## Leadership Standards

**DISCOVER**

**DEVELOP**

**DEPLOY**

passionate spiritual leaders who make disciples of Jesus Christ for the transformation of the world

The mission of the West Virginia Conference is to discover, develop, and deploy passionate spiritual leaders who make disciples of Jesus Christ for the transformation of the world.

Jesus identified, called, taught, and sent his disciples into the world as leaders. Therefore, leadership has always been an essential part of sharing God's love. West Virginia Conference leaders look to Jesus' guiding of his disciples for basic standards of leadership. We also draw upon the fullness of scripture, our theological tradition, Wesley's guidance for spiritual formation, and our experience as they contribute to transformational leadership standards.

Lay and clergy leaders in the West Virginia Conference are:

- grounded in God's calling to serve.
- empowered by the Holy Spirit through the gifts given to each.
- aware of their own unique context and style.
- committed to the values of the West Virginia Conference: reflecting Christ, Wesleyan and United Methodist theology, grace, compassion, repentance, a courageous, risk-taking faith, integrity, intentional spiritual formation and intercultural competency.
- intentionally self-aware, balanced, self-confident and humble.
- committed to improving the ministry and mission of the West Virginia Conference and its congregations through a team process of loving, learning, and leading.

**WE ARE**

a Christ-led,

spiritual breath of

fresh air

that changes

the world.

### Loving

- A leader actively commits to growing in faith through membership in a local congregation (or the Conference as clergy), participating through worship and sacraments, gifts, service, witness, prayer, and financial support.
- A leader is able to articulate their relationship with Jesus Christ and tells their faith story.
- A leader prays, discerns, and attempts to be submissive to the power and leading of the Holy Spirit in all things.
- A leader understands spiritual formation to be an essential part of leadership and therefore commits to a discipline of prayer, bible study, and personal health (physical, mental, emotional, financial, relational).

### Learning

- A leader commits to continuous learning.
- A leader understands how their authority and the purpose of their ministry (team) is connected relationally to other ministries (teams) and to the body of the West Virginia Conference.
- A leader understands how conflict is often part of leadership, and learns how to navigate conflict with love.

### Leading

- A leader articulates a clear plan and focus.
- A leader commits to determine and measure the fruitfulness of their ministry.
- A leader commits to identify and develop other leaders.
- A leader commits to meet people where they are: across racial, cultural, theological, emotional, and socio-economic boundaries.

*As a follower of Christ and servant-leader, I will strive to live by the above leadership standards and will be willing to seek and receive grace-filled assistance in those areas where I need to grow. The West Virginia Conference is committed to developing transformational leaders.*

For resources or assistance, you may contact your District Superintendent or Bonnie MacDonald, Director of Leadership Formation & Ministry Staff.

*Developed by the Conference Develop Team and Adopted by Bishop's Lead Team.*

**The Conference Secretary maintains a database that serves as a resource for the Nominations in identifying persons who are to be recommended to the Annual Conference for election. Lay and clergy persons in local congregations are invited to submit their own names and/ or suggest persons who should be considered for short- term as well as long-term ministries of the Conference. This information should include name, address, telephone number(s), e-mail, local church, district, inclusiveness information and a brief statement telling of skills and areas of interest.**

Bishop Sandra Steiner Ball called the opening session to order from Wesley Chapel, West Virginia Wesleyan College, Buckhannon, WV. The service, which was streamed for virtual participation, was opened with a recorded Native American greeting from Elle High (lay equalization, Chair of Commission on Native American Ministries).

Bishop Steiner Ball offered words of centering and prayer, inspired by the Covenant Prayer.

The winner of the award for the conference was Corley UMC in Belington in the MonValley District. Following the death of their pastor in the summer of 2019, Jonathan Fox was assigned to the church as a lay person. When the pandemic hit, Corley adjusted its ministry to online, as well as meeting in a pavilion. Worship attendance grew from 19 in 2019 to 33 in 2020, with additional people worshipping online. They now average 36 persons worshiping weekly and the church received three new members by profession of faith.

DENMAN AWARDS: The Harry Denman Evangelism Award honors United Methodists whose exceptional ministry of evangelism brings people into a life-transforming relationship with Jesus Christ.

Kristi Wilkerson (lay equalization, Annual Conference Lay Leader, Wesleyan District) presented the lay Denman Award to **Bobby Boggs**, from the MonValley District, for his work organizing the virtual Celebration of Mission Event Hot Wheels race which raised over $62,000 for missions.

Chip Bennett (clergy, Bellemead, Western District) presented the clergy Denman Award to **Rev. Ellen File**, who serves as chaplain to the Beckley Campus of Burlington United Methodist Family Services, in the Southern District. She exemplifies the spirit of the Denman recognition by sharing a life-changing relationship with Christ to troubled youth. In 2020, she baptized 15 resident youth from the Beckley Campus.

Neil Leftwich (clergy, Spruce Street, MonValley District) presented the youth Denman Award to **Alex Straub** from New Cumberland UMC in the Northern District. SERMON (Part 2): Bishop Sandra Steiner Ball brought words of hope.

Rev. Okey Harless (clergy, Western District Superintendent) offered a pre-recorded blessing for the churches.

**Kristi Wilkerson, Lay Leader**

LAITY ADDRESS: Kristi Wilkerson, the Annual Conference Lay Leader, gave the Laity Address. She based her message on the book, Horton Hatches an Egg, by Dr. Seuss. She shared how she has seen the conference remain as faithful to their task as Horton the elephant was. She told stories of faithfulness, creativity, and adaptability that she has witnessed in every district in the conference. She thanked the laity for all that has been done during the pandemic. She encouraged the churches to continue to meet the challenges that remain before them.

STATE OF THE CHURCH: Bishop Steiner Ball shared a video presentation prepared by the Connectional Table featuring bishops from throughout the global connection, celebrating the ways UM churches around the globe have responded to ministry needs during the pandemic. This video (*Blessed is the Church*) is available on the conference website.

Bishop Steiner Ball acknowledged the stress that the pandemic has caused the pastors and churches. However, she celebrated the benefits of online worship, despite the challenges. She highlighted the efforts of the conference to combat racism, including the "Front Porch" discussions of four West Virginia bishops which have been used throughout the conference. Portico is an online learning platform available for the conference, developed by the Congregational Vitality Team. She recognized the uncertainty of the General Conference, but looked for opportunity within the uncertainty. She talked about the experiment with the supervision of three Annual Conferences to be served by two bishops. She and Bishop Cynthia Moore-Koikoi will serve West Virginia, Western Pennsylvania, and Susquehanna.

She shared that the conference will go from nine to eight conference superintendents to serve the nine current districts. Supervision of the charges in the conference will be shared across traditional district boundaries.

CABINET TRANSITIONS: Bishop Steiner Ball recognized the three cabinet members who were leaving the cabinet. She read a commendation for each of them.

Okey Harless, the Conference Superintendent assigned to the Western District, and his wife, Jane, were recognized earlier and the recording was shared. Bishop Steiner Ball thanked Okey for his leadership, determination, and witness. She recognized his leadership on apportionments and for helping the Western District to vision for the future. Okey is retiring after 42 years of ministry.

**Rev. Martha Ognibene was one of three superintendents transitioning from the Bishop's Cabinet**

In recognizing Martha Ognibene, the Conference Superintendent assigned to the Northern District, and her husband, Bart Thompson, she thanked Martha for her eight years as a superintendent and seven years as the Cabinet Secretary. In her citation, she recognized Martha's vision, sense of humor, and love of life. Her compassion, honesty, and spirituality were shared throughout the Northern District. Martha will be serving Wesley, Morgantown, in the MonValley District.

She recognized Joseph Kenaston, Dean of the Cabinet and Conference Superintendent assigned to the Southern District, and his wife, Judi. She thanked him for his gift for administration, combined with a deep compassion and spiritual care for others. His work in the Southern District developing mission opportunities will continue to bear fruit. She recognized his service as Dean of the Cabinet for five years, which included holding colleagues accountable, while always being available to offer guidance and assistance. Joe will be serving Forrest Burdette Memorial, Hurricane, in the Midland South District.

**10:00 a.m.**

CLERGY EXECUTIVE SESSION

The Clergy Executive Session was held by Zoom Webinar and GNTV Media provided a platform for access and voting. Each participant was provided a secure Voter ID which enabled voting. The session was under the direction of the Rev. Dr. Jay Parkins, chairperson of the Conference Board of Ordained Ministry, and Bishop Sandra Steiner Ball, Resident and Presiding Bishop. Permission was given through the voting feature for the presence of the Conference Secretary, Judi Kenaston, and the GNTV staff. Invitation for attendance was also extended to local pastors, provisional members, and clergy from other conferences serving within the bounds of the West Virginia Conference.

**Moderators answer questions during the Clergy Session**

The bishop explained how to use the "get access" feature to request to be recognized. She also explained that those eligible to vote are full member elders and deacons of the West Virginia Conference.

The Business of Annual Conference report was distributed by email to all who were registered for the Clergy Session. The report represents the work of the Board of Ordained Ministry and the District Committees on Ministry.

The format for the session was designed by the Order of Elders and presented the required Business of the Annual Conference. Candidates for ordination and commissioning, who had been approved by the Board of Ordained Ministry, were presented for approval by the Executive Session. All recommended persons were approved, welcomed, and given an opportunity to speak to the body.

Those completing the Course of Study or Master of Divinity degree were recognized.

During the session there was a period of accountability during which the Rev. Dr. Joseph Kenaston, Dean of the Cabinet, reported that, with the exception of situations that were being handled through a supervisory process, all other clergy were blameless in their life and official administration.

A complete reporting of actions taken during this session can be found in *Section IV, Business of the Annual Conference.*

A LAY SESSION for lay members of the Annual Conference and others was held by Zoom Webinar on Sunday, May 23, 2021. The session was led by Ms Kristi Wilkerson, Conference Lay Leader. The session previewed Annual Conference business, including the proposed changes in structure and the healthcare recommendations. District lay leaders were introduced to the gathering.

**Friday evening, June 4**
**6:00 p.m.**

MEMORIAL SERVICE

Gathering music was provided on the organ by Brett Miller.

The sermon was given by Rev. Mark Conner, retired conference elder. The sermon, "Changed from Glory into Glory" was drawn from selected verses from John 14.

OPENING REMARKS: Bishop Steiner Ball called the session back to order. There were members in attendance in Wesley Chapel, West Virginia Wesleyan College, and members who joined online, with voice and vote. GNTV Media hosted the online presence and provided the conference with secure Voter IDs for each online voter. There were also persons attending online, with voice and no vote, including retired local pastors not serving appointments, and those persons currently serving within the West Virginia Conference under *Book of Discipline* paragraph 346. These persons had access to be recognized, but did not have a voter ID. Additionally, the conference was livestreamed for visitors and observers.

**Krysta Rexrode Wolfe**

Bishop Steiner Ball told the Conference that the majority of those participating were online, and she planned to allow time for those online to participate fully. While those in person would be recognized by raising their hands, those online would use a "get recognized" feature provided by GNTV Media.

Krysta Rexrode Wolfe (clergy, Annual Conference Program Committee Chair, Cross Lanes, Midland South District) explained the secure voting platform. She mentioned that all members had been given the opportunity for training in online webinars held May 25 and May 27, which were recorded for those unable to attend. She gave explicit directions for the voting process and led the conference in practice votes. This vote also allowed the members who were attending in-person to practice while tellers counted their votes. Each vote taken was counted both electronically and in-person and the totals were added together before being reported to the Conference.

ORGANIZATION OF THE CONFERENCE: Steve Hamrick (clergy, UM Temple Beckley, Southern District and Assistant Secretary) moved that the 2021 session of the West Virginia Annual Conference of The United Methodist Church proceed under the plan of Organization, Rules, and Procedures adopted at this session.

The motion was as follows:

- The bar of the conference will include Wesley Chapel at WVWC; the bar will also include members on electronic devices connected through a secure log-in provided in advance by the West Virginia Conference.
- All Annual Conference related materials, posted on the conference website, be considered in the hands of conference members at the opening session.
- Members voting through secure log-in will exercise their right to voice, amend, and vote as instructed at the pre-Conference online voting training. Voting will take place in-person at Wesley Chapel and electronically as provided through secure log-in. Training for voting has been provided for all members. Members of the Annual Conference shall be responsible for ensuring that all necessary technology is in place and working properly to participate.
- In compliance with paragraphs 32 and 602.4 of the *Discipline*, Equalization Members, as listed on pages 10 and 11 of the *Conference Workbook*, are elected.
- In order to secure the *floor*: (1) Members participating through secure log-in will use GNTV webinar's recognition feature to indicate a desire to make a motion, amendment, or speak, as instructed in training. If the Bishop recognizes the request, the member will follow the prompts to confirm their microphone as unmuted. (2) Members present in Wesley Chapel will raise hands from their seats to request to be recognized.
- The following tellers, as named by District Superintendents in collaboration with the Conference Secretary to serve at Wesley Chapel, are elected: Jonathan Acord, Scott Ferguson, Gary Hartsog, Loretta Isaiah, Angela Jones, Jeffrey Kanode, Joseph Kenaston, Beverly Kerr, Ellen Krimmel, Neil Leftwich, Michael Ludle, Steve Matthews, Martha Ognibene, Alyssa Perry, Brian Plum, Deborah Shaffer, Rich Shaffer, Melissa Shortridge, Robert Stigall, and Clare Sulgit.
- The following are elected as Assistant Secretaries: Pam Braden, Steve Hamrick, Pam Sears, and Audrey Stanton-Smith.
- The webinar facilitators, selected by the Bishop in collaboration with the Conference Secretary and the Program Committee, are approved. They are Jarrod Caltrider, Shea James, Ken Krimmel, Sarah Estep, Chip Bennett, and Jim Minutelli.
- Roll Call will be taken by submitting roll call cards for those attending in-person and by logging in to the secure electronic location.

- To maintain an open meeting, the West Virginia Annual Conference will be livestreamed and recorded for playback.
- Resolutions, to be presented at Annual Conference and available at the time of printing of the *Conference Workbook*, are found within the Pensions report and within the report from CFA. There is one additional resolution, found in the distributed supplemental materials.

Bishop Steiner Ball reminded the Conference that Equalization Members listed in the *Workbook* would not vote on the organizational motion because they have not yet been elected into membership. Online Equalization Members had their voter IDs turned off by GNTV Media. In-person Equalization Members were identified by an orange nametag and were not counted by the tellers.

The vote was opened. Online voters could choose "yes" or "no." In-person voters stood to be counted in favor, were seated, and then those opposed were given a chance to stand to be counted. Each subsequent vote was taken in the same manner, except in subsequent votes, in-person members could raise their hands, rather than stand.

The vote total for both online and in-person votes for the Organizational Motion was 350 in favor; 3 opposed. Motion was adopted.

Bishop Steiner Ball recognized that Equalization Members were duly elected. Online voter IDs were activated, and in-person Equalization Members were to be counted for the remainder of the Conference.

ROLL CALL: Conference Secretary Judi Kenaston (lay equalization, Conference Secretary, Southern District) called for the online roll call vote to provide a list of those who had logged in to the secure voting. The vote was taken. In-person members were counted in roll call by returning cards provided for them with their credentials.

**Rev. Scott Sears, Chair of Rules Committee**

AGENDA: Krysta Rexrode Wolfe (clergy, Annual Conference Program Committee Chair, Cross Lanes, Midland South District) presented the revised agenda for the day. The agenda was presented in the supplemental materials to the *Conference Workbook* which was distributed on Wednesday. She moved adoption of the revised agenda. It was supported by a vote of 508 in favor to 2 opposed.

RULES: Scott Sears (clergy, Chair of Conference Rules, First Huntington, Western District,) presented the work of the Rules Committee. Due to the large volume of the work, the Rules were presented in two parts beginning with *Part A. Rules and*

*procedures for the Annual Conference Session*. This section of the Rules confirmed what was included in the Organizational Motion and allowed for such work to continue in the future. The changes allowed for future gatherings and other bodies within the West Virginia Conference to hold electronic meetings and voting.

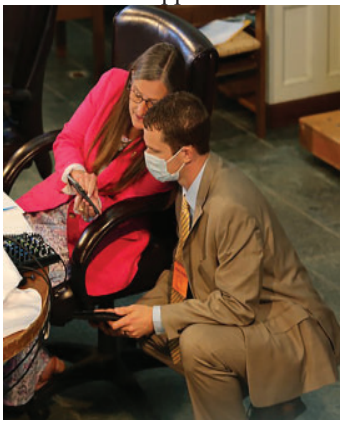
Scott Sears moved the adoption of Part A, Section II, subsections 3, 7, 13, 17, 26, and 28, as found in the *Conference Workbook.*

The vote was taken. It was adopted by a vote of 452 in favor and 6 opposed.

Scott Sears moved the adoption of all of Part A of the Conference Rules, including all the amendments and deletions and changes made to Part A by this session of the Annual Conference. The vote was taken. *Part A of the Rules and Procedures for the Annual Conference Session* was adopted by a vote of 454 in favor and 6 opposed.

PENSIONS: Jamie O'Brien (lay equalization, Chair of the Board of Pensions, Wesleyan District) requested permission for Bob Gerlach and Peter Hang from WesPath to be allowed to speak to answer clarifying questions from the body, if needed. Approval was given by the body.

Jamie O'Brien explained the recommendations of the Board of Pensions to move from the Conference's current partially self-funded active health insurance plan to HealthFlex offered by WesPath. The recommendation does not include the Medicare supplement offered through the Conference. He expressed the concern of the Board of Pensions over the current lack of participant options, difficulties imposed on the appointment process, lack of population diversity, lack of participant education, and lack of proactive wellness opportunities. They requested multiple bids, but received only the WesPath proposal. Other providers sited very high claims cost, large number of employers, and cumbersome structure as the reasons for declining to provide a proposal. The Board believed that the HealthFlex plan from WesPath would keep costs and the funding structure similar to the current plan. Providing a flat rate per participant as the charge responsibility will enable the cabinet to make appointments more equitably. The move would allow the costs for the coming year to remain the same.



**Bishop Steiner Ball confers with Jamion Wolford, Director of Administrative Services, during debate on the Healthcare proposal**

He moved that the Conference transition to HealthFlex for the active health insurance coverage beginning January 1, 2022.

Jeff Allen (clergy, Director of WV Council of Churches, Midland South District) asked if there is a cost to the Annual Conference to begin participating in HealthFlex. Jamie O'Brien said that there was no cost to buy into the program.

Bill Wilson (clergy, Retired, Western District) moved to amend Item F under the Medical

Insurance proposal by adding "A Medicare supplement will continue to be offered to Medicare Eligible Participants by the Conference." to the end of Item F. Motion was seconded.

Amendment was supported without discussion by a vote of 443 in favor to 20 opposed.

Jack Lipphardt (clergy, Retired, Midland South District) asked if retirees would be eligible for participant plus one. Jamion Wolford (lay equalization, Conference Treasurer, Little Kanawha District) responded that they would not be eligible unless they were not Medicare eligible.

Ford Price (clergy, Epworth Ripley, Little Kanawha District) asked if dental or vision automatically was a part of the new plan and, if not, who decides which plan to choose. Jamion Wolford replied that the dental and vision are options within the plan and plan participants choose which options they prefer.

Vote was taken on the motion to adopt the recommendation to move active health insurance to Healthflex in 2022, as amended. The motion was adopted by a vote of 456 in favor and 6 opposed.

Jamie O'Brien moved the adoption of the remainder of the Board of Pensions report which included the resolution, **Resolution Relating to Rental/Housing Allowances for Retired or Disabled Clergypersons of the West Virginia Annual Conference.** Also included in the motion were the Retired Ministers' Housing Loan Fund and Clergy Emergency Fund Policy. The motion was adopted by a vote of 462-2. ***(See Resolution One in Section VI of the Journal).***

The entire report as submitted and amended was supported by a vote of 456 in favor and 1 opposed.

VIDEO: A video produced by the Discover Team, "We Are All Called!" was shared. (Video resources available on the Conference website - www.wvumc.org).

RECESS: There was a 15-minute recess.

EQUITABLE COMPENSATION: Michael Atkinson (clergy, Chair of Equitable Compensation, First Clarksburg, Wesleyan District) presented the report of the Equitable Compensation team. He explained the work of the Equitable Compensation team and moved the report as printed, which would define full-time clergy service for the conference by setting a minimum base compensation for category 1 at $38,000; category 2 at $35,800; and category 3 at $34,600. This would be an increase of $1,000 for Category 1; $800 for Category 2; and $600 for Category 3.

Mark Flynn (clergy, Duffey Memorial /Bass Charge, Potomac Highlands District) moved an amendment to the minimum base compensation by increasing all categories by $800, so that the totals would be $37,800 for Category 1; $35,800 for Category 2; and $34,800 for Category 3. The motion was seconded.

Scott Sears (clergy, First Huntington, Western District) asked for the rationale for the

recommendation of the Equitable Compensation team. Michael Atkinson responded that the team was trying to help clergy in Category 1 who are struggling with student loan debt.

A vote was taken on the amendment, and it was supported 244 in favor and 199 opposed.

Karen Tate (clergy, Vincent Memorial/Broad Oaks, Wesleyan District) asked if the average apportionments for churches would go down enough to compensate for the increase in minimum salaries. The bishop answered that apportionments are calculated for each individual church. With this response, Karen Tate spoke against the motion as amended.

Bill Wilson (clergy, Retired, Western District) asked whether the action taken earlier regarding healthcare would affect Recommendation #6, which requires that a minimum of 70% of the conference medical insurance plan be paid.

**Rev. Michael Atkinson considers proposed changes to Equitable Compensation recommendations.**

Michael Atkinson responded that the report was prepared prior to the changes to the health care plan. He said that the intention would be that the charge is required to provide a minimum of $6,500. He suggested that this could be changed editorially.

Randy Flanagan (clergy, Wesley Morgantown, MonValley District) rose to a point of order: that any change to wording would need to come as an amendment. The bishop stated the point of order was well taken.

Robert Baer, Jr. (clergy, Peters Valley, Greenbrier District) moved that Recommendation #6 be changed to "a minimum of $6,500 per charge as required by the Healthcare plan." The motion was seconded.

Jeff Allen (clergy, Director of WV Council of Churches, Midland South District) asked what the total cost of seminary education is and if it is not known, if it could be studied.

Dwayne Brown (clergy, Tennerton/Mt. Hope, Wesleyan District) asked if the $6,500 amount would vary according to what plan was chosen. Michael Atkinson responded that some churches provide more assistance to the clergy than the minimum requirement. The recommendation deals with the minimum amount.

The Conference Secretary read the wording for the Robert Baer, Jr., amendment.

Carol Keller (lay, Gassaway/Morrison, Wesleyan District) clarified that the change was being made to line 26 on page 83.

Scott Ferguson (clergy, Potomac Highlands District Superintendent) asked if this change would also apply to page 84, lines 34 and 44 under the limitations of Financial Support. Michael Atkinson said that line 34 is not affected, but that line 44 should read "medical insurance over $6,500" rather than "medical insurance over 70%."

Robert Stigall (lay, Morris Memorial, Midland South District) asked for clarification of 70% of compensation on line 34 under eligibility for funds. The bishop said that percentage was not affected by the amendment.

Ken Ramsey (clergy, Bridgeport, Wesleyan District) said that line 44 on page 84 should read "any amount over the $6,500" because that is included in the Limitations of Financial Support.

The amendment would read: On page 83 line 26, item 6, and page 84, line 44, delete "minimum of 70% of conference medical plan" and change to "minimum of $6,500 per charge as required by the Healthcare plan."

A vote was taken and the amendment was adopted by a vote of 442 in favor and 14 opposed.

In answer to the question of how much seminary costs, the following statements were offered by online participants: Erin Sears (lay equalization, Member of Covenant Council) said her seminary cost was around $45,000 per year in tuition and living expenses to attend Candler School of Theology. Michael Rexroad (clergy, Central Huntington, Western District) said his costs were around $80,000 at ATS.

Ford Price (clergy, Epworth Ripley, Little Kanawha District) asked how the $6,500 cost compares to the 70% amount. Jamion Wolford said that the comparisons are enumerated on the conference website.

Jane Costanzo (lay equalization, Northern District) asked how medical insurance premiums will be paid and to whom. Jamion Wolford responded that the billing will come from the Treasurer's Office to each charge and will be delineated between charge responsibilities and the participant's choices. The charge will be a standard amount of $6,500, unless the charge elects to pay more of the participant's amount.

Mike Estep (clergy, Suncrest, MonValley District) spoke against the report as amended because of the high cost of seminary and the difficulty of recruiting students to come to the West Virginia Conference.

A vote was taken on equitable compensation recommendations as amended. The motion was adopted by a vote of 442 in favor and 14 opposed.

Bishop Steiner Ball called the session back to order at 2:00 p.m., following the lunch recess. She opened with prayer, including prayer requests shared aloud in the session and online.

A video of Bishop Cynthia Moore-Koikoi was shared. Bishop Moore-Koikoi and Bishop Steiner Ball will be providing episcopal leadership for three conferences – West Virginia, Western Pennsylvania, and Susquehanna. Bishop Moore-Koikoi brought greetings to the conference and shared her excitement with the shared leadership experiment.

Bishop Steiner Ball called on Scott Sears for the second part of the Rules report.

RULES: Scott Sears (clergy, Chair of Conference Rules, First Huntington, Western District) presented the second part of the work of the Rules Committee. He indicated that the proposed changes would affect the current Rules found on page 16 of the *Conference Workbook*, beginning with line 48 and continuing through page 29. He began with the changes proposed for *Part B: Rules and Procedures for the Organization of the Annual Conference. Section IV: Miscellaneous Standing Rules of the Conference Subsection 8: District Conference.*

He pointed out that paragraph 658 of the *Book of Discipline* states, "A district conference shall be held if directed by the annual conference of which it is a part and may be held upon the call of the District Superintendent." The amendment to the Conference Rules reflects that this Annual Conference desires to direct District Conferences to be held as they are either needed or desired as part of the ongoing mission and ministry of a district.

He moved amending *Part B, Section I, Subsection 8* as follows (and printed in the *Conference Workbook* on page 48 in lines 23 through 47):

8. **District Conference**. [*Book of Discipline* ¶42, 656-669] District Conferences ~~shall~~ may be held ~~annually~~ in each district of the Conference. The Annual Conference authorizes the District Superintendent to call district conferences as needed. In addition to the ex-officio membership, each Charge Conference ~~shall~~ may elect two principal and two reserve delegates. The ex-officio membership of the District Conference, when called, shall be comprised of the following: All clergy of the district: including retired, those under disability, maternity leave, leave of absence, or sabbatical leave —associate, provisional, diaconal and local; the deaconesses of the district; District personnel, as listed: district trustees, district lay leader and associate lay leaders, chairperson of the District Board of Laity, chairperson of the District Council or equivalent structure, presidents of the District United Methodist Women, United Methodist Men, and District Council of United Methodist Youth Ministries.

