission teams a year with one being international
- Conduct UMVIM Trainings- 2-3 a year around the conference
- Make sure all out -going team leaders are trained and are in contact with the VIM Coordinator as to their plans for leading teams/project areas/ secured insurance, etc.
- Speak at churches, fellowship dinners, youth groups, district gatherings, and Mission U when invited, explaining what UMVIM is and how the ministry can bring hope, change lives and make disciples for Jesus Christ.
- Oversee and manage a UMVIM website with information to resource, including UMVIM forms, connecting with mission links, short VIM stories, and listed opportunities to serve
- There will also be a list of formed teams and where they are going and if they need team members.
- Work together with our Disaster Coordinators in the event of a in-Conference Disaster
- Create two Mission Central Hubs within the WV Conference
- Contact all of the WV Missionaries (Bryan Baker- Mission Secretary) to see if they are interested in having UMVIM teams come to their areas, domestic and international
- Contact all the in-Conference Ministries to help them with needed teams
- Keep records of incoming and outgoing teams for our NEJ- UMVIM yearly board meeting report; the meeting takes place in October at Valley Forge, Pennsylvania..... as of 2014 I will sit as the chairperson of the NEJ Committee

I look forward to working in the West Virginia Conference with the VIM (Volunteer in Mission) ministry and reaching out to the world with our minds, hearts and hands in service.

Celebration of Mission Event

The Celebration of Mission Event is an outreach ministry of the Conference Global Ministries Team, Division of Missions. 2014 marks the 17th year that such events have been held across the West Virginia Annual Conference. Since the events take place in late spring, it is not possible to provide 2014 financial reports for the Pre-Conference Workbook. However, we can gratefully and gladly report that **\$102,438.26** was distributed for conference mission ministries from 2013 Celebration of Mission Event funds. **Thanks!**© The cash gifts provided \$9,905.00 for each Conference Mission Project and Volunteers in Mission, and \$4,952.50 for each Church and Community Ministry. These cash figures do not include an estimated \$50,000.00 in donated material goods provided by the Celebration of Mission Events held in each of our nine districts. Miracles In The West Virginia Annual Conference and in Bungoma, Kenya

In less than two years, Living Hope High School has increased our support from 13 United Methodist Churches to sponsorships, donations, and participation from an amazing 40+ Methodist churches in the West Virginia Annual Conference. These United Methodists are aglow through the work of the Holy Spirit in our midst. They have become the only supportive arm for Living Hope High School in Bungoma, Kenya. We receive no other funding except through sponsorships and donations.

This 90 student accredited residential Christian school serves impoverished teens. Some have lost one or both parents due to AIDS or desertion, and some have both parents but live in abject poverty. Sixty-eight of these students are sponsored by members of churches in the West Virginia Annual Conference! Sixteen West Virginia UMC pastors directly sponsor students! To what else can we United Methodists attribute this miraculous outpouring, other than the Holy Spirit? GOD IS AT WORK!

The Lord has drawn us as a conference into this wonderful project. He has put a personal concern on our hearts for the physical and spiritual nurturing of these Christ-believing young people. One of our own members, Marilyn Uhl, retired from teaching here in West Virginia and went to Kenya (unsponsored by any church) in 2009 to follow the Holy Spirit's lead and serve these destitute children. She began with 24 orphans in a mud building with no electricity or running water. The school now has its own property and six brick buildings being used as dormitories and classrooms, a newly wired computer lab, and a kitchen with a new wood cement stove. They are hoping to get a new deep well and electricity within months.

The students tend their own garden, milk cow, chickens, and banana grove while still hauling some of their water, competing interscholastically in girls and boys volleyball and soccer. The male students still have time to make 1000 handmade bricks a week for future school buildings. 100% of the students obtain a passing grade on their country's achievement tests in order to remain enrolled. The students and faculty members feel God's benevolent hand on each of them. The students pray and worship with an intensity and dedication that inspires each of the sponsors to increase their prayer life and dedication to follow Jesus Christ's example to feed the hungry and clothe the naked!

Living Hope High School is now an official UMC Advance designation for mission giving. You may send your donations by check payable to your local United Methodist church with the project name-LIVING HOPE HIGH SCHOOL and project number #3021425 on the check or online to:- advancinghope.org. Click on the "give now" tab and use the number #3021425.

We are being blessed and drawn closer to our Lord as He uses us to bless others. If your church would like to join in this journey of sponsoring a student and be part of this blessing, call Potomac District Superintendent Mike Estep at (304) 822-4191 or Helen Markwell, (304) 567-2254.

Join us and please pray that the Spirit continues to lead us and provide at Living Hope High School.

Higher Education and Campus Ministry

Greetings in the Name of our Lord and Savior and from our ten campus ministries: Concord, University of Charleston, Potomac State, West Virginia University, West Liberty University, Bluefield State, Fairmont State University, Marshall University, Glenville State, and West Virginia Wesleyan.

We are happy to say that campus ministry is alive and well here in the West Virginia Annual Conference, thanks in no small part to your continued prayerful and financial support.

The stability of each campus ministry shows the commitment of not only the campus pastors to do their best for Christ, but also the many volunteer hours of hundreds of individuals who serve on the boards of each ministry and the people who donate supplies, volunteer to serve at the different ministry centers, give of their time to build floats, serve lunches, or in many of the different areas of ministry that each campus performs. We wish to say a big heart-felt "thank you!"

It is with sadness that we report that Rev. Cindy Stackpole has left us to explore ministry in a new and exciting area; we wish her, her husband, and their family Christ's richest blessing as they begin ministry in their new settings. We hope to begin exploring new avenues of campus ministry and to expand the outreach and effectiveness of all our campus ministries.

As we move forward this year in campus ministry, it is our hope and prayer that your church and the university or college campus ministry that your youth plan on attending would enter into a partnership of support that would continue to provide spiritual guidance, emotional support, and biblical training to our sons, daughters and grandchildren. This partnership could help prevent the loss of our young people for Christ and the church during their college years.

It is important that Christian vocation be explored and our campus pastors are specially located to help young people explore their calling into Christian ministry. We have seen the median age of our clergy increase and it is only through the strategic planning, programing, and ministries on our college campuses that we can hope to increase the number of people answering their calls at younger ages.

Again, Thank You for your support and we pray that Christ be glorified as we struggle to reach this generation for Christ. We ask that you pray for all our campus pastors, college professors, and most of all our college students as part of your daily spiritual devotional time.

Respectfully:

Rev. Keith Forkey; Chair

Conference Lay Leader and Lay Ministry Team

I send greetings to the members of the West Virginia Annual Conference. I am excited that it is time for us to meet in fellowship at West Virginia Wesleyan College. I look forward to being with you again in worship and service to our Lord and Savior. As we come to Conference this year, come expecting the Holy Spirit to inspire, illuminate and direct each and every session. Pray for the Conference daily, for the planners, the leaders, and every participant. Pray that our hearts are open for guidance from the Spirit, so that His Will may be done.

As Conference Lay Leader, I have several committees and meetings to attend. Two of the most important teams I participate with are the Bishop's Lead Team and the Team of Effective Laity. These are not just another meeting! These teams are operational teams where we build trust, so that we can share deeply our ideas, feelings and inspirations. The Bishop's Lead Team began in August of 2013 and the Team of Effective Laity started in November of 2013. Each of these teams requires eight hours of meeting time each month. We share online during the month and study different books on leadership and church growth. Each team develops a covenant with the members of the team and holds each other accountable for study, spiritual growth and commitment to the team. Being part of an operational team is a huge time commitment, but the community that develops makes this a time of sharing and fellowship as opposed to a dull, boring business meeting. These two teams as well as the Youth RAD Team and the District Lead Teams will continue to develop strategies for the discovery, development and deployment of leaders in our conference. These teams will continue to generate additional teams. These operational teams are actually support communities and will stimulate spiritual growth. This growth will benefit our churches and cause commitment to God's will as we work together to make disciples. Pray for these teams as we work together and be willing to say yes when you are invited to join a similar team for work in your local area.

The laity wrote devotionals for Advent and for the Lenten Season. Twenty-four lay people contributed wonderful devotionals for the Advent Season and forty-four lay members contributed inspiring devotionals for the Lenten Season. One hundred fifty copies were printed and distributed across the Conference. Additionally, the daily devotions were available through the Conference website. I want to thank everyone who wrote the devotionals and encourage others to signup during conference at the Lay Ministry Table to write a devotional for the next booklet. There has been such an enthusiastic response, devotionals will be available for Advent 2014 and Lent 2015.

May God Bless your ministry,
Rich Shaffer
West Virginia Conference Lay Leader

Lay Servant Ministries

The 2012 General Conference made significant changes affecting laity. The former Lay Speaking program has been phased out and replaced with Lay Servant Ministries. These changes more accurately reflect the training needs of laity and are more inclusive. Many of our people have wanted to take the various classes offered but have had no intention of ever actually speaking publicly; therefore, they have assumed that the classes were not for them. Hopefully, the new format will be more acceptable to the entire body of laity

Standards for Specialized and Alternative Training Courses

Training events, on occasion, are offered outside the WV Lay Servant Ministries program that may be used as substitute courses for the Advanced LSM training. If a group desires to offer training courses that are expected to be used as substitutes, the following guidelines are established as procedures for obtaining approval.

The events must:

- a. meet the criteria of at least ten (10) hours of class room work;
- b. be in an area that falls within the scope of the LSM;
- c. include assignments outside the classroom;
- d. provide an opportunity for commitment for specific service in LSM.

Examples of events that could meet the criteria established for an approved alternative advanced course are: conference and district retreats; national training events sponsored by the general agencies of the UMC; seminars by continuing education agencies.

Numerous agencies of the church offer wonderful events for celebration and information, or retreats for reflection and renewal. Lay Servants should be encouraged to attend these events to broaden their knowledge of The United Methodist Church; however, most of these do not qualify as substitutes for an advanced class since they do not meet all the elements required in #1.

In order to insure the quality of the Advanced Lay Servant Ministries program, agencies wishing to offer a course as a substitute must provide the information listed in items #1 above in advance of the event. Information is to be sent to the Conference Director of Lay Servants who will then present to a sub-committee of the Conference Committee on LSM.

A complete review of the forwarded data will be made within 60 days of receipt of the material. All details showing compliance with paragraph #1 should be included to avoid delays.

District Committee on Lay Servant Ministries (DCLSM)

The District Committee on LSM will consist of:

- District Director of LSM
- District Lay Leader

 One Lay Speaker

1. Coordinating and directing an annual LSM training event which will include selecting date and site.
2. Selection of curriculum for training event (from approved courses as determined by the Conference Committee on LSM).
3. Interview and recommend Lay Speaker candidates to the Conference Committee.
4. Conduct recertification interviews every 3 years for Lay Speakers.

Conference Committee on Lay Servant Ministries (CCLSM)

LAY MINISTRY

Older Adult Ministries

Every 69 seconds, another American develops Alzheimer's disease. By the year 2050, an American will develop the disease every 33 seconds. Alzheimer's is currently the sixth leading cause of death in the United States and the fifth for those 65 and older. It is the only cause of death among the top 10 in the United States without a way to prevent, cure or slow its progress.

All of us know or have known someone with Alzheimer's disease, sometimes in our own families. We have seen the devastating toll this disease takes on its victims and their loved ones. The physical, emotional and financial strain placed on caregivers of Alzheimer's victims is often overwhelming. As the prevalence of the disease increases, the church's role in knowing how to help meet the needs of those with Alzheimer's disease and their caregivers will become vitally important.

This year at Annual Conference, Older Adult Ministries is joining with the West Virginia Alzheimer's Association to offer information that will help us become better informed about the disease and better prepared to minister to its victims and their families. You are invited to visit our display during the Ministry Fair on Thursday from 10 a.m.-noon or anytime during Annual Conference to pick up materials that will teach you more about the disease and ways to help those in your church, community and maybe in your family who are struggling with how to cope.

Currently 5.4 million Americans have Alzheimer's and by 2050 as many as 16 million Americans will be victims of the disease. These huge numbers are staggering, but looking into the eyes of just one desperate victim or caregiver should be enough to make us realize that we need to do what we can to help ease their suffering. As children of God, we already have the desire to aid our brothers and sisters in Christ. Let's take advantage of this opportunity and find out how best to offer that aid to this struggling segment of our society. The need is growing. Let's learn, pray and prepare ourselves to offer Christ's love and compassion to those affected by Alzheimer's.

Susan Belcher, Chairperson

Board of Ordained Ministry

The West Virginia Annual Conference Board of Ordained Ministry is comprised of 43 members from all nine Districts, including 27 elders (two retired), three associate members, three deacons, one local pastor and nine laity. The Cabinet representative to the Board, Rev. Dr. Ed Grant, insures clear communication between the Board and Cabinet. The Discipline enumerates no fewer than 35 tasks for the Board of Ordained Ministry ranging from the enlistment and recruitment of new clergy in cooperation with the Cabinet to the recognition of clergy retirements. To effectuate these responsibilities, the Board is organized into committees reflective of the various concerns about entering ministry to continuing formation of clergy.

The Executive Committee includes the Board Chair (Martha Hill), Vice-chair (Rev. Dr. Charles Miller); Registrar (Rev. Jack Lippardt); Chair of the Order of Elders (Rev. Tim Allen), Chair of the Order of Deacons (Rev. Susie Echols); Chair of the Fellowship of Associate Members and Local Pastors (Rev. Gwen Wolford); Cabinet Representative (Rev. Dr. Ed Grant); Chair of Enlistment and Recruitment (Rev. Larry Buckland); Registrar of Local Pastors (Rev. Steve Hamrick); Chair of Conference Relations (Rev. Melissa Shortridge); Secretary (Rev. Richard Work); Vocational Discernment Coordinator (Rev. Suzanne Ellis).

Rev. Dr. Bonnie MacDonald, Annual Conference Director of Leadership Formation and Ministry Support, has been an invaluable resource for the Board.

Interview and Evaluation Team

Although the Board involvement begins much sooner, perhaps the most visible work of the Board is the interviewing of candidates for Associate, Provisional and Full Connection membership. Each candidate to be interviewed spends a day with the Board in small and large group settings, worship and meal fellowship. Rev. Tom Nolan is serving as the Board Chaplain during this quadrennium, providing leadership for worship and maintaining a presence with candidates on interview days. During the February and March 2014 interview cycle, the Board interviewed and approved the following for recommendation to the Clergy Executive Session at Annual Conference:

- 7 - Full Membership/Elders' Orders
- 3 - Full membership/Deacons' Orders
- 4 - Commissioned/Provisional Members/Elders' Orders
- 1 - Commissioned/Provisional Member/Deacons' Orders

Board members are grouped into regional teams to annually interview all provisional members and those on Leave of Absence. This interview provides contact with those clergy who are under the care and responsibility of the Board and to insure that progress is being made to move to full membership, come off Leave of Absence or to

assimilate into retired status. Rev. Dr. Bill Wilson has the responsibility for finding ways of connecting with the conference retirees.

Scholarship Team

Two scholarship funds are the obligation of the Board: the Asbury Loan Fund for undergraduates and graduate students and the Seminary Scholarship Fund, funded by Ministerial Education Fund (MEF). Both funds are administered by Mr. Bill Deel.

Ministerial Education Funds are received through general church apportionments, returned to the Annual Conference and become a line item in the Board's budget. During the 2013-2014 school year, 13 students from 5 different schools received a total of \$57,720 for their educational expenses. Besides providing scholarships for seminary students, MEF also provides support for our Residency program for provisional members and continuing formation grants. At the end of each year, the Board makes a request to the Conference Council on Finance and Administration that all unused funds from Board monies be directed to the MEF line item to help undergird this important ministry of our Annual Conference.

