Photo Scavenger Hunt

Another team-building activity Encounter Groups did at Rally on the Mountain (ROM) 2018 was a photo scavenger hunt. Groups were given an hour to take as many pictures as possible from the list they were given. Some boundaries were set around Winterplace and there was a bonus picture if groups could find Waldo take a group picture with him. Included below are some of the pictures groups had to take as well as a copy of the instructions from ROM 2018 for some picture ideas!
Welcome to your second Encounter Group of Rally on the Mountain 2018! As another way to get to know one another, you’re going to do a photo scavenger! Here are the rules:

- You have 1 hour to complete this challenge
- Take as many photos on the list as possible within the time limit
- Stay with your group at all times (no wandering off!)
- All pictures (except the very last one) require the whole group
- Each picture you take will earn you 5 points
- Ask for what you need
- Have fun!

Here is the list of pictures for you to capture:

- Spell out ROM as a group
- Make a human pyramid
- A picture of your group’s reflection
- Group jumping in the air (everyone’s feet need to be off the ground)
- Sitting in a line on a snow tubing lane
- Group picture with a stranger
- Everyone around the fireplace
- Re-enacting a scene from a movie
- Abbey Road style Beatles crossing shot
- A team member with a non-team member lookalike*

**Bonus:** We have our very own Waldo! If you can find him and get your entire group to take a picture with him, you will receive 15 bonus points. Be careful, he’s sneaky and may run from you if you find him!