> Local church personnel as listed (from local churches within the district): lay members of the Annual Conference, church lay leader, chairperson of Church Council, presidents of United Methodist Women, chartered United Methodist Men, and United Methodist Youth Fellowship. A current and accurate report of all elected officers and committee chairpersons shall be submitted to the WV Conference office. The report shall include name and current contact information.
>
> The Annual Conference directs ~~E~~each District Superintendent to hold a District Conference following the meeting of the General Conference ~~at the first session following General Conference~~, to elect for a term of four (4) years, a District Lay Leader. The term of office shall be subject to the two-quadrennium rule.

Bill Wilson (clergy, Retired, Western District) moved the following amendment to the proposed rule change: *"When there is no District Conference held for the annual election of District Trustees, District Trustees will be elected by the Annual Conference as directed by Paragraph 2518.2 BOD. Listing of District Trustees shall be reported in the annual*

*reporting for election from District Superintendents that includes the District Committee on Ordained Ministry and District Committee on Church Building and Location."*
The motion was seconded, and he spoke in favor of it.

Joe Kenaston (clergy, Southern District Superintendent) spoke against the amendment, stating that the provision was already in the *Book of Discipline*.

The amendment was not supported by a vote of 94 in favor and 329 against.

Mark Flynn (clergy, Duffey Memorial/Bass Charge, Potomac Highlands District) spoke against the proposed change because District Conferences are an important connection within the conference. He suggested that District Conference could be used for celebrations and for voting on the district budget.

Mike Estep (clergy, Suncrest, MonValley District) spoke in favor of the proposed change, stating that it didn't prevent District Conferences, but it allowed for greater flexibility to the superintendents and the districts concerning when and how the conferences are held.

The vote was taken. Changes to *Part B., Section 1, Subsection 8* were adopted with 335 in favor and 92 opposed.

Scott Sears highlighted the document 2021-09 which contains an edited proposal to what was found in the *Conference Workbook* around *Rule B. Rules and Procedures for the Organization of the Annual Conference, Subsection IV: Miscellaneous Standing Rules of the Conference and Subsection 6: Equalization of Lay and Clergy Membership.*

He explained that the Rules Committee had worked for the past two years to refine the rule that the Committee believed met the requirements of Paragraphs 32 and 602.4. He moved the following amendment:

**Rev. Mike Estep**

*6.* ***Equalization of Lay and Clergy Membership****. The Annual Conference Secretary shall annually review the number of clergy and lay members of the Annual Conference, based on information in the most recent Conference Journal, and determine the number of additional lay members required to be in compliance with ¶¶32 & 602.4. By authority of the Annual Conference T~~t~~he Secretary shall ~~determine the number of additional lay members required for equalization and select and notify~~ and invite persons to be present for election as ~~these~~ equalization members according to priorities of sequence in the following list:*

*a. The Conference Secretary and the Conference Treasurer/Director of Administrative Services.*
*b. Lay persons serving on General Church Agencies.*
*c. Lay persons employed as Director or Associate Directors of Office of Connectional Ministries.*

d. *Lay persons who chair conference agencies including those who are elected to chair sections or divisions.*
e. *Church and Community Workers.*
f. *The Conference Chancellor.*
g. *The President of West Virginia Wesleyan College, if that person is a member of The United Methodist Church. ~~(If a member of The United Methodist Church.)~~*
h. *A West Virginia Wesleyan College student who is a young adult as determined by the Discipline. The student shall be a member of The United Methodist Church in the WV Annual Conference, familiar with the multi-faceted nature of the Campus Community and representative of the diversity of the student body. The student shall be invited by the Office of Spiritual Life in consultation with the Student Senate and President of the College.*
i. *All lay persons serving on the following Conference Agencies: Nominations, Program, Rules, and nine youth between the ages of 15 and 18 to be ~~selected~~ invited by the Conference Council on Youth Ministries.*
j. *All lay persons serving on the Conference Board of Ordained Ministry, Conference Council on Finance & Administration and Conference Covenant Council.*
k. *All lay persons serving as the chairperson of a District Council on Ministry or equivalent structure.*
l. *All lay persons employed as Directors of Conference Health and Welfare institutions and Mission Projects, if they are members of The United Methodist Church ~~(if a member of The United Methodist Church)~~.*
m. *~~Certified Lay Minister under assignment~~*
n. *~~A West Virginia Wesleyan College student who is a young adult as determined by the Discipline. The student shall be a member of The United Methodist Church in the WV Annual Conference, familiar with the multi-faceted nature of the Campus Community and representative of the diversity of the student body. The student shall be named by the Dean of the Chapel in consultation with the Community Council President and President of the College.~~*
m. *Up to eight persons from each district invited by the District Committee on nominations or equivalent structure or superintendent with attention to ethnicity, race, age, gender and church size.*
n. *Certified Lay Minister under assignment*

o. *Additional persons ~~selected~~ invited by the Parish Coordinators in each district upon nomination by the District Committee on Nominations (or equivalent structure), after the Conference Secretary has informed the District Superintendents of the appropriate number per district.*

*Individuals from this priority list who have responded affirmatively to the invitation by their respective group shall be formally invited by the Annual Conference Secretary. Those who accept shall be presented for election by the Annual Conference in the organizing motion. Once duly elected by the Annual Conference, they will be seated within the bar as equalization members.*

*The Committee on Annual Conference Program, in consultation with the Council on Finance and Administration, shall assist with expenses of equalization members and shall determine the amount of the stipend each year. Funds will not be provided for attendance at one-day special sessions.*

Mark Flynn (clergy, Duffey Memorial/Bass Charge, Potomac Highlands District) moved to substitute the rule that he had proposed to the Rules Committee, and which had been printed in the *Conference Workbook*. The motion was seconded. He spoke in favor of the rule, stating his belief that the existing rule was in violation of the Constitution.

Scott Sears stated a point of order, that the proposed substitution required a District Conference every year and the action that the conference took earlier does not require District Conferences. Bishop Steiner Ball agreed that the substitution was out of order.

Mark Flynn questioned whether this would also apply to the elections of district lay leaders which are required to be elected once every quadrennium, and the Bishop said that it would not because this election is required by the *Book of Discipline*. Scott Sears clarified that the rule on District Conferences required this election.

The vote *on Part B, Section IV*, subsection on 6 was held. The change to the rules was adopted by a vote of 319 in favor and 86 opposed.

**Rev. Mark Flynn**

Mark Flynn requested a Decision of Law on the passage of Rule 6. The request is as follows:

*In accordance with ¶¶51 and 2609 of the Book of Discipline, I request a bishop's decision of law on the following questions about the amended new rules for "Equalization of Lay and Clergy Membership," in light of Discipline ¶¶32, 602, and 604.1, Judicial Council Decision #886, and other relevant church law:*

*Does the newly amended rule 6, on Equalization of Lay and Clergy Membership violate*

*Discipline Paragraph 32's requirement for the genuine "**election** of additional lay members to equalize lay and clergy membership of the annual conference" (emphasis added), or any other relevant church law, when it provides for an election which takes place only after that year's annual conference session is called to order? Does this amended rule violate Discipline Paragraph 32 or any other part of church law when this vote would take place only AFTER the nominees had already arranged to take time off of work, checked into hotel rooms, and traveled to the site of the annual conference session? Does this amended rule provide a genuine election in conformity with Discipline Paragraph 32 and other relevant church law when it would be too late at the time of the vote to have other persons make these same arrangements to be present for the annual conference session?*

Bishop Steiner Ball explained that she will have 30 days to give her ruling on the Decision of Law. After that, the Judicial Council will review her Decision of Law and either agree, agree in part, or state what would need to be changed to bring the Conference into compliance with the *Discipline*.

Scott Sears moved *Part B, Section I, Section II, and Section IV* of the proposed rules which provide for the redesigning of the conference ministry structure. This material was found on pages 41 – 47 of the *Conference Workbook* (and is printed in the Rules in this *Journal*).

**Tellers count votes in Wesley Chapel. Members also voted online.**

Judy Raines (lay equalization, Chair of Global Ministries, Southern District) requested to make an amendment as follows: "*To insert Section B.II.16 'Global Ministries' from our current conference rules found on page 20 of the Conference Workbook with the exception of substituting the words "Core Leadership Team where it says 'Covenant Council' in Line 50/51 which is paragraph 4 of 16b at line 30 on page 45 of the Conference Workbook, so that it appears in the new structure proposal following the rules for Finance and Administration and before Lay Ministry: all of this is to be renumbered accordingly."*

Judy Raines was unable to connect audibly from the online platform, so Bishop Steiner Ball read her motion from the "get recognized" function provided for online participants. The motion was seconded. Judy Raines emailed her rationale and Scott Sears read it aloud to the body.

Bill Wilson (clergy, Retired, Western District) spoke in favor of the amendment. Randy Flanagan (clergy, Wesley Morgantown, MonValley District) asked how other teams were being cared for and if there are already plans for how to deal with Global Ministries. Bishop Steiner Ball stated that the Core Leadership Team will work creatively in those

areas not required by the *Book of Discipline* and will allow participation by broadly defined membership. Kristi Wilkerson (lay equalization, Conference Lay Leader, Wesleyan District) stated that membership for all areas not required by the *Book of Discipline* would be named by the Core Leadership Team. Bonnie MacDonald (clergy, Director of Leadership Formation and Ministry Staff, Midland South District) stated that while the Board of Global Ministries already has structured policies detailing its operations, this amendment would decide how the team membership is selected. Gary Hartsog (lay equalization, Southern District Lay Leader) spoke in favor of the amendment because it brings clarity to the structure. Bishop Steiner Ball directed the conference's attention to the graphic found on page 55 of the *Conference Workbook* which explains which committees are selected by whom. Bill Wilson responded to Randy Flanagan and Gary Hartsog by stating that it is important to balance the structure.

A vote was taken on the Raines amendment. The amendment was adopted by a vote of 347 for and 66 against.

Rich Shaffer (lay equalization, Little Kanawha District) moved that the immediate past lay leader (for the first year of quadrennium) should serve for one year on the Lay Ministry Team. Motion was seconded.

Vote was taken without discussion. Amendment adopted 338 in favor 61 opposed.

Discussion continued on the main motion as twice amended.

Jennifer Spoor (lay member, Eastern Cabell–Milton, Western District) asked why the six tasks enumerated in the purpose for the Covenant Council in the current rules are left out of the new structure.

Scott Sears replied that the new Core Leadership Team had responsibilities that were required of it and they represent new priorities for the conference. Bishop Steiner Ball stated that the Core Leadership Team will focus on the vision, mission, and goals of each Team.

Jennifer Spoor responded that she fears that no one would assume the responsibilities for the necessary functions.

A vote was taken on the amended rules for re-structure. It was adopted by a vote of 378 in favor and 33 opposed.

Scott Sears moved the entire Rules report. It was adopted by a vote of 393 in favor and 19 opposed.

BREAK: Conference was recessed for 10 minutes.

RESOLUTION: Jeff Matheny (lay, Mt. Pleasant Mineral Wells, Little Kanawha District) presented a resolution from the Covenant Council: Moving Toward a Simplified Ministry Structure Through a Transitional Year, which requested a transitional year for the Covenant Council to work with the Core Leadership Team as the new structure is implemented. The resolution was in the *Conference Workbook* supplementary material in document 2021-05.

Ellen File (clergy, Chaplain, BUMFS Beckley Center, Southern District) asked if the resolution needed to be amended to include the addition of Global Ministries. Bishop Steiner Ball said that the resolution refers to all that was approved.

The resolution was adopted by a vote of 382 in favor and 4 opposed. ***(See Resolution Two in Section VI of the Journal).***

CONSENT CALENDAR: Judi Kenaston (lay equalization, Conference Secretary, Southern District) moved the adoption of the Consent Calendar, which was originally presented at the Thursday evening session. The Consent Calendar, containing reports presented in writing in either the *Conference Workbook* or supplemental materials, was supported by a vote of 391 in favor and 2 opposed.

TRUSTEES: Randy Flanagan (clergy, vice-president of the Conference Board of Trustees, Wesley Morgantown, MonValley District) presented the trustees report. Trustee President, Betsy Martin-Edwards (lay equalization, Trustee President, Wesleyan District) was participating online. Rev. Flanagan moved three trustee resolutions, noting that there was an editorial change to a date in the third resolution: (1) Closed Properties, and the Sale and Other Disposition of the Same; (2) Closed Church – Real and Personal Property Funds; and (3) Unlawful Appropriation of Church Property.

Trustee resolutions were approved by 389 in favor and 8 against. ***(See Resolutions Three, Four, and Five in Section VI of the Journal).***

**Eva Hensley Faulkner, Associate Conference Lay Leader**

COVENANT COUNCIL: Eva Hensley Faulkner (lay equalization, Associate Lay Leader, Southern District) moved adoption of the report of the Covenant Council, including recommendations found on pages 78-79 of the *Conference Workbook*. The recommendations included a vision for global ministries presence in local churches, the Conference Advance Specials, and coordinators for Connectional Ministries, with the exception of the Child Protection Coordinator, which is yet to be named.

The report and recommendations were approved by a vote of 382 in favor and 1 opposed.

COUNCIL ON FINANCE AND ADMINISTRATION (CFA): Ken Ramsey (clergy, Chair of CFA, Bridgeport, Wesleyan District) presented the report of CFA. He moved the approval of items 3 – 15 of the recommendations, which were found on pages 168 – 170 of the *Conference Workbook*. He changed the language in Item 3, 40b from "amount over Required 70% Health Premium Funded by the Church" to "amount over the required $6,500 Health Insurance Payment" to reflect the action of the conference on health insurance.

These items were approved by a vote of 382 in favor and 2 opposed.

Ken Ramsey moved the adoption of items one and two on page 68, which included a budget of $12,233,195 for 2022, which is $644,460 less than the 2021 budget and represents a decrease of 5% of the 2021 budget.

Steve Hamrick (clergy, UM Temple Beckley, Southern District) asked if the calculations for the three-year average in 40b would represent two years at the 70% and one year with the new calculation of greater than $6,500. The answer was yes. The over $6,500 amount would begin with calendar year 2022.

Michael Atkinson (clergy, First Clarksburg, Wesleyan District) asked what the impact of the health insurance adjustments would have on the budget. Jamion Wolford (lay equalization, Conference Treasurer, Little Kanawha District) answered that the budget was prepared with the anticipation that the new plan would be adopted, and any needed adjustments would be evaluated moving forward. It is anticipated that there will be a savings in the reserves and that is reflected in the 2022 budget.

The 2022 budget was supported with a vote of 372 in favor and 8 opposed.

Ken Ramsey moved the adoption of the fiscal policies as found on pages 171-176 of the *Conference Workbook*. The vote was taken. It was declared invalid after it was determined that the wording for the online ballot was incorrect. After correcting the wording of the online ballot, the ballot was taken a second time. The fiscal policies were adopted with a vote of 389 in favor and 8 opposed.

Ken Ramsey moved the adoption of the entire report from CFA. It was approved by a vote of 383 in favor and 5 opposed.

Bishop Steiner Ball thanked Jamion Wolford for his work as Conference Treasurer. She also thanked Ken Ramsey for his leadership of CFA, which has been extended due to the pandemic and the delay in General Conference. Ken Ramsey thanked the bishop for her leadership.

PERSONAL PRIVILEGE: Bishop Steiner Ball recognized Caitlin Ware and Sarah Wilmoth who are both serving on the Communications Team during conference and will be attending Duke Divinity School. Caitlin has been the interim chaplain at WVWC this conference year.

NOMINATIONS: Scott Mayberry (clergy, Chair of the Nominations Team, Perry Memorial, Southern District) presented the work of the Nominations Team. He shared the

process that the team used through numerous meetings, working to reflect the conference with attention to geography, lay and clergy, gender, age, ethnic background, individual gifts, and church size. The Nominations report included Archives and History, Episcopacy, Equitable Compensation, Pensions, Religion and Race, Rules and Conference Trustees, as well as the Core Leadership Team instituted by earlier Conference action. **Caitlin Ware takes pictures at Annual Conference as part of her role on the Communications team**

Scott Mayberry moved the entire report, found in both the *Conference Workbook* and supplemental materials.

Michael Rexroad (clergy, Central Huntington, Western District) asked how someone would be replaced on a district committee if they chose to no longer serve. The bishop responded that the district nominations process would replace the person in the interim and the new person would be approved at the next Annual Conference.

The report of the Nominations Team was approved by a vote of 373 in favor and 3 opposed.

Bishop Steiner Ball thanked Scott and the entire Nominations Team for their work.

PERSONAL PRIVILEGE: Bishop Steiner Ball highlighted the Bishop's Chalice Golf Challenge to be held on Monday, July 19, 2021, which will raise funds for the Endowment for Religious and Spiritual Life at West Virginia Wesleyan College.

# VI. RESOLUTIONS ADOPTED BY THE FIFTY-SECOND SESSION OF THE WEST VIRGINIA CONFERENCE

## Resolution Number One

## Resolution Relating to Rental/Housing Allowances for Retired or Disabled Clergypersons of the West Virginia Annual Conference

The West Virginia Annual Conference (the "Conference") adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergypersons of the Conference:

**WHEREAS**, the religious denomination known as The United Methodist Church (the "Church"), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church ("Clergypersons");
**WHEREAS**, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;
**WHEREAS**, pensions or other amounts paid to active, retired, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, and disabled Clergypersons in consideration of previous active service; and
**WHEREAS**, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;
**NOW, THEREFORE, BE IT RESOLVED:**

1. THAT an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the "*Discipline*"), which includes all such payments from Wespath, previously the General Board of Pension and Health Benefits, during the year 2022 by each active, retired, or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

2. THAT the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related

to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired, or disabled Clergyperson's pension or disability as part of his or her gross compensation.
NOTE: The rental/housing allowance that may be excluded from a Clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations thereunder to the least of: (1) the amount of the rental/housing allowance designated by the Clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

## Resolution Number Two
## **Moving Toward a Simplified Ministry Structure Through a Transitional Year**

Whereas God is calling us as a Conference to *discover, develop, and deploy passionate spiritual leaders who make disciples of Jesus Christ for the transformation of the world,* and

Whereas our mission calls for a simplified ministry framework that adapts quickly to the challenges before us, with maximum flexibility to equip, support, resource, and train leaders and teams, and

Whereas our current ministry structure provides institutional memory and leadership wisdom, its size makes decision-making challenging, and generating new ministries difficult,

Whereas there is a need for intentional transition between our current ministry structure and the emerging ministry structure as laid out in the ministry structure proposal (Workbook pages 52-58)

Whereas the input from lay and clergy people of the West Virginia Annual Conference is essential to the design of a new ministry structure, and

Whereas our bishop and ministry leaders will continue to encounter new ministry challenges and opportunities, in our communities, our conference, and in collaborative leadership with other NEJ conferences,

Therefore, be it resolved:

- That the proposed ministry structure (Workbook pages 52-58 with corresponding Rules changes pages 29-47) be adopted at the 2021 Annual Conference, beginning with a transitional year of implementation, moving toward full implementation at Annual Conference 2022, accommodating feedback and appropriate adjustments as needed.
- That the Rules guiding the ministry structure begin at the 2021 Annual Conference, providing the groundwork for a transitional year of mission and ministry.
- That the transitional year be utilized by the current Covenant Council to guide the nominated Core Leadership Team, as the Core Team lives into its future role of coordinating, aligning, and equipping the ministry leaders and teams of the Conference.

— That the Covenant Council use the transitional year to identify important avenues of communication, ensuring that Annual Conference ministry leaders will stay up-to-date on Conference news related to the transition and other pertinent Conference announcements.
— That the current Covenant Council Leadership Team and the Core Leadership Team work together in the transitional year to pass the baton of responsibilities and leadership smoothly while also giving feedback on the design and function of the new Core Leadership team.
— That the 2022 Annual Conference receive a report on the status of the ministries of the Conference, particularly regarding the 2021-2022 ministry structure transition, including any potential feedback and recommended adjustments to the structure.

## Resolution Number Three
## **Closed Properties, and the Sale and Other Disposition of the Same**

WHEREAS, it is deemed desirable by this Annual Conference to declare under what circumstances certain properties may be deemed to be closed, placed in the hands of the Board of Trustees of the Annual Conference and sold, or otherwise disposed of; and

WHEREAS, The Book of Discipline of The United Methodist Church sets forth procedures that should be followed with regard to such matters;

NOW, THEREFORE BE IT RESOLVED:

1. When a local church property is no longer used, kept, or maintained by its membership as a place of divine worship, it shall be considered closed.
2. When a local church is closed and is, therefore, deemed to no longer serve the purpose for which it is organized, with the consent of the Bishop, a majority of the District Superintendents of this Conference and the District Board of Church Location and Building, the Annual Conference Trustees shall, upon such procedures as shall be prescribed by them, assume control of the property.
3. If circumstances do not make immediate action necessary, the Conference Board of Trustees may sell, transfer, lease or mortgage such property in accordance with the applicable provisions of The Book of Discipline of The United Methodist Church, as revised from time to time.
4. For purposes of this Resolution, the circumstances which make immediate action necessary shall be deemed to include the following: the possibility that the property will decline materially in value prior to the next meeting of the Annual Conference; the need to expend substantial funds for repair, alteration, safety and health or the Board of Trustees for uses previously authorized by the Annual Conference or the Board; the existence of an exceptional offer of purchase which is not likely to reoccur in the immediate future; and such other unique circumstances which the Board determines, in its discretion, justify the sale of such property as being in the best interest of the Annual Conference and its members.

(This resolution is based on the *2016 Book of Discipline of The United Methodist Church, Paragraph 2549*).

## Resolution Number Four

## Closed Church – Real and Personal Property Funds

WHEREAS, the Annual Conference annually approves the closing of specific church properties upon recommendation of the Cabinet and the Conference Board of Trustees; and,

WHEREAS, said properties may be sold by the Annual Conference Board of Trustees; and,

WHEREAS, the Annual Conference through the Conference Board of Trustees and the Conference Treasurer maintains a Property Proceeds Account & Property Funds reserves invested with the W.Va. United Methodist Foundation, Inc; and,

WHEREAS, the Board of Trustees may make recommendations to the Annual Conference at a regularly scheduled session of the Annual Conference for the dispersing of these funds; and, the Annual Conference annually directs the Trustees on the allocation of the Property Funds;

NOW, THEREFORE BE IT RESOLVED, after all legal fees and expenses related to the sale have been paid, the pension liability amount for the closed church ("an amount equal to its pro rata share of any aggregate unfunded pension obligations to the annual conference"), consistent with the 2019 addendum to the Book of Discipline, Paragraph 1504.23, p. 676, shall first be deposited with the Conference Treasurer for pension obligations of the annual conference.

AND, BE IT FURTHER RESOLVED that 10% of the net proceeds from the sale of closed church properties, after all legal fees and expenses related to the sale have been paid, and payment of the pension liability pro rata amount, shall be allocated for an endowment fund for capital improvements, repair and restoration of ethnic local churches. These funds shall be deposited and invested with the W.Va. United Methodist Foundation, Inc., and that the income shall be administered by the Annual Conference Ethnic Local Church Committee (Fiscal Policy 46),

AND BE IT FURTHER RESOLVED that whenever a historic ethnic local church is sold that 100% of the net proceeds from the sale of closed church properties, after all legal fees and expenses related to the sale have been paid, and payment of the pension liability pro rata amount, shall be allocated for an endowment fund for capital improvements, repair and restoration of ethnic local churches. These funds shall be deposited and invested with the W.Va. United Methodist Foundation, Inc., and that the income shall be administered by the Annual Conference Ethnic Local Church Committee (Fiscal Policy 46),

AND, BE IT FURTHER RESOLVED that 40% of the proceeds from the sales of closed church properties, after all legal fees and expenses related to the sale have been paid, and payment of the pension liability pro rata amount, shall be allocated to the New Church Development and Congregational Revitalization Fund of the Annual Conference, invested through the W.Va. United Methodist Foundation, Inc.; these funds may be used as outlined in Paragraph 2549.7, Book of Discipline, administered by the Conference Congregational Development Team and,

FINALLY, BE IT RESOLVED that the Annual Conference authorizes the Annual Conference Board of Trustees to disperse from the Property Funds those funds needed for conference owned properties, the Board of Trustees' expenses & administration and

emergency requests by the Cabinet (as monies are available); the Trustees are to maintain a reserve of no less than $100,000 in the Property Account. All disbursements are to be reported to the Annual Conference at its next regularly scheduled session.

## Resolution Number Five

## Unlawful Appropriation of Church Property

WHEREAS, at the 1970 through 2016 & 2020 annual meetings of the West Virginia Annual Conference of The United Methodist Church, certain Resolutions were adopted with reference to the unlawful appropriation by former members and Trustees of local church congregations of real and personal property formerly used in the ministry of The United Methodist Church (said Resolutions being 1970 Resolution No. 4; 1973 Resolution Nos. 5 and 12; 1974 Resolution No. 17; 1975 Resolution No. 22; 1976 Resolution No. 23; 1977 Resolution No. 17; 1978, 1979 and 1980 Resolution No. 11; 1981 Resolution No. 2; 1982 Resolution No. 7; 1983 Resolution No. 2; 1984 Resolution No. 2; 1985 Resolution No. 9; 1986 Resolution No. 11; 1987 Resolution No. 7; 1988 Resolution No. 9; 1989 Resolution No. 5; 1990 Resolution No. 1; 1991 Resolution No. 17; 1992 Resolution No. 11; 1993 Resolution No. 3; 1994 Resolution No. 4; 1995 Resolution No. 2; 1996 Resolution No. 5; 1997 Resolution No. 4; 1998 Resolution No. 2; 1999 Resolution No. 7; 2000 Resolution No.2; and 2001 Resolution No. 8; and 2002 Resolution No. 3; 2003 Resolution No. 7; 2004 Resolution No. 7; 2005 Resolution No.7; and 2006 Resolution No. 7; 2007 Resolution No.11; 2008 Resolution No.7; 2009 Resolution No. 5; 2010 Resolution No. 5; 2011 Resolution No. 7; 2012 Resolution No. 7; and 2013 Resolution No. 4; 2014 Resolution No. 5; and 2015 Resolution No. 6 and 2016 Resolution No. 6; 2019 Resolution No. 4; and 2020 Resolution No. 4 (hereinafter sometimes referred to as the "1970 through 2020 Resolutions"); and

WHEREAS, said 1970 through 2020 Resolutions authorized, empowered and directed the Board of Trustees of the Annual Conference to take such action as might be necessary to establish the legal rights of The United Methodist Church in and to all of the real and personal property formerly used in the ministry of The United Methodist Church or its predecessors, which had been or might thereafter be unlawfully appropriated and made provisions as to the disposition of such property and the proceeds thereof; and

WHEREAS, the Conference has heretofore paid and will be hereafter obligated to pay legal fees, expenses and court costs in connection with litigation instituted and to be instituted by the Board of Trustees pursuant to said Resolutions and it is the opinion of this Annual Conference that the proceeds of any sale, lease or other dispositions of any such real or personal property coming into the hands of said Board of Trustees should be used to reimburse the Conference for any such legal fees, expenses and court costs heretofore or hereafter paid by the Conference and authority for such use of said proceeds was contained in said 1970 through 2019 Resolutions, which use this Conference desires to ratify and confirm by this Resolution, all as hereinafter provided.