The Board has received updated financial information for Asbury Loan Fund recipients and is currently developing accounting and administrative guidelines and procedures to be used in administering these funds.

The Board continues to dialogue with the United Methodist Foundation to be sure that scholarships are available for students and new funds are directed to seminary scholarships.

Enlistment and Candidacy Teams

Beginning in July 2013, our Annual Conference started a new Certified Candidate process that includes two cycles for discerning candidates each year with a retreat and group mentoring in each cycle. During the retreat, candidates work with two group mentors, with sessions of worship, information about the process, small group discussions and a time for taking the psychological assessment and completing background checks. Following the retreat, the candidates meet four times with their groups and the two assigned mentors, so materials can be covered and discussions are continued for going on to candidacy for future ordination or PMLS. The Vocational Discernment Coordinator, Rev. Suzanne Ellis, oversees this process with the candidates.

Summer 2014 will be the 13th year of our BOOM Summer Intern Program, presently coordinated by Rev. Alicia Rapping. Selected college and seminary students are placed in 10-week ministry settings within the Annual Conference with the hope that the internships will provide encouragement to those considering full-time ministry. Each intern receives a \$2500 stipend and the local congregation or ministry setting is asked to provide housing, food and a travel allowance. Over the past 12 years, 45 young persons have been placed in ministry settings, a third of whom have pursued seminary/careers in ministry. Three of the four interns from summer 2013 are planning to attend seminary.

Rev. Dr. Gary Nelson coordinates the psychological assessments, background and credit checks which are now required of all candidates for ministry. He continues to connect with our Psychologists (Ministerial Assessment Specialists) and provides help in determining the proper use of these assessments to our District Committees on Ministry.

Pastoral Ministry Licensing School was held in April at Huttonsville, West Virginia. Twenty-four students from two Annual Conferences attended the School, which is the first step into licensed or ordained ministry. Classes in PMLS focus on Church Leadership and Administration, Pastoral Care, Mission and Evangelism, Public Worship and Sacraments, Preaching, Educational Ministries, Church Tradition and Theology. In addition, students are introduced to the structure of the Annual Conference, given an overview of fiscal matters of the church, encouraged by a District Superintendent, counseled on various tracks into ministry, and rallied to evangelism. David Smith is the director of PMLS.

Each year Board and Cabinet members travel to connect with the students at various seminaries including Asbury Theological Seminary, Wilmore, KY; Duke Divinity School, Durham, NC; Eastern Mennonite Theological Seminary, Harrisonburg, VA; Pittsburgh Theological Seminary, Pittsburgh, PA; The Methodist Theological School in Ohio, Delaware, OH; United Theological Seminary Dayton & Charleston campuses; Wesley Theological Seminary, Washington, DC. Rev. Larry Buckland is the coordinator for these visits.

We continue to have strong connections with the nine District Committees on Ministry with a designated member of BOOM serving on each to strengthen communications between the groups. Those representatives are as follows:

Greenbrier-David Smith
Little Kanawha- Rev. Dr. Pat Kerr
Midland South- Rev. Dr. Gary Nelson
Potomac Highland- Rev. Susie Echols
Mon Valley- Rev. Vicki Sheppard
Northern - Rev. Debra Dague
Southern- Rev. Richard Chester
Wesleyan- Rev. Richard Justice
Western- Rev. Steve Hamrick

Registrars Team

The work of the registrars committee involves providing information to Associate Member, Deacon and Elder candidates for provisional membership, ordination, conference membership, or professional certification; insuring that each is informed of the requirements, documents to be provided, and work to be completed before Board interviews are scheduled. Rev. Jack Lipphardt is the Registrar for Provisional and Full Membership.

Rev. Bonnie Starkey is the Registrar for Professional Certification and Diaconal Ministries assisting persons who are certified by the Board for a variety of specialized ministries (Christian Education, Music, Youth, and Spiritual Formation). There are eight other certification areas: Camping and Retreat Ministry, Children's Ministry, Collegiate Ministry, Older Adult Ministry, Evangelism, Ministry with People with Disabilities, Urban Ministry and Ministry with the Poor. Additionally, Rev. Starkey is responsible for collecting the records of Deacons in Appointments Beyond the Local Church.

Rev. Sara Lamb maintains records of those members of the Annual Conference who are appointed to Extension Ministry ensuring that they meet the guidelines for such appointment set forth in the current edition of the Discipline.

Rev. Melissa Shortridge coordinates persons who are on Leave of Absence, and Rev. Dr. Dan Hogan coordinates those who seek to transfer into our Annual Conference; both ensuring that in either case that all requirements or qualifications are met.

Course of Study Team

Rev. Steve Hamrick serves as our Local Pastor Registrar and maintains the transcripts of courses taken by local pastors, as well as representing our Annual Conference on the Advisory Committees of the Duke, Wesley and Ohio Valley Schools.

Local pastors have enrolled for courses at Ohio Valley Course of Study Extension School located at Spring Heights (for part-time local pastors only); Ohio Valley Course of Study School on the campus of Methodist Theological School in Ohio (Delaware, OH); Duke Course of Study School (Durham, NC) and Wesley Course of Study School (Washington, DC). The Board is able to provide scholarships for persons enrolled in the Course of Study.

Continuing Formation Team

Currently, 24 provisional members from the West Virginia Conference plus one elder candidate from the Kentucky Conference, are a part of the three-year Residency Program required of all Provisional Members and coordinated by Rev. Michael Atkinson and Rev. Elizabeth (Butch) Baker. Meeting throughout the year, the purpose of the Residency Program is to provide continued exposure to basic ministry skills and resources, as well as a peer support group in the early years of ministry. Faithful covenant group leaders are: Rev. Scott Sears, Rev. Phyllis Coston and Rev. J.J. Roller.

For the past few years, all clergypersons' continuing formation forms are annually reviewed for compliance with the requirements set forth in our Conference Rules for Licensed and Ordained Ministry, specifically Rule #10—obtaining two CEU's per year. Many clergy have kept covenant to that goal and exceeded expectations, however, some failed to complete any continuing formation during the year. The final reports from the Review Teams are shared with the District Superintendent who addresses concerns in

their fall interviews with the clergyperson. Rev. Dr. Jay Parkins coordinates Continuing Formation grants from MEF funds for full time local pastors who have completed the Course of Study, Associate Members and for Full Members of the Annual Conference in active status and serving under appointment. Clergy may apply for \$600 reimbursement for one continuing formation experience every two years.

Rev. Sharletta Green provides training opportunities for Mentors for Local Pastors as well as Clergy Mentors for those in provisional membership.

The Board supports our Clergy School held each fall. Rev. Dr. Pat Kerr represents the Board and works with other appointed clergy in developing worship, speakers and themes.

Rev. Dr. Randy Flanagan represents the Board on the Clergy Support Team which has provided a good resource tool of approved therapists/counselors throughout the annual conference (found on the Conference web-site).

Board of Ordained Ministry Policies and Procedures

All of the Board's policies and procedures can be accessed through the Conference website: go to www.wvumc.org then click on "Ministry" and click on "BOOM" (Board of Ordained Ministry). Available on the website are checklists, forms, applications, information about Course of Study, PMLS, Leaves of Absence, ordination, continuing formation, scholarships and grants, as well as Board contacts and the Sexual Misconduct Guidelines.

Ministry Orders

Rev. Gwen Wolford, is the Chair of the Fellowship of Associate Members and Local Pastors; Rev. Susie Echols, serves as Chair of the Order of Deacons; and, Rev. Dr. Tim Allen is the Chair of the Order of Elders. Each provides valuable input from their respective constituencies to further effective ministry within the Board and for the Annual Conference.

In Closing.....

Blessings to all who serve on the Board of Ordained Ministry and our District Committees on Ministry or who are served by either.

Martha J. Hill, Chair

Fellowship of Associate Members/Local Pastors

There is a four letter word that has been bugging me considerably over the past few years. It is a word that I have heard used as a modifier before the clergy position of my colleagues in the Fellowship. “She’s just a Local Pastor.” “He’s just an Associate Member.” “Just” in this phrase is an adjective meaning merely, thus a somewhat disturbing description of those called by God to preach the Word and care for God’s people. It seems most offensive to our God who has done the creating, gifting and calling. Our God is not a god of merely or only or just. Our God is a god of power, perfection, provision and potential. Truth is we are all “just” without God, but with God the Kingdom of Heaven is the limit! Jesus said, “I am the vine, you *are* the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing.” John 15:5

I pray that before anyone would define my brothers and sisters in ministry as “just a Local Pastor” or “just an Associate Member” they would consider the call on the heart and life of every clergy and recognize the extraordinary work God is doing in and through them. To my colleagues who may hear such words and become offended, I say, “You can only be offended if you want to be offended.” When you are confident of the call on your life there is no need to take offense. Instead, take the opportunity to pray that the clergy of the WV Annual Conference of the United Methodist Church will lead the way in recognizing the joy of serving together without hierarchy and disparagement.

FAMLP has covenanted to: *Provide for regular gatherings of Associate Members and Local Pastors for continuing formation in relationship to Jesus Christ through such experiences as Bible study, study of issues facing the church and society and theological exploration in vocational identity and leadership.* It is the goal of the Fellowship to begin gathering at least three times throughout the year including the luncheon meeting at Annual Conference on Thursday, June 12, 2014, at 11:30 a.m. All Associate Members and Local Pastors and their guests are welcomed at this gathering. (see Conference Workbook for making reservations)

FAMLP also covenants to:

- Encourage Local Pastors in continued study beyond the course of study;
- Develop a bond of unity and common commitment to the mission and ministry of The United Methodist Church and the annual conference;
- Enable the creation of relationships that allow mutual support and trust.
-

In an effort to be faithful to our covenant, as we gather this year we will be sharing our call stories as we worship and fellowship in order that our testimonies may glorify God and lift up the name of Jesus Christ; encourage one another; and inform and strengthen the relationship of clergy within the West Virginia Annual Conference.

To God be the Glory,
Gwen Wolford, Chairperson FAMLP

Order of Deacons

I am thrilled to report that our Order of Deacons continues to grow. This 2014 Annual Conference three Deacons will be Ordained and one will be commissioned a provisional Deacon. Deacons are called to specialized ministries and must find their own place of ministry/employment and then will be approved and appointed by the Bishop. If the place of ministry is outside the local church, the Deacon then will have a local church where their charge conference membership is held.

According to the 2012 General Conference the Deacon is called to the ministry of Word, Service, Compassion and Justice. The work of a Deacon is to be a bridge between the church and the world and to guide people to ministry outside of the church walls. Deacons are called to equip and empower the laity and to lead by example and live a life that worships God each day.

As St. Stephen was called to assist Jesus' Disciples in their ministry, so, too, the Deacon is called to assist the Elder in ministry. Both Deacons and the Elders are members in full connection of the Annual Conference.

As Christians we all are "called" to serve God, the world and the Church. If you look around where you live and work and play, you will see there are many people who do not know of Christ and His gift of Love, therefore it is our responsibility whether ordained or lay to let the Light of Christ shine through each of us and share the joy of His love with all people.

Love One Another,

Rev. Susie Echols, Order of Deacons Chairperson

Order of Elders

The Conference year 2013-2014 saw the Order of Elders Coordinating Committee undergo another round of transition. We offer acknowledgement and appreciation to Mike Estep who began the new quadrennium as Chair but resigned to better fulfill his new responsibilities as District Superintendent. Timothy Allen was nominated and appointed as interim successor to Mike Estep.

Context of ministry for the elder, as well as all Christians, increases in diversity with some particular aspects such as pastoring, evangelizing, and exercising mercy and justice in a culture which is not always receptive. Hence, with their calling (Word, Sacrament, Order and Service) and ministry in mind, the Order of Elders Coordinating Committee seeks to encourage, affirm, and nurture members of the Order. These goals are exercised in a variety

of ways. Twice a year, Elders are encouraged to participate in a Day Apart designed to remind elders of their calling, provide resources for areas of ministry, share insights, and promote accountability. Through our “Best Practices” events the Order can celebrate effective and innovative ministry.

Two other avenues through which the Order of Elders attempts to care for one another and extend themselves to the greater community are offering daily opportunities for Eucharist at Annual Conference and an intimate service of communion especially offered to ordinands on the eve of their ordination.

Transition for the Order of Elders will no doubt continue in 2014-2015 as discernment continues for their chair replacement. In the meantime, we proceed as we are led by God’s Spirit, to achieve our goals, fulfill our calling, enrich the Annual Conference and impact the world.

Respectfully submitted,
Rev. Timothy Allen, Interim Chair

Retired Ministers' Housing Loan Fund

History

At the 1981 session of the West Virginia Annual Conference, upon recommendation of the Board of Pensions, a Ministers' Retirement Housing Loan Fund was established to provide low interest loans to ministers at or near retirement for the purpose of purchasing a retirement home. The Board of Pensions, at their August 19, 1999 meeting, revised this fund to be loans of no more than \$100,000 per family.

Pension Funds, Inc. administers this housing loan fund through the Executive Secretary's office. The fund is supported by gifts, Day of Remembrance offerings, and interest earned on existing loans.

Eligibility

All United Methodist ministers retiring in the current calendar year and surviving spouses of deceased ministers (provided application is made within one year after the minister's death) are eligible to receive loans from this fund. Applications may be secured by writing the office of Pension Funds, Inc., P.O. Box 2469, Charleston, WV 25329, attention Jim Berner. ALL APPLICATIONS MUST BE RECEIVED BY FEBRUARY 1.

Applications will be reviewed at the Board's February meeting.

Donations

Donations of money, stock, bonds, real property, and other convertible assets are welcomed. The Executive Secretary of Pension Funds, Inc., and the United Methodist Foundation of West Virginia, Inc. will cooperate to provide channels of giving and investment for persons who would like to provide gifts to the Retirement Housing Loan Fund.

Loan Fund Guidelines

Loans are available to surviving spouses of deceased ministers and to ministers of the West Virginia Annual Conference who will qualify for pension after serving on a full-time basis as a Local Pastor or Conference Member at least ten (10) consecutive years immediately preceding the date of retirement.

The following criteria will determine the availability of loans:

1. Fund Balance.
2. Number of Applications received.
3. Applicant's financial need.
4. Nearness of applicant to retirement (must be within one year of retirement). This provision does NOT apply to surviving spouses.

The purpose of the loan is to assist in the purchase of primary retirement housing. Loans will NOT be made to assist in refinancing a house or to purchase a second home if the first home is sold.

Loans will be limited to eighty (80) percent of the appraised value or purchase price of the property, whichever is least. If the home is later sold, the loan is NOT assumable.

Interest rates shall be two-thirds of the prime rate as reported in the Wall Street Journal with a minimum rate of 6% on the day the loan application is received in the office of the Executive Secretary of Pension Funds, Inc. Loans shall be amortized over a period of not more than twenty years. All costs relative to loan procurement shall be borne by the borrower.

The borrower shall provide the following documents:

1. Deed of Trust
2. Evidence of property and liability insurance
3. Termite inspection (existing home) or termite treatment (new homes)
4. Promissory note covering the full amount of the loan
5. Certificate of title or final title letter
6. Appraisal
7. Home Inspection
8. Survey

Rules

The Rules Committee met twice at the Conference Center in Charleston and plan to meet again on the day prior to Conference. The primary purpose of the first meeting, January 12, 2014, was to receive and review the response of the Task Force of the Order of the Deacons, the Fellowship of Associate Members and Local Pastors and the Order of Elders. As documented on page 134 of the Official Journal and Yearbook 2013, the Rules Committee was to have received the report by February 1, 2014 on the subject of Nomination and Election of Clergy to Jurisdictional and General Conferences.

