2. **Suspending or Amending Rules.**

- a. Any person or persons desiring to present an amendment or amendments to the Conference Rules must present the proposed amendment or amendments in writing to the Conference Rules Committee by February 1st of each year.
- b. The Conference Rules Committee shall assemble, edit and reproduce and present such proposed amendments to the Conference, with its recommendation, but they shall not have the power to change the essential meaning of any proposed amendment or amendments. However, where the proposed change is so simple as to be readily understood, the committee shall not be required to reproduce the report. Provided, further, however, that the Committee on Rules shall have the right to propose any alternative change or new rule or rules that the committee deems advisable and which may be given as a part of the committee's report to the Annual Conference. Any agency proposing a substantive revision or amendment to one of the present Conference Rules, shall send a representative to appear before the Committee on Rules for the purpose of clarification and interpretation.
- c. If in the course of Annual Conference session, a motion is made from the floor that would amend the rules of the Annual Conference, a motion to suspend Rule I.2.a. and any other rule interfering with said proposed action must first prevail, and then said amendment shall be referred to the Rules Committee prior to vote by the Annual Conference session. Proposed rule will be brought back before the Annual Conference Session within 24 hours.
- d. All amendments must be adopted by a two-thirds vote of those present and voting.
- e. All amendments shall become effective immediately upon their adoption unless otherwise indicated.
- f. These rules may be suspended by a two-thirds vote of those present and voting.

3. **Supplemental Authority.** The latest edition of Robert's Rules of Order shall govern all questions of Parliamentary Procedure where such questions are not otherwise provided for by these standing rules.

4. **Printing of Rules.** These rules, with any modification as adopted, shall be published in the *Conference Workbook* and in all Conference publications of minutes and *Journals* so as to enable Conference members to refer readily to them.

II. RULES OF ORDER AND BUSINESS PROCEDURE

1. **Sessions.** The Annual Conference sessions and such special or adjourned sessions as may be required shall be held with the resident bishop presiding as provided in ¶¶603.2,4,5,6.

2. **Roll Call.** The roll call shall be taken, as the conference may direct, upon recommendation by the Secretary of the Annual Conference.

3. **Bar of the Conference.** An area of the assembly room sufficient in size to seat all clergy and lay members shall be designated as the bar of the Conference. Except by special invitation and where accessibility issues exist, visitors to the Conference shall not sit within the bar of the Conference, but shall occupy an area designated for their use. When the bar of the Conference shall have been established, only members within that area shall be entitled to vote when the vote is taken.

4. **Order of Business.** After devotional service the daily business session of the Conference shall be conducted as follows:

- a. Report of Program Committee on daily proceedings, courtesies, and other responsibilities.
- b. Report of other standing administrative and special agencies.
- c. Calendar and agenda.
- d. Miscellaneous business.

5. **Adoption of Conference Session Agenda** ¶605.2 Upon recommendation of the Committee on Annual Conference Program, the Annual Conference shall adopt an agenda and calendar for Conference Sessions.

6. **Expediting Conference Business.** The Committee on Annual Conference Program shall be responsible for interpretation and promotion of the missional and program ministries of the Annual Conference at conference sessions.

The Conference Secretary shall present, at the opening session, a *consent calendar* consisting of printed reports not requiring discussion. Twenty-four hours later, items may be removed from the consent calendar upon motion with an affirmative vote of 50 persons. The items remaining on the *consent calendar* shall then be voted upon in an omnibus motion.

Individuals, local churches, parishes and districts may submit resolutions to be printed in the *Conference Workbook*, or may submit them later under Rule 14 of Section IV MISCELLANEOUS STANDING RULES OF THE CONFERENCE.

Resolutions that deal with structure or administration and are proposed by an Annual Conference agency shall be included in that agency's report. Agency resolutions dealing with all other matters and resolutions from all other sources shall be grouped in a section of the *Conference Workbook* headed Resolutions with the submitting group clearly defined, and presented by the Committee on Annual Conference Program.

Proposed agenda, submitted by the Committee on Annual Conference Program, shall include time each full day of the Annual Conference Session for presenting resolutions.

7. **Securing the Floor.** Members desiring to speak to the Conference shall arise at their seat within the bar of the Conference, respectfully address the presiding officer, using the term, Bishop "(last name)", or "Mr./Ms. Chairperson," and, after recognition, proceed to the nearest microphone, where, before speaking, the member shall be identified by name and local church.

8. **Interrupting the Speaker.** No member who has the floor may be interrupted except for a breach of order, or a misrepresentation, or to direct the attention of the Conference to the fact that the time has arrived for an order of the day, or to raise a very urgent question of high privilege.

9. **Debate.** After a question has been stated by the chair, it is before the Conference for consideration and action. All resolutions, reports from agencies, communications to the Conference, all amendments proposed to the Conference, and all other motions, except undebatable motions, may be debated before final action is taken on them, unless by a two-thirds vote the Conference decides to dispose of them.

10. **Length of Speech.** Each speech from the floor must be limited to three minutes unless the speaker's time is extended by the Conference by a majority vote. This three-minute limit may be reduced by a majority vote of the Conference at any time, and for any period of duration.

11. **Speaking More Than Once.** No member of the Conference shall speak a second time on the same question if any member who has not spoken desires the floor, and no more than twice on the same subject under the same motion.

12. **Question of High Privilege.** A member of the Conference claiming the floor at any time for what the member believes to be a very urgent question of high privilege shall be allowed to indicate briefly the nature of the question, and if it is adjudged by the chair to be such, the member may proceed until the chair judges that such privilege has been exhausted.