NOW THEREFORE BE IT RESOLVED by the West Virginia Annual Conference of The United Methodist Church as follows:

1. That the Board of Trustees of this Annual Conference after establishing and securing its ownership of and title to any real and personal property formerly used in the ministry of The United Methodist Church, or its predecessors, by any local church as a result of action

under and pursuant to any of the above-mentioned Resolutions or this Resolution, shall be authorized to sell any or all of said real or personal property or to enter into appropriate agreements as to the use thereof as in the judgment of said Trustees would-best preserve said property from loss, damage or destruction and provide for its use in accordance with the best interests of and subject to the usage and discipline of The United Methodist Church.

2. That the funds derived from any sale, lease or other disposition of any real or personal property recovered by or coming into the possession of the Board of Trustees as a result of action taken under and pursuant to said 1970 through 2019 Resolutions or this Resolution shall be remitted to the Treasurer of this Annual Conference and be deposited in an account in the name of the Board of Trustees of the West Virginia Annual Conference; and that the Treasurer be and is hereby authorized from time to time to use said funds to the extent necessary to reimburse the Annual Conference for funds heretofore or hereinafter paid by the Conference for legal fees, expenses and court costs in connection with action taken under and pursuant to said 1970 through 2019 Resolutions or this Resolution; that any balance in said special account from time to time in excess of that required to meet anticipated payments shall be invested by the Treasurer in accordance with the direction of the Board of Trustees; and that the Board of Trustees shall report to each Annual Conference hereafter the balance in such account.

3. That except as heretofore and herein modified, said 1970 through 2019 Resolutions shall be and remain in full force and effect.

4. That if, prior to the next regular meeting of this Annual Conference, any local church within the bounds of this Conference, or any such of the members of the congregations of any such church, should withdraw or declare their intention of withdrawing from The United Methodist Church in ways that do not follow the paragraphs of the Book of Discipline that define the process for so doing, and retain or seek to retain possession and control of or otherwise appropriate real or personal property formerly used by such local church in the ministry of The United Methodist Church or its predecessors, such local church is hereby declared to no longer serve the purpose for which it was organized, and, therefore, is deemed to be closed (pursuant to the UM Book of Discipline, Paragraph # 2549) as a local church in the West Virginia Annual Conference of The United Methodist Church, and the Board of Trustees of this Annual Conference is hereby authorized, empowered and directed to take such action as may be necessary to establish the legal rights of The United Methodist Church in and to such real and personal property, and to eliminate all claims of any and all persons asserting a right of ownership or right of possession adverse to the rights of this Annual Conference including the authority, upon the advice of counsel, to institute legal proceedings and pursue said proceedings to the extent necessary to conclude the issues with finality; and that such real or personal property or the proceeds thereof coming into the possession of said Board of Trustees shall be disposed of, administered, managed and invested as provided in this Resolution and any other resolution adopted by the Annual Conference.

5. That until the next regular meeting of this Annual Conference the Cabinet and the Board of Trustees are hereby further authorized, empowered and directed on behalf of this Annual Conference to take any and all such action. In addition to the actions hereby authorized, as the Conference Board of Trustees may deem necessary and appropriate to safeguard and protect the interests and rights of this Annual Conference and The United Methodist Church with respect to any real or personal property now or formerly or hereafter used by any local church within the bounds of this Annual Conference.

Resolution Number Six

## Parsonage Allowances - Clergy in Extenstion Ministries

WHEREAS, The West Virginia Annual Conference of The United Methodist Church is the qualified employing organization of its clergy; and

WHEREAS, The Internal Revenue Code, Section 107, provides for clergy to exclude (a) the rental value of a home furnished as part of compensation, and (b) the rental allowance paid as part of compensation, to the extent used to rent or provide a home,

THEREFORE BE IT RESOLVED, that in the calendar year 2022, the actual expense for housing, not to exceed $18,000, be designated as the parsonage allowance excludable under Section 107 of the Internal Revenue Code as part of the compensation of clergy employed by the West Virginia Conference in positions other than local churches such as Director of Administrative Services, Conference Secretary, Conference Staff, and Administrators of Conference Programs and Projects. District Superintendents shall have $4,000 be designated as the parsonage exclusion under Section 107 of the Internal Revenue Code as part of the compensation of clergy employed by the West Virginia Annual Conference in positions other than local churches.

## Commission on Archives and History
Mary Edith Johnson, Chairperson

The 2020-21 year has proven very different from what was anticipated when the previous report was submitted early in 2020. Cancellation of the in-person Annual Conference meant that the planned lunchtime gathering of the historical society, noted in last year's report, did not take place. Commission members who were scheduled to leave at the end of the quadrennium in June were asked to serve another year. The world became virtual; the last in-person meeting attended by the chair being the Rehoboth Board of Directors meeting in early March 2020. Set for only a couple of weeks later, the in-person commission meeting at West Virginia Wesleyan College (WVWC) had to be cancelled when COVID hit West Virginia.

In addition, relocation of the West Virginia United Methodist Archives, housed at the Annie Merner Pfeiffer Library at WVWC, was postponed when the college decided to close the campus and move the spring semester to an online-only mode. The bulk of the Methodist Archives was finally returned to the library between November 2020 and January 2021, and staff have begun work to catch up on the months-long backlog of reference and research requests received while the archives and the library were inaccessible. As of January 2021, the library and archives remain closed to the general public and non-campus-affiliated individuals.

As reported last year, the commission has committed support for an incremental digitization effort to scan and make accessible the journals of the various branches of West Virginia Methodism stretching back to their establishment. The pandemic hindered the plan to send journals for the Methodist Episcopal Church (South) for digitization during 2020 and also delayed work on quality control, metadata creation, and final uploading of those journals digitized to date. Slow but steady progress has been made through the late fall of 2020 and early winter of 2021, however. As of January 2021, the Methodist Episcopal (North) journals 1848-1895 were available and full-text searchable through "Pages in Time" (WVWC's digital archival repository: https://cdm16111.contentdm.oclc.org/digital/collection/p16111coll3.) More journals are being added on a regular basis.

The Methodist Archives continues to accept records related to West Virginia Methodism, including minister papers, local church files (active churches), closed church records, extension and outreach ministry records, and other records. Questions about the Methodist Archives and proposed donations should be addressed to:

COVID meant that the conference's heritage landmark Rehoboth was open to the public for a shorter period in 2020, but the site still served 604 visitors during the summer in its outdoor areas. In the fall, the Rehoboth board approved applying to participate in the Partners for Sacred Places' "New Dollars/New Partners for Your Historic Sacred Place" training program. Participants are eligible for planning and capital grants. Rehoboth was selected as one of ten entities in Central Appalachia for the program, which began in early 2021 (Logan Memorial UMC is one of the other ten). The 5-member team that is participating in the multi-session virtual training includes Anita Tracy, caretaker at Rehoboth and a member of this commission, and the chair of the commission. The goal for the Rehoboth team is both to gain skills that will cultivate relationships in the local and fundraising communities and to access grant funds that will pay for a professional evaluation of preservation needs of the church building.

With God's help, the commission and its associated facilities will be able to resume a more normal schedule once the COVID vaccination reaches herd immunity.

## Assistant to Bishop Sandra Steiner Ball

The Rev. Dr. Ken Krimmel

It is a privilege to serve as the Assistant to Bishop Sandra Steiner Ball. The COVID pandemic has changed the way we all have done our work in 2020. Most of my work in the role of Assistant to the Bishop has been done virtually - either by zoom, Facebook Live, email, or telephone. My work areas have included the National Assistants to Bishops Association; LARCUM; West Virginia Council of Churches; CONAM; ELCC; Scouting; Facilitator for Annual Conference; and correspondence and research.

**National Assistants to Bishops Group** – Prior to COVID, the National Association of Assistants to Bishops met annually in-person and then through regular group email conversations between the annual meetings. In 2020 our annual meeting had to be cancelled due to COVID restrictions. Beginning in April of 2020, our group began meeting by zoom every other Thursday, and continues to meet in this way up to the present time. I have been able to attend all of these zoom meetings, and I enjoy the fellowship and common work that we share as we discuss ways that we can support our bishops in their work in our respective annual conferences. In between our every-other-week zoom meetings we continue to converse through participation in our group email.

**West Virginia Council of Churches** – The ecumenical work of the WVCC is very important and meaningful work, and I enjoy being part of this work very much. Our own bishop, Bishop Sandra Steiner Ball, serves as chairperson of the WVCC, and it is an honor to join with her in this important work of ecumenism. Our annual retreat and our annual assembly were cancelled this year as in-person gatherings, but they were held over Zoom and Facebook. Additionally, our Board meetings and Town Hall meetings were held over Zoom and Facebook. I was able to attend and participate in the Town Hall Meeting with Senator Joe Manchin on April 16, 2020, during which time we addressed concerns related to COVID, and how we, as faith communities in West Virginia, could be helpful. I also attended Board meetings on April 23, August 3, September 22, October 12, 2020, and

January 28, 2021. I participated in a question and answer Zoom call with Dr. Clay Marsh on August 4, 2020. On October 13, 2020, I participated in the Public Policy Forum, when we heard proposals to be included in the 2021 Public Policy Booklet. The Annual Assembly was held each week by Zoom. On October 8, 2020, I participated in the Assembly and our topic was "Issues Related to Prison Re-entry." I was also able to participate on October 15, 2020, when our theme was "Faith, Scouting, and Foster Care." And then on October 29, 2020, I was able to participate again, and our topic centered around the question, "What can the church do to end racism?" I participated in the Town Hall Meeting regarding COVID with Dr. Cathy Slemp on May 7, 2020. On February 16, 2021, I participated in the Town Hall Meeting on COVID, when we heard from a panel of leaders that included Dr. Clay Marsh, General James Hoyer, Dr. Ayn Amjad, and Dr. Bill Crouch.

**Lutheran Anglican Roman Catholic United Methodists (LARCUM)** is another ecumenical ministry in which I participate and give leadership as a member of the steering committee for the group's annual conference. We had to cancel our September 2020 conference due to COVID. Our last in-person steering committee meeting was on September 11, 2019. Since then, we have been meeting by Zoom and our private Facebook page. Our most recent Zoom meeting was held on January 7, 2021. At this time, it is our intention to not hold a conference in May 2021 as we had originally hoped, but we are planning for the Fall of 2021 and Spring of 2022. The theme for our next conference will be "Evangelism." Our next steering committee meeting will be in April or May of 2021 to finalize plans for a Fall 2021 conference. Our meeting place for the conference will be Saint John XXIII Pastoral Center in Charleston, WV.

**Committee on Native American Ministries (CONAM)** – As a member of our West Virginia Conference CONAM, I also represent our bishop in this important work. We had planned a "Service of Repentance and Reconciliation" to take place in the Point Pleasant area this year, but we had to cancel due to COVID restrictions. At this point, it is our hope to hold this service in the Spring of 2022. It is a joy to work with our chairperson, Elle High, and the other members of this committee as we lift up and address Native American concerns. On February 18 we held our last meeting over Zoom and then on February 20, four of us, (Elle High, Karen Tate, Rich Shaffer and I) attended the Northeastern Jurisdiction CONAM meeting by Zoom.

**Ethnic Local Church Concerns Committee (ELCC)** – This committee receives requests for grants from local churches, and this year we received two requests and did our work through emails. Angela Jones coordinates the work of this committee, and I am honored to serve with her and the other members of this team in order to provide grants to our ethnic local churches for capital improvements or new ministry initiatives. I also attended Zoom discussions on racial issues in our church and society.

**The Bishop's Award for Scouting** – Each year, our bishop and I work with the Scouts to identify troops within our conference that may be deserving of special recognition. This year, the Black Diamond Girl Scout Council identified and nominated Girl Scout Troop 37400 from Immanuel UMC in White Sulphur Springs as a worthy recipient of The Bishop's Award. Some of the achievements of the troop include stocking a blessing box in town; collecting and retiring American flags; maintaining a recycling box year round in City Park; wrapping gifts for needy families at a local hotel; and collecting cookies for

the local Children's Home Society. On November 14, we held a Zoom presentation of the award to the scout troop, when the troop was presented with The Bishop's Award by Bishop Steiner Ball. The video recording of this presentation by our bishop can be viewed on our conference website. Many churches within our annual conference have both Boy Scout and Girl Scout troops, and Bishop Sandra Steiner Ball encourages churches to partner with and charter scout troops wherever possible.

**Remote Annual Conference Session** – I was asked by Bishop Steiner Ball to serve as the Facilitator of our remote session of Annual Conference at United Methodist Temple in Beckley, WV. Everything went extremely well and we were able to conduct the necessary business of the Annual Conference in a new way in the midst of the coronavirus pandemic.

**Correspondence and Research** – Occasionally, Bishop Steiner Ball will charge me with the duties of correspondence or researching the *Book of Discipline*, which I am always happy to do. I consider it an honor and a privilege to serve Bishop Steiner Ball and the Annual Conference in the role of Assistant to the Bishop, and I wish to express my appreciation to the bishop for affording me this opportunity to serve.

## Cabinet Report

Rev. Dr. Joseph S. Kenaston
Dean of the Cabinet

This has been the most challenging year of ministry in the 37 years since I graduated from seminary. I imagine those who have been serving longer will say this has been their most challenging year ever, too. There are events and eras that mark a generation and COVID has been it for us. When you look back over the past 100 years in US history a few events or challenges have caused generational change: WWI, the Depression, WWII, the much-delayed Civil Rights movement of the 1960s and 70s, and 9/11. If you ever talked to someone who lived through the Depression and WWII, you know that experience changed their lives, communities, churches, and the entire world. COVID will be the historical marker for our era and it has also changed our lives, communities, churches, and the entire world. When this report was written there have already been more Americans die of COVID in a little more than one year than all the US soldiers did in all the 20th Century wars combined. The death toll will be significantly higher by the first week of June. The long-term effects of the virus will linger for years. COVID has changed the way we communicate, learn, work, relate to one another, prioritize values, and do church.

As a Cabinet we are humbled and inspired by the creativity, commitment, flexibility, and passion of the laity and clergy that make up the churches of the WV Annual Conference. We have witnessed worship on websites, Facebook, radio, telephone messages, and in sermons mailed to the congregation. Sermons have been preached from empty sanctuaries, living rooms, under a shade tree, and from the back of a pickup truck. People have worshiped at home, in a parking lot, on a cell phone, on their back deck, and alone or with their quarantine family. When it has been acceptable to come to the church, we have worn masks, kept appropriate social distance, and experienced shortened worship without singing. Yet in it all, God has been glorified.

Discipleship is being encouraged and developed with a host of new approaches for sharing the message. Small groups have now included people who are traveling or unable to get to the church building. VBS, camps, and youth ministry have all continued, but in very different ways. Pastoral visiting now incorporates prayers being offered from the front porch, cell phones in the hospital rooms, and in sending a multitude of cards. Giving our tithes still is a part of our devotion to God, but instead of passing the offering plate, we mail our checks, give online, or arrange with our bank to transfer our giving on a regular basis.

The Cabinet has had to shift our work, too. We met in early March in 2020 and since then we transitioned to Zoom. We have continued to meet virtually until late February 2021 when several of us gathered at St. John 23rd in Charleston with a few others joining by Zoom. We took communion using the prepacked cups; it was an overwhelming spiritual and emotional moment. It had been the longest any of us had gone without communion in our entire ministries.

In addition to conducting our Cabinet meetings by Zoom, clergy meetings, cooperative parish gatherings, and District Conferences were all held online. Clergy and lay leadership development were held remotely. Emails, texts, tweets, Instagram, newsletters, and One Calls have kept the connection alive. We cooperated in a new experience as we held introductory meetings between new pastors and SPRC by Zoom. Plans are being made for those clergy and churches who are experiencing transitions to participate in "Beginning Well" online opportunities.

We recognize the importance of healthy transitions on the Cabinet as well as in local churches. We celebrate Martha Ognibene's eight years on the Cabinet as a Conference Superintendent assigned to the Northern District as well as her serving as Cabinet Secretary for seven years. We will miss her passion for ministry and love of clergy families, and, if we are honest, some of her jokes! Okey Harless has served on the Cabinet for four years as Conference Superintendent assigned to the Western District. Okey has shared his passion for Christ and the United Methodist connection. We will miss his knowledge of the conference as well as Harleys and Mustangs! This conference marks the completion of my eighth year as a Conference Superintendent and fifth year as the Dean of the Cabinet. I have loved the work, but more importantly I have loved my Cabinet colleagues and the people of the Southern District. It has been a privilege and honor to serve on Bishop Sandra Steiner Ball's Cabinet. I believe what the Cabinet will miss the most from me is my quiet and reserved demeanor (Not!). We welcome Neil Leftwich to the Cabinet and his assignment to the Northern District area. We are also excited to welcome Chip Bennett as a Conference Superintendent assigned to the Southern District area. Neil and Chip have already started attending and participating in the Cabinet's work. I also want to acknowledge the change in Joe Hill's assignment as he will superintend the Midland South and Western District areas. We tease him that he is the "I-64 DS" and he gets nervous when he sees that the interstate goes from Huntington to White Sulphur Springs.

Throughout this challenging year of Covid, we know that God will lead us in new ways as a Cabinet and as a church. We give God thanks that Bishop Sandra Steiner Ball will continue to be instrumental in guiding our conference to respond to the COVID pandemic and discovering a new way to do church.

# CONNECTIONAL MINISTRIES

## Office of Connectional Ministries

Co-Directors of Connectional Ministry:
Bonnie MacDonald, Director of Leadership Formation and Ministry Staff
Ken Willard, Director of Congregational Vitality

Adaptive, flexible, liminal space, agile, creative, "you're muted," need to pivot, virtual, Zoom webinar, working from home, quarantine, masks, social distancing, new normal, no going back. Just a few of the words and phrases we heard and used ourselves as we found ourselves navigating in unprecedented times. (Oops, there's another!)

While many things changed during the last year and more concerning ministry in the West Virginia Conference, one thing remained the same…our commitment to the Mission: "Our mission in the West Virginia Conference of The United Methodist Church is to **discover**, **develop**, and **deploy** passionate spiritual leaders who make disciples of Jesus Christ for the transformation of the world" (see Matthew 28:18-20).

We celebrate all of those throughout our conference with whom we have opportunity to partner in ministry: the congregations, leaders, and ministry teams that have worked faithfully to keep learning, growing, and spreading the love of Christ.

Our entire staff team has shown great flexibility and creativity in working in-office and off-site, depending on their circumstances. We give thanks to: Karen Thaxton, Chris Ridgway, Lisa Shafer, Angela Jones, Judi Kenaston, Shea James, Amy Mullins, Abbi Blosser, and Deborah Coble. We are also grateful to partner in ministry with the staff of the Treasurer's office: Myra Bess, Kathy Damron, Cheryl Sutton, Paula Koontz, and Jamion Wolford.

One of the highlights of the past year was receiving training in Intercultural Competency from Kristina Gonzalez. We continue to learn how to grow in our ability to relate better with others from different racial and cultural backgrounds.

The following reports reflect your apportionment dollars at work in many ministries throughout the West Virginia Conference. We encourage you to take time to read the reports in this section and give thanks for the variety of ways ministry continues to happen, disciples are formed, and leaders are developed.

We are at your service and want to help you be the best spiritual leader you can be. Please contact us if we can be helpful to you as you grow yourself and your ministry.

## Rev. Dr. Bonnie Glass MacDonald

Director of Leadership Formation and Ministry Staff

*Do not remember the former things or consider the things of old. I am about to do a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert."*

*Isaiah 43:18-19*

At this point in the pandemic, I am pleased to report, we are finding new ways to discover calling, develop passionate spiritual leaders, and deploy them to make disciples of Jesus Christ for the transformation of the world. Our tried-and-true methods of connecting with and equipping—with those exploring the breadth God's calling, with those learning to be licensed local pastors, with seminary students, and with those in other aspects of the credentialing processes—all those practices have had to be adapted, and rapidly. All involved, from those beginning to the most experienced leaders, are learning new possibilities through this experience of letting go and trying new methods of bringing about desired results. This process has been challenging, and not without frustration. There have also been significant signs of God's hope breaking through, reminding us that we are meant to risk and to trust in God's grace.

I celebrate a few examples:

- **Certified Lay Ministry and Lay Servant** training opportunities being offered in new ways for new, exploring leaders. These opportunities for formation are so valuable for disciples wanting to explore how to use God's gifts and follow God's calling to serve. See the reports of Kristi Wilkerson (our Conference Lay Leader) and Kim Matthews (our Director of Lay Servant Ministries) for details on this good news.
- **A candidacy process** moving from in-person to online, involving 25 people participating in two mentor groups, all done via Zoom, phone, email, and supported by prayer. Reverends Chip Bennett, Janet Harman, and Carolyn Mash have been instrumental in mentoring.
- **Pastoral Ministry Licensing School** done completely online, in partnership with Candler School of Theology. By May 2021, 37 students will have completed PMLS since June 2020, offered in summer, 2020 (6-week format) and spring 2021 (8-week format), with the support of a host of spiritual leaders from throughout our Conference, offering guidance and evaluation. Rev. Gwen Wolford has given generously of her time as director.
- **Our Residency process**, moving covenant groups and large group learning and worship to online connections. Rev. Bart Thompson has led that shift.
- **Our District Committees on Ministry**, continuing their faithful work of connecting locally with pastoral leaders and candidates in various stages of process, all done

## CONNECTIONAL MINISTRIES

by online means. Each DCOM chair and leadership team deserve credit for this shift in leadership and planning.

- **WV Pastoral leaders** participating in theological education have adapted to learning online, as seminaries and Course of Study schools are rapidly adapting as well. Reverends Scott Sears and Greg Markins have guided licensed pastors in this transition.

While the past year has been demanding for lay and clergy spiritual leaders at all levels of learning and credentialing, the opportunities for growth have been significant. Previous resistance to online learning is shifting to acceptance and acknowledgment that this format offers accessibility for those who could not accommodate face-to-face learning, due to other obligations or circumstance. What a gift it is for us to come to this understanding! What a gift to expand our toolbox for building bridges of discovering and developing passionate spiritual leaders who make disciples of Jesus Christ for the transformation of the world!

### Ken Willard

Director of Discipleship, Leadership and Congregational Vitality

**Cindy Boggs**, Chair of Congregational Vitality Team

*"Don't be conformed to the patterns of this world, but be transformed by the renewing of your minds so that you can figure out what God's will is—what is good and pleasing and mature."*

Paul the Apostle, Romans 12:2, CEB

How has God been transforming you and your ministry lately? For the Congregational Vitality team, 2020 was a year of transformation. As the pandemic moved into a phase where it was clearly not going away quickly, most of the conference churches made the transition to some form of online worship. In partnership with our communications team, we made the decision to start offering grants to congregations for technology. In May, we issued grants to 79 churches totaling over $38,000; and, in October, we had another round of grants to 34 churches totaling over $15,000. The stories from churches who received these grants and were able to use new technology to reach not just their current congregation at home, but new people as well, have been very exciting to hear. We were also able to partner once again with Jason Moore in June to facilitate his Telling the Old Story in a New Way webinar to help equip people in the West Virginia Conference to better utilize technology and online options to offer more creative forms of worship.

The new Congregational Vitality team officially came together (via Zoom) in September of 2020. Cindy Boggs is the chair of our team. Ellis Conley is the Conference Coaching Coordinator, and Joe Webb serves as our New Ministry Coordinator. Joining them are: Stephanie Bennett, Bart Thompson, Les Fish, Martha Hill, Lisa Fox, Carolyn Romine, Alan Hulley, Todd Hurley, Clifford Curry, Katherine Huffman, and Jake Steele. This team is committed to equipping and supporting pastors, laity leaders, and everyone in our conference

## CONNECTIONAL MINISTRIES

in any way we can to glorify God and reach ONE more for God's Kingdom (see Luke 15:3-7). Our areas of focus include, but are not limited to: discipleship, leadership development, coaching, new ministries, evangelism, Conference Leadership Standards, Portico, and more.

For over a year we have been researching a way for the conference to offer online courses. This has consistently been a request from laity and clergy throughout our area. While there are many great options available to everyone from other sources, we felt that it would be important for us to have one specific to the needs of our ministries. In June, we entered into a partnership with the West Virginia United Methodist Foundation for a learning management system platform we are calling Portico. After several months of training, and several additional months of piloting the system with people around the Conference, we have now launched this online learning platform to everyone. If you have not done so already, we encourage you to register today and begin taking courses. (wvumc.org/portico)

In order to support the mission of the West Virginia Conference to: ***Discover***, ***Develop***, *and* ***Deploy*** *passionate spiritual leaders who make disciples of Jesus Christ for the transformation of the world…*

We, the Congregational Vitality team, commit to the following goals for 2021.

1. Launch our new Learning Management System (LMS), Portico to the whole Conference and end the year with at least 50 courses and 450 registered learners.
2. Expand our emphasis on coaching through a focus in four main areas: training at least 50 people in basic coaching level one; 12 people complete level two; 8 people seeking some level of certification; and 25 people engaged with our coaches.
3. Prepare for the launching of new churches and new ministries of all types through the use of Portico courses and hosting an in-person or online event for training and discernment.
4. Grow the number of churches using VitalSigns online reporting system to 100.
5. Sponsor at least one person to be certified in the Simplified Accountable Structure process so that they can offer training and coaching throughout our Conference.
6. Support the Conference pastoral transitions process by providing coaching, training, and other resources.

*See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.* – Isaiah 43:19

God is doing a new thing! 2021, 2022, and beyond will NOT be like 2019 and before. God is calling us forward. We may not see the end of the journey, but we are all on the journey together. Please let us know how we can support you and your ministry on the trip.

## New Ministries & Faith Communities: Office of Congregational Vitality

*Rev. Joe Webb*
*Pastor, New Wineskins Community (Little Kanawha District)*
*Conference Coordinator for New Faith Communities*

**Part 1: New Wineskins & Accidental Tomatoes: Building Contextual Community around Content**

In May 2014, I launched New Wineskins (movwineskins.com) as a "pub theology" discussion group meeting every other Sunday in a local brewpub's private functions space. For the next five years, the group grew and friendships bonded around conversations regarding the intersections of faith and culture. It was, and remains, a community designed for those we refer to as "spiritual exiles"—people who have, for any of a number of reasons, either left the institutional church or remain despite their misgivings about their continued ability to participate.

In October 2019 New Wineskins was designated as a ¶259.1.a Mission Congregation within the West Virginia Conference of The United Methodist Church under the office of Congregational Vitality. We began to imagine new ways to grow both as a local, nontraditional "fresh expression" type of faith community and as a physical expression of a contextual kinship that was emerging in the online space around content I was creating and curating for a newly launched podcast and website called Accidental Tomatoes (accidentaltomatoes.com).