The Rules Committee received three other proposed rule changes. The second meeting of the committee was scheduled and held on February 27, 2014, to receive and review these recommendations as well as finalize the proposal on Clergy Nomination and Election to Jurisdictional and General Conferences.

The Committee also discussed the number of laity members on the committee. It was determined that two lay members have resigned and have not been replaced to date. The discussion resulted in the names of two potential members to be forwarded to the Nominations Team.

The pre-Conference meeting is still to be determined as to time and place.

The following proposed amendments to the Rules were approved by the Rules Committee and will be brought before the 2014 Annual Conference for adoption. It was determined that the recommendation regarding the Election of Clergy to Jurisdictional and General Conferences was directed by the voting body of the 2013 Annual Conference was to be in front of the voting body 2014.

Stewardship

The master said, *“Well done, good and faithful servant; you have been faithful in a few things, I will put you in charge of many things; enter into the joy of your master”* (Mt. 5: 21). I really like this verse because it speaks of the joy and faith one needs to have to be a good steward of the resources God entrusts to us. *“To one (servant) he gave five talents, to another two, to another one....The one who had received the five talents came forward, bringing five more talents, saying, ‘Master, you handed over to me five talents; see I have made five more talents.’”* (vs. 15, 20). At the heart of the faith-based joy we are called to live out in our daily lives is stewardship. God calls each of us as individuals, as churches, and as a conference to use the resources God entrusts to us, wisely and responsibly. Ultimately, the use of these resources should glorify God and grow his kingdom. This, in and of itself, is a ministry!

As the annual conference stewardship coordinator, I continue to explore opportunities for us to grow in our stewardship knowledge and skills so that we will use the resources God entrusts to us, wisely and responsibly. I am also in the process of developing a strategy which will enable churches to share their stewardship practices with one another, so that all can benefit. I am currently putting together a Lead Team which will consist of folks who have an interest and expertise in stewardship. The Lead Team will begin looking at the stewardship ministry areas already identified as well as explore any new, emerging stewardship ministry areas. The following diagram identifies the stewardship ministry areas of focus, assumptions, vision and goals, from which we will operate as the Stewardship Lead Team:

Stewardship Ministry Areas of Focus

Financial Resources --- Time, Talent and Ability Resources --- Environment Resources

Assumptions:

- God provides resources to all! (Mt. 25:15).
- We are called to use these resources, wisely and responsibly.
- We are called to use these resources to glorify God/grow God's king

Vision:

Individuals, churches and the conference will effectively use what resource they currently have, as they develop and grow these resources (Mt. 25:20).

Goals:

- Identify churches in each of the three stewardship ministry areas of focus
- which will be models of good stewardship throughout the districts;
- Identify stewardship resources which already exist within the conference bounds and successful stewardship practices, develop a network to share;
- Develop a registry of folks who have expertise in stewardship and are willing to share their expertise with others; Use social media to promote stewardship; Provide stewardship training opportunities; etc.

As we use the resources God entrust to us to glorify God and to grow his kingdom, may God be well pleased and say to us, *“Well done, good and faithful servant...enter into the joy of your master.”*

Rev. Rick Sale, Stewardship Coordinator

Trustees

This year's report principally will address two important matters--Spring Heights and the sales of old properties--and a few other matters.

1. Spring Heights. This portion of our report covers the period ending December 31, 2013.

The Trustees have a supporting role with respect to Spring Heights, that role being to consider and recommend proposed capital improvements. (Operationally, Spring Heights is under the jurisdiction of Camping and Outdoor Ministries. The director is Heather Withrow.) The following capital investments were completed during 2012 and 2013:

Projects Completed 2012-2013

<u>Description</u>	<u>Budgeted</u>	<u>Actual</u>
Water and Sewage Improvements	\$225,000.00	\$294,734.75
Amphitheatre Improvements – benches	2,150.00	1,751.95
Camp Center Lodge-Furniture	3,500.00	3,500.00
Miscellaneous Repairs To Date – including compressor relocation, HVAC issues and window replacement	8,629.33	8,629.33
Existing Residence To Date – including floors, windows and general improvements	20,000.00	32,628.74
Retreat Center Improvements To Date – kitchen upgrade	500.00	3,320.24
Vehicle Purchases – truck with snow blade	20,000.00	20,000.00
Overage Allowance (portion used)	<u>1,218.05</u>	<u>1,218.05</u>
Total 2012-2013	<u>\$ 280,997.38</u>	<u>\$365,783.06</u>

The water and sewer improvements, mentioned in last year's report, have been completed. These improvements were initiated by state regulators, and it was indeed difficult to budget for the costs, given that the work changed as the project wore on. Spring Heights was advised during the project by Dunn Engineering, a very competent engineering firm, and it received support from public officials, for which we are grateful.

In addition to the foregoing, the following projects are intended for 2014 and beyond, and funds have been allocated for such purposes in the amounts shown. (These are budgeted amounts.)

Projects Intended for 2014 and Beyond

<u>Description</u>	<u>Budgeted</u>
Camp Kitchen Improvements – flooring	\$ 1,000.00
Miscellaneous Repairs – including roof leak repairs and other budgeted miscellaneous	11,370.67
Existing Residence – roof replacement	11,000.00
Residence II – build/purchase	70,000.00
Retreat Center – campfire addition	1,750.00
Retreat Center – Cottage II floor replacement	1,950.00
Retreat Center – exterior doors	2,400.00
Retreat Center (upgrade lighting)	1,150.00
Rustic Village Pavilion – concrete pad and structure	17,500.00
Overage Allowance (remaining portion)	<u>881.95</u>
Total 2014 and Beyond	<u>\$119,002.62</u>

Total amounts budgeted to date are \$400,000.00.

Further capital funding was requested for 2015, but the Trustees were concerned about the sustainability of Spring Heights, and so the Trustees placed that request on hold, pending a review of Spring Heights' operations by Run River, the same consulting group that visited Spring Heights in 2009. Run River met with Conference representatives (including representatives of the Leadership, the Camping Commission and the Trustees) in February of this year and reported that Spring Heights must show *significant* increases in earned revenue in 2014 and thereafter to remain viable. Run River acknowledged the large increases in campers in the past three years, and it commended Heather and the Commission for the outstanding Christian experience that the campers receive. Still, Run River stated **that the number of campers must increase by 37.5%, from 336 campers in 2013 to 462 campers in 2014.** Other important recommendations were:

- That all camperships be fully funded and
- That Spring Heights collect all of its receivables.

As noted elsewhere in this workbook, Spring Heights' operating budget for 2014 is **\$500,777.00**, of which **\$193,702.00** will come from the Conference budget. The remainder, **\$307,075.00**, must come from camping operations. As this report is written, on March 9, 2014, Spring Heights' ability to attract a significant increase in campers and/or to meet its budget goal is by no means assured. **Accordingly, the Trustees ask that the entire Conference rally behind Spring Heights and use every opportunity to promote Spring Heights to as many youth and adults as possible.**

2. Sales of Old Properties. Each year, upon Cabinet recommendation, the Conference identifies abandoned and discontinued properties and instructs the Trustees to attempt to find buyers for as many properties as possible. Sales are handled quite ably by the Trustees' agent, Rev. Clifford Schell, and the Conference chancellor, Robert File. Generally (but not always), the proceeds of sales are posted to the Trustees' Property Proceeds Account and are used to pay operating expenses. Portions of the net proceeds are shared with New Church Development and the Fund for Ethnic Churches. The balance is reserved for property needs, as the Trustees might approve. Sales completed during the past twelve months (March 1, 2013 through February 28, 2014) were as follows:

<u>Date</u>	<u>Property</u>	<u>County</u>	<u>Consideration</u>
3/27/2013	Fannin Chapel	Jackson	\$ 2,500.00
4/5/2013	Pleasant Dale UMC	Braxton	2,500.00
4/5/2013	Bethlehem UMC	Upshur	5,000.00
9/25/2013	Kegley UMC	Mercer	6,000.00
9/25/2013	Pleasant Chapel UMC	Randolph	1,200.00
9/25/2013	High Knob UMC	Braxton	4,500.00
9/25/2013	Booth Union UMC (parsonage parcel)	Monongalia	20,000.00
9/25/2013	Elizabeth Memorial UMC	Braxton	30,000.00
9/27/2013	Centenary Memorial UMC	Marion	5,000.00
12/11/2013	Gorman UMC	Grant	1,500.00
12/12/2013	Wesleyan Chapel UMC	Wirt	1,800.00
01/15/2014	Loudenville UMC	Marshall	4,000.00
02/28/2014	Bethel UMC	Pendleton	4,500.00
		Total	<u>\$88,500.00</u>

3. Special Awards to Churches and Charges. The Trustees in the past had sufficient funds to help some of our churches (particularly, the smaller rural churches) with property improvements, such as roofs, furnaces, bathrooms and the like. The Trustees no longer have those reserves, and so there were no awards for the period of this report.

4. Property Insurance. The Trustees oversee the Conference's property insurance program, the annual cost of which is about \$190,000.00. Coverages for vehicles, the districts, the mission projects and the campus ministries are included in that total. The Trustees once again express their gratitude to our risk manager, John Thompson, for all of his help and professionalism over the years.

5. Special Thanks. The Trustees in addition express their special thanks to Jim Berner, our staff liaison, and to Rev. Ed Grant, our Cabinet liaison, for all of their guidance over the past year.

6. Personal Note. Your reporter once again expresses his deep personal thanks to all of our Trustees--Rev. Billy Ray Carpenter, Luella Cvechko, Maria Dooley, Rev. Ellen File, Rev. Judy Fisher, Rev. Dallas Forren, Sherri Henderson, Ron Raether, Rev. Steven Rhodes, William G. Van Sickle and Rev. Judy Vetter--for all of their attention to the important work of the West Virginia Annual Conference. It is indeed a privilege to work with such a committed and engaging group.

Andy Jackson, Chairperson

United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship and to expand the concepts of mission through participation in the global ministries of the church.

As I look back on 2013 I see some positive changes for United Methodist Women. Our Bishop has challenged us not to be afraid to do things differently and we have tried some new and different things.

It was very exciting to work with West Virginia Healthy Kids and Family Coalition to be a part of the oral health project. Under the direction of Ramona Lockwood nearly 1000 surveys were done across the state of West Virginia. Some of the things we found out from these surveys were surprising. We found most parents know the importance of good oral health and we also found out some of the limitations they faced in getting help for their children. It was a very positive experience for the ladies who helped in this project.

We were happy to be part of seeing Girl Scouts honored at Annual Conference. We have plans to have anti-bullying events across the conference for all girls this year. We believe girls need the positive influence we can give them.

Our Spiritual growth this year was led by Rev. Ken Ramsey. The two events brought 277 ladies to Cedar Lakes Conference Center. We were blessed and challenged by Rev. Ramsey and the music of the Followers of Faith Praise Band. We focused on "Working for Justice through Faith".

Twelve ladies travelled to Phillippi, WV, for Mission Encounter at the Heart and Hand House. They did some hands on mission work, painting, sorting, assembling health kits and yard work, to name a few.

School of Christian Mission officially became Mission u in 2013. As always it was housed at West Virginia Wesleyan College. One hundred twenty four persons attended Mission u this year. We faced some real challenges with the heat and air conditionings problems but still it was a great learning adventure. We studied the Roma of Europe and the youth really found out what it was like not to have a place to call home. We did a repeat on the Poverty Study and the Spiritual Growth Study, The Call: Living Sacramentally and Walking Justly, reminded us of who we are and that we are all a part of God's kingdom.

Our Annual Meeting was at St. Mark's United Methodist Church in Charleston with the ladies of the Midland South as hostess. The theme "Working for Justice Through Love" was highlighted by our keynote speaker Bishop Sandra Steiner Ball. Friday night and Saturday gave us several different types of beautiful music to enjoy. It was a wonderful week-end and a wonderful way to end the year.

Besides the conference events the women are in mission daily as they take part in the many areas of mission across the state and around the world. They are always busy filling food pantries, stuffing backpacks, advocating for children's issues, having human trafficking projects, doing prison ministries, making health kits and oral health kits and flood buckets, working on Imagine No Malaria projects, and the list goes on. United Methodist Women are carrying out God's call.

As we look to 2014, we are preparing for National Assembly in Louisville, Kentucky. It is always a blessing to share with women around the world who, although different, share the same purpose. We are blessed to be part of the largest faith based organization in the world and to be part of God's plan for His people. Our work continues.

We were honored and blessed by the presence of our resident bishop, Bishop Sandra Steiner Ball during the entire event of the United Methodist Men's Annual Gathering at Jackson's Mill; and, especially when she preached during the joint BSA and United Methodist Men worship service on Sunday morning. \$1059.19 was collected during the offering and dedicated to the Imagine No Malaria campaign. This year 680 Scouts and leaders attended Circuit Rider 25. The United Methodist Men provided the Saturday evening meal for all attendees; serving and dining with the campers. What a great event!

Our program for this annual gathering, *Why Men Hate Going To Church*, was conducted by David Murrow. Mr. Murrow covered the statistics of declining membership and related some of those problems to lack of men in churches. The program dealt with the many problems concerning men not in church, including the language, the décor, and the culture. While these are subtle things, they are important issues. The church has sought to reach men by reaching women and this has not been effective.

The Map: The Way to All Great Men is the follow up book by David Murrow and addresses the hidden map in the Gospel of Matthew that all great men, including Christ himself, followed. It is a fictional tale but contains an important key to awakening men.

Our business session ratified the By-Laws and The Constitution for the West Virginia United Methodist Men and elected the following officers. The officers began their terms of office on 1 October, 2013, as a result of the change in the By-Laws which designated the term of office as 1 October to 30 September.

The newly elected officers are

President:	Bill Atwell
Vice President:	Don Davis

Scouting

It was a big year for Scouting with the National Jamboree being held at the Summit-Bechtel Camp which is located in the Southern District. It was a joy to see all of the campers there. Bishop Steiner Ball, Rev. Dr. J.F. Lacaria, and Rev. Dr. Joe Kenaston, Southern District Superintendent, were present for the Sunday worship services.

The 25th Circuit Rider sponsored by the United Methodist Men was the largest to date with an outstanding total of 680 youth and adults attending. We would like to thank Bishop Sandra Steiner Ball and her husband, Barry, for staying the weekend at the Circuit Rider and for being a part of the events.

We look forward to celebrating scouting awards for both Boy Scouts and Girl Scouts at Annual Conference this year.

We have District Scouting Coordinators in all nine districts.

Young Adult Ministries

Dear Brothers and Sisters in Christ,

Greetings in the name of our Lord and Savior Jesus Christ! What an exciting year the Young Adult Ministry team has had. Since the last Annual Conference we have continued to meet, dream dreams, and work on our Quadrennial goals. One of the highlights of our year included a trip to Washington, DC to participate in The Oasis. Not only did team members attend The Oasis, but several young adults (lay and clergy) from WV were sponsored by our team to attend the conference focusing on young adult ministry and leadership.

We are looking forward to opportunities to grow individually and as a team as well as be disciples for such a time as this. We continue to be very interested in partnering with ministry teams, local ministries, and churches across the Annual Conference to incorporate young people into the life of the church in a meaningful way.

In God's Grace and Peace,

Rev. Lauren A. Godwin
Young Adult Ministry Team Chair

Rev. Clif Adkins, associate pastor at United Methodist Temple, Beckley, leads worship on Saturday morning, which was planned by conference young adults.

Youth Ministries

The mission of the Conference Council on Youth Ministries (CCYM) is centered on providing the youth in the West Virginia Annual Conference opportunities to establish and strengthen their faith, to engage in the world around them through their faith, and to fellowship and build relationships with other youth. All throughout the conference, we have seen evidence of the mission being fulfilled.