13. **Voting Procedure.** Voting shall be by a show of hands unless otherwise ordered by the Presiding Bishop or Presiding Officer. A count vote may be ordered on call of any member supported by one-third of the members present and voting, in which case, the members shall rise from their seats and stand until counted. An “aye” or “nay” vote by secret ballot may be ordered on call of any member, supported by one-third of the members present and voting.

14. **Division of Question.** Before a vote is taken, any member shall have the right to call for a division of any question, if it is subject to such division as the members indicate. If no member objects, the division shall be made; but, if there is objection, the chair shall put the question of division to vote, not waiting for a second.

15. **Precedence of Secondary Motions.** If any one or more of the following motions shall be made when one or more other motions are pending, the order of their procedure in relation to another shall be the same as the order on their listing below:

- a. To fix the time to which the Conference shall adjourn. (This motion is subject to amendments, or it may be laid on the table.)
- b. To adjourn.
- c. To take recess.
- d. To order the previous question.
- e. To lay on the table.
- f. To limit or extend the limits of debate.
- g. To postpone to a given time.
- h. To commit or refer.
- i. To amend or substitute (one amendment being allowed to an amendment).
- j. To postpone indefinitely.

16. **Tabling Related Motions.** No motion that adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

17. **Motion to Adopt.** A motion is a proposal that the assembly take certain action or that it express itself as holding certain views. Any member of the Conference may make such a proposal. When the motion is seconded by a member saying, “I second the motion,” which may be done without obtaining the floor and generally without rising, it shall be before the body.

18. **Undeatable Motions.** The following motions shall be acted upon without debate:

- a. To adjourn, when unqualified, except to adjourn the Conference finally.
- b. To suspend the rules.
- c. To lay on the table.
- d. To take from the table.
- e. To call for the previous question, and motions to close, limit, or extend the limits of debate.
- f. To amend an undeatable motion.
- g. To consider an undeatable motion.
- h. To dispense with the reading of the minutes.
- i. To call for the order of the day.

19. **Right of the Main Question.** The main question may be opened to debate under the following motions: to adopt, to commit or refer, to substitute, to postpone, and to reconsider. No new motion, resolution or subject shall be entertained until the one under consideration shall have been disposed of except as provided for under “voting procedure.” This does not apply to undeatable questions.

20. **Reference of a Report.** It shall be in order for the Conference to refer to an agency committee a section or a part of a report or resolution that is before the Conference for consideration, or any amendment offered thereto.

21. **Procedure for Consideration of Substitute Motions.** When a resolution or committee report is properly before the Conference for consideration and action, even if amendments are pending, a substitute may be offered by any member moving that the same be substituted for the report, resolution, or amendment under consideration.

The substitute shall be an alternative to what is before the body and not simply a negation of the main motion as determined by the presiding officer. Debate on the motion to substitute will be limited to the question of substitution only. No amendments to the main motion or the substitute will be considered during this period of initial consideration.

Following the debate on the motion to substitute, a vote on substitution will occur. If the motion to substitute prevails by majority vote, the substitute motion becomes the main motion. If the motion to substitute fails to receive a majority vote, the original main motion remains on the floor for consideration. Debate, including the offering of amendments, moves forward on the main motion as per the rules of procedure.

22. **The Previous Question.** When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), they shall indicate to what they intend it to apply, if any secondary motion or motions are also pending. If they do not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate, and shall require two-thirds vote of those present and voting for its adoption; and if it is adopted, the vote shall be taken on the motion or motions to which it applies without further debate.

23. **Unlawful Motion After Speech.** It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

24. **Exceptions to Majority Vote.** A majority of those voting shall decide all questions with the following exceptions:

- a. One-third of those present and voting shall suffice to sustain a call for a count vote in case the decision of the chair is doubted. A tie vote sustains the chair.
- b. A two-thirds vote shall be required;
 1. to sustain a motion to suspend or amend the rules;
 2. to sustain a motion for the previous question (see, "Previous Question" above), or any motion whose adoption would limit debate;
 3. to set aside a special order;
 4. to consider a special order before the time set therefore;
 5. to sustain a request of the Committee on Annual Conference Sessions Program Committee for the presentation of any person after the second day of the Conference Session.

25. **Reconsideration.** A motion to reconsider an action of the Conference shall be in order at any time if requested by a member who voted with the prevailing side. The motion to reconsider may not be debated, if the original motion was non debatable.

26. **Questions of Order.** It is the duty of the presiding officer to enforce the rules and orders of the Conference, without debate or delay. It is also the right of every member who notices the breach of a rule, to insist upon its enforcement. In such a case the member rises from his/her seat and says, Bishop (last name), or Mr./Ms. Chairperson, "I rise to a point of order". The speaker immediately takes his/her seat. The chair requests the member to state the point of order, which he/she does and resumes his/her seat. The chair decides the point and, if no appeal is made and the member has not been guilty of any serious breach of decorum, the chair will permit him/her to resume his/her speech. But, if the member's remarks are decided to be improper and any one objects, he/she cannot continue without a vote of the Conference to that effect.

27. **Motion to Adjourn.** The motion to adjourn, when unqualified, shall be taken without debate, and shall always be in order, except:

- a. When a member has the floor.
- b. When a question is actually put, or a vote is being taken, and before it is finally decided.
- c. When the previous question has been ordered and action is pending.
- d. When a motion to adjourn has been lost, and no business or debate has intervened.
- e. When the motion to fix the time to which the Conference shall adjourn is pending. The foregoing does not apply to a motion for final adjournment of the Conference.

The Following policy was approved by the 2018 Session of the West Virginia Annual Conference:

The West Virginia Conference Sexual Ethics Policy

What Do We Expect of Church Leaders?

Church leaders should do no harm.

