What was the total amount for Expenditures (actual money spent) in last year's budget for this project?

To affirm this amount, we ask that you send us a financial statement of this project which shows both actual income (money you received) & expenditures (money you spent) for last year. (This should include monies received from this grant if you received last year) According to the Conference guidelines, an application without a financial statement cannot be considered. Please do not send bank statements, since they do not inform us of where the money was sent or where the money came from. If you received this grant last year, it should be reflected within the financial statement.