CCYM is comprised of youth who have taken their passion for Christ and spread it to all the ends of the conference. Whether they planned events or encouraged others to become involved, their ministry has touched the lives of many. Several districts gathered the youth together for a time of fellowship and opportunities for friendship to develop. Youth have left with wonderful memories and new friendships to help them in their journeys of faith after each event. In November, all the youth from the conference had the opportunity to spend a weekend at Cedar Lakes in Ripley to escape from the everyday life of a teenager and to focus on “Going the Extra Mile to Serve” God and others. During the weekend, Hannah Willey, Emily Cramer, and Jonathan O’Dell, three of the youth from our Conference, each shared a unique message from God with their peers about “Going the Extra Mile to Serve.” June 23 - 27 youth will have another opportunity to spend a week away to focus on discovering that “God Created You to Be Called” at Summer Youth Celebration (SYC) at West Virginia Wesleyan College. Youth will explore the marvelous story of God’s ordinary servants who changed the world all because God called them and have the opportunity to find that they too are part of the continuous, marvelous story.

Taking leaps of faith, many youth have traveled to different parts of the world to engage in missions of all kinds. One group of youth has been prayerfully preparing to travel to Israel and Palestine this July. Matthew Ditchen, one of our youth, traveled with other youth from all over the Northeastern Jurisdiction to serve in some of the poorest countries in the world. He opened himself up to culture, life, and people of South Africa to experience Christ’s peace throughout the world on the Northeastern Jurisdiction Mission of Peace. At this time, youth are already preparing to travel to India in December of 2014 thru January of 2015 for the next Mission of Peace.

With the mission and vision of the CCYM becoming a reality, the youth of the conference are being empowered to change their lives and the lives of others, even complete strangers. Youth groups in several areas have participated in or will participate in World Vision’s 30 Hour Famine or other projects to address world hunger as well as raising money for Imagine No Malaria. Many youth groups around the conference have dedicated at least a week of service outside of their own community and even outside of the state of West Virginia offering God’s love to all they meet. During Fall Workshop, the youth of the conference raised over \$600 for the Youth Service Fund which funds programs for youth with money raised by youth.

The Spirit of God has been moving through a group of clergy, lay, and youth throughout this year. A new opportunity and experience for youth is emerging through prayerful discernment and intentional conversation called Radical Discipleship Academy of

Appalachia. Its purpose is to focus on developing the faith and gifts of teenagers who have expressed a desire to engage in God's call on their lives on a deeper level. The yearlong program encourages youth to hear the invitation from God to take their next step in faith, form a covenant community that consists of peer and cross –generational relationships, engage in spiritual practices, theological reflection, worship and other means that help them grow in their discipleship, and to be empowered through finding confidence and support to make in impact for Christ in their own church and community.

It has been my pleasure to serve alongside this wonderful group of youth and adults who love God and feel a desire to follow His calling. The work of CCYM could not have been accomplished without our whole executive team's leadership and the members' dedication and ideas. Our executive team was comprised of Rachel Fulks as Vice Chairperson, Sarah Cartwright as Secretary, Sarah Craft as Communications Director, Allie Sears as Youth Service Fund Coordinator, and our Conference Youth Coordinator, Nancy White. Along with all our members we are blessed with a multitude of adults who give of their time and talents to work with the youth of the Conference.

I praise God for the wonderful youth of the West Virginia Annual Conference! May we continue to grow in faith and allowing the Spirit of God to move through us.

Erin Sears, Chairperson

Conference Youth Coordinator

Once again, it is a joy to share the news of things happening for youth, by youth and with youth in the West Virginia Annual Conference. I am reminded that the ministry involving youth is much broader than most of us might expect.

The Conference Council on Youth Ministries has continued to provide the design team for Summer Youth Celebration and Fall Workshop. We offer our thanks to the staff, the deans and the persons who support these events so we can provide opportunities for Christian friendship and for spiritual growth of young people. The unique experience offered to the youth who serve as pages and youth members of Annual Conference each year, is another opportunity in which youth are in ministry and find Christian friendship. The many offerings of outdoor camp and retreat experiences found at Spring Heights throughout the summer and the rest of the year is something not to be missed out on also. The United Methodist Women provide a youth study opportunity at their summer "Mission U" event at Wesleyan and the United Methodist Men have lots of Boy Scouts on site at their September retreat as well. The presence of youth at these events can only enhance what is going on, and the youth and adults who are there gain so much from one another's presence.

We also celebrate the youth that head out in mission through their local churches as well as through VIM experiences and Mission of Peace trips. Matthew Ditchen of St. Mark's UMC in Charleston made the MOP journey to South Africa this past winter and has a wonderful story to share with you. We are excited to have several youth applying for the next MOP trip which will go to India. It is also exciting to note that there are youth and adult chaperones from St. Mary's UMC going to Israel/Palestine this summer with a trip organized by Judy Nutter and supported by some Youth Service Fund scholarships.

New on the horizon is the Radical Discipleship Academy of Appalachia, which is being developed at this time for youth who want a deeper experience and discussion of theology and issues of faith. It is for rising 9th graders through rising seniors looking for a better understanding of their call to discipleship. You may already have some information on RDAA for this summer but keep an eye out for the future with this endeavor.

Also coming up is the General Conference's YOUTH 15 to be held in Orlando, Florida, in June of 2015. We will be organizing ourselves once again to have youth and leaders from our conference attend this event that happens once every four years and moves around the country. Orlando offers some extra fun as well as some extra expense and planning for us, but if you are interested, be sure to talk to me and get in on the planning. We are excited that the Rev. Kara Rowe from our conference is on the design team for Youth 2015 (www.youth2015.com). Part of the event design includes several jurisdictional 'pre-events' with at least one speaker and one musician/band present in a local church setting. Closest ones are in Ohio and NC for us but perhaps your groups will want to go!

I am attempting to visit with adults who work with youth in each district throughout 2014. In an informal setting of sharing, I am hoping to help make connections within the various districts and to share conference and General church programming. If we haven't been together in your district yet, watch for information and join me to hear more about the things shared in this report and to tell me what is going on as well!

Thank you to the deans of the events, their staffs, and to the CCYM exec team and youth/adults leaders of CCYM for their time and work. Thanks you to Erin Sears for her leadership as chairperson. I can't say enough about her and her work on behalf of her peers. Thank you for the opportunity to continue to lead and be led by the youth of this Annual Conference.

Consider the possibilities...

West Virginia Wesleyan College

The 2013-2014 academic year has been a phenomenal time of enrollment growth, incredible service, attention to new facilities and infrastructure, as well as recognition of our academic excellence.

This fall, we were again the only West Virginia college or university listed in U. S. News and World Report's Great Schools at Great Prices category. We continue to be a first-tier U. S. News School in the Southeast Region and we remain one of the Best Schools in the Southeast in the Princeton Review. We were also named as a "College of Distinction" for our engaged students, great teaching, vibrant community, and successful outcomes. Most recently, we have learned that Wesleyan and West Virginia University were selected as the best two schools in the state in a new classification...the 100 Best Colleges by State.

In fall of 2013, we welcomed over 500 first-year and transfer students, the largest entering group of students in over 10 years. Total enrollment was 1,450 students. These new students also brought impressive academic credentials. About half of our new students are from West Virginia and 150 of our West Virginia new students are Promise Scholars.

We are pleased to share with you that Wesleyan has been selected to be the host site for the West Virginia Governor's School for the Arts for the next three years. Many of the state's most talented artists attend this camp each year and we are excited to showcase our campus and the Virginia Thomas Law Center for the Performing Arts.

Dr. Phyllis Coston completed one of her life's passions -- the researching and writing of her book entitled, Celebration of Success, a series of stories about alumni from our Learning Center who succeeded in life despite any of their learning differences.

Improvements to campus facilities are in full swing. Our new O'Roark Nordstrom Welcome Center will be completed this summer and will be another debt-free building. The College will also be renovating at least six classrooms to include new technology and many other needs. Doney Hall will be renovated to include air conditioning and will be used primarily for upper class students who desire single rooms.

We will replace four roofs including the Chapel, Agnes Howard Hall, Annie Merner Pfeiffer Library, and McCuskey Hall. We will be replacing outdated piping for the Library and Haymond Hall. We will be upgrading and replacing dining center equipment.

In addition, we will be developing a multi-use facility at Ross Field to include football, lacrosse, track, soccer, intramurals, our new marching band, and other community events. It will include a new eight-lane track as well.

We are also on target to design a major energy savings/lighting project that will help the campus for better sustainability.

Community service and engagement continue to remain high priorities for our campus community. Wesleyan is providing more scholarship opportunities for students to serve internationally. Our Center for Community Engagement hosted the first annual ENGAGE Conference of Leadership for Change on March 1st. The conference hosted 95 students and staff from Wesleyan, Concord, Alderson Broadus, Waynesburg, and the Upward Bound program from West Virginia State.

In addition, there were 22 presenters from the Washington, DC, based National Coalition for the Homeless, West Virginia Healthy Kids and Families Coalition, Philanthropy West Virginia, West Virginia Community Development HUB, RESA 7, West Virginia Free, Upshur Parish House, Blue Ridge Community & Technical College, Wesleyan and West Virginia Camus Compact.

Wesleyan's Enactus team, formerly SIFE, was selected to participate in "Up to Us" in April at the Clinton Global Initiative University in Phoenix, Arizona. This privilege is awarded to only 25 collegiate groups and Wesleyan was the only small college selected for this year's competition.

The Wesleyan Social Justice team raised \$5,227 during the Buckhannon CROP hunger walk for the Church World Service and the Annual Events team hosted the eighth "Ten Thousand Villages" on campus sale, resulting in sales of \$4,807.

We are proud of the many exciting accomplishments at West Virginia Wesleyan College and are excited as we prepare for our 125th anniversary celebration in 2015-2016. Thank you for your support to our West Virginia Conference College. We value our on-going partnership.

Africa University

West Virginia Conference Report

The West Virginia Conference is a faithful and immensely generous friend to Africa University. Thank you for your 100% investment in the Africa University Fund (AUF) apportionment for 2013.

Your leadership helped overall giving to the AUF to reach 91.7%, the highest of level for any of the general church funds last year. The West Virginia Conference was one of 25 annual conferences that invested 100% of its asking to the AUF.

As a community—students, faculty, staff and trustees, we thank you and celebrate your commitment to this important ministry of the worldwide United Methodist Church. The annual contributions of local congregations in the West Virginia Conference are crucial to our shared ministry of equipping and nurturing global leaders.

2013 Highlights:

- More than 450 students were awarded degree certificates in June 2013, increasing the total number of AU graduates to about 5,000.
- In August, three 2013 graduates were commissioned as young adult missionaries by the General Board of Global Ministries, pushing the number of Africa University alumni serving internationally as mission interns to seven in just two years.
- Africa University's enrollment grew to 1480 full-time students from 25 African countries in 2013. Female students now account for 53% of that total enrollment.
- Africa University distributed more than \$1.8 million in scholarships and financial aid to its students and launched the Girl Child Scholarship Fund which will help more African women to get a university education.
- Through a new initiative, the university is increasing the financial contributions from its alumni and others in Africa and working towards greater sustainability.
- The university embarked on a "\$50M Campaign for Endowment" that prioritizes academic support, scholarships and enhanced quality of life for students on the campus.

We thank the local congregations of the West Virginia Conference for helping to shape Africa University as a place of opportunity, spiritual and professional growth, and transformation.

Your generosity and prayers are making a profound difference in people's lives. For example, in Mozambique where recent political has destroyed homes, displaced thousands and claimed many lives, two Africa University graduates are in the forefront of caring for the victims and healing the rifts that sparked the conflict. Rev. Joao Sambo coordinates

humanitarian relief in the Mozambique Conference and Rev. Anastacio Chembeze is mediating talks between the parties to the conflict to help them to resolve their differences peacefully.

We pray that you will:

- **Continue to invest in the AUF at 100% of the asking or higher.**
- **Encourage your church to become an annual scholarship donor.**
- **Take advantage of our new Dream Insurance program, which allows individuals to donate all or a portion of the proceeds of an affordable Term Life Insurance plan to Africa University.**
- **Include Africa University in your will.**
- **Pray without ceasing** for the ongoing success of this important effort to equip disciples to contribute to a rich, impactful and vibrant future for their nations and for our global church.

Thank you and God bless you.

Candler School of Theology

Candler School of Theology prepares *real* people to make a *real* difference in the *real* world. Our commitment to authentic discipleship and relevant ministry enables us to develop uniquely well-rounded leaders who are challenged academically, encouraged spiritually, and immersed in Christian service from the first day they arrive on campus.

As one of the 13 official seminaries of The United Methodist Church, Candler is grounded in the Christian faith and shaped by the Wesleyan tradition. As one of seven graduate professional schools of Emory University, Candler provides a rich context for learning and formation supported by the extensive resources of a top-tier research university. As a school located in the metropolitan area of Atlanta, Candler offers a learning environment that reflects the highly diverse communities of our 21st century world. There is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

Candler celebrates its Centennial in 2014, marking our 100th anniversary with commemorative events that reflect on our past and a conference on theology and the church that envisions the future. The yearlong celebration begins in August with the opening of the second phase of Candler's new 128,600-square-foot, LEED-certified building, seven years in the making.

Not only is Candler expanding its physical space this year—it is expanding degree offerings as well. In response to the changing needs of the church, Candler is introducing five new degrees to equip Christian leaders: the Doctor of Ministry, the Master of Religious Leadership, the Master of Religion and Public Life, and two dual degrees pairing divinity and social work and divinity and development practice. With these newest additions to our degree programs, Candler graduates truly will be ready to lead wherever God calls.

Candler's student body reflects the diversity and breadth of the Christian faithful. Our enrollment stands at 441, with 340 seeking the Master of Divinity, 47 the Master of Theological Studies, 21 the Master of Theology, 15 the Doctor of Theology, and 18 enrolled as Non-Degree students. The student population is 32 percent U.S. ethnic minority, 49 percent women, and the median age of the entering class is 27. Students represent 39 denominations, with half identifying as United Methodist.

We continue to emphasize preparing our students for leadership in an increasingly global context, and now offer 14 academic exchanges with theology schools in 12 countries across five continents. In addition, Candler has an ongoing summer internship program with the Methodist Church in the Bahamas, and participates each year in travel seminars to the Middle East and in World Methodist Evangelism Institute evangelism seminars, traveling in 2014 to Nigeria, Costa Rica, and Brazil.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of *educating faithful and creative leaders for the church's ministries in the world* depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in

the life of our denomination. Visit us in person in Atlanta or online at candler.emory.edu to see firsthand how Candler prepares *real* people to make a *real* difference in the *real* world.

Garrett-Evangelical Theological Seminary

Garrett-Evangelical Theological Seminary continues its commitment to develop and nurture skilled, bold and articulate leaders for the church, the academy and the world. Since its founding 161 years ago, we have articulated and lived our core purpose: to know God in Christ and, through preparing spiritual leaders, help others know God in Christ.

Last fall, we welcomed 171 new students, bringing the fall Master of Divinity enrollment to 399. The gender/ethnic profile is: 51% female; 55% white; 20% Black; 5% Asian; 3% Hispanic/Latino/a. Fourteen percent of the student body is international. Thirty-five denominations, four continents, thirteen countries and thirty-three states are represented in the student body. Seventy-percent of the students in all degree programs are United Methodist.

Garrett-Evangelical is committed to making seminary education affordable, and easing the financial stress on students. This academic year, the seminary awarded over 2.5 million dollars in financial aid, offered numerous federal work-study positions, and assisted with paid internship opportunities in diverse settings through field education.