The church is a unique environment in which we expect no harm to be done. The church seeks wholeness and healing, in unity expressed as the Body of Christ. Where such unity prevails, there is no exploitation, no humiliation, and no abuse.

People in a ministerial role will be held accountable.

The ministerial role is one of power and responsibility. Persons called to ministerial roles are expected to dedicate themselves to the highest ideals of the Christian life for the sake of the church and the most effective witness of the gospel of Jesus Christ. Conduct is as important a witness as the sermons preached, the rites celebrated, the counsel offered, and other church tasks performed. Church leaders, whether clergy or laity, must maintain appropriate sexual boundaries that respect the fact that a power differential exists between them and those whom they serve.

What Is Sexual Misconduct According to The United Methodist Church?

Sexual misconduct is a chargeable offense for both laity and clergy. Chargeable offenses include, but are not limited to: child abuse, sexual abuse, sexual misconduct, the use of pornography, sexual harassment, and gender discrimination (The Book of Discipline 2016, par. 2702.1).

Definitions

Sexual misconduct is a continuum of sexual or gender-directed behaviors by either a lay or clergy person within a ministerial relationship (paid or unpaid). It can include child abuse, adult sexual abuse, harassment, rape or sexual assault, sexualized verbal comments or visuals, touching and advances, use of sexualized materials including pornography, stalking, sexual abuse of youth or those without capacity to consent, or misuse of the ministerial position using sexualized conduct to take advantage of the vulnerability of another. Sexualization of the ministerial relationship is a betrayal of sacred trust.

Sexual harassment is “any unwanted sexual comment, advance, or demand, either verbal or physical, that is reasonably perceived by the recipient as demeaning, intimidating, or coercive. Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender.” (The Book of Discipline 2016, par. 161.1)

Sexual abuse is a form of sexual misconduct and occurs when a person within a ministerial role of leadership (lay or clergy, pastor, educator, counselor, youth leader, or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, coworker, or volunteer.

Pornography is sexually explicit material that portrays violence, abuse, coercion, domination, humiliation, or degradation for the purpose of arousal. Any sexually explicit material that depicts children is pornographic.

Dating irrevocably alters the relationship between clergyperson and parishioner and impacts the congregation. Therefore, dating between clergy and parishioners is inappropriate and is discouraged. Because of vulnerability and power differences within the ministerial relationship, meaningful consent is difficult to establish. Any decision to initiate a dating relationship within this context would require transparency with all involved, including permission from the district superintendent, pastor-parish relations committee, and plans for alternative pastoral support for the person involved.

How Does The United Methodist Church Respond to Sexual Misconduct?

The Book of Discipline sets forth the plan by which we United Methodists govern ourselves. It reflects our understanding of the Church and of what is expected of its laity and clergy as they seek to be effective witnesses in the world as a part of the whole body of Christ. Complaints will be handled according to *The Book of Discipline*. *The Book of Discipline* will not substitute for actions which might be brought in a civil or criminal court. Any person reporting sexual misconduct will be heard with compassion. Appropriate support will be given to the complainant(s), the respondent(s), their families, and the congregation or Conference agency involved.

1. If you feel you are a victim of sexual misconduct within the West Virginia Conference of The United Methodist Church, you are encouraged to contact one of the following people (contact information may be found below*). If the misconduct involves a/an
 - a) Clergyperson, contact a District Superintendent or the Bishop.
 - b) *Employee or volunteer leader* in a Conference-sponsored activity, contact the Bishop.
 - c) *Layperson in a ministerial role*, contact a District Superintendent.
 - d) *Layperson in a local church leadership role*, contact your pastor or a District Superintendent.

2. Allegations involving minors or an adult incapable of self-reporting shall be reported to the appropriate government authorities. In WV, a report must be made to the Department of Health and Human Services Hotline (1-800-352-6513, for both children and vulnerable adults). A report must also be made within 24 hours to the state police or a local law enforcement agency with jurisdiction to investigate. In Garrett County, MD, contact Child Protective Services at 301-533-3005. For MD Adult Protective Services, call 800-917-7383. In addition to these reports, the notification procedures described in #1 above and the church's Safe Sanctuary policy shall be followed.

3. Retaliation on account of a good faith report of sexual misconduct shall not be tolerated and shall be considered a separate violation of this policy.

**The Bishop's office and each district superintendent may be contacted through the conference office at 800-788-3746. Direct contact information is elsewhere in the Journal or on the conference website at www.wvumc.org.*

What Support Does the West Virginia Conference Offer to Those Affected by Sexual Misconduct?

A Conference Response Team is named and maintained by the Bishop consisting of persons specially trained to respond as outlined by *The Book of Discipline*. This Team and the Cabinet shall consult and agree upon appropriate case management procedures.

How Will We Help Reduce Sexual Misconduct?

Education and awareness are key elements in the reduction of sexual misconduct and in effective intervention when sexual misconduct occurs. The West Virginia Conference will provide education to clergy and laity in ministerial roles to reduce sexual misconduct.

This education shall include

1. ethical standards of behavior;
2. resources for spiritual, emotional, physical well-being; and
3. a description of the complaint process and resources available to affected individuals and congregations.

Basic education and training shall be required

1. for laypersons in ministerial roles – within six months of employment.
2. for clergy – within six months of initial appointment.

Basic education and training shall be offered to volunteers and non-ministerial employees in the church.

Following completion of basic education, supplemental training on these subjects shall be offered and/or approved by the West Virginia Conference and required both for clergy and laypersons at least every four years while serving in a ministerial role.