We had begun experimenting with some different ways to engage our group around that content when the global pandemic hit in early 2020. Like our traditional church counterparts, New Wineskins began meeting online via Zoom in March and quickly shifted from bi-weekly to weekly gatherings to help people feel more connected and involved. Within the first few months of online interaction, people who lived outside of the local area began to join us…some were former residents who had moved away, and others were friends and acquaintances from other cities and states. A few were folks who found us online through our websites and social media.

With a theology of worship rooted in the holiness of authentic conversation and deep relationship, alongside a liturgy built on both traditional and nontraditional spiritual practices, New Wineskins has grown both in numbers of regular attendees (from an average

## CONNECTIONAL MINISTRIES

of 18 in-person pre-pandemic to 27 per week at the end of our first year of online meetings) and in the spiritual formation of our individual members and our community as a whole. Because of the non-proximal nature of our participants, we have committed to continue to meet exclusively online even after in-person gatherings again become possible.

Meanwhile, we are exploring new ways to integrate content creation/curation with generative community formation. During 2021, I am adding more writers and guest podcast hosts to the Accidental Tomatoes team to offer a broader range of perspectives to the online conversation. As people engage with the content, they will discover intentional avenues for participation in New Wineskins and the ministries that will be multiplied out of it as numerical growth and leadership development evolve. The vision is for New Wineskins to serve as a hub of sorts for new communities—both physical and online—that will be birthed out of it as participants grow in their own pathways of discipleship.

**Part 2: Creating New Ministries and Faith Communities**

Within my role as the Conference's New Faith Communities Coordinator, I spent much of the past year learning from other church planters and ministry leaders about trends, techniques, and strategies for creating new ministries and faith communities in the era of COVID and emerging online contexts.

Those educational opportunities, along with my experience in planting the New Wineskins community, have led to the creation of a course for our Portico online learning system to help leaders create new contextual faith communities and build discipleship pathways within those communities. Future Portico coursework on creating generative ministries and a learning academy for new ministry discernment are planned for late 2021.

This role is also evolving into a resource for both clergy and lay leadership in imagining new contextual ministries within their existing congregations and communities. Through both formal consultations and organic relationship development, leaders are learning how to create long-term engagement with new participants in their online church services, create small group ministries for folks who aren't likely to attend traditional services, create content as a source for connecting with new people, and use social media more effectively as a tool for engagement and conversation.

Goals for 2021-22, beyond those mentioned above, include holding more formal one-on-one new ministry consultations with leaders and/or churches, at least one seminar or webinar on forming new generative contextual communities, and identifying new leaders for fresh expressions types of ministries.

## Rev. Deborah Coble

Director of Communications

Dear Members of the West Virginia Annual Conference,

I sit down to write this year's communications report 52 weeks, almost to the day, after shutdowns began and the implications of the global pandemic were settling in. The whole world was/is and will be changed, and yet, all is not lost, as Charles Dickens so famously reminds us:

> *It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair…*
>
> (*Tale of Two Cities*, Dickens 1859)

Your conference communications team, which is represented by nine District Communications Coordinators, at-large members with an array of gifts, and conference staff: Deborah Coble, Conference Director of Communications, and Abbi Blosser, ½ time Conference communications specialist, have experienced all of the emotions above with a few extras for good measure - just as folks in our local churches and communities have experienced!

Because we are Appalachians, we are resilient, risk-taking, and creative people. We bring with us a wide variety of skill sets and life experiences that make ***times such as these*** ripe for innovative and generative leadership.

On March 22, 2020, two churches began using FM transmitters to gather people in their parking lot for worship so that they could share the Good News of Jesus Christ. Now, through the summer heat, winter snow squalls, and everything in between, more than four dozen churches broadcast from their parking lots, picnic shelters, and even the back of a pickup truck. And it's working, thanks to the innovation of the local church.

Since March 2020, over 30 new websites have been launched using the West Virginia Conference branded local church website template. The template allows for quick turnaround from initial meeting to launch, and the WordPress platform is user-friendly, allowing local church communications teams to adapt and add what works for their context.

Over the past year, two new Facebook groups have launched: WVUMC FM Transmitter Group and WVUMC Website Developers, each with a unique audience. Both groups provide encouragement and a place for discussion and collaboration that allows for hope in the midst of a stressful season.

Finally, a partnership between the Congregational Vitality team and The United Methodist Foundation of West Virginia has allowed over 100 churches to improve their online worship capabilities with grants for new equipment. Many of these churches sought out your WVUMC communications team for advice, best practices, and suggestions for new equipment to put into service.

## CONNECTIONAL MINISTRIES

While the 2020 Annual Conference looked different, it was your WVUMC Communications team that took on the task of producing the live segments from the campus of West Virginia Wesleyan College. We are grateful to the Annual Conference Program Committee and Bishop Steiner Ball for the vote of confidence to coordinate both the live stream and the feeds to the various live sites in districts across the conference.

Our communications team has hosted tech-talk Zoom meetings and produced how-to videos to assist local churches with everything from selecting the best microphone for recording a worship service to how to use OBS (a free video production software) to produce online worship.

We look forward to continuing these gatherings online and hopefully, one day soon, at in-person district workshops. Your West Virginia Conference Communications team was honored with five United Methodist Communications awards for writing, print and digital special publications, social media content, and video production. We are blessed with exceptional talent and commitment to our mission.

Deborah recently led an advanced lay servant course on Worship in the Wesleyan Tradition that included a deep dive into online worship best practices. One of the "aha moments" in any of these gatherings is reminding church leaders that a communications team can be a great disciple-making system for the local church.

We are grateful for Bishop Sandra's engagement with our conference with videotaped daily prayers from Laity Sunday through Epiphany, and now the weekly *Psalm Saturday* and *Wednesday Witness* prayers and teachings. We've been blessed to also be part of the production of *Conversations from the Front Porch* and a myriad of other innovative projects that address the spiritual needs of our communities of faith.

This season did not come without great sacrifice and loss. We mourn the death of two of our annual conference communications teammates, Rev. Glen Pysell and Rev. Mark Smith, due to Covid-related illness. Their deaths were made all the more difficult because we were unable to gather together to grieve.

As churches start the move back into their buildings, we will continue to empower and support our creative and innovative local churches to find ways to engage with their online worshipping community. We believe that online worship is here to stay. Your online worshippers are a vital new faith community that should not be an afterthought, but an opportunity to share and participate in stories of faith, hope, and transformation.

To that end, we are here to serve and walk alongside your church and your communications needs. We look forward to collaborating with you.

To God be the Glory!

# CONNECTIONAL MINISTRIES

## Rev. Shea James

Director of Young Disciples and Outdoor Ministries

The most common phrase in scripture, used over 300 times, is some version of "do not be afraid." This past year was filled with uncertainty and fear; yet, the West Virginia Conference remained innovative and hope-filled. Our young people followed Jesus and rallied together to support one another, their schools, and their communities. They listened to the Spirit and did things they had never done before; it was challenging, and it was holy.

At the beginning of the shutdown, we had over fifty local churches open their building so that displaced students could complete their online schoolwork.

The Conference Council on Youth Ministry (CCYM) began meeting once a week via zoom in March and has continued to meet regularly. Our students used the pandemic to think creatively about our annual fall youth event, Fall Workshop. They brought worship, fun, and fellowship to over 150 folks at eleven sites throughout the conference. I am incredibly proud of our young leaders who helped us plan and vision for this event. Our young people hosted sites, chose music, and created games for this drive-in-style event! For details about Fall Workshop, please see the CCYM report.

Our campus ministries discovered ways to offer prayer services, worship, and pastoral counseling online. Many summer internships, camps, and programs were canceled. Campus ministries stood in the gap and met throughout the summer, offering life-giving connections for young people who felt isolated, especially those whose home lives were not healthy. Campus pastors have continued this faithful work amid zoom fatigue and changing college campus guidelines.

Going online was the theme of the year, and I'm incredibly proud of the Camp@ Home program offered by Spring Heights Camp and Retreat Center. Over 400 children and youth learned about prayer and had daily devotions and evening worship brought into their homes so their families could grow in faith together. Read more about this ministry in the Spring Height's report.

Another first was Safe Sanctuary training via zoom and creating recommendations for the supervision of children, youth, and vulnerable adults while also following COVID guidelines. I'm pleased to say we will provide an option for Safe Sanctuaries training online in 2021! Our Safe Sanctuary Coordinator, Christie Hill, and I hope this will enable more people to be prepared to keep our vulnerable population safe, so they have the opportunity to grow as disciples of Jesus Christ.

Growing leaders requires intentionality, and all of these ministries have developed leaders who are flexible, passionate, and willing to try new things. An exciting next step is a Youth Cohort. We will partner with Ministry Architects to help train youth workers in each district to support and resource other youth workers in their area. We've also launched a Facebook group for youth workers, which is open to anyone ministering to youth (12-18 years old) in our conference. Join us @ WVUMC Youth Ministry Network for help with Bible studies, games, mission opportunities, and more!

The future is unclear, but God is at work. I am not afraid because God is with us as we build bridges of hope into the future.

## Episcopacy

Judi M. Kenaston, Chairperson

The Conference Committee on Episcopacy gathers four times a year to provide support to and evaluation of our Episcopal leader. They share with the bishop from their perspectives throughout the conference. Bishop Steiner Ball currently serves as Resident Bishop of the West Virginia Area. In this capacity she provides spiritual leadership for the entire conference, appoints clergy to local churches, charges, and extension ministries, and sets the vision and direction for the work of the conference.

When I wrote this report last year, we were anticipating General Conference in May and Jurisdictional Conference in July. At Jurisdictional Conference, the Northeastern Jurisdictional Committee on Episcopacy recommends assignments for bishops. In 2020, we were preparing for two possibilities: that Bishop Steiner Ball might return as the West Virginia Area bishop for a third quadrennia, or that we might receive a new bishop. One of the responsibilities of the Episcopacy Committee is to help in these transitions.

Bishops are elected and assigned by and within the Northeastern Jurisdiction and they serve the entire church through the Council of Bishops. Assignments are recommended by the NEJ Committee on Episcopacy which meets regularly to have discussions with bishops and with representatives from all the conferences in the jurisdiction so that the committee is prepared for making assignments for the new quadrennium. The recommended assignments are then approved by the entire Jurisdictional Conference. Assignments are made based on the needs of the entire jurisdiction. Bishops are assigned for four-year terms and can stay for up to a total of 12 years.

Like so many other areas, COVID changed the plans for General and Jurisdictional Conference. First, General Conference was delayed until 2021, and later until 2022. Jurisdictional Conference will occur after General Conference. This has created some unexpected challenges, including requiring that three bishops who would have retired continue to serve the areas to which they were assigned. Provisions are being made that would allow bishops to retire, but since we cannot elect new bishops until Jurisdictional Conference can meet, it will be necessary for the current College of Bishops (the bishops who are elected and serve in the Northeastern Jurisdiction) to provide coverage for all the areas, with six rather than nine bishops.

We have 10 conferences and nine episcopal areas in the Northeastern Jurisdiction. Already, we have one bishop who serves two annual conferences. Our current situation will mean that there will have to be creative ways that bishops can cover multiple areas. The Council of Bishops (comprised of all United Methodist bishops from around the globe), and the various Colleges of Bishops (bishops in the five jurisdictions in the U.S. and all the Central Conferences) are evaluating the role of the bishop and how our bishops can best provide leadership for the entire denomination. These are not new conversations, but they possess new urgency because of the current situation.

In addition to not having conferences meet, there is also the challenge of funding for bishops. The 2016 General Conference recommended providing funding for five additional

bishops for the central conferences in Africa. The General Conference also established a Jurisdictional Study Committee, which was tasked with looking at the episcopal needs for the jurisdictions (regional areas within the United States). The Study Committee has proposed to the 2020 General Conference to discontinue a membership-based formula for determining the number of bishops in a jurisdiction and replace it with a process whereby each jurisdiction determines the number of bishops it needs and can financially support. If this legislation is approved (whenever General Conference meets), it may change the number of bishops that are available for assignment in the Northeastern Jurisdiction. The way we manage the assignments in the coming years before we elect new bishops could impact the decisions of the Jurisdictional Conference in the future. It is my hope that we will be faithful in our attempts to provide the most effective episcopal leadership possible. The proposal of the Jurisdictional Study Committee and other petitions before the General Conference could greatly impact the West Virginia Conference, as the jurisdictions consider where our bishops can best serve to promote mission and ministry.

The Conference Episcopacy Committee also assists the Conference Trustees in caring for the Episcopal Residence. We have requested to have a member of the Conference Trustees included on the Conference Episcopacy Committee to help with this effort.

Although the changes accompanying the pandemic have been forced upon us, we are grateful that the current situation has allowed Bishop Steiner Ball to remain in the West Virginia Conference. We are blessed by her leadership. The Episcopacy Committee is prepared to work with her and to provide support for whatever new challenges may arise in providing expanded coverage in the Jurisdiction. She has set the vison for the conference to focus on its mission to discover, develop and deploy passionate spiritual leaders who make disciples of Jesus Christ for the transformation of the world.

Bishop Steiner Ball addresses the 2021 Annual Conference Session

## Equitable Compensation

Michael Q. Atkinson, Chairperson

Members of the West Virginia Annual Conference: I bring you greetings on behalf of the Equitable Compensation Team and I thank God for your faithfulness and determination in paying your fair share gifts to the West Virginia Annual Conference. It is through this connectional giving that we can assist in the appointment of full-time clergy throughout our annual conference who are well educated and equitably compensated. Whether it is long-term support, renewal leave, family leave, or short-term emergency situations, our team is ready to help and support the local church. The 2016 Book of Discipline charges the Commission on Equitable Compensation to support full-time clergy serving as pastors in the charges of the annual conference by: a) recommending conference standards for pastoral support; b) administering funds to be used in base compensation supplementation; and c) providing counsel and advisory material on pastoral support to District Superintendents and committees on pastor-parish relations. To fulfill these responsibilities, members of the team meet to review applications from churches needing assistance in meeting the minimum base compensation for their pastors, review the conference application process, establish budgetary needs for the coming year, and recommend to the WV Annual Conference the minimum salary schedule as it relates to the definition of a full-time appointed clergy. We monitor and distribute information, as needed, to the Bishop and Cabinet for help in the appointment process and the long-term strategic development of the WV Annual Conference.

As part of this report to the Annual Conference, it is important for you to know the extent to which Equitable Compensation Funds are being used to supplement base compensation for full-time clergy and provide support to charges whose clergy person is on leave. The following tables show income and expenses for the previous six years and a detailed breakdown of claims and expenses. As you review these tables, it would be helpful to remember that Equitable Compensation funds are distributed on a claim basis; control of expenses is not an exact science and will differ from year to year.

| | 2015 | 2016 | 2017 | 2018 | 2019 | 2020 |
|---|---|---|---|---|---|---|
| Budget | $150,000 | $150,000 | $150,000 | $150,000 | $142,500 | $142,500 |
| Fair Share Income | $131,831 | $129,359 | $128,827 | $127,857 | $119,840 | $113,476 |
| Expenses | $154,310 | $107,514 | $ 77,635 | $ 77,906 | $ 47,587 | $ 31,188 |
| Year-End Balance | $311,452 | $333,296 | $384,489 | $434,440 | $506,693 | $588,981 |
| Claims | 35 | 34 | 22 | 16 | 15 | 11 |

2020 Claim Breakdown

| | Claims | Expenses |
|---|---|---|
| Medical | 2 | $4,000 |
| Renewal | 2 | $3,300 |
| Salary Supplement | 7 | $23,888 |

As indicated by the charts above, we celebrate with you that for the fifth year now our claims have totaled less than our Fair Share Income! Through your faithfulness in apportioned giving and fewer claim expenses, we have been able to increase the reserve fund to better serve the annual conference.

We urge our Bishop and Cabinet to continue to work with charges to eliminate the need to rely on Equitable Compensation as a subsidy so that Equitable Compensation is more readily available for renewal/medical leave, emergency situations or, for missional reasons, provide supplemental base compensation beyond the minimum base compensation (2016 BOD, Paragraph 625.6).

To fulfill our responsibility to the 2016 Book of Discipline and the WV Annual Conference, the Equitable Compensation Team is required to recommend for approval a definition of a full-time appointment for a charge within the boundaries of the annual conference. The current (2020-2021) definition of a full-time appointment (adopted previously by the West Virginia Annual Conference) is as follows:

1. Base Compensation according to the following schedule:
    a. Category I (Full/Provisional Members) $37,000.00
    b. Category II (Associate Members) $35,000.00
    c. Category III (Full-Time Local Pastors) $34,000.00
2. CRSP Defined Benefit
3. CRSP Defined Contribution
4. Comprehensive Protection Plan
5. Accountable Reimbursement Plan (No less than $2,000)
6. Minimum of 70% of conference medical insurance plan
7. Parsonage as recommended by the Conference Parsonage Standards
8. Parsonage utilities as defined by Conference Fiscal Policy #6
    a. Gas
    b. Electric
    c. Water/Sewer
    d. Fuel Oil
    e. Coal/Wood
    f. Basic Telephone and Internet Service

During the February meeting of the Equitable Compensation Team, it was decided to recommend the following definition of a full-time appointment to the West Virginia Annual Conference for adoption. *These recommendations,* ***amended by the 2021 onference session****, begin January 2022.*

1. Base Compensation according to the following schedule:
    a. Category I (Full/Provisional Members) $37,800.00
    b. Category II (Associate Members) $35,800.00
    c. Category III (Full-Time Local Pastors) $34,800.00
2. CRSP Defined Benefit
3. CRSP Defined Contribution
4. Comprehensive Protection Plan
5. Accountable Reimbursement Plan (No less than $2,000.00)

6. Minimum of 70% of conference medical insurance plan
7. Parsonage as recommended by the Conference Parsonage Standards
8. Parsonage utilities as defined by Conference Fiscal Policy #6
    a. Gas
    b. Electric
    c. Water/Sewer
    d. Fuel Oil
    e. Coal/Wood
    f. Basic Telephone and Internet Service

You will note that the only difference between the current definition of a full-time appointment and the recommendations offered by the Equitable Compensation Team is the Base Compensation schedule for Category I, II, and III. Category I would increase by $1,000, Category II would increase by $800, and Category III would increase by $600. This increase would roughly reflect a 2.7% increase in Category I, a 2.3% increase in Category II, and a 1.8% increase in Category III. (**NOTE*: Annual Conference action increased all salary recommendations by $800.***)

When the Equitable Compensation Team met to consider their recommendation to the Annual Conference, the team identified several reasons for increasing the Base Compensation (salary structure) of the definition of a full-time appointment. First, the current salary structure has not changed in the last four years. Secondly, the team recognizes the increased financial burden pastors are experiencing related to education and the additional financial impact the recent increases in conference medical insurance premiums have had on clergy families. Third, the team recognized that the cost of living continues to increase but the minimum Base Compensation (salary structure) has remained the same. Finally, the team reasoned that this increase would be a small step toward attracting new clergy to the annual conference thereby offering some hope for the future of The United Methodist Church in West Virginia.

The Equitable Compensation Team recognizes the delicate balance between a fair and equitable compensation amount for pastors and the additional financial burdens on local churches. When considering this recommendation, the team understood that there would be increased financial burden placed upon the local church. In short, the team's recommendation comes from the team's loving response to the cries for help raised on behalf of clergy at or near the current salary structure. Further, the team reasons that given the large reserve in the Equitable Compensation Fund Account and this small increase in the salary structure, the reserve account is adequately funded to help charges affected, if the need arises.

*Finally, I want to stress to you that this recommendation does not set the salary of any clergy. Only the Charge Conference has the authority to determine the salary of full-time clergy. In other words, the Charge Conference can increase the salary of a full-time clergy, even if the definition of a full-time appointment remains the same. In fact, we encourage all churches at or near this definition to consider such an increase if the charge has the financial means available to them.*

As a helpful resource during our discussion regarding the definition of a full-time appointment, I have provided you a chart that illustrates the history of the salary structure adopted by the Annual Conference for the last ten years.

| | | Category I | | Category II | | Category III |
|---|---|---|---|---|---|---|
| 2012 | | $31,900.00 | | $29,900.00 | | $29,200.00 |
| 2013 | | $33,200.00 | | $31,150.00 | | $30,400.00 |
| 2014 | | $34,500.00 | | $32,300.00 | | $31,500.00 |
| 2015 | | $35,000.00 | | $32,800.00 | | $32,000.00 |
| 2016 | | $35,500.00 | | $33,300.00 | | $32,500.00 |
| 2017 | | $36,000.00 | | $33,800.00 | | $33,500.00 |
| 2018 | | $37,000.00 | | $35,000.00 | | $34,000.00 |
| 2019 | | $37,000.00 | | $35,000.00 | | $34,000.00 |
| 2020 | | $37,000.00 | | $35,000.00 | | $34,000.00 |
| 2021 | | $37,000.00 | | $35,000.00 | | $34,000.00 |

**ELIGIBILITY/APPLICATION FOR EQUITABLE COMPENSATION:**

(Guidelines are established by the Annual Conference)

Eligibility for Equitable Compensation Funds:

1. Charges must have a minimum of 125 members.
2. Charges must pay at least 70% of the total compensation of the pastor.
3. Charges are expected to pay their Fair Share giving or be moving in that direction.

Application for Equitable Compensation Funds:

1. The charge must contact their District Superintendent for advisement and counsel.
2. The charge must submit an Equitable Compensation request form through the District Superintendent.
3. The charge must submit the current budget for the charge, including an ARP for pastor expenditures.
4. The charge must submit a plan that outlines the intention of the charge to underwrite the budget.

Limitations of Financial Support:

1. The maximum amount paid to the charge from Equitable Compensation Funds will not exceed 30% of the total compensation (base compensation, medical insurance over 70%, personal pension contribution).
2. No Charge receiving funds from the General Board of Global Ministries, the Conference Board of Global Ministries, Ethnic Ministries, or other funds from conference agencies for compensation support is eligible.
3. Exceptions include receiving non-recurring grants from the General Board of Global Ministries for church extension ministries.
4. No charge shall receive Equitable Compensation Funds for more than four years per continuous appointment of the same clergy.

Goals:

Charges receiving Equitable Compensation Funds shall assume an increasing share of the total compensation in each of the four years as follows: 70% year one, 80% year two, 85% year three, and 90% year four. To meet these expectations, charges are encouraged to initiate evangelism programs that will promote membership growth, implement programs that are designed to meet the social, physical, and spiritual needs of church members as well as persons in the surrounding community, and develop an effective program of Christian stewardship. As always, a support team consisting of a District Superintendent, one member of the Commission on Equitable Compensation team, and a member from the Lay Ministry Team responsible for stewardship shall be available to visit each charge upon request.

**GUIDELINES FOR PROCESSING FORMS:** Every charge requesting compensation support for a pastor shall submit all forms listed in the Eligibility/Application for Equitable Compensation section above to their District Superintendent. These forms are to be submitted 6 weeks prior to the beginning of the appointive year or when a new appointment is made and assistance for financial support is needed to maintain the minimum compensation support set by the Annual Conference. Changes in classification must be cleared through the Board of Ordained Ministry upon recommendation of the District Committee and approved by ministerial members in Full Connection. The timetable for processing charge request forms is as follows:

**May 15:** The District Superintendent will forward ALL forms to the Conference Treasurer's office to the attention of the Chairperson of the Equitable Compensation Commission.

**June 15:** The Chair of the Equitable Compensation Commission will review and submit forms to the Conference Treasurer's office for processing.

**Fall:** To expedite the processing of forms in a timely manner, District Superintendents shall place Church/Charge Conferences that are requesting support from the Commission on Equitable Compensation at the beginning of their Charge Conference Schedules.

**November 1:** The District Superintendent shall forward all new charge request forms or continuation forms requesting financial assistance for the Commission on Equitable Compensation to the Conference Treasurer's office to the attention of the Chairperson of the commission for processing. The pastor of each church/charge receiving compensation assistance shall also submit a progress report to the District Superintendent on or before November 1 of each year. Failure to process the request forms on time will cause delay in payment of assistance to the charge.

Again, it is our desire to serve this annual conference in every way possible. If we can assist in any way, please don't hesitate to contact me or one of our team members.

## ETHNIC MINISTRIES

### WV CONAM
### (Committee on Native American Ministries)
Elle High, Chairperson

Because of the COVID pandemic, the WV CONAM held its meetings via Zoom and had to make many changes in its activities, especially those focused on in-person community and church get-togethers. The CONAM again financially supported Mother Earth Beat Drum, a West Virginia Native Women's drum group, to participate in the Eastern Native American Women's Drum Gathering to be held in South Carolina. This event was canceled because of statewide quarantining. The CONAM looks forward to Mother Earth Beat attending this celebration of Native Women's drums when it is rescheduled in the future.

We continued developing the Pt. Pleasant weekend activities we had planned for Fall of 2020. These include potential presentations on the Adena people and on the indigenous tribes originally in the Pt. Pleasant area, exhibits of Native artifacts, information about missing and murdered Indian women, a round-table discussion of Indian mascots in our schools, a film about "The Doctrine of Discovery," a feast (pitch-in dinner), Native drumming and singing, and a Native American Sunday service in area churches. These plans had to be tabled, but we are hoping to make them a reality in 2022.

At this year's Annual Conference, the CONAM again was asked to welcome participants to the meeting, also acknowledging that we come together on the traditional lands of indigenous peoples who have lived in what we now call West Virginia for thousands of years, including the Cherokee, Shawnee, Lenni Lenape, Monacan, and other tribes and their ancestors. We are proud that the WV Annual Conference has shown such leadership and has opened its meetings in this way for many years.

The WV CONAM attended online the yearly Northeastern Jurisdiction of Native American CONAMs (NEJNAMC) which represents ten CONAMs stretching from Maine to West Virginia. We were well represented and spoke on several key issues. Elle High, who had previously served on the treasurer's and social justice committees, was elected to a two-year term as secretary for this regional organization.

She and RoBear Wilson (chairperson, Western Pennsylvania CONAM) wrote a position paper concerning the full inclusion of LGBTQ+ People within The United Methodist Church, drawing upon the Native American traditional acceptance and honoring of "Two Spirit" tribal members. Their document was submitted to the NEJ for further revision and development. At a special meeting held by Zoom in February 2021 (the WV CONAM was well represented), the paper was voted upon, unanimously accepted, and a press release about this position can be viewed on the NEJNAMC website.

While many activities of the WV CONAM have been curtailed by COVID restrictions, our members have continued actively to promote our ministries and to be involved in many ways. One of our members, Ed Grant, loaned several Native artifacts

(focused on the Ft. Ancient people) for the American Exhibit at the Huntington Museum of Art. The exhibit covered American life from pre-contact times through the 1860s.

Rich Shaffer led our effort to write a letter opposing the Department of the Interior's action that, as part of the Trump administration, attempted to dis-establish the Mashpee Wampanoag's tribal reservation. This letter also was sent to our state senators, as well as to Bishop Steiner Ball. More recently, CONAM members individually sent letters supporting Rep. Deb Haaland's nomination to become Secretary of the Interior in the new Biden administration. If confirmed, she will be the first Native American woman to hold a cabinet-level position. Heading the Interior Department is especially important because it includes the Bureau of Indian Affairs. Such advocacy work for Native peoples is an important part of our function as CONAMs on state, regional, and national levels.