In fall 2014, Garrett-Evangelical Theological Seminary begins a guaranteed tuition rate initiative for master's level students. Students are guaranteed the same tuition rate for two or three years, depending on the program in which they enroll. Tuition rates for new Master of Divinity students will be guaranteed through the Summer 2017 Term. Tuition rates for new Master of Arts or Master of Theological Studies students will be guaranteed through Summer 2016 Term. This initiative is yet another step in insuring students enter the world of ministry with as little student debt as possible.

In September 2013, the seminary celebrated the establishment of the fully-endowed Rueben P. Job Chair of Spiritual Formation. At the same time, we installed Dr. Frederick W. Schmidt as the Rueben P. Job Associate Professor of Spiritual Formation. Garrett-Evangelical is the first among protestant seminaries in the United States to have a fully funded chair in spiritual formation.

Two revered faculty retired this past year. Larry Murphy, professor of the history of Christianity, retired after 39 years of service. He was a key individual in developing the seminary's Center for the Church and the Black Experience. Ruth Duck, professor of Christian worship, retired in December. A world-renowned hymnist, her most recent book, *Worship for the Whole People of God: Vital Worship for the 21st Century*, was published in October 2013.

Several initiatives to support clergy and lay education are under way. During the spring semester, fifteen academic classes were offered in an online format, some with a continuing education option. Among the options are:

- *Plus*, a first-of-its-kind cooperative executive education program of Garrett-Evangelical and Northwestern University's Kellogg School of Management, involving two years of seminars led by experts in non-profit and church leadership for professionals in ministry;
- *Intersection*, an online continuing education opportunity, incorporating readings, online presentations by seminary faculty, and reflection on contemporary issues of life and ministry. Topics range from theology, biblical interpretation, and church history to ethics and the church in society. Continuing education credit is available. Additional information is available at <http://www.garrett.edu/intersection>.
- A *Doctor of Ministry* program offering five tracks of study: Congregational Leadership; African American Congregational Leadership; Spiritual Direction; and Mission in the Contemporary United States; and the Association of Chicago Theological School's (ACTS) D.Min. program in preaching.

In the coming months, Garrett-Evangelical will roll out new programs—online, in Evanston, in congregational settings, and on the campuses of select United Methodist-related colleges.

Garrett-Evangelical serves over 550 students in degree-related courses, certificate programs and the summer Course of Study School. We encourage you to visit our website, www.garrett.edu, and to visit us on campus. We are grateful to serve The United Methodist Church and the church at large.

On January 1, 2014, I became president of Garrett-Evangelical Theological Seminary. I am grateful for the opportunity to serve the seminary and the church in this capacity. Garrett-Evangelical is blessed with a great heritage and a strong future. Please let us know if there are ways we can work with you as we continue to seek to be a seminary for the church and the world. Thank you for your prayers and support.

Lallene J. Rector, President

Methodist Theological School in Ohio

Thank you for this opportunity to bring an update from MTSO to our friends in the West Virginia Conference.

Sustainability initiatives

We take seriously our commitment to a just and sustainable world. This year, we strengthened that commitment in key ways. Dr. Timothy Eberhart was named assistant professor of theology and ecology, in joint appointment with Garrett-Evangelical Theological Seminary. In addition, we have begun farming a portion of our 80-acre campus. The farm offers unique educational opportunities and will eventually provide all produce served in our dining hall. We also plan to partner with those who are typically underserved by the growing movement toward quality, locally sourced food.

Scholarships

Thanks to the generosity and commitment to theological education of many donors, MTSO is able to offer an unprecedented level of financial aid. One in three degree-seeking MTSO students now receives a full-tuition scholarship, and our average non-load aid award is \$8,600 per year.

Vocational discernment services

MTSO is one of the few seminaries to provide an Office of Vocational Discernment. Our new office is led by Katherine Dickson, who previously spent seven years as director of career development at Bluffton University. She will serve both students and alumni and has launched an alumni-mentoring initiative.

Insights on the “nones”

Drawing on five years of research, MTSO Professor Linda Mercadante has published *Belief Without Borders: Inside the Minds of the Spiritual but not Religious*. Among other topics, the critically acclaimed book considers what we in organized religion can learn from the “nones” and what we have to offer them.

We appreciate the opportunity to share our news with you, and we’re honored to be entrusted with the vital work of theological education. Please stay in touch by visiting www.mtso.edu.

Danny Russell, Director of Communications

Is God calling you or someone you know to the ministry of Jesus Christ? If so, we invite you to explore how United can assist you in fulfilling God's purposes for your life and how you can help others in this journey. Come and check us out in person or online at www.united.edu!

United is one of the fastest growing, accredited seminaries in North America. Why are Christian disciples and leaders signing up for our traditional and online programs? They are doing so because United is committed to teaching the Bible and the historic Christian faith, cultivating spiritual formation for personal and social holiness, and renewing the Church for the mission of Jesus Christ in the world. What could be more important or exciting?

Rev. Harvey served churches in Terra Alta, Deep Creek Lake, Kitzmiller, Grantsville, Keyser,

Frances “Jean” Hill

Frances Eugenia “Jean” Alexander Hill, surviving spouse of the Rev. Raymond Thomas “Tom” Hill, died June 9, 2014, at the age of 97. She was born in Green’s Chapel, Alabama, a daughter of John and Grace Ernestine Alexander. She married Rev. Hill, who served as a local pastor in the conference, on June 8, 1947. He preceded her in death on July 27, 2003.

Jean grew up in Fife, Alabama, where her father owned a general store. She graduated from the University of Montevallo and taught in several elementary schools in northeast Alabama before moving to Nashville, Tennessee, to obtain a master’s degree at George Peabody College, Vanderbilt University. It was while studying in Nashville that she met her husband, Tom Hill. They were married on June 8, 1947, and moved to Winchester, Kentucky, where Tom taught at Kentucky Wesleyan. In 1951, they moved to Athens, West Virginia, where Tom taught at Concord until he retired in 2002. When her daughters were in high school, Jean returned to teaching as a substitute teacher and professor at Bluefield State College.

Jean was a longtime member of Concord United Methodist Church where she was active in church life, but she understood that faith takes you outside of the church walls. She and her husband provided monthly worship services at local nursing homes and were active members of the Order of St. Luke. Their home was open to everyone: their daughters’ friends, college students and newcomers to the community. Jean treated everyone as family.

After Tom’s death, Jean relocated to Charleston, where she moved her membership to St. Mark’s United Methodist. She lived for the last eight years of her life at Good Living.

She is survived by daughters Mary Grace Walrath and her husband, Gary, and Martha Jeanne Hill and her husband, Mark Stotler; grandchildren, John Meador, James Meador, Chris Ellis, Matthew Merial and his wife, Karinne, Joseph Merial and his wife Jaelyn, Bryan Stotler and his wife, Nicole, Adam Stotler and his wife, Sarah, Kimberly Deekens and her husband, Justin, Melody Deyoe and her husband, Brian; and 12 great-grandchildren.

In addition to Tom, her husband of 56 years, and her parents, she was preceded in death by her brother, John Junior Alexander.

She was born January 20, 1918, in Bowen, Illinois, the daughter of Carl Parkin and Osa Anne Hudson Parkin. She married Rev. Martin, who was an elder in the conference, on September 9, 1939, and he preceded her in death on January 30, 1985.

Glenadene was well known for her service to West Virginia Wesleyan College where her husband served as president from 1957-1972. She was a member of First United Methodist Church. She was involved in many aspects of the community during her time in Buckhannon. She had a great fondness for cats and her signature look was wearing beautiful hats.

A private graveside service was held. Memorial gifts were received by the Stanley H. Martin Scholarship Fund at West Virginia Wesleyan College and the Upshur County Humane Society.

Nancy Marie Wilson Rouse Ross

Nancy Marie Wilson Rouse Ross, surviving spouse of the Rev. Herman Ross, died February 8, 2014, at the age of 90. She was the last surviving of the eight children born to E.O. Wilson and Nancy Pierson Wilson. She was widowed at a young age when her husband, Donald Rouse, died. She married Rev. Ross, an elder in the conference, on October 21, 1954, and he preceded her in death on June 17, 2002, after 57 years of marriage.

Nancy was a devoted clergy spouse and assisted her husband in his ministry. She would often play the organ during services and piano for impromptu weddings that would occur at their home. Many family dinners were

interrupted by someone at the door inquiring, "Is the preacher here? We want to get married." After a quick counseling session, the marriage was performed, the music played and if there was film in the camera, Nancy would take a Polaroid of the newlyweds. After the bride and groom departed with their memento, the Ross family would get back to their meal.

Serving anywhere from two to nine churches at a time through the years kept them both busy and put a lot of wear and tear on them and their vehicle. Nancy was good at making the dollars stretch. Although there was only a little bit of money coming in, a tithe always went to the church. Nancy worked at different jobs in each town where they lived, but never for long since they moved nearly every year.

While Herman ministered to his parishes, Nancy ministered to him. They served charges in Parkersburg; Palestine; Belmont; Boomer; Buffalo; Moundsville; Omar; Grantsville; Mill Creek; Kimball; North Creek and Ausable Forks (New York); Terra Alta; and Milton. All of these charges had multiple churches.

Nancy is survived by her sons, Richard, Robert and Timothy; eight grandchildren; four great-grandchildren. In addition to her husbands and her parents, she was preceded in death by a sister, Alzana Wilson Breneman; six brothers, Edgar, Harold, Gilbert, Denver, Dale, and Raymond Wilson.

A funeral service was held amidst snowstorms at Seventh Street United Methodist Church in Parkersburg, West Virginia, with the Rev. Kathryn Ambler officiating. She was buried next to her husband at the Mt. Olivet Cemetery in Parkersburg.

Mary Virginia Riffle Roth

Mary Virginia Riffle Roth, surviving spouse of the Rev. Charles Roth, died April 24, 2014, at the age of 91. Born April 22, 1923, in Parkersburg, West Virginia, she was the daughter of Leonard and Edith Moore Riffle. On February 28, 1942, she married Charles Roth, an elder in the conference, and he preceded her death on May 29, 2011.

She served alongside Charles during the 33 years he served in the West Virginia Conference. They served Belington Circuit; Central, Buckhannon; Moorefield Circuit; Concord in Athens, and in campus ministry at Concord College; St. Paul's, Nitro; Simpson, Moundsville; Good Shepherd, Grafton; and St. Andrew's, Parkersburg. They retired in 1986 and settled in their hometown of Parkersburg. They remained in Parkersburg until 2003 when they moved to be near their daughter Chris in Raleigh, North Carolina.

Mary was a gentle woman who was devoted to church work, her family and her husband. For many years she tirelessly helped prepare church dinners and was famous for

her hot rolls and bread. Mary was an early member of the Ministers' Wives Association and had perfect attendance at Fellowship for over 30 years. She headed up the "Cookbook Brigade" which allowed the organization to raise funds by collecting recipes and selling the books. Perhaps her best contribution was her sense of fun and her ability to welcome others. Her laugh was contagious and lasted throughout her 91 years.

Mary is survived by three daughters, Mary Ann White and her husband, Jack, Patricia Baxter Hayden, and Christine Urso and her husband, Bennie; six grandchildren, Andrea Urso-Hignutt and Jessice Urso, Susan Mahood, Jon White, Kelly Eastin, and Brian Baxter; thirteen great-grandchildren; a sister, Eleanor Lane; and many nieces and nephews.

In addition to her beloved husband of 69 years, she was preceded in death by a sister, Billie McKinley; a brother, Leonard Riffle; a grandson, Michael White; a great-granddaughter; and two great-great grandchildren.

A service celebrating the lives of both Mary and Charles was held at St. Andrew's United Methodist Church in Parkersburg on June 16, 2014. Memorial gifts were given in their memory to St. Andrew's UMC Trustees Fund.

Willie Marie Willis

Willie Marie Willis, surviving spouse of the Rev. Arnold O. Willis, an elder in the conference, died October 5, 2013, at the age of 89. She was born August 10, 1924, in Jacksonville, North Carolina, the daughter of Clyde and Martha Waters Ellis. She married Rev. Willis, an elder in the conference, on July 17, 1946, and he preceded her in death on November 4, 1977.

Rev. Willis served as conference evangelist from 1962 through 1974. They lived in Huntington, where Willie remained after his death.

She is survived by a daughter, Lisa Zatezalo and her husband, Steven; two grandchildren, Marissa Zatezalo and Carrie Lynn Willis; a sister Natalie Hufhand; many nieces and nephews and great-nieces and great-nephews.

In addition to her husband and parents, she was preceded in death by brothers, Clyde and Leslie Ellis; sister, Mary Thompson; and a stepson, Robert Willis.

A funeral service was held on October 8, 2013, at Beard Mortuary in Huntington, with the Rev. Bill DeMoss officiating. She was buried at Woodmere Memorial Park in Huntington. Memorial gifts were received in her honor by Hospice of Huntington.

RULES - PROCEDURE - ORGANIZATION
WEST VIRGINIA ANNUAL CONFERENCE - THE UNITED METHODIST CHURCH
(All paragraph references are to the 2012 *Book of Discipline* unless otherwise noted)

PART A: RULES AND PROCEDURES FOR THE ANNUAL CONFERENCE SESSION

I. RULES

1. **Adoption of Rules.** During the first business session, each Annual Conference shall adopt its rules which will then be in effect for the order and organization of the Annual Conference.

2. **Suspending or Amending Rules.**

- a. Any person or persons desiring to present an amendment or amendments to the Conference Rules must present the proposed amendment or amendments in writing to the Conference Rules Committee by February 1st of each year.
- b. The Conference Rules Committee shall assemble, edit and reproduce and present such proposed amendments to the Conference, with its recommendation, but they shall not have the power to change the essential meaning of any proposed amendment or amendments. However, where the proposed change is so simple as to be readily understood, the committee shall not be required to reproduce the report. Provided, further, however, that the Committee on Rules shall have the right to propose any alternative change or new rule or rules that the committee deems advisable and which may be given as a part of the committee's report to the Annual Conference. Any agency proposing a substantive revision or amendment to one of the present Conference Rules, shall send a representative to appear before the Committee on Rules for the purpose of clarification and interpretation.
- c. If in the course of Annual Conference session, a motion is made from the floor that would amend the rules of the Annual Conference, a motion to suspend Rule I.2.A. and any other rule interfering with said proposed action must first prevail, and then said amendment shall be referred to the Rules Committee prior to vote by the Annual Conference session. Proposed rule will be brought back before the Annual Conference Session within 24 hours.
- d. All amendments must be adopted by a two-thirds vote of those present and voting.
- e. All amendments shall become effective immediately upon their adoption unless otherwise indicated.
- f. These rules may be suspended by a two-thirds vote of those present and voting.

3. **Supplemental Authority.** The latest edition of Robert's Rules of Order shall govern all questions of Parliamentary Procedure where such questions are not otherwise provided for by these standing rules.

4. **Printing of Rules.** These rules, with any modification as adopted, shall be published in the *Pre-Conference Workbook* and in all Conference publications of minutes and *Journals* so as to enable Conference members to refer readily to them.

II. RULES OF ORDER AND BUSINESS PROCEDURE

1. **Sessions.** The Annual Conference sessions and such special or adjourned sessions as may be required shall be held with the resident bishop presiding as provided in ¶¶603.2,4,5,6 of the *Book of Discipline*.

2. **Roll Call.** The roll call shall be taken, as the conference may direct, upon recommendation by the Secretary of the Annual Conference.

