II. AGENCIES OF THE ANNUAL CONFERENCE AND RELATED or AFFILIATED AGENCIES

The following pages contain information concerning over one thousand persons, lay and clergy, who have been elected by the West Virginia Annual Conference to serve in many different ministries with the intent of making disciples of Jesus Christ for the transformation of the world.

The Conference Secretary maintains a database that serves as a resource for identifying persons who are to be recommended to the Annual Conference for election. Lay and clergy persons in local congregations are invited to submit their own names and/ or suggest persons who should be considered for short- term as well as long-term ministries of the Conference. This information should include name, address, telephone number(s), e-mail, local church, district, inclusiveness information and a brief statement telling of skills and areas of interest.

Mail to:

or e-mail to: **JKenaston@wvumc.org**

**A note about phone numbers: Two numbers are listed for clergy, according to information submitted at Conference Registration. Either number may be a cell phone and the second may be their home or the church office number. Alternative phone numbers for lay persons are listed if they have selected to use their cell phone. Work numbers for lay persons are generally not shown.

**Information is as accurate as possible as of publication date. Send corrections or changes to the address above.
