SNACKS

- Wash hands before and after
- Individually packaged
- Eat snacks with distance

SPACE

- Outside is best
- When indoors, observe distancing guidelines
- Mark spaces on floors to help children

SUPERVISION

- Two unrelated adults
- Unblock windows
- Ask for help

SAFETY

- Wear your mask
- Two-adult rule
- Singing is safest outside

SANITIZING

- Wash hands for 20 seconds using soap
- Sanitize hands with hand sanitizer when washing is not available
- Sanitize rooms and toys between groups
- IF you cannot find a disinfectant spray, you can make it with one part bleach to ten parts water