3. **Bar of the Conference.** An area of the assembly room sufficient in size to seat all clergy and lay members shall be designated as the bar of the Conference. Except by special invitation and where accessibility issues exist, visitors to the Conference shall not sit within the bar of the Conference, but shall occupy an area designated for their use. When the bar of the Conference shall have been established, only members within that area shall be entitled to vote when the vote is taken.

4. **Order of Business.** After devotional service the daily business session of the Conference shall be conducted as follows:

- a. Report of Program Committee on daily proceedings, courtesies, and other responsibilities.
- b. Report of other standing administrative and special agencies.
- c. Calendar and agenda.
- d. Miscellaneous business.

5. **Adoption of Conference Session Agenda** ¶) 605 Upon recommendation of the Committee on Annual Conference Program, the Annual Conference shall adopt an agenda and calendar for Conference Sessions.

6. **Expediting Conference Business.** The Committee on Annual Conference Program shall be responsible for interpretation and promotion of the missional and program ministries of the Annual Conference at conference sessions.

The Conference Secretary shall present, at the opening session, a *consent calendar* consisting of printed reports not requiring discussion. Twenty-four hours later, items may be removed from the consent calendar upon motion with an affirmative vote of 50 persons. The items remaining on the *consent calendar* shall then be voted upon in an omnibus motion.

Individuals, local churches, parishes and districts may submit resolutions to be printed in the *Conference Workbook*, or may submit them later under Rule 15 of Section III (Business Procedure).

Resolutions that deal with structure or administration and are proposed by an Annual Conference agency shall be included in that agency's report. Agency resolutions dealing with all other matters and resolutions from all other sources shall be grouped in a section of the *Workbook* headed Resolutions with the submitting group clearly defined, and presented by the Committee on Annual Conference Program.

Proposed agenda, submitted by the Committee on Annual Conference Program, shall include time each full day of the Annual Conference Session for presenting resolutions.

7. **Securing the Floor.** Members desiring to speak to the Conference shall arise at their seat within the bar of the Conference, respectfully address the presiding officer, using the term, Bishop "(last name)", or "Mr./Ms. Chairperson," and, after recognition, proceed to the nearest microphone, where, before speaking, the member shall be identified by name and local church.

8. **Interrupting the Speaker.** No member who has the floor may be interrupted except for a breach of order, or a misrepresentation, or to direct the attention of the Conference to the fact that the time has arrived for an order of the day, or to raise a very urgent question of high privilege.

9. **Debate.** After a question has been stated by the chair, it is before the Conference for consideration and action. All resolutions, reports from agencies, communications to the Conference, all amendments proposed to the Conference, and all other motions, except undebatable motions, may be debated before final action is taken on them, unless by a two-thirds vote the Conference decides to dispose of them.

10. **Length of Speech.** Each speech from the floor must be limited to three minutes unless the speaker's time is extended by the Conference by a majority vote. This three-minute limit may be reduced by a majority vote of the Conference at any time, and for any period of duration.

11. **Speaking More Than Once.** No member of the Conference shall speak a second time on the same question if any member who has not spoken desires the floor, and no more than twice on the same subject under the same motion.

12. **Question of High Privilege.** A member of the Conference claiming the floor at any time for what the member believes to be a very urgent question of high privilege shall be allowed to indicate briefly the nature of the question, and if it is adjudged by the chair to be such, the member may proceed until the chair judges that such privilege has been exhausted.

13. **Voting Procedure.** Voting shall be by a show of hands unless otherwise ordered by the Presiding Bishop or Presiding Officer. A count vote may be ordered on call of any member supported by one-third of the members present and voting, in which case, the members shall rise from their seats and stand until counted. An “aye” or “nay” vote by secret ballot may be ordered on call of any member, supported by one-third of the members present and voting.

14. **Division of Question.** Before a vote is taken, any member shall have the right to call for a division of any question, if it is subject to such division as the members indicate. If no member objects, the division shall be made; but, if there is objection, the chair shall put the question of division to vote, not waiting for a second.

15. **Precedence of Secondary Motions.** If any one or more of the following motions shall be made when one or more other motions are pending, the order of their procedure in relation to another shall be the same as the order on their listing below:

- a. To fix the time to which the Conference shall adjourn. (This motion is subject to amendments, or it may be laid on the table.)
- b. To adjourn.
- c. To take recess.
- d. To order the previous question.
- e. To lay on the table.
- f. To limit or extend the limits of debate.
- g. To postpone to a given time.
- h. To commit or refer.
- i. To amend or substitute (one amendment being allowed to an amendment).
- j. To postpone indefinitely.

16. **Tabling Related Motions.** No motion that adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

17. **Motion to Adopt.** A motion is a proposal that the assembly take certain action or that it express itself as holding certain views. Any member of the Conference may make such a proposal. When the motion is seconded by a member saying, “I second the motion,” which may be done without obtaining the floor and generally without rising, it shall be before the body.

18. **Undebatable Motions.** The following motions shall be acted upon without debate:

- a. To adjourn, when unqualified, except to adjourn the Conference finally.
- b. To suspend the rules.
- c. To lay on the table.
- d. To take from the table.
- e. To call for the previous question, and motions to close, limit, or extend the limits of debate.
- f. To amend an undebatable motion.
- g. To consider an undebatable motion.
- h. To dispense with the reading of the minutes.
- i. To call for the order of the day.

19. **Right of the Main Question.** The main question may be opened to debate under the following motions: to adopt, to commit or refer, to substitute, to postpone, and to reconsider. No new motion, resolution or subject shall be entertained until the one under consideration shall have been disposed of except as provided for under “voting procedure.” This does not apply to undebatable questions.

20. **Reference of a Report.** It shall be in order for the Conference to refer to an agency committee a section or a part of a report or resolution that is before the Conference for consideration, or any amendment offered thereto.

21. **Procedure for Consideration of Substitute Motions.** When a resolution or committee agency report is properly before the Conference for consideration and action, even if amendments thereto are pending, a substitute therefore may be offered by any member moving that the same be substituted for the report or resolution under consideration. The Conference shall then proceed first to perfect the original report or resolution, including consideration and action upon any amendments that may be offered to it. The same perfecting process shall then be followed with respect to the substitute. The question shall then be put first on the motion to substitute, followed by the motion to adopt the report or resolution; provided, however, that the motion for the previous question shall not be in order on the adoption of the report or recommendation or on making the proposed substitution until opportunity has been given for at least two members to speak on each side of the question of substitution or adoption.

22. **The Previous Question.** When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), they shall indicate to what they intend it to apply, if any secondary motion or motions are also pending. If they do not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate, and shall require two-thirds vote of those present and voting for its adoption; and if it is adopted, the vote shall be taken on the motion or motions to which it applies without further debate.

23. **Unlawful Motion After Speech.** It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

24. **Exceptions to Majority Vote.** A majority of those voting shall decide all questions with the following exceptions:

- a. One-third of those present and voting shall suffice to sustain a call for a count vote in case the decision of the chair is doubted. A tie vote sustains the chair.
- b. A two-thirds vote shall be required;
 1. to sustain a motion to suspend or amend the rules;
 2. to sustain a motion for the previous question (see, "Previous Question" above), or any motion whose adoption would limit debate;
 3. to set aside a special order;
 4. to consider a special order before the time set therefore;
 5. to sustain a request of the Committee on Annual Conference Sessions Program Committee for the presentation of any person after the second day of the Conference Session.

25. **Reconsideration.** A motion to reconsider an action of the Conference shall be in order at any time if requested by a member who voted with the prevailing side. The motion to reconsider may not be debated, if the original motion was non debatable.

26. **Questions of Order.** It is the duty of the presiding officer to enforce the rules and orders of the Conference, without debate or delay. It is also the right of every member who notices the breach of a rule, to insist upon its enforcement. In such a case the member rises from his/her seat and says, Bishop (last name), or Mr./Ms. Chairperson, "I rise to a point of order". The speaker immediately takes his/her seat. The chair requests the member to state the point of order, which he/she does and resumes his/her seat. The chair decides the point and, if no appeal is made and the member has not been guilty of any serious breach of decorum, the chair will permit him/her to resume his/her speech. But, if the member's remarks are decided to be improper and any one objects, he/she cannot continue without a vote of the Conference to that effect.

27. **Motion to Adjourn.** The motion to adjourn, when unqualified, shall be taken without debate, and shall always be in order, except:

- a. When a member has the floor.
- b. When a question is actually put, or a vote is being taken, and before it is finally decided.

- c. When the previous question has been ordered and action is pending.
- d. When a motion to adjourn has been lost, and no business or debate has intervened.
- e. When the motion to fix the time to which the Conference shall adjourn is pending. The foregoing does not apply to a motion for final adjournment of the Conference.

**FISCAL POLICIES
FOR 2015
WEST VIRGINIA ANNUAL CONFERENCE**
(All *Discipline* References - 2012)

1. The Council has oversight of the fiscal affairs of the Annual Conference. It is amenable to and acts on policies stated in the Discipline or authority granted by the West Virginia Annual Conference. (Par. 611-619)
2. The goal is for every church of the Conference to achieve a 100% payout of its share in the Annual Conference Budget. To achieve this goal we urge the use of materials available from the General Church and the Annual Conference, along with the services of the Conference Treasurer and the teams from the Council on Finance and Administration, to interpret the Conference Financial Program.
3. The Conference Agencies are required to present to the Council on Finance and Administration a revised budget for 2014, within the line amount approved by the Annual Conference, no later than 30 days following the close of the Annual Conference.
4. The term total appointive cost, as used by the cabinet in fixing appointments includes the following: base compensation, health insurance premiums paid by the local church/charge in excess of any Annual Conference requirement, tax-deferred annuities and Accountable Reimbursement Plan or other non-compensation expenses (Medical Reimbursement Accounts, Cafeteria 125 Plans, etc). Total appointive costs less any Accountable Reimbursement Plans or other non-compensation items will be used to compute medical insurance premiums and payments to the Clergy Retirement Security Program and Comprehensive Protection Plan.
5. When a clergyperson under appointment moves, the total appointive costs, the pension payment and monthly medical insurance premiums for the month in which a move occurs is to be paid by the former charge.
6. All parsonage utilities (gas, electric, water, sewer, fuel oil, coal, wood, basic telephone service) will be in the name of the local church/charge and all local churches/charges shall be responsible for 100% of these utility costs. These expenses are not considered as a part of the total appointive costs.
7. The Fair Share figure shall be distributed to the churches and charges under three categories: (1) Ministerial Support; (2) World Service and Conference Benevolences; (3) Administration and General Funds. The remittance form provided by the Conference Treasurer shall require the Charge Treasurers to designate the category or categories for which payment is made.
8. When a 100% payout in any category of the Conference budget is reached, authority is granted by the Council on Finance and Administration to direct the excess to other categories.
9. Authority is granted to make compensation and related employee expenses payable from the Conference budget as first claim on the Conference budget within anticipated payout of the categories remitted by the churches. The Council accepts pensions as a deferred compensation item.

10. Routine maintenance and improvements of parsonages for District Superintendents shall be the responsibility of the respective districts.
11. The President of the Council, or a member of the Council designated by the Council, is authorized to approve all vouchers drawn on the Annual Conference Administration Fund, the Conference Lay Leader Account, the Conference Operating Fund, and the District Superintendent's Fund.
12. No member or employee of any Conference agency and no employee, trustee, or director of any agency participating in the funds of the Conference budget shall be eligible for voting membership on the Council. (Par. 612.2(b)).
13. The Conference Treasurer shall be the treasurer of the Council. This person is elected by Annual Conference on nomination of its Council on Finance and Administration for the quadrennium. The Council shall have authority and supervision over the treasurer (Par. 619). The treasurer shall be bonded (Par. 618.1). The Council on Finance and Administration provides the bonding.
14. The chairperson or other duly authorized representative of each Conference agency shall have an opportunity to represent the claims of said agency to the Council on Finance and Administration (Par. 614).
15. The Council shall recommend to the Annual Conference for its action and determination, budgets of anticipated income and proposed expenditures, for all funds to be apportioned to the churches (Par. 614).
16. Wherever possible, the Conference Treasurer may serve as treasurer of all agencies (Par. 613.11 & 619.5b). All persons who hold or receive Conference funds shall be bonded in the amount as determined by a surety company approved by the Council. The Treasurer shall be custodian of all surety bonds (Par. 618).
17. The compensation, housing, and office expense of the District Superintendents shall be determined by the Conference upon recommendation of the Council on Finance and Administration. Provisions shall be made for the insurance and major maintenance emergencies of district parsonages (Par. 614.1).
18. No Conference agency or local church shall make a special Conference-wide appeal to local churches or members of the same without the approval of the Annual Conference except in areas of extreme emergency. Then such approval may be given by two-thirds vote of the Bishop, the District Superintendents and the Council on Finance and Administration, acting jointly (Par. 614.5(a)).
19. All applications for the privilege of Conference-wide appeals for finance shall be referred to the Council for investigation and determination of needs as well as effect on the regular budgets of the Conference. The Council shall make recommendations to the Conference for its action and determination (Par. 614.5(b)).
20. No board of trustees, officer or official of any agency or institution of the Annual Conference shall encumber the real or personal property which it owns or holds in trust or in any manner involve the Annual Conference in any obligation or indebtedness without the prior approval of the Annual Conference or between sessions of the Annual Conference with the prior approval of the Council on Finance and Administration of the Annual Conference and the presiding bishop and a majority of the District Superintendents of the Annual Conference and compliance with the provision of Paragraph 2517 of the Discipline. [The provisions of this

paragraph are not applicable to West Virginia Wesleyan College, as the Conference is not responsible for the College's obligations or indebtedness].

21. Except as otherwise provided by the Discipline, any agency presenting a report to the Annual Conference requiring financial asking shall have the financial asking referred to the Council for their recommendation, before final consideration of the report by the Annual Conference.
22. Any agency presenting a budget that differs from that printed in the Conference Workbook shall place an amended budget in the hands of the president, treasurer, and secretary of the Council at the time the report is considered by the Annual Conference.
23. Operating budgets under Conference benevolences are set each year; therefore, any unspent balance remaining at the close of the Conference year will be applied as follows: First, to deficits incurred in the Covenant Council's budget; second, the Covenant Council and Council on Finance and Administration will negotiate a fair share of any deficit in the Conference Operating Fund with the remaining monies to be expended for the World Service apportionment.
24. The Fair Share portion of the total missional budget approved by the Annual Conference shall be calculated by the Conference Treasurer and sent to the District Superintendents within sixty (60) days following adjournment. The Annual Conference on recommendation of the Council shall determine the basis of the calculation.
25. The District Superintendent shall present the amounts apportioned to the local churches within ninety (90) days following adjournment of the Annual Conference. After consultation with the pastors of charges involved, adjustments shall be reported to the Conference Treasurer by December 15 of each year. **Items apportioned to the churches and charges are not subject to acceptance of a lesser amount by the Charge Conference.**
26. To maintain a sound financial policy, the Council may set an expenditure limitation on items other than compensation – if, in its judgment, the anticipated rate of receiving income warrants such action.
27. The Council shall have the books of the Treasurer audited by a Certified Public Accountant. Any member of the Annual Conference may inspect copies of the annual audit, kept in the Treasurer's office. As part of the audit, the accountant shall confer with the presiding bishop of the Annual Conference and the president of the Council (Par. 617.1).
28. Any agency receiving funds from the Conference which has a treasurer other than the Conference Treasurer, shall file with the Conference Treasurer within 180 days after the close of the Conference Fiscal Year an external audit by a Certified Public Accountant with standards set by the General Council on Finance and Administration (GCFA). The cost of the audit or report shall be paid by the agency for which it is made. (Par. 617.2) **The Conference Treasurer shall not distribute funds to agencies failing to comply.**
29. The Treasurer of the Conference may invest, in accordance with the Council's Investment Policy, and under the direction of the Council, any available balances, the income to accrue to the Conference Operating Funds, unless otherwise designated by the Council (Par. 613.5 and 619.2d).