Congregations shall

1. become educated about issues related to appropriate boundaries and sexual misconduct;
2. draft, approve and follow a local church policy regarding Sexual Harassment, Sexual Abuse and Sexual Misconduct. Until such a policy has been adopted, the Conference policy and procedures will be in effect for the local church.
3. show concern for the health of the congregation and that of their leaders;
4. be aware of the demands on the time of their ministerial leaders and establish reasonable expectations; and
5. support continuing education, training, consultation, and peer connections for their clergy and lay leaders.

West Virginia Conference Safe Sanctuaries Policy

Introduction

Heeding Christ's call to love and serve one another (John 13:15,34); to care for those most vulnerable in his name, particularly the "least of these" (Matthew 25:40); and to welcome children and youth in Christ's name (Matthew 18:5), the West Virginia Conference of the United Methodist Church has developed this *Safe Sanctuaries' Policy* with accompanying procedures to reduce the risk of abuse to children, youth and vulnerable adults in the ministries of the local churches and the annual conference.

"People were bringing little children to him in order that he might touch them, and the disciples spoke sternly to them. But when Jesus saw this, he was indignant and said to them, 'Let the little children come to me; do not stop them; for it is to such as these that the kingdom of God belongs. Truly, I tell you, whoever does not receive the kingdom of God as a little child will never enter it.' And he took them in his arms, laid his hands on them, and blessed them." (Mark 10:13-16)

Our Christian faith calls us to offer both hospitality and protection to children. The Social Principles of The United Methodist Church state that "children must be protected from economic, physical and sexual exploitation and abuse." Tragically, churches have not always been safe places for children. Child sexual abuse, exploitation, and ritual abuse occur in churches, both large and small, urban and rural. The problem cuts across all economic, cultural and racial lines. Such incidents are devastating to all who are involved: the child, the family, the local church and its leaders. God calls us to make churches safe places, protecting children and other vulnerable persons from abuse. God calls us to create communities of faith where children and adults grow safe and strong.

In light of this, the West Virginia Conference of the United Methodist Church is committed to creating policy and procedures that can 1) prevent such abuse from happening in our churches; 2) be a place where children can feel safe in disclosing abuse; and 3) protect the loyal volunteers and employees that minister to our children, youth and vulnerable adults.

This policy sets forth the **mandatory** requirements in the areas of:

- Screening Staff and Volunteers
- Supervision
- Cyber Policy
- Reporting Abuse and Responding

The policies that follow provide minimum standards and procedures for local churches and the annual conference that are in keeping with the Book of Discipline and General Conference resolutions (*endnote: 1996 General Conference Safe Sanctuaries resolution, which was reaffirmed in 2004 and 2008, expanded to include abuse risk reduction for vulnerable adults and cyber safety considerations*).

The West Virginia Conference shall:

- develop safety and risk-reducing policies and procedures for Conference-sponsored events such as camps, retreats, youth gatherings, childcare at conference events, mission trips, and other events for which the Conference or its agency or program is the sponsor;

¹ Melton, Joy Thornburg. *Safe Sanctuaries, Reducing the Risk of Abuse in the Church*. 2008. Discipleship Resources: Nashville, TN

- approve and maintain a Safe Sanctuaries Policy and assign the Sexual Ethics Team for implementation. The Conference Safe Sanctuaries Policy shall be posted on the Conference website, circulated in Conference publications, and shared with lay professional and clergy at district or Conference seminars; and
- develop training opportunities to assist local church leaders in the creation of local church policies and in their implementation.

Local churches should:

- develop a Safe Sanctuaries Policy for their church;
- be familiar with Annual Conference and other church policies regarding clergy and lay leader sexual misconduct; and
- designate a Safe Sanctuaries coordinator and/or team within the local church to ensure policies and procedures are followed.
- adopt screening procedures (use of application forms, interviews, reference checks, background clearances, and so forth) for staff, volunteers, employees, and helpers (paid and unpaid) directly or indirectly involved in the care of children, youth, and vulnerable adults;
- develop and implement procedures for church activities (see Supervision Section)
- become informed as to who are mandatory reporters
- carry liability insurance that includes sexual abuse coverage;
- develop and implement an ongoing education plan for the congregation and its leaders on the reality of child abuse, risk factors leading to child abuse, and strategies for prevention;

The West Virginia Conference Safe Sanctuaries Policy, with its minimum standards and recommended procedures, seeks to assist local churches and conference ministries in their covenant commitments to reduce the risk of abuse in ministries with children, youth, and vulnerable adults.

Cyber Space and Cyber Safety

While ministries and activities take place in a variety of venues, new forms of communication via the Internet and cell-phones and other hand-held devices constitute a new space for ministry and activities for children, youth, and vulnerable adults. Cyber Space includes: communications via email, instant messaging, and cell phone (speaking and texting), and other devices; communicating on social networking sites such as Facebook.; web-surfing and downloading of materials from the Internet; and gaming. Cyber Space is a fluid space which changes more and more as communications become more portable and websites change with increasing frequency. The dangers of direct access to age-inappropriate content, risky social contacts, intimidation, threats, bullying, remade and/or inappropriate photos, information that could increase risks for abuse, and more in Cyber Space make Cyber Safety an important part of *Safe Sanctuaries*.

Definitions

What is Safe Sanctuaries?

In 1996, the General Conference of the United Methodist Church adopted the resolution, Reducing the Risk of Child Abuse in the Church. This resolution, reaffirmed at every General Conference since then, became the impetus for annual conferences and congregations to develop and implement abuse risk reduction policies. Discipleship Ministries has identified *Safe Sanctuaries* as “*reducing the risk of abuse in the church for children, youth, and vulnerable adults.*”

What is abuse?