The COVID pandemic has taken a terrible toll on many of us in WV. To recognize our loss and honor the loved ones who had died, Elle High led this year's Peace Tree Ceremony at WVU. Working from Native American traditions, she and her neighbors in Preston County made around 500 tobacco prayer ties, each one representing an individual who had died of the virus in the state as of the first week in November when the ceremony was held on campus. A garland of the prayer ties was put on the Peace Tree as part of the ceremony and will remain there for a year. A couple of months later, Elle and others in the Bruceton United Methodist Church also made Native prayer ties for a memorial at the death of their longtime and much-loved minister, Rev. Vicki Sheppard.

The pandemic may have changed things, but it has been unable to stop us from expressing our love for one another and the need for our churches to remain strong in our faith and in our caring for each other. It remains an exciting time to be a member of the WV CONAM as it strives to take part in that effort.

Committee members are: Ellesa "Elle" High (chairperson), Tracey Brown-Dolinsky (secretary), Ed Grant, Ellen Krimmel, Ken Krimmel, Jay Lacaria, Jay Parkins, and Rich Shaffer.

# GLOBAL MINISTRIES

## Global Ministries

Judy Raines, Chairperson

God is doing a new thing in the church because of COVID. Global Ministries is no exception to this statement. Like all ministries in the West Virginia Conference, we have had an unusual year. Most committee members, Global Ministries included, were asked to remain in their position until 2021. Everyone in Global Ministries did that except the chairperson who was moving to another committee. I became chairperson of this awesome group in August of 2020. I am happy to be working with Global Ministries as mission is my real passion. I believe this is God's place for me at this time in my life. I am truly blessed.

You will read wonderful and inspiring reports of those involved in Global Ministries on the pages to follow. You will read how the directors of our seven mission projects have continued to be the hands and feet of Christ to communities that are struggling. I know that you will be as thankful for them and the work they are doing as I have been.

You will learn of the amazing work done by Church and Community Worker Anna Troy, and you will learn about the hope of a new Church and Community Worker coming to the Hope Center in Sophia in the Southern District. We are blessed to have committed servants doing the job of meeting needs and giving hope in our communities.

I hope you will find new information about grants, about New Vision Depot and the Disaster Response team and all the work they have been doing. You will learn of the projects Volunteers in Mission have been involved with. You will see Rev. Cliff Schell's thanks for the wonderful outpouring for the Celebration on Mission Event. The United Methodist Church in West Virginia has been working to meet the needs of many hurting people during the pandemic. Through prayers, grants and social media information, Global Ministries is doing the work God is laying on the hearts of its many leaders. You can even learn how to have a missionary visit your church through the means of social media.

Yes, God is doing a new thing and much of that is being done through your Global Ministries team. Thank you for your support and your prayers,

## Conference Secretary of Global Ministries

Jeff Metheny, Conference Secretary of Global Ministries

At the risk of being redundant and mentioning what a weird year it has been I will quickly move on, but it has been so different for our missionaries in service around the world. The pandemic has changed the way we have kept in contact with them through video conferences rather than in person itineration. I was very encouraged to see the MonValley District come together and listen to a missionary in Africa working in agriculture talk to us here in West Virginia about their work and mission. While international travel has not been possible for us or our missionaries on itineration, we are finding new and exciting ways to stay in touch. If you have an interest in connecting with a missionary for your church, please let me know and I will be happy to assist in making the connection.

I feel it is also important to mention the service of a faithful missionary who retired this year, Larry Kies who was a professor of Agriculture at Africa University. Larry and I were able to connect over our common backgrounds of growing up on a farm and my visits to Old Mutare over the past several years. His wife, Jane, is still in service teaching students at Africa University who have English as a second language. There are very few people I know who have had a greater impact on the lives of people on the continent of Africa than Larry. He not only taught students how to grow wheat and chickens but also shared his faith in Christ in a humble and caring way.

## Refugee and Immigration Ministries

Cheryl Davis, Coordinator

There has been little action regarding Refugee and Immigration Ministries in 2020 due to the effect of the pandemic on churches. It is believed that activity in this area will increase in 2021 as the impact of the pandemic on churches lessens.

In addition, the new presidential administration has expressed plans to increase refugee resettlement in the United States, which may impact our work.

## Global Health Ministries

Clare J. Sulgit, Global Health Ministries Coordinator

Our global church has been busy this last year with ongoing efforts to serve those most in need around our world. Some examples are:

- Working to positively impact the lives of women and children around the world, Abundant Health, The United Methodist Church's global health initiative, has achieved and exceeded its goal of reaching 1 million children with lifesaving interventions by 2020. According to data reports, the United Methodist contribution to the global effort to end preventable deaths of newborns, children and adolescents reached 1,075,732 children as of October 2020.
- Seeking to help the global community as the world responds to the COVID pandemic, more than 8,350 people recently donated $1.7 million to the Sheltering in Love campaign coordinated by the United Methodist Committee on Relief (UMCOR) of United Methodist Global Ministries.

  Thanks to donations to the Sheltering in Love campaign and other funding from Global Ministries, a total of $2,329,785 through 230 grants to 43 countries and 43 U.S. states and territories has been awarded in support of 105 local churches, 54 episcopal areas and 52 nonprofit organizations.

## GLOBAL MINISTRIES

The United Methodist Committee on Relief established the fund to provide rapid response grants to help churches and partners assist vulnerable populations dealing with pressing needs related to the pandemic, such as food security, healthcare, job stability and water, sanitation, and hygiene.

Examples of Sheltering in Love grants include:

- In Texas, the Good Neighbor Settlement House of Brownsville, the sole food pantry open in the area during the height of the pandemic, was able to provide for the unhoused population, unemployed families, furloughed restaurant workers and people who have suffered layoffs. The grant covered purchasing food, disposable carry-out and cleaning supplies needed to continue their program.
- In Puerto Rico, where 45% of the population lives under the poverty level, a grant helped the Methodist Church of Puerto Rico provide food to families and personal protective equipment gear to first responders (volunteers) of local churches distributing food and supplies.

In our conference, I continue to gather information about health ministries in order to provide a data base accessible to those who are seeking information. If you know of churches with effective health ministries, please pass that information along to me.

Thank you!

## Disaster Response Ministries

Revs Dan and Sue Lowther
WV Conference Disaster Response Co-Coordinators

Like all other ministries around the West Virginia Annual Conference, conference year 2020-2021 has been a unique and complicated time for our Disaster Response Ministries. The end of 2020 brought with it the end of the disaster recovery to the June 23, 2016, flood event that affected multiple counties throughout the annual conference. I want to lift a special "Thank You" to the Disaster Case Managers, Construction Coordinators, Director of Disaster Recovery, Executive Disaster Recovery Director, Volunteers in Mission, and to all the volunteers who helped this ministry bring some much-needed recovery for our neighbors who were affected.

Our Conference Disaster Response Ministry continued to help in assorted ways in the COVID Pandemic. Working through New Vision Depot, the Disaster Response Ministries supplied cleaning and disinfecting supplies to many churches throughout the annual conference, as well as to fire departments, police departments, ambulance services, 911 centers, and some personal homes. New Vision Depot was also able to supply n-95 masks

and surgical masks to county health departments, hospitals, doctors' offices, and emergency agencies. The West Virginia Conference Disaster Response Ministries purchased six fogging/ disinfecting machines with the help of West Virginia United Methodist Foundation, and the WV Volunteers in Mission. These foggers are being placed on loan to churches throughout the annual conference to help with disinfecting for special events. Many congregations made use of this resource that enabled them to be the Church in a very troubled time.

As the vaccination clinics for COVID have increased, the Conference Disaster Response Ministries has been working with WV VOAD (Voluntary Organizations Active in Disaster) to provide volunteers to clinics in many counties. Duties for these volunteers have included traffic control, directing people, doing intake work and some clerical work. As the clinics continue, our volunteers continue to step up to the challenge. We cannot thank you enough.

In mid-February of 2021, extreme winter weather touched many southern and western counties of the West Virginia Conference. Through New Vision Depot, our Conference Disaster Response Ministries provided cots, pillows, and blankets to open a shelter in Raleigh County. Cots were sent to Summers County to assist with sheltering from the same event. Lincoln County received four pallets of water from New Vision Depot as many people's wells were affected by the extreme weather conditions that resulted in many power outages.

The year 2020-2021 has helped us to see that disasters come in many different forms and take on many different shapes. Through the generosity of many, in the form of monies, goods, and time, the West Virginia Conference Disaster Response Ministries has been able to respond and reach the hand of Christ to many. We cannot do what we do without you. Thank You.

## Disabilities Ministries

Michael D. Ludle, Conference Disabilities Ministries Coordinator

*Disability- 1. A disabled condition.*
*2. That which disables, as an illness or physical limitation.*
*Disabled—having a physical or mental disability.*
*(both definitions from Webster's Dictionary)*

I greet you in the name of our Lord and Savior Jesus Christ. The last year has been a very trying one for everyone. Our buildings have been closed, then opened, then closed again. We have zoomed, streamed, called, and many other things that have kept us as safe as we could with social distancing, mask wearing and washing and sanitizing. In all of this we continue to share the Gospel in new ways. In it all, we have also seen stress levels rise, anxiety grow, and our mental fitness be tested to the limits. Our children, especially those with special needs, have felt this the most. Yet we have seen an increase in all of this across

the board. As we see things continue to improve as we get vaccinated and gradually move to a new normal, the Church needs to continue to remember those that fit the above definitions because during this pandemic the numbers have grown.

As we move back into our buildings, we need to continue to assess how we do things and how we need to move forward in including all people no matter their abilities. The United Methodist Church Disabilities Ministries Committee has a way for churches to evaluate their buildings and grounds and can be certified as a Bronze, Silver or Gold status church for disability. The United Methodist Annual Accessibility Audit Form can be found on the conference website at www.wvumc.org/change-the-world/justice-and-advocacy/disabilities-ministries/. I encourage you to look at this form. No matter the size of your church there is someone that could be diagnosed with a disability, so we are called to do all we can for all of God's children.

God has called us and, as a church, we are called to Make Disciples for Jesus Christ to Transform the World. This includes all God's children no matter who they are, where they come from, disabled or not. They/we are all God's children. God bless us all!

## Church and Community Workers

Judy Raines, Church and Community Advisory Committee

For more than 130 years West Virginia has been blessed to have Church and Community Workers. They are missionaries commissioned by the General Board of Global Ministries. West Virginia has had as many as 100 in the past. Times have changed, but the need remains.

We now have only one Church and Community Worker, Anna Troy with the Clarksburg Cooperative Parish. You will find her report in this section and see all the wonderful work she has done during these trying times of pandemic. We are blessed to have Anna with us.

We are excited about a new Church and Community worker coming to Hope in the Mountains in the Southern District. The position has already been approved and we are hoping to have a worker on site soon.

We are happy for the Church and Community Workers who have been a real part of the ministry in West Virginia and pray for Anna and our new worker to come who commit themselves to be the hands of Christ in their community.

## GLOBAL MINISTRIES
### Church and Community Worker
### Greater Clarksburg Cooperative Parish
### **Rev. Anna Troy**

What a year! Like many, I never expected the surprises and challenges we faced in 2020. But with a wonderful group of flexible volunteers, we have continued to serve our community throughout this time, providing relief and hope to our neighbors and families via phone and email. Despite the obstacles 2020 brought, Open Heart Ministries (OHM) witnessed several special blessings over the year:

- A new church partner, Lumberport UMC
- A new volunteer
- Two grants
    - UMCOR – Sheltering In Love ($20,000)
    - Your Community Foundation ($3,750)

With the support of the parish and partner churches, OHM provided over $73,000 in service to our neighbors in 2020. Due to the nature of needs because of COVID-19, this assistance was essential not only in keeping families safe and healthy, but also keeping them housed. OHM worked closely with local organizations (Central Community Action, Salvation Army, and DHHR) and churches to maximize support as we assisted our neighbors. This became critical once "shut-off" notices began to be sent out and large bills became due with no way for families to pay as they had no income due to loss of work. These partnerships and grants made it possible to bring hope to our neighbors in their time of need.

OHM also saw an increase in neighbors who had never needed assistance before and were new to navigating the resources available. The volunteers worked to provide information on food pantries, housing information, and more, depending on their needs. This was vital to the families as they learned where and how to provide for their children while keeping home life as stable as possible.

In addition to financial assistance, OHM facilitated the distribution of several special donations in 2020. Each year, "Undie Sunday" is an important time for churches in the conference to collect for the mission projects. The collection from the Southern District was distributed in our community via the Mustard Seed, one of our partner organizations that has a clothing bank. They were excited and grateful for the boxes of new undies!

The second special donation OHM distributed in 2020 was two series of backpacks collections. The first was a Lenten project by the parish churches which filled 40 backpacks with items requested by CPS for children taken from homes in emergency situations. The second was collected by one of our partner churches, Centerbranch Assembly of God, as a children's ministry project. These 64 backpacks were filled with non-perishable food items for children that OHM then shared with the local food pantries.

The year 2020 may have been difficult in many ways, but that did not stop God from doing amazing things in Harrison County! We give thanks for the wonderful work of the spirit and the people who responded to God's call in these times.

## Missions Coordinator

Gayle Lesure, Deaconess, Missions Coordinator

*'If your neighbor is hungry, feed them; if they are thirsty, give them something to drink…"*
*"Do not neglect the needs of the poor …says the Lord your God."*

We are blessed in West Virginia to have seven (7) conference mission projects that are in ministry with the poor, the hungry, the thirsty, the lonely, the homeless, the lost and the least. As the COVID virus wore on month after month, your projects found new ways to minister to the people and the communities they serve. We had a massive pandemic that was claiming the lives of so many: people we knew, folks we served with, friends, colleagues, and members in our own families. It has been some hard times this past year. But I am hopeful, because we know that "God is with us" and we are told by the prophets of old: "Be of good courage, don't be afraid, for God goes before you(us)."

Each of our mission projects has shared their annual reports in this section of Global Ministries. I encourage you to please take the time to read them and then give thanks to God for their tenacity and courage in face of such challenging times. Remember, these are ***your*** mission projects as they continue to be the hands and heart of Jesus and reflect God's concern for those who cry out daily for help and hope in their need. Our seven Project Directors/and Church and Community Worker, their staffs, boards of directors, volunteer staff and others have given endless hours to be sure that the mission is done, and the work of the church went forward. They have weathered adversity with resilience and Christ-like leadership, and for that we are so thankful.

In other news of the year the evaluation and review for Ebenezer Outreach Community Center in Huntington was completed. Director of ECOC, Celes Sheffield, gave her response / update on the progress they had made in concurring with the recommendations of the Global Ministries Lead Team. The full written report will be submitted at a later time. In the spring of 2021, the Global Ministries Team will be conducting a review and evaluation of The Upshur Parish House in Buckhannon. Director Kristi Wilkerson and her staff, along with members of the Global Ministries Team, will be conducting the review. Also, Rev. Cliff Schell reported that even in the midst of a worldwide pandemic, the ***C***elebration of ***M***ission ***E***vent raised over $77,000.00 last year to support our mission projects and Church and Community Worker. How awesome is that? God is good!

On the conference website, you will find the policies and procedures for the Grant/ Revolving Loan Funds available to the local churches/charges of our West Virginia Annual Conference.

The West Virginia Conference Board of Global Ministries also oversees two financial Loan/Grant programs. These loans/grants function on a first come, first served basis. The guidelines and procedures of these programs are available on the conference website **(www.wvumc.org)**

## Celebration of Mission Event

Cliff Schell, Coordinator

The Celebration of Mission Event is an outreach ministry of the Conference Global Ministries Team that supports ten mission ministries within the West Virginia Annual Conference. The year 2021 marks the 24th year the Events have been held in the districts across the West Virginia Annual Conference. Since the Events normally take place in late spring, it is not possible to provide 2021 financial reports for the Conference Workbook. Due to COVID, 2020 Celebration of Mission Events experienced a strange, distant, and difficult year. Not a single district was able to hold an Event or have an in-person District Conference. During ordinary years, a major part of the cash funds and most of the tangible goods are collected at these Events. Nevertheless, the WV Conference Churches found ways to continue support for our conference mission ministries, primarily motivated by district leadership and the desire of churches to find ways to fund our Mission Ministries. Amazingly, **$77,010.85** was raised by emphasizing the 2020 Celebration of Mission Event needs within local churches. Although this amount is $26,000.00 less than the previous year, it is a great response, considering there were few, if any, in-person services and churches had to find creative ways to continue their support. The Mission Ministries also reported they received an abundance of tangible goods from district "drop-off" locations.

The cash gifts provided $7,377.00 for each of our seven Conference Mission Projects, Volunteers in Mission, the New Vision Depot and $3,688.00 for our one Church and Community Ministry. One hundred percent of all cash gifts were distributed to our Mission Ministries. Over the past twelve years, the Celebration of Mission Event has raised

## GLOBAL MINISTRIES

a total of **$1,240,817.63** in cash and, in addition, an estimated 40-50% of that amount in food and other tangible goods. **It is important to note** that undesignated cash gifts are used to provide an equal amount of support for each mission ministry, while all of the tangible goods are given to the ministries assigned to a particular district.

Ten percent of undesignated funds received are deposited in the UM Foundation Trust Fund for Mission Projects ($6,929.85 in 2020). Of that, 3.5% of the average market value for the past 12 quarters is distributed to our Conference Mission Ministries each year ($1,082.00 for each project for 2020). At the close of 2020 the market value of the Trust Fund was **$402,314.71**. Individuals, churches, and groups are encouraged to contribute to this fund and help it grow for the long-term support of our Mission Ministries. These contributions can be made to the UM Foundation.

Proceeds and donated goods from the Celebration of Mission Events support the seven conference mission projects, the conference Church and Community Ministry, the Volunteers in Mission and the New Vision Depot. **All Celebration of Mission Event cash gifts are remitted to the Conference Treasurer.** Local churches or individuals may send cash gifts for the support of the projects before and/or following the Event, accompanied by the proper remittance number. The numbers for 2021 support are:

**#875**--Undesignated Gifts
**#880**--Heart + Hand Outreach Ministries (was CDOM)
**#881**--Ebenezer Community Outreach Center
**#883**--Heart and Hand House, Inc. (Philippi)
**#884--**The House of the Carpenter
**#887 –** Scott's Run Settlement House
**#888 –** Tyrand Cooperative Ministries, Inc.
**#889 –** Upshur Parish House
**#892 –** Volunteers in Mission
**#893 –** New Vision Depot
**#896 –** Greater Clarksburg Parish C&C Ministry

There are Celebration of Mission Event coordinators providing leadership in all of our nine districts. Additional information and district schedules can be downloaded at district websites and from the conference website under Change the World-Special Ministries-Celebration of Mission Event.

### Burlington United Methodist Family Services, Inc.

120 Hope Lane, Burlington, WV 26710; cpmullett@bumfs.org (304) 289-6010

*"Changing lives by preventing harm and providing hope & healing to hurting children and families."*

Our agency's guiding scripture is Jeremiah 29:11, "For I know the plans I have for you," says the Lord. "I have plans to prosper you, not to harm you. I have plans to give you a future filled with hope." This verse comes at the end of a chapter in which God reminds the people of Israel that they are to prosper and increase even though they are in captivity. In the midst of a difficult time, they are given the assurance that God will bring them a future filled with hope. That promise has been very relevant to BUMFS this year.

Since submitting this report last year, Burlington United Methodist Family Services (BUMFS) has seen a lot of changes.

- BUMFS began a work-from-home policy in March for all non-essential staff due to COVID.
- On April 1st Chris Mullett arrived as our next President and CEO.
- On April 20th we purchased seven acres in Mineral county to create an additional recovery residence for women in need of help with addiction.
- Three days later, on our Burlington campus, a terrible fire destroyed the maintenance building in which our apple butter has been made for decades. We had already begun to build a new maintenance building, which was completed in May.
- In May of 2020, we began the construction of a fitness center on the Burlington campus.
- In June, we dedicated Mill Meadow Group Home (the former Alkire Mansion.) This will house seven boys in Keyser.
- In June, we also said, "Farewell," to long-time and much-loved President and CEO, Mike Price, who retired after 24 years with BUMFS.
- In July, construction began on our women's recovery center on the Knobley Rd. site.
- In September, we said farewell to a very faithful executive assistant, Sandra Stump, and welcomed Jennifer McGreevy to that role.
- Our Keyser Foster Care team moved into the chapel on our Knobley Rd. property which is now called Hope Meadows in January 2021.
- In February 2021 ground was broken to rebuild what had been the maintenance building on the Burlington campus. It will be a larger building that will house the Apple Harvest Festival and the Auxiliary's other activities. If the Lord is willing, we will have an Apple Harvest Festival this October!

## GLOBAL MINISTRIES

Those are some of the highlights since our last report. However, as is the case every year, the real highlights have everything to do with our 315 amazing team members who house children safely and with love in our ten cottages, find homes for foster children, place children with adoptive families, help teens transition to independence, coach parents to enrich their children, come alongside new parents to help their babies have a great start to life, help teens stay in their communities through case management, help adults with disabilities to live independently, provide therapy to children and adults, care for children who have been horribly abused, aid in the recovery of women who are struggling with addiction, and, finally, the incredible supporting team in accounting, PRDM, billing, HR, administration, IT, maintenance and management who keep everything together so that this ministry works!

As the new CEO, I am incredibly grateful to be doing this work. Only with the help of God and each of you can we keep it going. Please remember us in prayer! We are walking toward that hopeful future!

## Ebenezer Community Outreach Center, Inc.

1660 8th Ave, Huntington, WV 25703 ebenoutreach@hotmail.com 304-523-2882

What a year 2020 has been!! COVID has been something else for all aspects of our program. We have had to turn away donations for our clothing closet, our volunteers have been drastically reduced, we have lost children due to parents losing their jobs or they have been able to work at home, and the after-school program was not able to do any of their summer activities, programming or field trips. But through the grace of God, we have been blessed and we are surviving!!

Fifty-six children are enrolled in the Learning Center, including preschool and the after-school program.

Through the generous support of First UMC (Huntington), and individuals from the community, Ebenezer was able to continue to provide Christmas gifts to 65 children.

School Supplies, including backpacks and binders, were given to over 70 children.

On a monthly basis, approximately 300 people are served through the various programs and services we offer to parents, children, and the community. This was a reduction due to some programs not being offered due to COVID.

We received a grant from the United Methodist Foundation to provide new and updated science and math supplies and equipment for the various classrooms. Hopefully during the summer, we will be able to take the kids either to Heritage Farm or the zoo to learn about the animals and their habitat live in person.

## GLOBAL MINISTRIES

A special thank you to ECOC's Board of Directors, the Conference Board of Global Ministries, West Virginia Annual Conference, Western District Office, local United Methodist churches and individuals for their continued support of Ebenezer's mission to our parents, children and the community. These programs continue to provide a relief for many families on a daily basis with your support. Thank you!!

Please remember the mission projects work is not complete and would not survive without **YOU!** The Lord's work still needs to be done whether it is through your skills, time, or money; please continue to reach out and help those in need.

May you be blessed in all that you do!

## Heart and Hand House, Inc.

PO Box 128, Philippi, WV 26416 brenda@heartandhandhouse.org 304-457-1295

While 2020 was a year filled with challenges, there were also many blessings along the way. We had to adapt and change the way we did some things, but by God's grace and generous provision, we were still able to continue serving those in our community who were in need. The COVID pandemic affected some of our ministry programs more than others, but, overall, we were able to avoid any significant, long-term closure or interruption of most services (exceptions are noted below). That was a blessing! Our work in 2020 included:

- *Distribution of more than 1,275 food boxes through our walk-in food pantry, as well as through mobile food pantries we conducted in two locations throughout the county;*
- *Assisting 146 families with utility payments, rent, and prescription purchases; providing hygiene kits and cleaning items to 128 families;*
- *Helping 60 families with baby-care essentials through our Layette Program and Baby Pantry*
- *Completion of one new home and two housing repairs through our Home Repair and Construction Program;* This program was, perhaps, most affected by the pandemic, with COVID restrictions preventing almost two-thirds of our volunteer work teams from coming, resulting in a major reduction of the number of repair projects undertaken.
- *Receiving and distributing countless new and used items of clothing, shoes, furniture, and other household goods through our thrift stores;* Vouchers for free clothing and household items were given to over 220 individuals and many other items were given to those in need. The thrift stores were closed for approximately six weeks, from mid-March through April, and have maintained shorter hours of operation since re-opening.
- *Provision of safe, convenient access to fresh, local produce and other items through*

*our Community Garden Market*; Over 150 vendors participated, collectively earning more than $160,000 in 2020. Continued funding for the SNAP Stretch program and increases in SNAP (food stamp) benefits during the pandemic resulted in a significant increase in low-income customers coming to the market to buy fresh fruits and vegetables. We were also able to partner with WVU Extension Service to offer a FARMacy Program to 30 individuals working with healthcare providers at two local clinics and provided produce for Kids' Markets at the elementary schools.

- *Provision of supplemental food to 160 elementary and middle school children each week through our Backpack Feeding Program;* When schools were closed due to the pandemic, we were able to provide food to children participating in remote reading programs sponsored by the local library for the remainder of the year. In November, we also implemented a "Senior Backpack Program," where we partnered with the local Senior Center to provide supplemental food boxes for the elderly.
- *Distribution of food and cleaning items to 216 families at Christmas;* Because of pandemic restrictions, we did have to rethink our annual Christmas program, but were still able to hand out boxes of food for a holiday meal, plus tote bags full of hygiene and cleaning items to local families via a "drive by pick up" event. The process was quite different but worked better than we imagined it could!

We thank God for the continued support and prayers of our Annual Conference family and the blessings we receive so that we can be a blessing to others.

Grace and peace,
Brenda Hunt, Executive Director

## Heart + Hand Outreach Ministries

212 D Street, South Charleston, WV 25303
executivedirector@hhomwv.org 304-342-0029

Heart + Hand essential services never ceased or even paused throughout the pandemic. Requests and services are now managed and delivered differently but the outcomes are the same. We continued to prevent homelessness by helping with rent evictions, utility termination notices, and restored utilities to homes. We provided low-income families with vouchers to our thrift store for needed clothing, linens, household items, and furniture. We provided diapers, formula, and other baby needs. We supported those that needed help with work requirements of steel toe work boots, nonskid shoes, scrubs, and clothing.

We helped with food insecurity in several ways:

(1) Low-income residents of South Charleston, St. Albans, Dunbar, Institute, Tornado, Alum Creek, and Davis Creek were eligible to receive free food from our pantry monthly.

## GLOBAL MINISTRIES

(2) With the help from a grant and two West Virginia State University Social Work interns, we checked in bi-weekly with a group of seniors living alone and with no transportation or local family. The interns called them for their store list, shopped for them, and delivered requested food (and more) to their porches. This program ran through the last 16 weeks of 2020.