30. The Council shall designate a depository or depositories for all Conference funds (Par. 616).
31. The Conference Treasurer shall make a full report each month to the president and members of the Council, the Bishop and the members of the Cabinet, of all funds received, disbursed, and balances under the Treasurer's direction. An annual report shall be printed in the *Conference Journal* (Par. 619.c1).
32. Every clergy member of an annual conference appointed to extension ministry shall furnish annually to the conference secretary at such time as the secretary shall direct a statement of his or her total compensation (including base compensation, travel, automobile, housing, and other expenses allowed and paid) for the year then ending, and said compensation of all appointed to extension ministry shall be published in the journal of the annual conference. When this information is not furnished, the appointment of the clergyperson shall be subject to review by resident bishop and the cabinet. (Paragraph 628)
33. The Annual Conference shall maintain a **Conference Operating Fund** of 5% of the Annual Conference budget.
34. The Annual Conference shall maintain a **Conference Property Maintenance and Improvement Fund** with the goal being to achieve a balance of 5% of the Annual Conference Budget. Seventy five percent of the interest income from this account shall be divided equally among the districts for use by the District Trustees for the maintenance and improvements of the parsonage located there. This amount which shall be allowed to accumulate from year to year will be placed in a holding account for each district and will be available upon application by District Trustees. The remaining interest income only shall become available for use in Conference owned properties, primarily District Parsonage emergencies. An emergency is an unanticipated expense that would cause the occupant difficulty in inhabiting that house.
35. The Annual Conference shall maintain a **Conference Reserve Fund** with the goal being to achieve a balance of 5% of the Annual Conference budget.
36. Once approved by the Annual Conference, all agency budgets, including the line items within them, are fixed for the ensuing year. Each agency is expected to administer its budget according to the income that becomes available. Any deficits at the end of the fiscal year shall be charged against the next budget for that agency. Exceptions to this policy may be granted by the Council, after consultation with the Covenant Council.
37. Each line item within a budget is to be executed and reported accurately as to its actual cost. When income for an agency is less than needed, the agency is responsible for identifying the priorities among the line items that are to receive support. Divisions or sections of an agency must adhere to decisions of the total agency of which it is a unit.
38. No agency or unit thereof is entitled to authorize expenditures of funds for purposes not previously approved by the Annual Conference unless expressly approved by the Council between sessions of the Annual Conference. Any funds so spent will be recovered from the next year's budget of that agency.

39. All agencies shall reimburse their members for expenses incurred in attending meetings when they submit itemized vouchers. This is interpreted to include only travel at the Conference rate (or if commercial transportation, the actual cost at coach rate), highway tolls, parking, meals and lodging. Receipts are required for all expenses. There shall be no exception unless prior approval of the expenditure is given through proper channels by the Council. Members of agencies traveling from outside the Conference boundaries to a meeting site within the Annual Conference shall be reimbursed only for that portion of vouchered expenses occurring within the boundaries of the Annual Conference to and from the site of the meeting. If this vouchered expense is for air transportation, the expense will be pro-rated by actual air mileage from the Conference boundaries to and from the site of the meeting.
40. When on-site care is not feasible and spouse care is not available, financial remuneration shall be made by the Conference agencies to its members for dependent care (child or elderly) as legitimate meeting expense so long as the total for all conference boards and agencies does not exceed \$500. The amount to be paid shall be up to \$10.00 per day for one dependent and a maximum of \$15.00 per day for two or more dependents.
41. Loans made by this Annual Conference to its agencies shall be repaid in a reasonable and businesslike manner, with interest.
42. Expenses of the Annual Conference Session shall be a line item of the Conference budget and offerings received during each Annual Conference session shall be designated for Annual Conference and General Church causes to be determined annually by the Annual Conference on recommendation of the Covenant Council.
43. The Council on Finance and Administration will not consider program related financial requests without the prior consideration of the Conference Covenant Council.
44. A bond of at least \$25,000 shall be provided by the local church/charge for Treasurers and other persons who handle funds within the local church. This bond shall be forfeited if a clear separation of duties is not followed by people responsible for receipts and expenses (Paragraph 2511).
45. The term "AGENCY," as used in recommendations and fiscal policies, shall be interpreted in its broadest sense to include all line items in the conference budget.
46. When two churches are merged with an effective date immediately following Annual Conference, the current Fair Share for the new charge shall be determined by adding 50% of the Fair Share of the smaller Fair Share church to the larger Fair Share church. The merged congregation will use the church number of the larger Fair Share church. All current year remittances received before the merger from the smaller Fair Share church will be transferred in the remittance system to the larger Fair Share church. For future Fair Share calculations, the financial statistical data for the smaller Fair Share church will not be added to the statistics of the larger Fair Share church. Only the membership figure will be transferred (smaller Fair Share church membership to be added to the larger membership). The percentage of payout on Line 73 for the merged church will be the higher percentage figure of either church.

47. Ten percent of the net proceeds from the sale of abandoned church property shall be allocated for the purpose of creating an endowment fund for capital improvements, repair and restoration of ethnic minority local churches. These funds shall be invested through United Methodist Foundation of WV, Inc., and that the income shall be administered by the Ministry Team on Religion and Race.
48. Failure to submit Statistical Reports in accordance with the *Book of Discipline* requirements will result in ten percent (10%) being added to the previous years adjusted expenses to determine the current year expenses for Fair Share calculation purposes.

INVESTMENT POLICY:

I. INTRODUCTION

The Investment Committee of the Council on Finance and Administration has approved this policy in accordance with paragraph 612.5 of the *Book of Discipline* of The United Methodist Church. This policy is for guidance and use of the Investment Committee, the Council on Finance and Administration, depositories of funds of the Annual Conference and others in the execution of their duties related to the management of the investment portfolio of the Annual Conference.

II. OBJECTIVES

The Conference has four objectives for its investment portfolio which shall be considered when determining the appropriateness of investments for the portfolio. They are:

- A. Preserve the capital assets of the Conference;
- B. Maintain an appropriate level of liquidity within the portfolio;
- C. Maximize the return on the invested funds of the Conference, and
- D. Be consistent with the Social Principles of The United Methodist Church.

III. INVESTMENT CRITERIA

A. Permissible Investments - The Conference will limit its investments to the classes of securities listed in this paragraph. Other types of securities may be purchased when it is in the best interest of the Conference to do so, if approved as outlined in the exceptions of his policy. Permissible investments are as follows:

1. Direct obligations of the U.S. Treasury;
2. Federal Agency securities;
3. Certificates of deposit, deposit notes, and time deposits, to the extent they are fully insured by the FDIC;
4. Commercial Paper;
5. Corporate Bonds;
6. Constant Dollar Money Market Funds;
7. Mutual funds and common trust funds which are principally composed of any assets in this section.

- B. Credit Criteria and Quality Ratings - Credit criteria for U.S. Treasury, Federal agency securities and insured deposits are not needed because credit quality is inherent in the instruments. All other investments should meet the following credit criteria:
1. Corporate bonds must be rated and maintain any "A" rating by either Moody's or Standard and Poors';
 2. Commercial paper must be rated "A-2" or "P-2" or better;
 3. Money Market Funds used must be principally composed of assets meeting the credit criteria of this section.
- C. Maturity - After all other criteria contained in this statement have been met, U.S. Treasury obligations, those of federal agencies, and those of corporations should have a maturity of three years or less when purchased directly by the Conference Treasurer or a maturity of twenty years or less when purchased as part of mutual funds and common trust funds. All other investments should be money market instruments with maturities of one year or less. At least one third of the total investment shall have maturities of 91 days or less. Exceptions to this policy can be granted when warranted in accordance with section V of this policy.
- D. Diversification
1. At least one third of the total funds invested must be in money market funds or bank accounts available within 24 hours;
 2. Obligations of the U.S. Treasury and agencies of the U.S. Government may be purchased without limitation as to size, as long as the limitation in III, D 1, above, is met;
 3. Deposits in banks shall be limited to the amount the institutions depositors are insured by the FDIC;
 4. No single investment in commercial paper or corporate bonds shall exceed 10% of the total funds invested at the time of purchase.
- E. Trading and Speculation - It is the policy of the Conference that the investments of the Conference will not be involved in trading. Trading is characterized by a high volume of purchase and sale activity, when considered in light of a short holding period for securities, clearly demonstrates an intention to profit from short-term price movements. Those involved with investments are prohibited from using the account to speculate in securities. This includes prohibitions on settlement of purchases other than regular way and zero - coupon or stripped products.
- F. Social Responsibility - It shall be policy of the Conference that a conscious effort shall be made to invest in institutions, companies, corporations or funds which make a positive contribution toward the realization of goals

outlined in the Social Principles; and to endeavor to avoid investments that appear likely, directly or indirectly, to support racial discrimination or the production of nuclear armaments, alcoholic beverages or tobacco, or companies dealing in pornography. Any depository considered for selection by the Conference shall affirm that it is an Equal Opportunity Employer and an Equal Housing Lender, and shall make available to the Investment Committee of the Council on Finance and Administration a copy of its Affirmative Action Policy. Any minority-owned or controlled financial institution in West Virginia which meets the requirements of the Fiscal Policies and Investment Policy shall be given special consideration as a minority vender under the Conference Affirmative Action Policy.

- G. Authorities and Limitations - The Depository and/or investment Manager shall report investment activities to the Conference Treasurer monthly, including a report on all securities bought and sold during the month. The Treasurer shall inform the Investment Manager of any unusual cash flows anticipated. The Treasurer shall review the investment account with the Investment Committee not less than quarterly. The Investment Committee shall report to the Council on Finance and Administration at each of its meetings.

IV. POLICY REVIEW

This policy statement has been approved by the Council on Finance and Administration through its Investment Committee. The Council shall approve significant changes to the policy before said changes are implemented. This policy shall be printed in the *Conference Journal* at least once in each quadrennium.

V. EXCEPTIONS TO POLICY

Any statement of investment policy restrictive enough to be meaningful will also suffer from a lack of flexibility. At times, this lack of flexibility could cause the Conference to miss an excellent investment opportunity. Therefore, the following procedure is established for approving exceptions to the investment policy:

- A. Exceptions will be made on the recommendation of the Investment Manager and with the approval of the Conference Treasurer. Verbal approval of the Treasurer is all that is required. The Investment Manager must then write a memorandum for the record documenting why he recommended the exception and documenting the approval received. This memo will be submitted to each member of the Investment Committee by mail as soon as possible, and shall be entered into the minutes of the next Investment Committee meeting;
- B. If the Treasurer is not available, the approval will be delegated to the Chairperson of the Investment Committee, the Comptroller of the Conference, or to any member of the Investment Committee, in that order.

Following is the summary of the Comprehensive Benefit Funding Plan (CBFP) that received a favorable written opinion from GBOPHB for the 2015 conference benefit obligations.

Clergy Retirement Security Program (CRSP) Defined Benefit (DB) and Defined Benefit Contribution (DC)

Plan Overview: The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The plan is designed to provide participants with one portion of their overall retirement portfolio. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which replaced the Pre-82 for service rendered prior to January 1, 1982.

CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to the Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by annual conferences. The Clergy Retirement Security Program (CRSP-DB) annuities total liability as of January 1, 2013 is \$923.7 million, while total plan assets are \$978.5 million resulting in a current plan funded ratio of 106%. The West Virginia Conference portion of the liability is 1.84% and the 2015 contribution is \$1,917,243. The conference anticipates that the amount will be funded by direct billing. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The West Virginia Annual Conference has elected to cover clergy serving 50%+ under CRSP effective January 1, 2015.

Effective January 1, 2014 CRSP-DC plan was reduced from a 3% to a 2% of plan compensation non-matching contribution. Clergy will have the opportunity to earn up to an additional 1% CRSPDC contribution by contributing at least 1% of their plan compensation to UMPIP, therefore if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3%, which is unchanged from 2013 and prior. The 2013 CRSP-DC contribution was \$495,600 and was funded by having all CRSP-DC amounts billed to the local churches and any year end shortfall is collected from the respective District Offices. It is anticipated that increases for future years will average 2.50%, due to

the percentage increase that CFA has authorized for staff. Clergy salaries are set at charge conference.

Ministerial Pension Plan (MPP)

Plan Overview: The Ministerial Pension Plan (MPP) provides clergy with a pension for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. Effective January 1, 2014, exactly 65% of the account balance must be annuitized when it is to be distributed. The remainder may be rolled over to UMPIP, another qualified plan or IRA, or paid in a lump sum.

The Ministerial Pension Plan (MPP) annuities total liability as of January 1, 2013 is \$2.7 billion, while total plan assets are \$3.0 billion resulting in a current plan funded ratio of 109% and no required contribution for 2015. The West Virginia Conference's portion of the total liability is 1.91%. Future MPP annuitants have a total account balance of \$4.4 billion and the West Virginia Conference's portion of that balance is \$76.98 million or 1.76% of the total.

Pre-1982 Plan

Plan Overview: Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. When participants enter a Retired relationship with the Conference, and does not terminate, the minimum benefit payable to them is based on two factors: 1) years of Service with pension credit and 2) Conference pension rate. Years of Service with pension credit are approved by each Conference on the recommendation of the Conference Board of Pensions in accordance with plan provisions and *The Book of Discipline*. The pension rate, also called the past service rate (PSR), is the dollar amount chosen by the Conference as the amount payable for each approved year of Service with pension credit. Typically, the pension rate changes from year to year. The number of years of Service with pension credit is multiplied by the PSR, and the product is the minimum annual benefit payable to those eligible for Pre-82 Plan benefits. In certain situations the benefit received from the Pre-82 plan, may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-1982 Plan. At the time that a participant retires, the DBSM account is converted to a life based benefit. At that point the participants benefit is the greater of the PSR benefit or DBSM benefit. As the conference increases the PSR, the participants benefit is recalculated; however the DBSM based benefit does not change.

The 2015 Past Service Rate (PSR) recommended to the West Virginia Annual Conference will be \$542.00 representing a 1.88% increase from the 2014 rate. The conference expects future increases to be approximately 2.00%, which is based on trying to maintain increases that fall in line with anticipated rise with the cost of living increases. This is in line with previous increases and will be maintained as long as we can fund them.

The contingent annuitant percentage is recommended to remain at the 70% level. Based on the final actuarial valuations from the General Board of Pensions and Health Benefits as of January 1, 2013 for 2015, the portion of the Pre-82 liability attributable to the West Virginia Conference and funded status is, as of 1/1/2013, as follows:

Funding Plan Liability	\$41,532,605	
Assets in the Plan	\$45,977,829	
Funded status	\$4,445,224	represented by a 111% funded ratio

The funded ratio is recalculated each year based on economic and demographic changes. This change creates the possibility that Pre-82 contributions may be required at a future date (even after 2021).

Defined benefit plan liabilities (Pre-82, MPP and CRSP-DB) continue until the last benefit is paid to participants and their surviving spouses irrespective of the funding level of the plan. That is, even if the assets in the plan are larger than the liabilities in the plan, the conference still has a liability (obligation) with the plan.

Active Health Benefit Program

Plan Overview: The West Virginia Conference offers a Self-Insured program to the active participants.

During the 2013 year, the total cost of the program was \$7,253,726 and is currently funded by a blend of apportionments and premiums for participants direct billed to the local church. This blend in 2012 resulted over \$3,000,000 in apportionment revenue and over \$4,000,000 in premium revenue. As mentioned above, this resulted in over \$450,000 being tranferred to a conference held reserve for health care. The Conference Board of Pensions reviews annually the expected expenses and sources of revenue to adequately fund costs. The projected average will increase for future years. It is difficult to raise premiums when you are making a contribution to the reserve of over \$450,000. The conference currently has over \$2,000,000 in a reserve for health care held at the conference level.