Child abuse is a broad term encompassing a variety of acts perpetrated against a child (under 18) by an adult or significantly older or more powerful child that results in harm to the child, or that endangers a child’s/youth’s health,

safety or welfare. The child or youth is never capable of consenting to abusive behavior, either legally or morally. In all circumstances, child abuse is morally wrong and the child shares no responsibility for the abuse

The Code of Maryland and the West Virginia Code provide legal definitions of acts constituting criminal child abuse.² While we find these definitions informative, we believe the Church must hold itself to a higher standard. Our churches must be the safest and holiest of places for all of God's children/youth if we are to succeed in our efforts to live and serve as the Body of Christ in the world.

Types of abuse

Physical Abuse³—a person deliberately and intentionally causes bodily harm to a child. Examples may include violent battery with a weapon (knife, belt, strap, etc), burning, shaking, kicking, choking, fracturing bones, and any of a wide variety of non-accidental injuries to a child's body. (pages 29-30)

Emotional Abuse—abuse in which a person exposes a child to spoken and/or unspoken violence or emotional cruelty. Emotional abuse sends a message to the child of worthlessness, badness, and being not only unloved but undeserving of love and care. Children exposed to emotional abuse may have experienced being locked in a closet, being deprived of any sign of parental affection, being constantly told they are bad or stupid, or being allowed or forced to abuse alcohol or drugs. Emotional abuse is often very difficult to prove and devastating to the victim. (page 30)

Neglect—abuse in which a person endangers a child's health, safety, or welfare through negligence. Neglect may include withholding food, clothing, medical care, education, and even affection and affirmation of the child's self-worth. (page 30) If a parent cannot provide adequate care for a child due to poverty, infirmity, or other disability, their negligence is not legally categorized as abuse, although the child still needs care.

Sexual Abuse—child sexual abuse is a criminal act perpetrated by an adult (or an older and more powerful youth) that exploits and harms children/youth by exposing them to or involving them in sexual behavior for which they are unprepared, to which they cannot consent (either morally or legally), and from which they are unable to protect themselves. The child/youth is never capable of consenting to sexually abusive behavior and cannot be blamed for the sexual abuse regardless of the child's/youth's conduct. Examples of sexual abuse may include fondling, intercourse, incest, and the exploitation of the child/youth for the purpose of or exposure of the child/youth to pornography or prostitution. (page 30)

Ritual Abuse—abuse in which physical, sexual, or psychological violations of a child are inflicted regularly, intentionally, and in a stylized way by a person or persons responsible for the child's welfare. The abuser may appeal to some higher authority or power to justify the abuse. The abuse may include cruel treatment of animals or repeated threats of harm to the child, other persons, and animals. Reports of ritual abuse are often extremely horrifying and may seem too grim to be true. Children making such reports must not be ignored. (page 30)

Hazing/Initiations/Bullying—abuse that occurs when the child/youth is subjected to ridicule, harassment, or other emotional or physical harm as part of a rite of passage, initiation, punishment, or for the enjoyment of the participants or other bystanders. This type of abuse may be perpetrated by adults or by older or more powerful children or youth. While this type of abuse may not always constitute a crime, it serves no purpose in the Body of Christ and is not acceptable in our church.

 7. Check to make sure nametags are not distinguishable.
 8. Block "save photo as" options on websites.
 9. Limit access to photos by employing the use of a password.

- **Social media sites (Facebook, Blogs etc.)** Do not use your personal social media presence for ministry. Use a group social media site that is monitored by senior leadership, for example a Facebook site for the specific group.
 10. Include a code of conduct/terms and conditions for the site that expressly states expectations for posts and a clear expression of how violations, offensive and objectionable material will be addressed.
 11. Monitor the site and remove inappropriate comments, photos, links, etc.
 12. Restrict who can be a friend.
 13. Do not post anything that you would not want printed in the newspaper, church newsletter or bulletin.
 14. Be familiar with, and comply with, social media provider policies, restrictions and terms and conditions. For example, according to Facebook's own terms, children under 13 years of age may not sign up for a Facebook account.
 15. Encourage children, youths, and vulnerable adults to follow these same guidelines as appropriate.

- **Do not collect online, or allow third parties to collect online, personal information from children under the age of 13. See Children's Online Privacy Protection Act ("COPPA") and Federal Trade Commission Rules implementing COPPA (the "Rule").** COPPA and the Rule require specific permissions and privacy policies if a website or online service collects, or allows third parties to collect, personal information if the service is directed to children under the age of 13. Restrictions also apply if the site is directed to a general audience and the organization has actual knowledge that it collects personal information from children under 13 years of age.

Responding To and Reporting Abuse

A quick, compassionate, and unified response to an alleged or actual incident of abuse is necessary and expected. All allegations are to be taken seriously. In all cases of reported or observed abuse in a ministry event, the entire staff of that event, paid and/or volunteer, shall be at the service of all official investigating agencies.

A mandated reporter must make a report of suspected child abuse. All members of the clergy, employees, child care workers, youth camp administrators or counselors, and volunteers who work with children/youth are mandated reporters.

The goal of an immediate response to alleged or known incidents of abuse will be to ensure the safety of the victim and any additional potential victims. In all cases of alleged or actual abuse, professional support is obtained by informing the Department of Human Resources- Bureau for Children and Families at 1-800-352-6513 **not more than 24 hours after suspecting this abuse or neglect. In any case where the reporter believes that the child suffered serious physical abuse or sexual abuse or sexual assault, the reporter shall also immediately report to the State Police and any law-enforcement agency having jurisdiction to investigate.** The parents/legal guardians of the victim will be notified unless they have been named as the alleged perpetrator of the abuse. Pastoral support is sought by following the conference policy which is:

If the allegation or incident concerns events or persons outside any relationship to a conference and/or local church related event, it is the responsibility of the person who heard the abuse to make the initial report to the Department of Human Resources- Bureau for Children and Families. The procedures outlined in this section will provide guidance for responses and reporting.

