01

As I attend worship, I will reflect on where and how I need to strengthen my walk with Jesus.

02

As we begin this Advent Season, I will allow God to be involved in all my preparations and activities. Walking with Jesus, I will listen for God's voice daily.

03

This season I will worship as much as possible with my home congregation and community. I will commit to daily prayer seeking to see where God is at work and seeking to join God there.

04

I'll remember that Jesus calls each of us not to lose our childlike faith.

05

Walking with Jesus, I will seek to be a Blessing – sharing God's love and care with someone else.

06

Today I will share a glory sighting, where I have seen God/Christ at work, with family and friends.

07

As I seek to walk more closely with Jesus, I will write a special "Good News" note to two persons I know to share just how much they are a blessing to me.

08

This day I will do something special for or with my family.

09

Let me think of others today.

10

As I begin this new week, I will take some cookies to a friend that I know is lonely.

11

I will pray intentionally for 5 persons I know who are having a difficult time and could use the strength and blessing of prayer.

12

I will call a member of my family that I have not talked to in a while. I will pray intentionally for 5 persons I know who are having a difficult time and could use the strength and blessing of prayer.

13

I will make a gift or card for someone in my community and I will get it to that person by the end of this week.

14

I will volunteer to help someone with a chore.

15

I will invite and volunteer to pick up a friend or neighbor and take them with me to Worship.

16

I will re-read my favorite passage of scripture and discuss it with someone.

17

I will visit someone who lives alone or who resides in a Nursing Home.

18

I will be a friend to everyone I see in the name of Christ.

19

I will read my Bible every day until Christmas in order to strengthen my Walk with Jesus. (I am going to try to continue this discipline even after Christmas.)

20

I will be a volunteer. I will volunteer my time somewhere to help in the community.

21

**Random Act of Kindness Day!**  
Today I will do something totally unexpected as an act of kindness for a person or organization in the community.

22

**Blessing Day!**  
Today I will share a Blessing – a kind word or act - with someone outside of my Church Community.

23

I will pray for 10 persons who need to experience Christ.

24

I will take time to read the Biblical Christmas story from Luke 2; and I will attend the Christmas Eve Service and greet everyone with a smile.

25

Recommitting myself to Walking with Jesus – not just some of the time, but all of the time, I will remember to share that the greatest gift given is Jesus Christ with my family and all those whom I share this Holiday.

**Christmas**

I commit myself to be a person who continually shares God's Good News at all times, in all places, all year long in 2020.