(3) 279 Kanawha County families received Christmas food boxes.

(4) 110 Putnam County families received Christmas food boxes.

(5) FEMA funds designated for Putnam County were used to partner with churches and pantries to supplement feeding programs in Putnam County.

In July, we celebrated the 55th anniversary of Heart and Hand and a ribbon cutting for our new elevator. We proudly wore t-shirts with a special anniversary logo and thanked the community for coming together to fund our elevator, basement renovation, and our mission for the past 55 years.

On the first Sunday in October, we held our annual Kay Hall Hike for Hunger. We planned a "virtual event" and hoped for the best. Over 200 people came in person! We raised a record amount for this longtime event.

Christmas 2020 is a great memory for 636 children as the community partnered with us to provide toys, clothing, and food to those living in situations that most cannot imagine.

Like other retailers, our thrift store was closed for two months beginning March 15th due to the statewide shutdown of non-essential businesses. This was a difficult time. Our thrift store provides so much for so many. The community donates their no longer needed items to benefit their neighbors through Heart + Hand. Volunteers and staff sort donations and stock the store. Our caseworker provides vouchers to those in need of clothing. The store also operates as a year-round fundraiser covering a large portion of our building expense and other operating costs.

We welcome volunteers to come to our large facility and serve others with adequate social distancing. Thanks to all of you for supporting the mission of Heart + Hand Outreach Ministries.

Most sincerely,
Vicki Ballengee
Executive Director

## House of the Carpenter

200 S. Front St., Wheeling, WV 26003
mlinger26@gmail.com 304-233-4640

During the COVID Pandemic, the House of the Carpenter continued our ongoing focus of ministering to the most vulnerable in the community. Along the way, we also reached some significant milestones.

After lengthy discussion, the HOC made the decision to modify some of our services in order to comply with COVID recommendations. We closed the Thrift Store for a while, and moved **our food pantry to curbside.** In addition to going curbside, we made a choice to increase the amount of food being distributed with a particular emphasis toward families having children home for extended periods. We also supported feeding children by providing **the weekend backpacks** to the students at Madison Elementary on the same days the county food distribution was taking place, by being **a summer food distribution center,** and providing **Christmas food boxes** to the families.

Recognizing that as of January 2021, the WV Department of Education estimated that over 50% of children/youth were failing at least one class and that students in poverty were at greater risk for failing, the HOC partnered with the faculty/staff of Madison to host **a Learning Lab**. The students were transported to the facility where they had breakfast, assistance in logging on to class session, tutoring, access to counseling and speech therapy, exercise, and lunch. Food bags were provided for the days the students were not at the Center. Over 40 students caught up and learned during this time. **Christmas Kids** was also done during the season including working with those in **Domestic Violence Shelters** during Christmas. At Christmastime, **Cougar Cocoa** was also created. The HOC provided ceramic Madison Cougar mugs, hot cocoa mix and books as gifts to the students. The faculty delivered the gifts to all 265 students and performed a wellness check on each one. The **Anchor 2.0 Middle School After School** program was also established.

The **thrift store and the underwear room** reopened. **Utility assistance** was provided. During the pandemic, many people with addictions struggled tremendously. In response, the **AA meetings** were expanded to be available three days a week. We have also provided **nutritional supplements** to our seniors and to our homeless population.

We also faced staff changes as Shara Robinson left the HOC in order for her husband to pursue a better opportunity. *Ms. Mia Williams* was hired as our Program Director. Mia is a graduate of Tulsa University with a degree in Communications, and is in their Hall of Fame as the point guard for the basketball team. We also hired *Mr. Joshua Spurlock* as our Education Coordinator. Josh is from Greenbrier Co and graduated from West Liberty University with a degree in education and was a member of the wrestling team. We moved *Michael Johnson and Ron Wensyel* from part-time to full-time. Combined, the two have

worked tirelessly to clean, disinfect, sanitize, and take all of the measures necessary to keep our staff, our reduced number of volunteers, and neighbors safe.

We also completed the $2.7 million **Toni and Nancy Bedway Center for Youth**. We are carrying a $500,000 mortgage but the facility has greatly expanded our ability to do ministry. The programs had starts and stops during the pandemic. However, the programs designated to begin in 2021 are: **a**rchery, art class, basketball camp, bike rodeo, dance classes (tap, jazz and ballet), day camp, drama, guitar, reward day of Gaga Ball with Madison, pickleball, volleyball, walking program and yoga (Christian and trauma). We are working on Senior Health and Wellness Education and Bible Study programs.

We want to thank you for your prayers and support as we continue our work to those most in need.

### Scott's Run Settlement House

PO Box 590, Pursglove, WV 26546 admin@srsh.org 304-599-5020

Scott's Run Settlement House is continuing to serve those in need in Monongalia County through the COVID pandemic. All services have shifted to curbside. In 2020, a week's worth of groceries was provided to 7,014 individuals and 700 children in 11 schools were provided over 15,000 bags of food during the school year.

Our seasonal outreach programs also continue to make a huge impact in Monongalia County. In 2020, a total of 802 individuals enjoyed a Thanksgiving meal; 102 children in 48 families were sponsored at Christmas; and 112 children received a new backpack full of supplies for school. SRSH's supplemental senior food program also provided 2,654 boxes of food to seniors in need in 2020.

The services provided by Scott's Run Settlement House continue to make a difference in the lives of those who struggle to meet their most basic needs in Monongalia County. Your continued generosity and unwavering support of our work are what makes all this possible.

Jana Stanfield said, "I cannot do all the good that the world needs. But the world needs all the good that I can do." This demonstrates how important and significant your support has been; each donation, no matter how big or small, makes a real impact on someone's life. You have made it possible for Scott's Run Settlement House to provide greatly needed services to those most in need.

Thank you for illustrating God's grace and abundance through your continued support of our programs.

## Tyrand Cooperative Ministries, Inc.

PO Box 365, Mill Creek, WV 26280 tcm@frontiernet.net 304-335-2788

Tyrand Cooperative Ministries continues to meet the needs of the less fortunate in Randolph County. During COVID the staff have remained steadfast and dedicated to work toward alleviating hunger and other emergency needs of the less fortunate. We are short on volunteers due to the COVID Virus, but we are praying that will soon change and we can get all of our previous volunteers back. We have installed plexiglass dividers for the offices and the Thrift Store in order to provide a safe work environment for our staff and volunteers. The Year 2020 was a year of uncertainly. We had to cancel our Home Repair Program, our Day Camp, and other programs because of safety protocols. The cancellation of our Annual Auction was devasting to our ministry because that is our biggest fund raiser of the year. Support from the Conference United Methodist churches was down but God still provided and it is by God's grace that we were able to continue to serve God's people.

We were able to have the Ham & Bean Dinner in March of 2020 before things started shutting down. This dinner is sponsored annually by the Highland Cooperative Parish.

We were blessed with a grant from the Benedum Foundation that was for food insecurities for Senior Citizens. Those seniors who benefited from this grant were very appreciative.

The drug epidemic continues to be a problem in our area. We continue to provide a safe work environment for all our staff and volunteers. Our volunteers have been trained to stay safe and still offer the love of Christ to those with addictions. We have panic buttons in the Thrift Store and the offices. We work closely with the Randolph County Office of Emergency Management in being prepared for any situation that should arise. We are included in the weekly COVID updates in the county and we also continue to work with the RCOEM in Disaster Preparedness.

We continue to sell items on E-bay to help fund our programs. Our seller name is: tyrand2009

If you shop on Amazon, you can select a charity to donate to through Amazon Smile. Donations can also be made through PayPal at tcm@frontiernet.net We are grateful for any donations.

Our slogan "Faith and Action Joined in Love" is a constant reminder for us to be disciples of Christ and to help our brothers and sisters in need. We are appreciative of the Highland Cooperative Parish, the Wesleyan District, the other denominational churches that participate and all the churches in the WV Annual Conference for their continued support. I encourage each of you to visit and support Tyrand and all your Mission Projects.

Keep all of us in prayer as we struggle to keep serving the less fortunate.

Blessings,

### Upshur Cooperative Parish House

68 College Ave.; Buckhannon, WV 26201 krlwilkerson@gmail.com 304-472-0743

As we all know, the last year has been anything but "normal" given our current pandemic situation. Through it all, we have been constantly reminded that God's presence surrounds us, our service and our work, in remarkable ways.

The staff have been extraordinary since the pandemic began in March 2020. They have met every challenge and kept our service to neighbors-in-need as their primary focus. With guidance from the Conference, we established new procedures and practices in response to COVID. Through the suggestions of staff and volunteers, we also revised other processes, allowing for better efficiency and efficacy. We now conduct a significant portion of our services by phone. We created curbside distribution for the food pantry, our holiday meal boxes, and backpack distribution. We welcomed new volunteers who were not at high-risk for the virus.

Despite several challenges, the pandemic also included silver linings, all of which will have a lasting impact on Upshur County. We established a new partnership with our local WVU Extension Office and its Nutrition Program. We received UMCOR funding in response to COVID and were able to provide additional assistance with neighbor's water bills, food pantry items, and children's hygiene products. In cooperation with our Conference, we continued to fight food insecurity among senior citizens. We partnered with WV VOAD, the Pallottine Foundation, and CJ Maggies Restaurant to provide takeout meals to local residents in July and August 2020, serving an average of 125 meals each evening.

I am particularly grateful for Buckhannon native Sean Crites, now a junior in college, who volunteered in our food pantry upon his return to the area when his Spring 2020 semester went fully virtual. Sean's care and compassion for neighbors in need was evident from the first day he served in the food pantry. As he learned more about our mission and ministry, he naturally stepped up and assumed additional responsibility, quickly becoming an incredible asset for the Parish House and our neighbors. When his summer internship was cancelled due to COVID, he began an internship with us. His passion for increasing the quality of life for neighbors, for encouraging them to adopt healthier lifestyles, and for listening and understanding their unmet needs while simultaneously searching to find solutions provided a sense of hope and optimism for all those he encountered. He also used the opportunity to further discern his own calling to attend medical school with a focus on public health and assisting low-income families. Without a doubt, Sean's arrival and service were Heaven-sent.

## GLOBAL MINISTRIES

With tremendous gratitude, the Upshur Parish House was awarded several grants over the last year. The United Methodist Foundation of West Virginia and Weyerhaeuser provided funding for a complete technology upgrade. The Rotary Club of Buckhannon Upshur sponsored a matching challenge grant for shelter and utility financial assistance. The United Way of Lewis, Gilmer and Upshur and Philanthropy West Virginia both provided grants for our food pantry and holiday food boxes. We also renewed our participation in the WV Neighborhood Investment tax credit program.

I am grateful for those who have partnered with us along the journey of 2020, and especially for the United Methodist Churches of the West Virginia Conference. I am appreciative of the opportunity to get to know other WV UMC mission project directors better, to learn from them, and to be mentored by them through bi-monthly zoom meetings. One of our greatest challenges was our largest revenue source, the Clothes Closet thrift store, being closed for two and a half months due to COVID; however our community including many churches and businesses were gracious and generous in their support, which allowed us to remain open and continue providing essential services.

All of these grants and partnerships were particularly important as we responded to increases in need. Requests for backpacks and school supplies saw an increase of 27%. Christmas food box distribution increased 15%. And the most shocking statistic includes requests from new families rising 300% due to the pandemic.

We look forward to a time when we resume more of our typical activities including our salad luncheons during Annual Conference. We also hope to soon offer expanded hours one evening or weekend day each week, and we yearn for fellowship again during our Monday/Wednesday/Friday lunches. Until then, we continue to serve our Upshur County brothers and sisters as best we can through our revised processes. We express our deepest gratitude to those who generously support our mission and ministry with their prayers and gifts. And we continue to pray for the safety and well-being of our neighbors, volunteers, staff, community, and churches throughout the remainder of this pandemic.

In closing, we share these verses with you from Numbers 6:24-26 (NIV), may:
*The Lord bless you and keep you; the Lord make his face shine upon you and be gracious to you; the Lord turn his face toward you and give you peace.* Amen.

Respectfully submitted,
Kristi Wilkerson, Director

## Higher Education

Mark Stotler, Chairperson

Campus ministry assessment reports were submitted in January 2021 for activities/initiatives carried out in 2020. Despite the challenges the pandemic presented, the campus pastors did not abandon their missions. They were forced to think outside the box. They met regularly by Zoom with Shea James, Conference Director of Young Disciples & Outdoor Ministries, who serves as staff liaison to the Board. Through these interactions, campus pastors were able to share ideas about ministering in the pandemic environment.

Prior to the outbreak of the pandemic, Marshall and Concord were able to engage in spring break mission trips. These trips took them to the Florida Keys and Cincinnati, respectively. On these trips, students were able to assist in rebuilding homes damaged by hurricanes or provide service to those experiencing homelessness.

When pandemic protocols cancelled in-person meetings, weekly worship services were reformatted for Zoom gatherings. West Liberty and Concord ministries were able to increase attendance and participation through these Zoom gatherings. Marshall had success in retaining engagement through virtual game nights. Fairmont and West Liberty modified their feeding programs to provide a safe alternative such as carryout and distribution of such items as ice cream and prepackaged pepperoni rolls.

West Virginia University and West Liberty made mental health a new emphasis as they became more aware of the rising incidence of suicide and depression. The campus pastor at WVU participated in Awakened Life Training that was led by the General Board of Higher Education and Ministry. This training equipped her to lead students in the study and practice of mindfulness with the goal of improving mental health.

One theme that was prevalent in most of the assessments was the involvement of student leaders. Leadership teams were involved in the formatting of Zoom worship. Student leaders took active roles in leading the worship experience. Spring break mission trips were a product of planning by student leaders. The future leaders of the Church were on display.

When we are able to put the pandemic behind us, the Board of Higher Education believes that our Campus Ministry teams are poised to move forward in the mission to discover, develop, and deploy passionate spiritual leaders who make disciples of Jesus Christ for the transformation of the world.

## Justice and Advocacy

Martha Hill, Chairperson

The 2020-21 Conference Year has given me the opportunity to be introspective about my church assignments. This year provided a chance to get out of old ruts and blaze new trails for the important trek of Christianity. Watching events of the past year unfold including the pandemic, general election, divisions in our country, insurrection, and impeachment, gave me a chance to explore my complacency with voter suppression and racial injustice, and to find ways of loving those who do not share my opinions. Living through a pandemic has helped me escape my fears and conventionalism. I have scrutinized Justice and Advocacy (J & A) and Peace with Justice (PWJ) with new vision. I have read more, "Zoomed" more, thought more, been agitated more, and forced to pay more attention. The shutdown of much that was familiar and comfortable made me stop and reassess. What is it that J & A and PWJ are called to do? 2021 and beyond should not be business as usual.

In the wake of COVID, faith communities that were feeding, clothing, and caring for persons in crisis or essential workers, were invited to apply for Peace with Justice $500 micro-grants. Grants were awarded to purchase face masks, items for food pantries, computers for those in recovery to stay connected, and provide aid for asylum seekers who were unemployed due to the pandemic.

Our group held a virtual retreat in November with three focus areas: how our faith and commitment to justice informs our disaster response (JF Lacaria); soul tending in the midst of COVID (Alicia Rapking); and processing the election from a Christian perspective (Bishop Sandra Steiner Ball).

Our spring online meeting featured presentations concerning some of the Conference justice ministry areas: Refugee/Immigration (Cheryl Davis), Disabilities (Michael Ludle), Ethnic Local Church Concerns (Angela Jones), Environmental Concerns (Ashton Berdine), and Gun Violence (Dee Price).

Online communication has become increasingly more critical and effective when in-person gatherings are constrained. Ideas and concerns are shared on our group Facebook page and through virtual webinars. Jeff Allen, Director of the Council of Churches, has been a continuing partner regarding Legislative initiatives.

As the Peace with Justice Coordinator for the Conference I have participated in General Conference virtual gatherings and shared emails and chats. I have appreciated the guidance of the Justice and Advocacy Committee regarding disbursement of Peace with Justice funds. Deborah Coble has ably assisted as the Conference staff person assigned to guide our work.

## Conference Lay Leader

Kristi Wilkerson, Conference Lay Leader

It is my privilege to serve as your Conference Lay Leader after being nominated and elected during our Annual Conference meeting in August 2020. I am grateful for the dedicated service of our previous Conference Lay Leader Rich Shaffer. We were blessed with his leadership, creativity, and artistic ability.

It is early Spring as I write this report and after one full year of the coronavirus pandemic, we finally have hope and excitement that the worst of COVID is behind us. We celebrate the quick and flexible response of our churches, that ministry continued despite the pandemic, and the vast inclusion and expansion of online worship opportunities.

This past fall, Bishop Steiner Ball shared a message of hope and encouragement in each district through online meetings. Further, the Lay Ministry Team consisting of district lay leaders, the Associate Conference Lay Leader, the coordinator of Lay Servant Ministries, the previous Conference Lay Leader, the Director of Congregational Vitality, and representatives from United Methodist Men, United Methodist Women, and Conference Council on Youth Ministries, have gathered monthly to discuss lay leadership opportunities and new initiatives.

The Advent and Lenten Devotionals written by laity continued this past year. These devotions were clearly Spirit-led and Spirit-filled. Our Associate Lay Leader, Eva Hensley Faulkner, coordinated the devotionals and expanded the Advent series to conclude on Epiphany.

We held our first online laity session in 2020 and will again host the laity session virtually in May 2021. All laity are invited to participate in this session. We also look forward to hosting future online and in-person events designed specifically for laity responding to God's call on their lives, for leadership development, for spiritual formation, and more. Stay tuned for more information available soon regarding our new learning management system, Portico.

I participate and represent you during various meetings, including those of the Northeastern Jurisdiction Conference Lay Leaders and the Association of Annual Conference Lay Leaders. Information from these sessions is shared when available, such as the dual pandemic letter regarding coronavirus and the increase in racial tension throughout our nation. This statement was distributed throughout the conference in September 2020. We recognize that we are called to confront acts of oppression and injustice, and to work to end racism.

I look forward to continuing to partner with the laity and clergy of the West Virginia Conference as we serve together to discover, develop, and deploy passionate spiritual leaders making disciples of Jesus Christ for the transformation of the world. In doing so, we will make even more connections and build additional bridges with communities, being well-positioned to meet the needs and offer solutions for our neighbors facing challenges. Thanks be to God for the many ways you share the grace and love of Christ with others!

# Lay Servant Ministries

Kimberly A. Matthews
Annual Conference Director of Lay Servant Ministries

According to the *Discipline,* "a lay servant serves the local church or charge (or beyond the local church or charge) in ways in which his or her witness, leadership, and service inspires others to a deeper commitment to Christ, and more effective discipleship." I think we all understand that our clergy are in ministry, but do we remember that as laity, we are also in ministry? The work of Lay Servant Ministries is to remind the laity of the church that we all have a call from God to use our gifts for the work of the kingdom, to help equip the laity to do that work, and to hold each other accountable in that work.

In The United Methodist Church, one of the most visible expressions of lay servant ministries is the certification as either a Certified Lay Servant, Certified Lay Speaker, or a Certified Lay Minister. Each of these requires specific course work, approval, and continuing education.

As each person who is reading this report knows, 2020 was a year of challenges. The global pandemic created a new current reality for all of us. I was so inspired and impressed to see how the districts adapted their lay training to continue to meet the needs of laity. In 2020, despite the challenges, at least six Basic Courses and 25 Advanced Courses were held (the majority of them via Zoom). As I write this report, I have already received notification from several districts that they have planned their 2021 training opportunities for Laity.

One of the unexpected advantages of Zoom courses is that they are easily accessible from anywhere in the Annual Conference. We work to find ways to keep everyone informed of all courses so that a person seeking certification as a Lay Speaker can find the polity class she needs – even if it is across the state.

2021 saw the beginning of two Certified Lay Minister courses – both of them as online offerings. The MonValley district began a course in January with a professional educator. In March, a large group of students began a Conference CLM Course. Both of these courses are utilizing Zoom and Portico (the Conference's online Learning Management System).

I am working with the District Lay Servant Ministry Coordinators to increase communication between all stakeholders. As a team, we use email to connect with each other, to share ideas and problems. As I reinstate the process for providing conference approval for Certified Lay Speakers and Certified Lay Ministers, I am accumulating contact information for those who are certified and will be able to increase and create connections with them. We are beginning to use the Annual Conference Laity Page to publicize district trainings, and the district lay ministry coordinators are organically sharing their training schedules with each other.

Anyone who has read Genesis knows that from challenges, God will bring opportunities. Because of the pandemic, we are creating connections we never dreamed possible; we are blazing paths out of necessity that will revolutionize our ministry. At least, that is my prayer.

**How can you help?**

- For those who are pastoring a church, whether clergy or laity, I encourage you to help laity hear their call and answer it, thereby leading people toward increased discipleship. Please increase your knowledge and awareness of the certifications offered to laity. Become aware of the opportunities offered to equip laity and share the information with your congregation. You are often the gatekeeper! Please be a good one. I pray you will be open to the leadings of the Holy Spirit as you proactively encourage the laity in your churches to hear their calls to ministry.
- I pray all of us will listen to God's direction and will "step out of the boat" into ministries of witness, outreach, nurture, and generosity. I hope you will find the lay ministries program to be available and helpful to you.
- I ask all of those involved in lay servant ministries to continue to spread the word, to be an educated and joyful witness to the work of God in this program.
- I am so inspired by the creative ways the lay ministry team is meeting the challenges of this year. Isaiah speaks to us about God when he writes, "I am about to do a new thing: now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert." (Isaiah 43:19). Find the new way and don't stop!

Following this report is a table with a summary of the Lay Ministry positions. This is provided for your convenience, but the Discipline and Annual Conference Rules are the ultimate resource.

## Lay Servant Ministries

| Position | Think about this if you are interested in… | Requirements | Re-certification |
|---|---|---|---|
| **Certified Lay Servant** | Who should become a certified lay servant? The best way I've heard it defined is that a certified lay servant is a person who has a call to work in the local church or in the community | • Be approved by your charge conference<br>• Complete the basic course<br>• Complete one advanced course – and you can choose the course that best matches your call, whether it is preaching, teaching, praying, care giving – or a multitude of other choices. | To maintain your certification, you will need to be approved by your charge conference annually (there is a form to complete that can be found of the Annual Conference website) and take one advanced course at least every three years. |
| **Certified Lay Speaker** | Consider this option if you are interested in serving pulpit supply – filling in when necessary, but not serving a single church on a long term basis. The certified lay speaker preaches the word when requested by the pastor, DS, etc and is also equipped to do the work of the Certified Lay Servant. | • Be a certified lay servant<br>• Complete the following six advanced courses – preaching, prayer, polity, United Methodist beliefs, spiritual gifts, and leading worship.<br>• Be approved by your Charge Conference,<br>• Be interviewed and approved by your District Committee on Lay Ministry and the Conference. | To maintain your certification, you will need to be approved by your charge conference annually (there is a form to complete that can be found of the Annual Conference website), be reviewed by the district committee on Lay Ministry and the conference, and take one advanced course at least once every three years. |
| **Certified Lay Minister** | Consider this if you are called to serve in a particular ministry long term, such as assigned supply or other long-term ministry. | • You must be a certified lay servant<br>• Complete specific CLM curriculum with an accountability group.<br>• Be approved by your Charge Conference<br>• Be interested and approved by the District Committee on Ordained Ministry and the Conference. | To maintain your certification, you will need to be approved by your charge conference annually (there is a form to complete that can be found of the Annual Conference website), be reviewed by the district committee on Ordained Ministry every other year (and obtain conference approval), and participate in continuing education. |

## Board of Ordained Ministry

Rev. Dr. Jay D. Parkins, Chair

The Board of Ordained Ministry is comprised of 40 members representing all nine districts, including both active and retired Elders, Associate Members, Deacons, Local Pastors and Laity. The Cabinet representative to the Board, Rev. Melissa Shortridge, assists in maintaining clear communication between the Board and the Cabinet.

Election of officers for the 2020-2024 Quadrennium was conducted at our last in-person meeting in March 2020. The Executive Committee of the Board includes: Board Chair (Rev Dr. Jay Parkins), Vice-Chair (Royce Lyden), Registrar (Rev. Jacob Steele), Secretary (Rev. Stephanie Bennett).

Other members of the Executive team include: Chair of the Order of Elders (Rev. Michael Estep), Chair of the Order of Deacons (Rev. Jeffrey Taylor), Chair of the Fellowship of Associate Members and Local Pastors (Rev. Gwen Wolford), Cabinet Representative (Rev. Melissa Shortridge), the Chair of Enlistment and Recruitment (Rev. Larry Buckland), Registrar of Local Pastors (Rev. Scott Sears), Chair of the Conference Relations Committee (Rev. Timothy Allen), Vocational Discernment Coordinator (Rev. Chip Bennett ), and Residency Director (Rev. Bart Thompson). The Rev. Dr. Bonnie MacDonald, Annual Conference Director of Leadership Formation and Ministry Support, is the conference staff liaison to the Board.

Due to the Coronavirus pandemic, the Board was forced to adapt its work of discovering, developing and deploying passionate spiritual leaders who make disciples of Jesus Christ for the transformation of the world this year. The use of alternative formats for meetings and working with candidates for ministry was challenging.

One of the Board's primary tasks is the review and recommendation of candidates for Associate, Provisional and Full membership to the Clergy Executive Session. Though the Board normally completes the interview process over the course of two in-person interview sessions in the February and March, due to the constraints of the Coronavirus, Board interviews were conducted via Zoom at our March meeting. At the time of this report, the Board was in the process of interviewing candidates for approval and recommendation.

Though the number of candidates is low compared to previous years (i.e. two Full Member Candidates and two Provisional Candidates), we are supporting a large number of candidates in seminary who may come before the board in coming years. Your apportionment giving enables us to provide scholarships and other support to these individuals.

**DISCOVERING**

The Board of Ordained Ministry oversees the "Inquiring Candidacy Program." The program was modified in accordance with COVID protocols, moving to a completely online format. In 2020, there were 28 candidates participating in the program.

**Pastoral Ministry Licensing School**

When the pandemic began in March of 2020, students were on the brink of beginning in-person classes at Bishop Hodges Pastoral Care Center. Most students had purchased the required textbooks, and some had begun work when it became clear that the pandemic was going to prevent any in-person gathering.

It was determined that Candler's PMLS administered by Emory University would be our best option for seeing our 15 WV Conference candidates through this important step on their journey. Classes began the first week of June and students completed six weeks of classes including video learning, discussion groups and writing assignments. A time of evaluation and observations was shared by Zoom after completion. It was determined that the plan had been successful, and much was learned which would be helpful in planning for 2021 PMLS if determined necessary. On July 1, 2020, thirteen of these candidates became Licensed Local Pastors and two later received appointments, becoming licensed as well.

Our 2021 PMLS in now underway, again partnering with Candler School of Theology, using an 8-week format. There are 22 students participating.