Example: Child, youth, or vulnerable adult telling a camp counselor about abuse by a relative during the prior year. If this report were made to the counselor in the course of his/her duties as a camp counselor, then it is the responsibility of the camp counselor to make the call to report. The camp counselor may talk with the Camp Dean or Site Director before making the call, asking for support.

An incident report should be filed with the Site Director as a part of the reporting process.

If the allegation is against or involves a conference staff person, pastor, helper or volunteer, or if it occurred in the course of a conference ministry event, the person in charge of the event, shall contact the Assistant to the Bishop. Procedures for responding to and reporting the abuse are contained herein.

The Director of Communications of the West Virginia Conference or his/her designee is the only person/ authorized to make statements to representatives of the media. All requests for statements shall be directed to the Director of Communications. Staff persons and volunteers are to be trained in how to handle media requests by referring them to the Director of Communications.

How to respond to allegations of abuse

Care for the alleged victim's safety. Once a child, youth, or vulnerable adult has disclosed alleged abuse, the one to whom the disclosure has been made should reassure the alleged victim of a concern for his or her safety and well-being. They will then make the call to Department of Human Resources- Bureau for Children and Families. The alleged victim (and any other potential victims if the abuse has allegedly taken place onsite) should be calmly moved to another safe place onsite in view of at least two other non-related adults. Someone safe and familiar should stay with the victim at all times.

Persons who are accused of abuse, if on site, will be immediately and discreetly removed from the ministry setting (both the accused and the victim to separate locations or areas) until the situation is resolved. This is to protect all persons involved, including the accused. The person to whom the disclosure was made should inform the victim in an age appropriate way that a report will be made to appropriate legal authorities.

Should the victim be in need of immediate medical attention, a call should be made for medical transport by ambulance. The parents/legal guardians of any victim under the age of 18 should be notified. It may not be

appropriate to contact the parents/legal guardians if they are the alleged perpetrators of the abuse, in which event the person designated as the reporter should be contacted and should handle contacting the parents/legal guardians when appropriate.

Report the allegations of abuse. The mandated reporter will obtain the information needed for the filing of reports, including, but not limited to, the victim's name and age, the name of the alleged perpetrator, the alleged facts of the abuse, and physical home addresses for the victim and the perpetrator. It is important to let the victim verbalize the allegations in his or her own words, being careful to limit questions asked of children or youth under the age of 18, or to vulnerable adults. If abuse is suspected a report should be made immediately (**not more than 24 hours after suspecting this abuse or neglect**) to Department of Human Resources- Bureau for Children and Families at 1-800-352-6513. **In any case where the reporter believes that the child suffered serious physical abuse or sexual abuse or sexual assault, the reporter shall also immediately report to the State Police and any law-enforcement agency having jurisdiction to investigate.** It is the responsibility of the mandated reporter to handle these matters in a professional and caring manner. Once the call is made the mandated reporter needs to immediately notify the person in charge of the event who will notify the Director of Youth and Outdoor Ministries who will notify the Assistant to the Bishop.

Maintain confidentiality. Allegations are to be discussed only on a need-to-know basis. The person(s) to whom the allegations were disclosed should immediately contact Department of Human Resources- Bureau for Children and Families giving the details to that person. Other adults onsite should be alerted to stay with the alleged victim and other potential victims. Once the allegations have been reported, the person to whom the allegations were made should not discuss the matter with other persons except law enforcement or designated state investigators. To do so could cause irreparable harm to the victims, their families, and the community.

Response Team.

As directed by the Office of the Bishop, the Conference Response Team may be called upon to assist in a given situation.

Handling calls and questions from the media. If a member of the media – newspaper, TV station, Radio station, Magazine – calls or approaches a staff or volunteer in person and asks about the situation, that person should get their name and phone number and respectfully tell them that the Director of Communications will get back to them with the answer as soon as possible. The following “hold response” can be used:

“I want to make sure we give you the most accurate and up-to-date information. The Director of Communications can best help you. If you give me your contact information, deadline and topic you are calling about, I will have them return your call as soon as possible.” or, “Here is the phone number/email of the Director of Communications...”

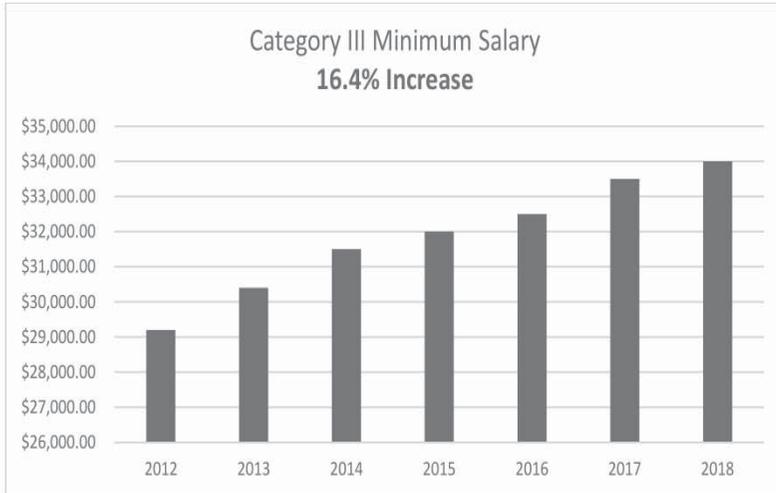

No staff person should answer any questions. The staff person should be polite, but firm. A staff person should **never** simply tell a reporter, “*No Comment*,” as this response raises concern that the incident (alleged or known) is not being dealt with or taken seriously by the church. Nothing is assured to be “off the record” when talking to the media. A staff person/volunteer should realize that any statement made to the media can be used publicly, even if the reporter says it is “off the record.”