Post-Retirement Medical Benefit Program (PRM)

Plan Overview: The West Virginia Conference post-retiree medical plan currently offered is a Self-Funded plan. We offer a Medicare Supplement Plan that offers dental coverage, post Medicare coverage (coordinated with Medicare), and 50% of the costs associated with the prescription “donut” hole.)

The current annual cost is anticipated to be \$750,000 with the funding sources to be contributions from retirees as well as annual conference support through apportionments. On a longer term basis the West Virginia Conference intends the Conference Board of Pensions to annually evaluate the amount needed to fund retiree health obligations through our Medicare Supplement plan. Apportionments and premiums currently fund those obligations.
Comment: The only terminal liability that our plan has is the amount of claims incurred to date that have yet to be paid. There are no long term guaranteed benefits to any retiree or active participant. We could choose to terminate our health plan tomorrow and the the only liability we would have is claims incurred through today. However, I have notified our TPA and they are in contact with an actuary to provide an evaluation for next year if needed.

Comprehensive Protection Plan (CPP)

Plan Overview: The Comprehensive Protection Plan (CPP) provides death, long-term disability, and other welfare benefits for eligible clergy of The United Methodist Church and their families and is an Internal Revenue Code 414(e) “church plan” funded

by plan sponsor insurance premiums. Generally, you are eligible to participate in CPP if your conference or salary-paying unit sponsors the plan and you satisfy the eligibility requirements which include full-time episcopal appointment and plan compensation equal to or greater than 60% of the Denominational Average Compensation or the Conference Average Compensation whichever is less.

Currently (for 2013) the West Virginia Conference has a required contribution to the Comprehensive Protection Plan of \$463,485, which is anticipated to be funded by a direct bill to all the churches and any shortfall paid by the districts at year end. See above for further explanation. The anticipated average increase in future years is expected to be 2.50% per year due to the recommended percentage increase in compensation for staff salaries. Obviously, the conference does not have the ability to determine clergy salaries in local churches and has adopted a direct bill method so churches can see what effect on their costs any increase in compensation will be.

United Methodist Personal Investment Plan (UMPIP) for Lay and Clergy

Plan Overview: The United Methodist Personal Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) defined contribution retirement savings plan for clergy and lay employees of The United Methodist Church and affiliated organizations. Participants may make before-tax and/or after-tax contributions through payroll deductions. Participant contributions, contributions your plan sponsor may make on the participants behalf and investment earnings comprise the individual's retirement account balance.

Conference office lay employees working an average of 20 hours per week or more are eligible after no waiting period for an employer pension contribution of 9% of salary. Lay employees are encouraged to contribute personal funds toward their retirement through payroll deductions to the UMPIP. The estimated contribution for the West Virginia Conference is anticipated to be \$69,420 and funded through direct billing.

Conclusion:

The 2015 Comprehensive Benefit Funding Plan and the above outlined Summary document incorporates to the best of our understanding, the West Virginia Conference's obligations and funding requirements of the benefits provided to the Clergy and Laity of the West Virginia Conference.

2013 Apportionment Review

- As of 12/31/2013, the conference had 1,106 apportioned churches.
- We received \$10,246,681.28; up \$256,843.27 from 2012. The percentage of apportionment payout was 84.86%; down 0.79% from 2012. The dollar amount of the shortfall was \$1,828,743.72, which is up \$154,649.73 from the 2012 shortfall.
- Five districts out of the nine achieved a percentage payout greater than 90%. They were: Wesleyan 92.95%, Potomac Highlands 91.87%, Northern 91.40%, Mon Valley 90.77%, and Midland South 90.47%.
- Four of the nine districts achieved a percentage increase over 2012. Northern District was the highest @ 2.05% increase.
- Twelve of our churches paid in excess of \$100,000 in apportionments: Christ Church (Charleston) \$157,131.50; Bridgeport \$152,500.00; Forrest Burdette \$115,528.12; Suncrest \$145,830.70; Lewisburg \$138,927.00; First (Clarksburg) \$113,338.09; St. Marks (Charleston) \$110,763.00; Stout Memorial \$109,682.04; First (Elkins) \$107,668.00; Johnson Memorial (Huntington) \$105,538.00; Temple (Beckley) \$102,057.39; and Oak Hill \$100,898.00.
- Forty three (43) churches paid zero. \$137,359 of apportionments went unfunded.
- 198 churches were apportioned \$15,000 or more. This group paid 85.06%. By using the \$15,000 threshold, it effectively doubles the Top 100 group that is normally monitored. 17.99% of the number of churches (this group) paid 65.52% of total apportioned dollars.
- Top 100 apportioned churches: In the top 40 apportioned churches, \$276,954.49 was “left on the table” by 13 churches. Had these 13 churches paid 100%, the conference would have received \$10,523,638.77. This would have meant that the conference payout percentage would have been 87.15%.
- **791 churches paid 100% or more. This represents 71.52% of the total number of churches. This means that 67.35% of the Conference Budget was funded by churches paying 100% or more.**
- In comparing 2013 to 2012, seven months were better in 2013.

INDEPENDENT AUDITORS' REPORT

Council on Finance and Administration
West Virginia Annual Conference of The United
Methodist Church
Charleston, West Virginia

We have audited the accompanying financial statements of the West Virginia Annual Conference of The United Methodist Church – Treasurer's Fund, which comprise the statement of assets, liabilities, and fund balances - modified cash basis as of December 31, 2013 and 2012 and the related statement of fund transactions and fund balances - modified cash basis for the year ended December 31, 2013.

Treasurer's Responsibility for the Financial Statements

The Treasurer is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and fund balances - modified cash basis of West Virginia Annual Conference of The United Methodist Church - Treasurer's Fund as of December 31, 2013 and 2012 and the changes in its fund balances for the year ended December 31, 2013 in conformity with the basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

**WEST VIRGINIA ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH
TREASURER'S FUND
NOTES TO FINANCIAL STATEMENTS**

NOTE 1. SIGNIFICANT ACCOUNTING POLICIES

The Treasurer of the West Virginia Annual Conference, by direction from the Council on Finance and Administration, is charged with receiving church remittances, special offerings, and miscellaneous other receipts. The Treasurer subsequently disburses these funds in accordance with the Conference approved budget for the year, donor instructions, or specific direction of the West Virginia Annual Conference Council on Finance and Administration. The Treasurer generally recognizes revenue from church remittances and Conference expenses when received or paid. However, because the local church is not always able to remit funds received late in the year prior to January 1, those funds received for the prior year are recognized as accounts receivable and recognized as revenue in the year raised by the local church. Conversely, those obligations that arise as a result of the receipts (i.e. pass-through funds) are recorded as accounts payable and recognized as disbursements for the year. All property and equipment acquired by the West Virginia Annual Conference is either expensed when purchased or not recognized when received by gift or by abandonment by a local church.

The Conference Treasurer uses the modified cash basis of accounting. The modified cash basis of accounting differs from generally accepted accounting principles primarily because of property and equipment, and receivables or liabilities pertaining to the self-funded health care plan and the pension plan are not included in the financial statements; loans and those accounts receivable and accounts payable, only to the extent described in the first paragraph, are included.

One of the primary reasons the Treasurer believes generally accepted accounting principles are not appropriate is because of the issuance, by the Financial Accounting Standards Board of the American Institute of Certified Public Accountants, of a rule requiring the Conference to accrue all liability for the future health claims of all retired pastors and their families in the financial statements and liability for all retirement plans obligations. After consideration of all costs involved in acquiring, accumulating, and maintaining the information necessary for such an accrual, and considering that the Treasurer has never capitalized and depreciated property and equipment as required by generally accepted accounting principles, the Treasurer has determined the benefits to the Conference and other financial statement users are not substantial enough to warrant compliance with these rules.

Fund Accounting: To ensure observance of limitations and restrictions placed on the use of resources available to the Conference, the accounts of the Conference are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes. Separate accounts are maintained for each fund.

Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires management to estimate certain amounts reported in these footnotes. Actual amounts could differ from those estimates.

Cash: The Conference considers cash and deposits that are available on demand to be cash.

NOTE 1. SIGNIFICANT ACCOUNTING POLICIES - continued

Income Taxes: The Conference, a religious organization operating under Section 501(c)(3) of the Internal Revenue Code, is generally exempt from federal, state, and local income taxes and, accordingly, no provision for income taxes is included in the financial statements. As churches are not required to file tax returns, they are not typically subject to audit.

NOTE 2. CASH and INVESTMENTS CONCENTRATIONS

Substantially all of the Treasurer's cash is deposited with a single bank. As of December 31, 2013 and 2012, \$1,515,488 and \$1,831,949 in deposits were not covered by FDIC insurance. All Conference investments reported on the financial statements have been deposited in the United Methodist Foundation of Charleston WV except for three investments in United Methodist General Board of Pensions mutual funds.

NOTE 3. UNREALIZED GAIN OR LOSS ON INVESTMENTS

Investments are recorded in the Assets, Liabilities and Fund Balances – Modified Cash Basis at cost. As of December 31, 2013, the investment's market value was above cost by \$539,603 and as of December 31, 2012 the investment's market value was below cost by \$306,721. No unrealized gains or losses have been recognized in the accompanying statement of fund transactions and fund balances - modified cash basis. Investments made within the above agencies are not federally insured.

NOTE 4. PENSION PLAN

LAY EMPLOYEES:

The West Virginia Conference of The United Methodist Church participates in a defined contribution pension plan administered by GBOPHP covering all lay employees who normally work 20 hours or more per week (1,000 per year) and at least six months during the plan year. Under the provisions of the Plan, the Conference must contribute an amount equal to 9% of each eligible employee's gross wages. Contribution expense for the year ended December 31, 2013 was \$73,488 and contribution expense for the year ended December 31, 2012 was \$67,727.

CLERGY EMPLOYEES:

Pre 82 Plan

The West Virginia Annual Conference of The United Methodist Church participates in a defined benefit, multi-employer pension plan that covers Conference members and local pastors under Episcopal appointment. Benefits of this plan, which are administered by the General Board of Pensions of The United Methodist Church, are determined by two primary factors: when service to the Conference was rendered and for how long services were rendered and the Past Service Rate for the plan. Also included in this calculation are Defined Benefit Service Money (DBSM) that may have been contributed by the West Virginia Annual Conference of the United Methodist Church for its participants. Benefits for services rendered prior to 1982 are determined by multiplying the number of years of credited service by a Past Service Rate that is annually re-determined by the

NOTE 4. PENSION PLAN - continued

West Virginia Annual Conference of The United Methodist Church. Each time the Past Service Rate is increased, the unfunded past service liability also increases. Based on action of the General Conference, and due to changes approved for the overall structure of the retirement program; effective January 1, 2007 the increase in the Past Service Rate was changed to 2% per year. Currently, any increases in the Past Service Rate must be funded immediately. Consequently the Past Service Rate of 2013 of \$521 was increased to \$532 for 2014. The unfunded past service liability or over-funded status of the plan is based on assumptions about future events that may or may not occur as predicted.

As of 1/1/2013 the plan asset value is \$46,067,281 and the plan liability value is \$40,605,440. The 2013 and 2012 contributions were \$1,000,000 per year in which the required contribution was \$-0-. Required contributions are \$-0- for 2014 and 2015 respectively. The legal status of this plan is such that all assets held by the General Board of Pension and Health Benefits for Supplement One to the Ministerial Pension Plan are available to pay all benefits of the plan, regardless of the annual conference from which contributions came or under which benefits were accrued.

Ministerial Pension Plan (MPP)

From January 1, 1982 through December 31, 2006, eligible clergy in the United Methodist Church of West Virginia were enrolled in the Ministerial Pension Plan. This plan was a defined contribution plan where the salary-paying unit (usually the church) paid twelve (12) percent of the clergyperson's eligible compensation into an investment vehicle that was invested by the General Board of Pensions. Upon retirement, at least 65% of this money must be converted to an annuity. The balance can be rolled over or moved to other investment accounts of the clergy's choosing. Effective 1/1/2014, a retiree must annuitize 65%, no more, no less. The West Virginia Annual Conference of the United Methodist Church remains liable for fully funding the annuities. The 2012 and 2013 contributions were \$-0- and \$-0- respectively. The required contribution for 2014 and 2015 is \$-0-.

Clergy Retirement Security Program Plan (CRSP)

Effective January 1, 2007 the Denomination has established a new pension plan for eligible United Methodist Clergy (CRSP – Clergy Retirement Security Program). This plan will have a defined benefit component and a defined contribution component. The CRSP defined benefit component is calculated by multiplying 1.25% (1% after 1/1/2014) times the Denominational Average Compensation (DAC) in effect at the time of retirement times the years of credited service after January 1, 2007. The DAC for 2013 was \$63,867 and \$62,781 in 2012. The conference currently bills the church 17% of the pastor's salary though out the year to be able to fund this plan by year end. The CRSP defined contribution component is a monthly contribution equal to 3% of the eligible clergyperson's includable compensation. Beginning 1/1/2014, eligible clergy will only receive 2% of the eligible clergyperson's includable compensation and a 1% matching contribution. Any investment earnings or losses on the participants share is credited to or deducted from the participants account balance. The West Virginia Annual Conference of the United Methodist Church makes contributions to a savings account with the General Board of Pension

and Health Benefits of The United Methodist Church for the defined benefit component of the CRSP. The West Virginia Annual Conference of The United Methodist Church transferred \$2,475,476 and \$2,501,809 to the CRSP – Defined Benefit Pension Plan for the year ending December 31, 2013 and 2012 respectively. As of the most recent data available from actuarial reports, the required contributions are \$1,861,663 and \$1,917,243 for 2014 and 2015 respectively.

NOTE 5. SELF-FUNDED HEALTH CARE PLAN

Effective April 1, 1989, the Conference established The United Methodist Church Family Health Care Plan ('Plan') for the purpose of providing health care benefits to participants on a self-funded basis. Funding for the Plan is provided by contributions from the Annual Conference, the local church, and participants. The West Virginia Annual Conference of the United Methodist Church determines participant contribution amounts.

Generally, active full-time employees of the West Virginia Annual Conference, member churches, agencies and institutions of the United Methodist Church, and their dependents, are eligible to participate in the Plan. Additionally, retirees, their dependents and surviving spouses can be eligible for participation.

Benefits are provided as specified by the Plan. Eligible covered expenses include charges for hospitalization, outpatient services, prescription drugs, physician's services, surgery, diagnostic and dental services, among others. Participants should refer to the Plan document for specific information including limitations and exclusions.

The Plan maintains an individual stop-loss insurance policy by which benefit payments in excess of \$150,000 per individual a year are considered reinsurance, with the exception of specified individuals where the reinsurance will not count until the annual expenditure exceeds as much as \$250,000 for specific events. The insurance policy will pay for all reinsurance amounts above a minimum group deductible of \$75,000.

NOTE 6. HEALTH CARE CLAIMS LIABILITY

The unpaid health claims as of December 31, 2013 are estimated to be approximately \$853,326 and for December 31, 2012, the unpaid health claims were estimated at \$895,401. These amounts must be estimated because certain claims incurred in year 2013 have still not been submitted to the plan for payment, and certain claims are still in the process of eligibility determination as of the date these financial statements were published. As explained in Note 1 above, this liability for unpaid health care claims is not reflected in the accompanying financial statements.

NOTE 7. SUBSEQUENT EVENTS

Management evaluated subsequent events through April 2, 2014 the date the financial statements were available to be issued.