**DEVELOPING**

**Residency**

The Residency program has adapted to the COVID reality by shifting workshops, classes, and covenant groups to a virtual format. We have discovered that the distance-learning models have significant merit and provide cost savings. The covenant groups have increased the residents' time together and this is creating deeper career-long relationships that will strengthen their connectional community. Classes and workshops have focused on a diverse reading list, including *Postcards from Babylon* by Brian Zahnd. We had a detailed conversation about the book in one of our Zoom classes. We also worked with the West Virginia United Methodist Foundation and took the Generosity workshop classes. We are planning to discuss clergy stress and emotional wellness in the spring with the Rev. Dr. Gary Nelson. Our hope is to meet in person for a retreat and workshop in the fall if the pandemic recedes.

**Course of Study**

The Board supports and assists participants in the Course of Study as they move forward with their education. The Board celebrates the hard work of all our Full-Time and Part-Time Local Pastors, as they continue to complete their Course of Study work.

The Board provides assistance to those attending Advanced Course of Studies at $350 per class after completion of each class with a passing grade. We also continue to support Local Pastors with $200 per course for extension schools and $350 per course for regional schools.

**DEPLOYING**

The Board of Ordained Ministry plays a supportive role in the lives of ordained and licensed clergy throughout their career. The Board oversees continuing education funds enabling full-time clergy to receive up to $600 every two years for continuing education endeavors. Detailed information on how to access this program is available on the conference website.

In addition, the Board supports clergy in appointments beyond the local church and assists clergy in discerning the viability of non-traditional appointments. The Conference Relations Committee also provides support and oversight to ordained clergy transitioning in their conference relationship (i.e., leaves of absence, retirement, etc.).

Though the Board was scheduled to participate in Cultural Competency training in March 2020, the Coronavirus impacted our facilitator's ability to travel. This training was rescheduled for Fall 2021. Kristina Gonzalez provided Board training in this critical area via Zoom at our virtual retreat in November. This training included completion and review of the Intercultural Development Inventory (IDI) assessment of intercultural development. The assessment and training were designed to assist the Board in better understanding how we think about cultural differences and commonalities in our work of discovering, developing and deploying clergy leaders in our annual conference.

The past year has been one of challenge and growth for the Board. We continue to learn and grow in our roles in these changing times and using new platforms to support our conference clergy from the beginning of the inquiry process through retirement.

As your current Board chair, I am very thankful for Bonnie MacDonald and Angela Jones at the Conference Office for their tireless work and support of Board, as well as the Board leadership on the conference and district levels during these challenging times. I covet your prayers on behalf the full board as we continue our work in equipping clergy leaders serving our churches throughout the West Virginia Annual Conference.

## Fellowship of Local Pastors and Associate Members

Rev. Gwen Wolford, Chair

I always like to begin this report with a few reminders of who we are as Licensed Clergy: The Fellowship of Local Pastors and Associate Members is organized in each annual conference in order to provide mutual support of all licensed clergy for the sake of the life and mission of the church¶323. All Local Pastors and Associate Members hold membership in the Annual Conference Fellowship by virtue of their clergy status. Over 50% of the active clergy in the West Virginia Annual Conference are Associate Members or Local Pastors. Many Local Pastors are bi-vocational, serving the church *officially* in part-time status, though most would tell you there is no such thing as part-time ministry while being a pastor. Local Pastors are examined each year by their District Committee on Ordained Ministry and must be deemed effective and fit to continue in pastoral duties in order to receive an appointment by the Bishop (This should be affirming to clergy and

reassuring to congregations.) Unlike Associate Members and Elders in the UMC, Local Pastors are not guaranteed an appointment and, in the WV Conference at this time, are not required to itinerate, although, they can and do.

It is redundant to say that Conference year 2020 was filled with challenges. The pandemic has left many reeling from the sudden changes in the way "we do things." It is likely that we all can say, "We have never done it like this before." As a Fellowship, we broke our bylaws by not having an annual meeting since there was no in-person Annual Conference. I confess that with all the changes in the local church, WV Conference, and family, I did not even consider finding a way to bring all of our Local Pastors and Associate Members together in 2020. This is something I will explore with colleagues and resource persons and would welcome input from others who are reading this report. As a Co-Director of Pastoral Ministry Licensing School, I worked with Rev. Bonnie MacDonald to quickly make changes to Licensing School plans and methods for completion. It was decided in early May to move forward with online classes from Candler Seminary administered through Emory University. In July 2020, thirteen new Local Pastors joined the WV Annual Conference after successful completion of licensing school, affirmation of their District Committees, and appointment to local churches. Many Local Pastors have been completing Course of Study online through various approved schools. I applaud everyone's efforts to continue to comply with educational requirements and remain on the journey with God and with the WV Annual Conference.

I began to say in conclusion, "In these uncertain times," but when have our days not been uncertain? Indeed, this may be the greatest gift that has come from the pandemic, awareness again, on a large scale, of our complete dependence on God. I leave you with the words of Paul to the church at Philippi for keeping spiritually fit and sound: "Finally, Brothers and Sisters, whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy—meditate on these things." Philippians 4:8.

## Order of Deacons

Rev. Jeff Taylor, Chair

Deacons are ordained clergy leaders who are called to a lifetime ministry of word, service, compassion, and justice. Deacons exemplify Christian discipleship, nurture others in their relationship to God, and lead the church to respond to the needs of the poor, neglected and marginalized of the world.

In the congregation, deacons teach, preach, officiate at funerals and weddings, offer pastoral care, and assist in administering Baptism and Holy Communion. Deacons lead discipleship development ministries and help laity identify and claim their own ministries. Deacons lead the congregation in its servant ministry and equip and support all baptized Christians in their ministry. Outside the walls of the church, deacons share the good news in word and in their advocacy for the poor, neglected, oppressed and discouraged; provide ministries of mercy; and invite Christians into these ministries.

Through the Order of Deacons, The United Methodist Church affirms this historic, central, and distinct ministry. The purpose of the Order is set out in ¶306 of the *Discipline*. The pandemic created challenges toward fulfilling our purposes, but we were able to adapt by meeting safely. In the spring of 2020, we had to change our plans to meet in person for retreat and spiritual formation. We shifted our gathering to a virtual format.

We gathered, again by Zoom, on September 24, 2020. After a time of prayerful centering, we had a fruitful discussion with Bishop Steiner Ball about how deacons are called to a ministry that brings the church into the world and the world into the church. In our current context - a pandemic, social inequality, politically polarized culture - the members of the Order of Deacons are responding to our call.

The year 2022 marks the 25th Anniversary of the ordination of deacons as clergy members in full connection in The United Methodist Church. As our Order gathers during this calendar year, whether in-person or more probably in a virtual format, we will explore ways to celebrate the anniversary.

It is a blessing for me to chair the Order of Deacons. I am grateful for the leadership of Rev. Claudia A. Krebs Fizer, who immediately preceded me as chair of the Order, and for the opportunity to serve alongside all of the deacons of the West Virginia Annual Conference.

## Order of Elders

Rev. Mike Estep, Chair

A pandemic and the resulting need to adapt church ministry, division inspired by political and cultural fears that focuses church and community anxiety on clergy, and the ever-looming, again postponed General Conference - with its ever-present stresses - are some of the challenges faced by members of the Order of Elders in recent months.

The blessing of technology has kept and/or enhanced relationships among members of the Order. We long for the day when we will not only be able to gather with our flocks, but when we can be with one another again and testify:

"And are we yet alive, and see each other's face?.....

What troubles have we seen,

what mighty conflicts past,
fightings without, and fears within,
since we assembled last!

Yet out of all the Lord
hath brought us by his love...

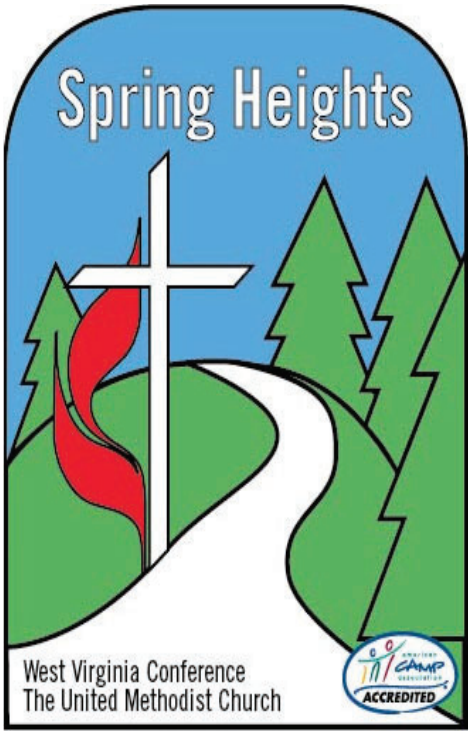
(Charles Wesley, PD)

To that end, we look forward to our spring gathering.

# Outdoor Ministries / Camping Team

*The following is a report from the WVUMC Conference Camp, Spring Heights Camp and Retreat Center, and remarks from our district camps, Asbury Woods and Crossroads.*

## Spring Heights Camp and Retreat Center-West Virginia Conference Camp



Spring Heights has much to celebrate! While the pandemic impacted summer camps and retreat groups visiting the property, the camp staff responded with creativity and offered a summer program called Camp@Home. The theme was Prayer (adapted from "This is our Prayer" by Inside Out: Christian Resources for Outdoor Ministries). Campers received a box in the mail before their program week filled with activity instructions, supplies, a small group journal, and a worship songbook. While staying safe at home, campers enjoyed daily devotions, activities, small group Zoom calls, and evening campfires. Participants watched videos on the Spring Heights website and completed various activities like scavenger hunts, making stress balls, and learned many new ways to pray.

Camp@Home ran through July; thanks to this program, Spring Heights Camp and Retreat Center ministered to campers in West Virginia, Ohio, Virginia, Maryland, Minnesota, Iowa, South Carolina, Texas, and Kentucky. Seventy-nine percent of campers had never been to Spring Heights Camp before!

The pandemic was especially challenging for pastors and their families as they adjusted to many changes in the life of the church. The Clergy Support Team and the Board of Pensions joined together to offer FREE pastor retreats at Spring Heights Camp and Retreat Center for anyone serving a church in the West Virginia Conference. These self-guided two-nights/three-day retreats are excellent opportunities for renewal and sabbath rest at our remote and serene facility. Spring Heights is an ideal place to get away with your family or enjoy a personal retreat. The camp director has reimagined the lodges and created comfortable spaces we know you'll appreciate; please contact the camp office to book your stay!

This year allowed Spring Heights Camp and Retreat Center to make needed improvements without disrupting regular programming and facility use. With the help of a

few volunteers, our staff built a new deck on the office, replaced the dining hall roof, and paved the walkway to Price Lodge, making it easily accessible for guests.

If you would like to bring a volunteer group out for a day, please contact the office. We're happy to host volunteer groups who can help us maintain the property so that Spring Heights can continue to be a place where people grow in their understanding of God for generations to come. If you would like to donate, checks should be made out to "Conference Treasurer" with "Spring Heights Donation" in the memo line. Please mail donations to:

# Pensions

## RECOMMENDATIONS APPROVED (as amended) BY THE 2021 ANNUAL CONFERENCE

## I. Pensions

A. That the Past Service Rate (pension rate for service rendered prior to 1982) increase from $612.00 to $625.00, effective January 1, 2022.

B. That the fair share figure for past service pensions be eliminated due to significant over funding of the Pre-82 plan and significant reserves held at the WV United Methodist Foundation which can be utilized if needed to meet current plan liabilities.

C. That clergy who are appointed three-quarter time and half-time and are eligible to participate in the Clergy Retirement Security Program (CRSP) be eligible to earn benefits under the CRSP plan.

## II. Medical Insurance

D. That the apportionment for the health insurance program remains at $4,325,000.

E. That $75,000 be apportioned for the Medical Insurance Reserve account.

F. After four months of prayer, research, and evaluation, the Board recommends the Conference move the active participant health insurance coverage to Wespath's HealthFlex program utilizing the Blue Cross Blue Shield network with an effective date of January 1, 2022. This change is recommended to eliminate the risk of unbudgeted claims costs, expand participant options, enhance sustainability, expand health and wellness expertise, equalize the appointment process, and maintain similar costs to our current plan. This recommendation does not impact active or retired participants of the Medicare supplement program. A Medicare supplement will continue to be offered to Medicare Eligible Participants by the Conference.

H. That under the HealthFlex plan, Retirees not yet 65, will continue to be eligible for coverage through the Conference health insurance plan. Those retiring between January 1, 2004 and July 1, 2021 and not yet 65 will be billed the participant amount per their elections and 20% of the rate normally billed to a charge per participant ($6,500 annually for 2022). Individuals retiring after July 1, 2021 and being younger than 65, will be bill the participant rate according to their plan elections and the full rate normally billed to a charge per participant ($6,500 annually for 2022).

I. The Board of Pensions shall administer the Health Insurance Plan and be authorized to make such changes as will be of benefit to the local church and all persons covered by the plan.

## III. Medicare Eligible Participants

J. To be eligible for the West Virginia Annual Conference health insurance supplement to Medicare coverage at retirement, you must have been under full time appointment status for seven consecutive years immediately prior to your retirement date or have Medicare as primary insurance through the Small Employer Exception at the time of retirement. Persons who have had an interruption in the last seven years of their appointive service but have remained in relationship with the West Virginia Annual Conference, may have their eligibility reviewed by the Board of Pensions on a case-by-case basis.

K. If an Eligible Employee and/or their Dependent(s) are not enrolled in the Plan within the applicable sixty (60) day enrollment period, or within a period described under "Special Enrollment Procedure", they must enroll during the Plan's Open Enrollment Period, [March 1st – March 31st], a nonparticipating Eligible Employee may elect to enroll themselves singly or with his or her Dependents in the Plan and a Participating Employee may elect to add, modify or eliminate coverage under the Plan. Any changes elected during the Plan's Open Enrollment Period shall be effective as of the first day of the Plan Year, [April 1st], immediately following the close of the Open Enrollment Period.

L. Effective January 1, 2021, Medicare eligible beneficiaries of the Plan may qualify for the small employer exception to the MSPA (the "Small Employer Exception" or "Exception") such that Medicare would be the primary payer for benefits incurred by Plan Beneficiaries who are age 65 or older ("worked aged"). If any church participant of the Plan has fewer than twenty (20) employees, then working-aged Beneficiaries (and their spouses) of each such Church Participant may qualify for the

Small Employer Exception upon application. Pursuant to this Exception, Medicare would become the primary payer for benefits incurred by these eligible working-aged individuals. The Conference Treasurer's Office will be contacting and working directly with individuals as they become eligible for this program.

M. The Plan will coordinate prescription drug claims as if the participant is a Medicare participant and will subsidize reimbursement at 50% of the first dollar of the Medicare Part D "Donut Hole" prescription drug expense of $4,020 to $6,350 up to a maximum reimbursement of $1,165 per historically Calendar year.

# Retired Ministers' Housing Loan Fund

## History

At the 1981 session of the West Virginia Annual Conference, upon recommendation of the Board of Pensions, a Ministers' Retirement Housing Loan Fund was established to provide low interest loans to ministers at or near retirement for the purpose of purchasing a retirement home. The Board of Pensions, at their August 19, 1999 meeting revised this fund to be loans of no more than $100,000 per family.

Pension Funds, Inc. administers this housing loan fund through the Executive Secretary's office. The fund is supported by gifts, Day of Remembrance offerings, and interest earned on existing loans.

## Eligibility

All United Methodist ministers retiring in the current calendar year and surviving spouses of deceased ministers (provided application is made within one year after the minister's death) are eligible to receive loans from this fund. Applications may be secured by writing the office of Pension Funds, Inc., P.O. Box 2469, Charleston, WV 25329, attention Jamion Wolford. ALL APPLICATIONS MUST BE RECEIVED BY FEBRUARY 1. The Executive Secretary of Pension Funds, Inc., and the United Methodist Foundation of West Virginia, Inc. will cooperate to provide channels of giving and investment for persons who would like to provide gifts to the Retirement Housing Loan Fund.

## Loan Fund Guidelines

Loans are available to surviving spouses of deceased ministers and to ministers of the West Virginia Annual Conference who will qualify for pension after serving on a full-time basis as a Local Pastor or Conference Member at least ten (10) consecutive years immediately preceding the date of retirement.

1. Fund Balance.
2. Number of Applications received.
3. Applicant's financial need.
4. Nearness of applicant to retirement (must be within one year of retirement). This provision does NOT apply to surviving spouses.

The purpose of the loan is to assist in the purchase of primary retirement housing. Loans will NOT be made to assist in refinancing a house or to purchase a second home if the first home is sold.

Loans will be limited to eighty (80) percent of the appraised value or purchase price of the property, whichever is least. If the home is later sold, the loan is NOT assumable.

Interest rates shall be two thirds of the prime rate as reported in the Wall Street Journal with a minimum rate of 6% on the day the loan application is received in the office of the Executive secretary of Pension Funds, Inc. Loans shall be amortized over a period of not more than twenty years. All costs relative to loan procurement shall be borne by the borrower.

# Rules

Scott Sears, Chairperson

The work of your Annual Conference Rules Committee is to:

> *assemble, edit, reproduce and present such proposed amendments to the Conference, with its recommendation, but they shall not have the power to change the essential meaning of any proposed amendment or amendments. However, where the proposed change is so simple as to be readily understood, the committee shall not be required to reproduce the report. Provided, further, however, that the Committee on Rules shall have the right to propose any alternative change or new rule or rules that the committee deems advisable and which may be given as a part of the committee's report to the Annual Conference.* (WVAC Rules I.2.b page 361 of 2020 Journal)

The committee had a large amount of work to consider this year. One piece of that work was brought about directly by our learning to work during a global pandemic. We prepared, with the help of the Annual Conference Program Committee, to propose rules that will allow us to meet in a format other than a "single-place" gathering of the body. Further work of the committee centered around changes to rules that had been proposed to the 2020 session – but were not acted upon by that body – concerning the structure of our Annual Conference Agencies and the Equalization of Lay and Clergy Membership in the Annual Conference. Adding to the complexity of that work, the Rules Committee received further proposed amendments in 2021 concerning Annual Conference Agency structure and Equalization of Lay and Clergy Membership. The Rules Committee also considered a change in the rules concerning District Conferences to allow our Districts to function with the same vision towards the future that our Annual Conference strives.

The work of the committee took place over three meetings, held virtually, on February 16, February 23, and March 9 of 2021. Further work of the committee took place through email communication and voting between March 8 and 11 of 2021. Countless hours of work went into preparing for these meetings as well. As chairperson of this committee, I am thankful for the diligence and dedication shown by each member of this committee in their preparation and work.

The Rules Committee proposes the following changes to our Annual Conference Rules. In those proposed changes, deletions are marked with text that has been stricken ~~thusly~~ and additions/changes are double underlined <u>in this fashion</u>. The full version of our current rules may be found immediately preceding this report.

# Proposed Changes Concerning
# PART A: RULES AND PROCEDURES FOR THE ANNUAL CONFERENCE SESSION
## Section II: Rules of Order and Business Procedure

Rationale: *Robert's Rules of Order, Newly Revised does not allow for meetings of organizations to proceed in any manner other than a single gathering place. Because our Rules default to Robert's Rules of Order, Newly Revised when we do not otherwise say so, the following changes are necessary for our Annual Conference to meet in a variety of locations facilitated by technology. These changes also allow us to vote electronically as necessary. Some changes in these rules also include the changing of language to allow us to be more inclusive of all people attending our meetings. Finally, the addition of Subsection 28 extends these rules to other bodies within the Annual Conference.*

**The committee moves the following changes to Section II:**

3. **Bar of the Conference**. ~~An area of the assembly room sufficient in size to seat all clergy and lay members shall be designated as the bar of the Conference. Except by special invitation and where accessibility issues exist, visitors to the Conference shall not sit within the bar of the Conference, but shall occupy an area designated for their use.~~ The bar of the Conference shall be established in the organizational motion. ~~When the bar of the Conference shall have been established,~~ Only members within the bar ~~that area~~ shall be entitled to vote when the vote is taken. Members within the bar of the Conference are considered present and voting.

7. **Securing the Floor**. The method of obtaining the floor shall be established in the organizational motion. ~~Members desiring to speak to the Conference shall arise at their seat within the bar of the Conference, respectfully address the presiding officer, using the term, Bishop "(last name)", or "Mr./Ms. Chairperson," and, after recognition, proceed to the nearest microphone, where, before speaking,~~ Members who secure the floor shall indicate their name and Annual Conference voting credentials before speaking.

13. **Voting Procedure**. Voting shall be by a show of hands unless otherwise ordered by the Presiding Bishop or Presiding Officer. Presiding Bishop or Presiding Officer may order voting by electronic means whereby remote members may vote using an electronic device through a secure log-in provided in advance by the West Virginia Annual Conference. A count vote may be ordered on call of any member supported by one-third of the members present and voting. An "aye" or "nay" vote by secret ballot may be ordered on call of any member, supported by one-third of the members present and voting.

17. **Motion to Adopt**. A motion is a proposal that the assembly take certain action or that it express itself as holding certain views. Any member of the Conference may make such a proposal. When the motion is seconded by a member saying, "I second the motion," which may be done without obtaining the floor ~~and generally without rising~~, it shall be before the body.

26. **Questions of Order**. It is the duty of the presiding officer to enforce the rules and orders of the Conference, without debate or delay. It is also the right of every member who notices the breach of a rule, to insist upon its enforcement. In such a case the member shall secure the floor by expressing "I rise to a point of order," ~~rises from his/her seat and says, Bishop (last name), or Mr./Ms. Chairperson, "I rise to a point of order". The speaker immediately takes his/her seat. The chair requests the member to state the point of order, which he/she does and resumes his/her seat. The chair decides the point and,~~ The speaker will be addressed by the presiding officer who will decide the point and if no appeal is made and the member has not been guilty of any serious breach of decorum, the chair will permit him/her to resume his/her speech. But, if the member's remarks are decided to be improper and any one objects, he/she cannot continue without a vote of the Conference to that effect.

28. **Meeting of Agencies, Boards, Committees, and Teams.** All agencies, boards, committees, and teams of the Annual Conference shall have the right to meet and vote by electronic means.

## Proposed Changes Concerning
## PART B: RULES AND PROCEDURES FOR THE ORGANIZATION OF THE ANNUAL CONFERENCE
## Section I: Organization
## Section II: Conference Agencies
## Section IV: Miscellaneous Standing Rules of the Conference

Rationale: *The Rules Committee was prepared to propose slight changes to Part B, Section II in its report to the 2020 Annual Conference. As noted, this work of the committee was taken back up in 2021. Alongside of that work, the committee received a proposed change that envisioned a new organizational structure for the Annual Conference. The Committee worked with those proposing these changes to perfect them and present them to the Annual Conference and finds the information found on pages 52 - 58 to be helpful in understanding the positive momentum this change may generate.*

*Please note that in the recommended strike-throughs, much of the language is not lost. Some language is carried into the proposed rules in different places. The Committee believed that the proposed rule changes would be more easily read by striking the entire section and then sharing the language of the new proposal.*

**Therefore, the rules committee moves the following changes:**
**Striking entirely Part B Section I;**
**Striking entirely Part B Section II;**
**and striking subsection 7 from Part B Section IV.**
**(The sections to be removed appear below.)**

**THE COMMITTEE FURTHER MOVES THE PASSAGE OF NEW PART B SECTION I AND NEW PART B SECTION II, WITH THE ADDITION OF AN AMENDED SUBSECTION 7 FROM PART B SECTION IV BEING INSERTED AS SUBSECTION 8 OF PART B SECTION II.**
**(The newly worded rules follow the text of those parts that are recommended for removal.)**

## Proposed Change Concerning
## PART B: RULES AND PROCEDURES FOR THE ORGANIZATION OF THE ANNUAL CONFERENCE
## Section IV: Miscellaneous Standing Rules of the Conference
## Subsection 8: District Conference

Rationale: *The Rules Committee recognizes that we live in a time of constant change and the ability to adapt is one of the greatest tools the Church can have as it lives into the Kingdom future. ¶658 of The Book of Discipline says that a district conference may be directed by the annual conference or a district conference may be held upon the call of the district superintendent. ¶659 of The Book of Discipline gives the annual conference the responsibility of determining membership and composition of the district conference. This change is being offered to allow our districts to function in the most adaptable ways possible given their varied and changing ministry contexts.*

**Therefore, the committee moves the following changes:**
**Strike the words "shall" from the first sentence of Part B Section Iv Subsection 8 and replace it with the words "may";**
**Strike the word "annually" from the first sentence of part b section iv subsection 8.**

8. **District Conference**. [*Book of Discipline* ¶42, 656 -669] District Conferences ~~shall~~ may be held ~~annually~~ in each district of the Conference. The Annual Conference authorizes the District Superintendent to call district conferences as needed. In addition to the ex-officio membership, each Charge Conference ~~shall~~ may elect two principal and two reserve delegates. The ex-officio membership of the District Conference, when called, shall be comprised of the following: All clergy of the district: including retired, those under disability, maternity leave, leave of absence, or sabbatical leave —associate, provisional, diaconal and local; the deaconesses of the district; District personnel, as listed: district trustees, district lay leader and associate lay leaders, chairperson of the District Board of Laity, chairperson of the District Council or equivalent structure, presidents of the District United Methodist Women, United Methodist Men, and District Council of United Methodist Youth Ministries.

Local church personnel as listed (from local churches within the district): lay members of the Annual Conference, church lay leader, chairperson of Church Council, presidents of United Methodist Women, chartered United Methodist Men, and United Methodist Youth Fellowship. A current and accurate report of all elected officers and committee chairpersons shall be submitted to the WV Conference office. The report shall include name and current contact information.

The Annual Conference directs ~~E~~each District Superintendent to hold a District Conference following the meeting of the General Conference ~~at the first session following General Conference~~, to elect for a term of four (4) years, a District Lay Leader. The term of office shall be subject to the two-quadrennium rule.