Equitable Compensation Task Force Report to 2018 Annual Conference

Last year during the Equitable Compensation report to annual conference we shared with you the creation of a task force whose goal was to explore the impact Minimum Salary adjustments have on those receiving Equitable Compensation, appointments, and the overall fiscal health of the WV Annual Conference. This task force met in April to review data, evaluate trends, and discuss the issues surrounding minimum salary adjustments on the local church and the appointment process. Our goal was to prayerfully discern what information the Annual Conference needs in order to make an informed decision regarding minimum salaries and to better understand the implications of such decisions on local churches and the appointment process. Today, we would like to share with you what the task force has learned.

First, the minimum salary increases over the last six years has raised our salary ranking in the denomination. Yes, the minimum salaries of the WVAC are no longer at the bottom of our denomination. During this time, we have experienced an increase in Category I by \$5,100.00, a 15.9% increase, Category II by \$5,100.00, a 17% increase, Category III by \$4,800.00, a 16.4% increase and Category IV by \$3,800.00, a 14.5% increase.

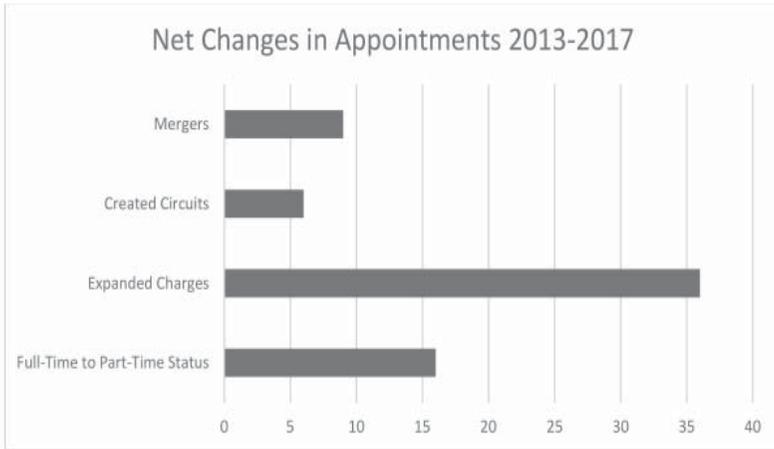

We applaud the efforts of the annual conference to ensure pastors are fairly compensated for their work and in raising our denominational ranking among conferences in the United States. Currently, there are six annual conferences with minimum compensation standards below the West Virginia Annual Conference.

Secondly, we have experienced a decrease in the total number of claims and the associated costs of these claims over the last six years. Looking at the last three years, in particular, our claims have decreased from 45 to 22 and the total cost of those claims have decreased from \$205,802.00 to \$77,635.00. Below you will find graphs that provide us a “picture” of the claim trends and costs.

So, what does this mean? One might infer that we are developing healthier churches. But, there are several factors that have influenced this decrease. In our research we learned that a major part of this trend is a result of the net changes in the appointment status of congregations. In other words, this trend could be attributed to the fact that there has been an increase in the number of charges that have moved from Full-Time status to Part-Time status for financial reasons and thus are no longer eligible for Equitable Compensation funds. During the last six years the number of Full-Time charges that have moved to Part-Time status has increased by 16. In addition, the task force learned that 36 station churches have realigned their ministry to include additional churches. In other words, station churches have moved to charges with multiple churches. From this information the task force inferred that future increases in minimum salaries may force local churches to rethink their alignment or move from full to part-time status so that ministry can continue at the present level. Below you will find a graph that provides us a visual representation of this data.

A third thing the task force learned is that an increase in the minimum salary also increases the pension benefits paid by the church and conference apportionments. In fact, a \$500.00 increase in minimum salary costs a church/charge an additional \$325.00 in clergy benefits and apportionments. Below you will find a chart sharing the total cost per charge for increase in minimum salary and the total number of charges that would be affected if there is an increase in the minimum salary for 2019.

Salary Increase	\$500.00	\$1000.00	\$1500.00	\$2000.00
Defined Benefit Increase	\$87.50	\$175.00	\$262.50	\$350.00
Defined Contribution Increase	\$18.75	\$37.5	\$56.25	\$75.00
CCP Increase	\$18.75	\$37.5	\$56.25	\$75.00
Apportionment Increase	\$200.00	\$400.00	\$600.00	\$800.00
Additional Cost Per Charge	\$825.00	\$1650.00	\$2475.00	\$3300.00

of Charges Affected

Category I	17	21	24	26
Category II	5	6	6	8
Category III	34	37	40	49

Consequently, a mandatory increase in salary (\$500.00), pension benefits (\$125.00) and conference apportionments (\$200.00) forces many local churches to absorb the increase by decreasing its ministry budget. The reality is many churches are forced to cut their program ministry. Make no mistake about it, this information is very disconcerting as program ministry is essential to the vital and effective ministry of a local church.

Finally, it is important for the Annual Conference to recognize some additional information. Currently, it costs the local church a minimum of \$61,704.00 to support a full-time clergy person in Category I in the West Virginia Annual Conference.

State of the Church – West Virginia Conference 2018

Bishop Sandra Steiner Ball

The following address was delivered at the 2018 Annual Conference Session by Bishop Steiner Ball. The text which is presented here was prepared to be delivered orally and may contain stylistic features that would not normally appear in a printed version.

