Help us create a Virtual Worship Center!!!

Create your own worship center space. You might want to include a candle, your Bible, and anything that will put you in an attitude of prayer and worship. Then take a picture of it and email it to Pam.Braden@wvup.edu

We will combine the pictures to create a "Virtual Worship Center" for our Virtual Spiritual Growth Retreat program on zoom.

**If you have any questions or concerns,
 you may contact Joy at 304.532.0120 or joyellehix@hotmail.com**