I continue to be glad and proud to be the bishop serving the West Virginia Conference. The state of the West Virginia Conference is bright. In the midst of these anxious times in the church, I am grateful that you have worked with me to keep the focus on Christ. Together we continue to make disciples, and to provide shelter, clothing, food, and medical care to those whose lives have been disrupted by floods, poverty, and drug addiction. Together we care for both the very young and the very old as we seek to advocate for our most vulnerable members of society. Together we continue to fight against racism and sexism and other “isms” fulfilling our baptismal commitment to oppose the oppression and injustice of the world in whatever form that these things happen to take. I am proud that together we continue to discover, develop, and deploy passionate spiritual leaders for the sake of Christ and we continue to focus on being faithful members of the body who contribute our unique gifts to the building God’s Kingdom.

We have had some tremendously wonderful moments in the West Virginia Conference since last we met in our annual conference session. At the close of our last annual conference we confirmed that we had attained our goal of reaching 2,400 new people for Christ! That is double what West Virginia usually reports in any given year as professions of faith. Now some of these 2,400 have not yet officially joined one of our churches and this is exactly why we are spending so much of our effort and energy now in helping to equip leaders and congregations not just to reach people with the saving knowledge of Jesus Christ, but to walk along with them into becoming disciples. To do this, we need to help the leadership, clergy and lay, to identify and build effective discipleship systems for our congregations in vastly different contexts and cultures that our West Virginia Conference congregations serve.

Earlier this year, we began to foreshadow and live into this year’s conference theme: Innovative. In February, over 750 people from around the Conference gathered on one Saturday to learn about what it takes and how to build intentional plans to move our congregations from a focus on membership to a concentration and priority on discipleship. For the first time ever, in 10 different places around the Conference people were connected by live stream to a training and resource event that was physically and tangibly taking place at Forest Burdette Memorial in Hurricane. We had facilitators and our communications teams set up in all these locations. Hundreds of people came together to better learn about discipleship systems. The goal was for our churches and people to be equipped not only on how to lead people to Christ, but be prepared to walk with them into discipleship and together move into deeper discipleship. *(Please stand if you were a part of this innovative event.)*

We continue to respond to flooding from both the 2016 rain and the more recent flooding. As other systems fail on their promises to help, our promises have remained firm. We have put our prayers, presence, gifts, service, and witness into action by getting the least, last, lost, and most devastated in our communities back into safe and healthy homes. In addition, we have also given families and communities who thought they had lost everything hope for the future. Hope is a gift and one that keeps on giving life. If you have hope, then you are looking toward a better tomorrow.

Racism and sexism is still rampant in our society. In the midst of this, West Virginia continues to focus on developing intercultural competency. Again, we were at capacity for the Bishop's Summit on Diversity and Inclusion. More churches in the Conference did a celebration of Native American Awareness Sunday. For the first time, we recognized as a whole, that we all needed to be a part of helping Black Methodists for Church Renewal and took up offerings around the Conference to help with the work in ministry and training that supports development for our non-white leadership and congregations. (Today, we took action to add this offering as a regular part of the special offerings done annually in the Conference). The West Virginia Conference took a bus to Washington DC to the Summit to Dismantle Racism and participated in the rally and the march. (*Summit participants please stand*)

The West Virginia Communications is on the move as an award-winning team. Our story is being told internally and externally in new innovative ways. We are getting better at telling and sharing what Christ is doing here in West Virginia through individuals and congregations. Our Communications team won five awards from United Methodist Communications and our own Deborah Coble was named Communicator of the Year! (*Deborah and team stand*).

We celebrate new innovative ways of spreading the Good News and reaching people for Christ. The restart of the Johnson Avenue facility that Bridgeport UMC has undertaken is significant by creating a multi-campus congregation. Together Tuesdays, an outreach service taking place at a local Pizza restaurant in Lewisburg under the leadership of previous Denman award winner and Lewisburg UMC Associate Pastor, Rev. Bev Columbo, has brought hundreds of people together for Christ that the congregation didn't regularly see or had no connection to church. Then there is the story about Rev. Chip Bennett and the community of Point Pleasant initiating a joint ministry with more than one of our congregations, by doing innovative ministry by taking one of our old church buildings that no longer has a Sunday morning congregation, and opening it through the week for those seeking help and support for substance use disorder by hosting AA and NA groups and more during the week. In Clarksburg, Rev. Dustin McCune has supported members of his congregation in the Door to Door community ministry and developing a sober living duplex next to the Church. Spruce Street has a lay-led ministry in the harm reduction program in downtown Morgantown. Congregation after congregation participated in the "What If" Lenten study program and challenge to begin to hear God's call to begin ministries in response to the Opioid Epidemic.

I could go on and on! There are: new innovative young adult internships, Discovery U., Spring Heights camp on the road, and a new and renewed partnership with West Virginia Wesleyan College. Many of our churches opened their doors and took care of our school children as our teachers fought for a decent wage and health care. A ground breaking at *The House of the Carpenter* included the students from the entire elementary school on Wheeling Island. A new Church and Community Worker in the Southern District is working to alleviate poverty in new, innovative and collaborative ways.

The state of The United Methodist Church in West Virginia is pretty Good! Sure, The United Methodist Church as a whole is in some anxious and unsettled times. However, I believe God is rejoicing that in the West Virginia Conference we have succeeded in keeping the main thing the main thing. We have worked to love and care for our neighbors as ourselves. We have fed the hungry, sheltered the homeless, clothed those who needed clothing, helped those addicted and afflicted, and visited those bound by mental or physical prisons. We have been persons of the Good News! My prayer is that this Good News of Christ shared and multiplied will continue to be the narrative of the West Virginia Conference.