**Proposed Change Concerning**
**PART B: RULES AND PROCEDURES FOR THE ORGANIZATION OF THE ANNUAL CONFERENCE**
**Section IV: Miscellaneous Standing Rules of the Conference**
**Subsection 6: Equalization of Lay and Clergy Membership**

Rationale: *In working to present rule changes to the 2020 Annual Conference, the rules committee prepared several changes to this rule based upon a request of a member of the conference. In preparations for our work for this session, Rev. Mark Flynn presented a substitute rule for this subsection, which is printed at the end of this document. In our deliberations, the substitute did not receive a second on the committee and the committee went*

*about the work of perfecting Subsection 6 while keeping in mind the spirit of the substitution offered by Rev. Flynn. The committee saw this as a concern that a clear process for election be made of those who are serving as Equalization Members of the Annual Conference.*

*Based upon their working understanding of ¶602 of the Book of Discipline , the committee worked on Subsection 6 with the mind that the annual conference determines its membership except in those instances where the BOD specifically gives the power to another body. For instance, each charge served by a clergy member of conference is to elect a lay member. Also, in the instance of a clergy member serving a campus ministry (where there is no Charge Conference to elect a lay member) the BOD allows a process for the district to elect a lay member. The election of Equalization Members is the responsibility of the annual conference.*

*The committee further kept in mind the distribution of charges and members throughout our districts in the West Virginia Annual Conference. These districts were not formed to provide representational equality but are instead formed out of the need for mission and ministry in a geographical area. The committee felt that a conference strategy for the election of Equalization Members, which has served our conference well for many years, should be continued.*

*For brevity, which at this point in our report is somewhat moot, the committee presents this rule change not line by line but as a whole with changes either ~~stricken~~ to be removed or double underlined to be added. The strike-through indicates which parts of the existing rule we are proposing to delete. Portions with the double underlining are the portions which we are proposing to add to the existing rule.*

**Therefore, the committee moves that Subsection 6. Equalization of Lay and Clergy Membership be amended as follows:**

6. **Equalization of Lay and Clergy Membership**. The Annual Conference Secretary shall annually review the number of clergy and lay members of the Annual Conference, based on information in the most recent *Conference Journal*, and determine the number of additional lay members required to be in compliance with ¶¶32 & 602.4. The Secretary shall determine the number of additional lay members required for equalization and select and notify these equalization members according to priorities of sequence in the following list:

a. The Conference Secretary and the Conference Treasurer/Director of Administrative Services.
b. Lay persons serving on General Church Agencies.
c. Lay persons employed as Director or Associate Directors of Office of Connectional Ministries.
d. Lay persons who chair conference agencies including those who are elected to chair sections or divisions.
e. Church and Community Workers.
f. The Conference Chancellor.
g. The President of West Virginia Wesleyan College. (If a member of The United Methodist Church)

h. A West Virginia Wesleyan College student who is a young adult as determined by the Discipline. The student shall be a member of The United Methodist Church in the WV Annual Conference, familiar with the multi-faceted nature of the Campus Community and representative of the diversity of the student body. The student shall be named by the Office of Spirtual Life in consultation with the Student Senate and President of the College.

k. All lay persons serving as the chairperson of a District Council on Ministry or equivalent structure.

l. All lay persons employed as Directors of Conference Health and Welfare institutions and Mission Projects (if a member of The United Methodist Church).

n. ~~A West Virginia Wesleyan College student who is a young adult as determined by the Discipline. The student shall be a member of The United Methodist Church in the WV Annual Conference, familiar with the multi-faceted nature of the Campus Community and representative of the diversity of the student body. The student shall be named by the Dean of the Chapel in consultation with the Community Council President and President of the College.~~

m. Up to eight persons from each district chosen by the District Committee on nominations or equivalent structure or the superintendent with attention to ethnicity, race, age, gender and church size.

n. Certified Lay Minister under assignment

o. Additional persons selected by the Parish Coordinators in each district upon nomination by the District Committee on Nominations (or equivalent structure), after the Conference Secretary has informed the District Superintendents of the appropriate number per district.

Those from the priority list above, selected and notified by the Annual Conference Secretary, shall be presented for election by the Annual Conference in the Organizing motion.

The Committee on Annual Conference Program, in consultation with the Council on Finance and Administration, shall assist with expenses of equalization members and shall determine the amount of the stipend each year. Funds will not be provided for attendance at one-day special sessions.

***End of Rules Committee's proposals***

***The following is the rule submitted by Rev. Mark Flynn concerning this Subsection but laid aside by the committee in order to perfect our current rule while keeping in mind the need for clarity about the election process.***

**Proposed Changes to Rule IV. 6. From Rev. Mark Flynn**

**6. Equalization of Lay and Clergy Membership.** The following shall serve as lay members of the annual conference:

a. One or more professing members elected by each charge, in accordance with ¶32 and ¶602.4.

b. The diaconal ministers, the active deaconesses, and home missioners under episcopal appointment within the bounds of the of the annual conference, the conference president of United Methodist Women, the conference president of United Methodist Men, the conference lay leader, district lay leaders, the conference director of Lay Servant Ministries, the conference secretary of Global Ministries (if lay), the president or equivalent officer of the conference young adult organization, the president of the conference youth organization, and the chair of the annual conference college student organization.

c. One young person between the ages of twelve and seventeen and one young person between the ages of eighteen and thirty from each district, to be elected by the lay members of the district conference.

The Annual Conference Secretary shall annually review the number of clergy and lay members of the Annual Conference, based on information in the most recent Conference Journal. ~~, and determine the number of additional lay members required to be in compliance with ¶¶32 & 602.4. The Secretary shall determine the number of additional lay members required for equalization and select and notify these equalization members according to priorities of sequence in the following list:~~

~~a. The Conference Secretary and the Conference Treasurer/Director of Administrative Services.~~

~~b. Lay persons serving on General Church Agencies.~~

~~c. Lay persons employed as Director or Associate Directors of Office of Connectional Ministries.~~

~~d. Lay persons who chair conference agencies including those who are elected to chair sections or divisions.~~

~~e. Church and Community Workers.~~

~~f. The Conference Chancellor.~~

~~g. The President of West Virginia Wesleyan College. (If a member of the United Methodist Church)~~

~~h. All lay persons serving on the following Conference Agencies: Nominations, Program, Rules, and nine youth between the ages of 15 and 18 to be selected by the Conference Council on Youth Ministries.~~

~~i. All lay persons serving on the Conference Board of Ordained Ministry, Conference Council on Finance & Administration and Conference Covenant Council.~~

~~j. All lay persons serving as the chairperson of a District Council on Ministry or~~

~~equivalent structure.~~

~~k. All lay persons employed as Directors of Conference Health and Welfare institutions and Mission Projects (if a member of The United Methodist Church).~~

~~l. Certified Lay Minister under assignment~~

~~m. A West Virginia Wesleyan College student who is a young adult as determined by the Discipline. The student shall be a member of The United Methodist Church in the WV Annual Conference, familiar with the multi-faceted nature of the Campus Community and representative of the diversity of the student body. The student shall be named by the Dean of the Chapel in consultation with the Community Council President and President of the College.~~

~~n. Additional persons selected by the Parish Coordinators in each district upon nomination by the District Committee on Nominations (or equivalent structure), after the Conference Secretary has informed the District Superintendents of the appropriate number per district.~~

~~The Committee on Annual Conference Program, in consultation with the Council on Finance and Administration, shall assist with expenses of equalization members and shall determine the amount of the stipend each year. Funds will not be provided for attendance at one-day special sessions.~~

If the number of clergy members (as defined in Paragraph 32 of *The Book of Discipline*) exceeds the number of lay members (including those elected by charges, those holding the offices listed above, and the two young persons from each district), then the number of lay equalization members still needed to equalize lay and clergy membership in the annual conference shall be divided by the number of districts. The necessary number of lay equalization members shall be nominated and elected by the lay members of the district conferences. The district superintendent shall encourage the nomination and election of active professing members representing different racial and ethnic groups, different age groups, churches of different sizes, and communities of different sizes. If nominations for these lay equalization members are made by a nominating committee, lay members of the district conference shall also be invited to offer nominations from the floor. If the number of lay equalization members needed is not divisible by the number of districts, then those districts having larger numbers of professing members shall each be asked to elect one extra lay equalization member until the needed number is reached.

All lay members elected by charges and all lay equalization members elected by the lay members of the district conferences (including youth and young adults) shall meet the participation and membership requirements of ¶32 and ¶602.4. Qualifying individuals shall be permitted to nominate themselves.

The Committee on Annual Conference Program, in consultation with the Council on Finance and Administration, shall assist with expenses of equalization members and shall determine the amount of the stipend each year. Funds will not be provided for attendance at one-day special sessions.

Rationale from Rev. Mark Flynn:

1. The most obvious concern with our present rule is that it is not consistent with *The*

*Book of Discipline.* Paragraphs 32 and 602.4 clearly state that lay equalization members who are not in categories listed in these paragraphs as lay equalization members are to be elected: "If the lay membership should number less than the clergy members of the annual conference, the annual conference shall, by its own formula, provide for the election of additional lay members to equalize lay and clergy membership of the annual conference."

a. Our current rule automatically gives voting membership in the annual conference to eighteen categories of persons not listed in paragraph 32 or paragraph 602.4.
b. Our current rule does not provide for the remaining lay equalization members to be elected either.

2. It is probably not necessary to include all of the language of paragraphs 32 and 602.4 in our rule, it would probably be wise to make sure that we do not overlook the list of those who are named there as lay members of the annual conference.
3. It may also be wise to include at least a reference to the membership and participation requirements in the *Discipline.*
4. Lay equalization members of the annual conference should be chosen by the laypersons whom they are supposed to represent. Our current rule has lay equalization members being chosen by parish coordinators, all of whom are clergy.
5. Our current rule gives to six categories of conference employees automatic voting membership in the body which approves the funding for their salaries. This rule change would still allow these persons to be elected as lay equalization members, but it would not give them such a position automatically.

*"All properties of United Methodist local churches and other United Methodist agencies and institutions are held, in trust, for the benefit of the entire denomination, and ownership and usage of church property is subject to the Discipline. This trust requirement is an essential element of the historic polity of The United Methodist Church or its predecessor denominations or communions and has been a part of the Discipline since 1797. It reflects the connectional structure of the Church by ensuring that the property will be used solely for purposes consonant with the mission of the entire denomination as set forth in the Discipline." (Paragraph 2501, 2016 Discipline)*

*The Annual Conference trustees are charged with maintaining that trust through the legal responsibilities of holding of donations, bequests, real or personal property for the Annual Conference (Paragraph 2512, 2016 Discipline); the trustees are directed by the Annual Conference in regard to investing, buying, selling, transferring, or conveying funds and properties that are held in trust. As directed by the Book of Discipline, "the board (of trustees) shall make to each session of the annual conference a full, true, and faithful report of its doings, of all funds, monies, securities, and property held in trust by it, and of its receipts and disbursements during the conference year." (Paragraph 2512.6)*

I offer this report as my first year as President of the Conference Trustees draws to a close. I want to begin by extending a warm and sincerely heartfelt "Thank You!" to each of the trustees and ex-officio members who have patiently walked with me through this transitional year. I confess, the thought of filling Bill Wilson's sturdy, well-polished shoes was daunting, to say the least. What a blessing and a gift to work with a group of talented folk who love our Conference and share a desire to help things go right. Randy Flanagan, our Vice President, and Jamion Wolford, Conference Treasurer, who also serves as our Trustee Treasurer, have been great partners in this strange but productive year. Never at our meetings, but indispensable to say the least, I also want to thank Myra Bess for her patience "filling in blanks" I didn't even know were blank until she guided me through them. COVID, and for my part, a reoccurring personal illness, has made it necessary for all of us to reassess, kick off our shoes, roll up our sleeves and find new ways to creatively come together to accomplish our work as Trustees. Learning to Zoom and screen share, chat, text and message to name a few new skills, has been challenging but rewarding. As I look back on this year, I celebrate these new tools to carry us into the future.

In this document, the following areas are reported to the conference: 1) The Episcopal Residence; 2) Spring Heights; 3) Property Insurance; 4) Closed Churches Property; 5) GlenWood Park; and 6) Resolutions

Please see the financial report for funds held by the trustees, following this report.

**Episcopal Residence:**

Rev. Frank Shomo, has continued to work in consultation with Bishop Sandra Steiner Ball and her husband, Rev. Barry Ball, to maintain the residence in Putnam County. COVID restrictions have made it difficult to find professional contractors. We give thanks for the work that has been done, and for Frank's persistence in scheduling and overseeing that work. We are especially grateful for Frank's willingness to continue overseeing the care of our Episcopal Residence.

**Spring Heights:**

As a conference-owned property, the trustees continue to address the year-to-year maintenance needs of the Spring Heights camp facilities outside of Spencer, WV. Shea James and Amy Mullins have used their COVID time well. Exciting new ministry opportunities are happening. The Trustees are pleased to be able to offer our support by managing the Spring Heights Maintenance Funds as listed in Category III of the Conference Budget and by assisting in the development a property maintenance plan. Working with Shea, Amy and Spring Heights' amazing maintenance man, Paul, several erosion issues have been more permanently addressed. Work is scheduled to replace the dining hall roof which sustained serious wind damage, and many trees have been trimmed. Pipes and the water pump at the camp's water plant, which sustained damage during an ice storm, have been replaced/repaired. The Trustees hope to assist with financial support as we partner with Shea, Amy, and David Stilgenbauer (Conference Volunteers-in-Mission Coordinator) to arrange work teams through VIM to assist with minor maintenance projects. Conference Trustees Betsy Martin and Charles Hicks sit on the Camp Commission.

**Property Insurance:**

The Trustees appreciate the tremendous work our Conference Risk Manager, John Thompson, and our Treasurer, Jamion Wolford, have accomplished this year. Conference properties, vehicles, mission projects, and campus ministries (through our Affiliation Agreements) are covered by Annual Conference provided insurance. John and Jamion reviewed coverage, premiums, and all entities that are to be insured. John's expertise and diligent attention to detail, have enabled the Trustees to adapt, adjust, or secure new insurance policies for all our conference properties.

**Closed Churches Property:**

We thank our Trustee Agent, Rev. Charles Hicks, and the Conference Chancellor, Robert File, for their work on sales and conveyance of closed church properties. See the report, "Closed Church Properties Conveyed," submitted from the agent regarding the work from March 1, 2020, through March 1, 2021.

**GlenWood Park:**

Funds from the sale of GlenWood Park Retirement Village have not yet been released.

**Trustee Resolutions:** We recommend adoption of three resolutions presented by the trustees:

# United Methodist Men

George Hohmann
President, West.Virginia Conference United Methodist Men

Greetings on behalf of the West Virginia Conference's United Methodist Men.

Our mission is to help men grow in Christ, so others may know Christ. We do this through our local church fellowships, our work with Scouting, and our community service.

According to the 2019 West Virginia Conference *Journal and Yearbook*, there are 121 churches in the conference with active men's fellowships. At the beginning of 2020, 58 of those men's fellowships (48%) were chartered. At the end of 2020, there were 59 chartered men's fellowships. We are striving to increase this number so more local fellowships are connected to the conference, nation, and world.

Our signature event is an annual gathering for the men; an annual golf outing; and Circuit Rider, a camporee for Scouts. The gathering for men and Circuit Rider are traditionally held in September at West Virginia University's Jackson's Mill in Weston.

Because of the pandemic, the men's 2020 annual gathering was moved online. The event featured a presentation by West Virginia Resident Bishop Sandra Steiner Ball on the importance and value of connection; an opioid update by Rev. Dr. Barry Steiner Ball, who also presented "Developing the Next Generation," a new program for scouting, foster care and the church; a presentation by West Virginia Men's Prayer Advocate Rev. George Webb titled, "Holding Fast to Faith;" and a presentation by Steven Scheid, Director of the Center for Scouting Ministries, General Commission on UM Men, titled, "Internet safety is critical for protecting youth."

During the men's gathering, Rayman P. Richardson of LIFE UMC in Fairmont was named the West Virginia United Methodist "Man of the Year." The award, which dates back to 1954, is the highest honor bestowed by the West Virginia United Methodist Men.

The pandemic required the cancellation of the 2020 golf outing and the 2020 Circuit Rider. Plans are underway to hold the golf outing and Circuit Rider in 2021, if they can be held safely. The men's gathering will be held in person or online, depending on pandemic conditions.

Our website, wvcummen.org continues to add features. We believe it is an important tool for keeping in touch with men throughout the conference. We also send newsletters through the U.S. Postal Service. During January 2021 we began publishing a bi-weekly newsletter online. To receive the newsletter, e-mail Jerry Meadows at jwmead@frontier.com

Although the pandemic set back some of our efforts in 2020, we are continuing to seek ways to become financially self-sufficient. Our finances are audited annually by an independent auditor.

We mourn the loss of some long-standing members in 2020 and early 2021, including Thomas Lowell Tate of New Cumberland; Brian Lee Farnsworth of Vienna; Joe Woolweaver of Gandeeville; Donald Ellis of St. Albans; James William "Jim" Crowley Jr. of Elkins; Robert Eugene Herndon of Cross Lanes; and Odell C. Miller of Morgantown.

# United Methodist Women

Sue Dostal
President, West.Virginia Conference United Methodist Women

United Methodist Women in every district are working very hard for the marginalized and oppressed. We are always collecting food, underwear and socks, school supplies, health care items and a host of other items that we donate to local, conference, and national organizations in an effort to make a difference in today's society. Many of our women are involved in making prayer shawls, volunteering at various shelters and mission projects, teaching Sunday School, tutoring school-age children and youth, as well as providing leadership within their own church and community.

United Methodist Women prepares women and girls to be leaders in their community, church, school, district and conference. Leadership Development Days are offered annually to equip women with opportunities to learn particular responsibilities for the office that is held within United Methodist Women, to participate in worship, workshops and network with other participants. It also connects the leadership of United Methodist Women to that of the church.

Unfortunately, the pandemic forced us to cancel all of our in-person activities and events for the year. But we were fortunate, with assistance of the Conference Communications Team, to record several of our events and put them on the website so our members can stay connected.

This pandemic may have us down but we are NOT out. We were able to pay our pledge to National Office at 103%. This pledge keeps our support of women, children and youth as well as the marginalized in our country and around the world.

As we move forward, we will continue to meet via Zoom if necessary. We will stay connected to our ladies in every way possible. We will continue to advocate for women, children and youth. We will continue to mentor our ladies and young adults to be in leadership in and around their church and community.

Mission needs to be carried out with education, preparation, action and advocacy, and mutual learning and partnerships.

We Are United Methodist Women and We ROCK!!!

*United Methodist Women shall be a community of women whose purpose is to know God, to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.*

## Youth Ministries

Bree Moll, CCYM Chairperson

My name is Bree Moll, and I am eighteen years old. I worship at St. Lukes UMC in Craigsville, WV. I am the Chairperson of the Conference Council on Youth Ministries (CCYM) and have been a member for six years. Being on CCYM has enabled me to grow as a follower of Christ and as a leader. I have had the honor of working with amazing people, including Shea James, Joe Hill, Bob Cover, Nancy Henderson White, Bishop Sandra Steiner Ball, and so many others. These people have helped shape me as a person, and there aren't enough words that I can say to thank them. CCYM has introduced me to many young adults and youth that I have had the honor to plan, work, and worship with. I first learned about CCYM at Fall Workshop when I was only twelve. It has been an honor to serve our conference and the youth over the years, and I can't wait to see where God leads them next.

CCYM develops leaders and continued this process through the pandemic. The pandemic affected young people in many ways, including school changes and not seeing friends in person. The conference youth were ready to be together after months of being separated, which led CCYM to the idea of offering Fall Workshop in both a safe in-person option and a virtual option. CCYM led the planning process; we prayed and discerned the theme. We decided to offer a drive-in movie type of event. There were eleven in-person sites throughout the conference. At these sites, families would join us in their cars to participate in group activities and worship. Five young people emceed at different locations, and over fifty adults helped make this event happen.

The process of planning Fall Workshop has helped CCYM members develop new leadership skills. Personally, I had to adjust to being recorded to provide worship for the youth in our conference. This year we couldn't rely on existing structures or plans for an event like this. We had to create everything from scratch, which pushed people to think outside the box. Fortunately, CCYM offers youth various opportunities to step outside their comfort zone to mature in their faith and become leaders, so we were up for the challenge. As a senior, I have had the opportunity to see many young people embrace leading prayer, worship, and preaching. CCYM has provided youth more than the chance to plan youth events; we fundraise for mission and ministry through Youth Service Fund, support one another in prayer, and challenge each other to grow in faith.

As I prepare to age out of CCYM, I look forward to seeing how new leadership decides to take things to the next level in the future. I know they are capable of that because of how much growth I have witnessed and been a part of this year. Throughout the years, I have grown in my faith and have been able to help others grow in their faith. It has been an honor serving these people, and I admire and care for all of them deeply. The past three years as Chairperson of CCYM have been a complete blessing, and although I am sad to leave, I know these amazing people will continue to use the skills we have gained to do great things.

# United Methodist Foundation of West Virginia, Inc.

The mission of the United Methodist Foundation of West Virginia, Inc. is *to create a culture of generosity that transforms the world by raising, managing, and distributing funds that serve the needs of all people and communities.* This report is intended to provide the Annual Conference with the details of how we fulfilled our mission in 2020.

**Creating a Culture of Generosity**: The Foundation is committed to providing leadership development opportunities for lay and clergy under the broad banner of stewardship and generosity. While the pandemic caused us to postpone our planned 2020 Foundation Academy until October 2021 at Canaan Valley Resort, we quickly pivoted to providing several virtual opportunities for leadership development during the pandemic. We hosted six separate webinars in 2020 to over 1000 persons. We used outside speakers to present on funding ministry in a pandemic, annual financial campaigns, the "why" of giving, and millennial giving. Kim Matthews and I presented webinars on online giving and planned giving during a pandemic. We have online events planned again in 2021; even assuming we can gather safely post-pandemic, we are committed to continuing to offer online events in addition to in-person gatherings. We welcome opportunities to lead discussions, classes, and workshops about stewardship, generosity, and planned giving. Remember that as you plan for:

Clergy gatherings and retreats or leadership academies and training;
Gatherings of churches or church groups, parishes, or districts; and
Meetings with individuals who are interested in learning about legacy giving.

Watch for future conference-wide or regional events that can help you and your congregations attain your greatest potential in generosity and stewardship.

**Raising Funds**: Gifts and deposits in 2020 totaled over $3.6 Million. Of that, 45% of the total was made to new and existing permanent funds that provide perpetual resources for ministry. Over half (55%) of the total amount was deposited to new and existing custodial accounts -- long-term investment accounts placed with The Foundation by churches and other ministries. We ended the year with over $128 Million in Assets Under Management.

**Managing Funds**: All four of our investment funds experienced positive growth during 2020 and exceeded the benchmarks against which we measure our performance. The Moderate Balanced Fund (Fund B2), our most popular investment choice among individuals and ministries, experienced a total return of 16.77% after fees. We encourage you not to focus on one year's investment return because our focus is long term. See the chart below for all of our Funds' returns for 2020 as well as the 3-, 5-, and 10-year average returns. We have an experienced and capable Investments Committee overseeing these activities, and we engage highly qualified experts in Wespath Investment Management to guide our investment decisions.

The following are the current investment returns, net of all fees, for the full year 2020, as well as the most recent historical average annual returns for all four of our investment funds. *Sustainable Investing:* The Foundation practices sustainable investing, which means we invest with Christian values in mind in addition to the investment return bottom line. The first part of sustainable investing is negative social screening; that means we do not invest in companies that receive a significant portion of their revenues from the manufacture, sale, or distribution of the following: alcohol, tobacco, pornography, gambling, weapons, or private prisons. Sustainable investing means we also make a conscientious effort to invest in companies with policies and practices that are socially responsible, consistent with the goals outlined in the Social Principles of The United Methodist Church.

**Distributing Funds**: Our purpose is realized when we distribute funds to expand and enhance United Methodist ministry in the name of Jesus Christ throughout the West Virginia Annual Conference and beyond. We distributed over $4.5 Million in 2020, which represents thousands paid to beneficiaries of lifetime income gifts and millions to churches, ministries, and other beneficiaries of endowment trusts and custodial accounts. In addition to distributions designated by donors, we gave away over $100,000 of our own money through our Foundation Grants program. We expanded our grant guidelines in 2020 and

2021 to provide for grants to help ongoing programmatic ministries that had been negatively affected by the coronavirus. Also, in response to the pandemic, we set aside an additional $100,000 for the Bishop and Cabinet to use to address COVID-related needs in churches.

We are grateful for the generosity of United Methodists who, since 1974, have enabled us to respond to these needs.

**SAVE A TREE, PLANT A TREE**

Save a tree, and we'll plant a tree! In an effort to encourage good stewardship of the earth, for each account holder who changes from mailed paper statements to using the online Account Portal, The Foundation will make a donation to a non-profit organization that will plant a tree in a United States National Forest. Not only can you save trees by reducing the paper used for printing statements, but also you can plant a tree!

Account Portal credentials are available for donors who created Foundation accounts, to pastors, and to officers responsible for monitoring the accounts. Multiple officers can have access. To receive credentials to access the Account Portal, email The Foundation at info@umfwv.org, or go to our website (www.umfwv.org) and click the blue box that says "Go Paperless." We hope you will consider the possibilities of our Account Portal and help us to save a tree and Plant a Tree!

## West Virginia Wesleyan College

Greetings from West Virginia Wesleyan College. We wish you a warm welcome as you come to our campus, either virtually or in person, for the 2021 West Virginia Annual Conference.

Bishop Sandra Steiner Ball and I continue to work together to strengthen the relationship between the College and the Church. Our vision for the College / Church liaison position continues to evolve and grow, and we continue to look for innovative ways to build relationships between the College and the congregations across the state and conference.

We have been blessed to have had Caitlin Ware as an interim in the role of Director of Spiritual Life/United Methodist Church Liaison. Caitlin has done an amazing job laying the foundation for the new Director of Spiritual Life at West Virginia Wesleyan College. Despite COVID and the College moving to online instruction in Fall 2020, Caitlin has delivered a number of wonderful sermon series including "Fact or Fiction: Bible Myths, Rest for Restoration, and Deconstructing Faith." She has engaged a number of different people to deliver sermons during the past year including Rev. Dr. Felicia Wooten Williams, W.I. Hairston and WVWC students Delcie McCord, Sarah Noll, Owen Lindsay, Malaika Kimmons, and Sarah Wilmoth.

Despite the complications of COVID, community service continues to be a top priority of organizations and individuals across campus. There were 1072 unique records of students checking into advocacy, awareness, education, leadership, and service projects in the past academic year. In addition to the 99 students directly involved with the Center for Community Engagement & Leadership Development, students found their outlet for service through their Greek affiliation, campus organizations, athletic teams, churches, residence hall programs, and personal affiliations. The 86 Wesleyan Service Scholar students completed 10,120 hours of service before leaving campus due to the pandemic.Those hours multiplied by the minimum wage in West Virginia is $88,550 of value-added to our community. These hours are conducted at over 21 different community partner sites, such as the Upshur Cooperative Parish. While the dedication to the community is evident, many students are leaders in on-campus events that raise awareness and educate others on social justice issues like poverty reduction and gender equality. A "Soup-er Bowl Sunday" collection drive, a film screening about mental health in athletics, and a discussion about the foster care system were among the top events last year. Since then, students have adapted to virtual service methods to raise funds for the Lewis Upshur Animal Control facility, provide virtual tutoring options to Upshur County students, and serve as buddies to Special Olympics athletes. Over the next year, the campus will be implementing a co-curricular transcript to further track and support student engagement experiences like those listed above.

It has been an exciting year, and West Virginia Wesleyan College continues to move in positive directions. The students have begun the thought process around the redesign of the student center. Wesleyan launched the Go-D.O. program where qualified incoming freshmen will receive guaranteed placement to the West Virginia School of Osteopathic Medicine. Wesleyan also announced the Minority Doctoral Fellows Program, a partnership between WVWC and WVU, where minority doctoral candidates at WVU would have the opportunity to teach at Wesleyan prior to completion of their doctoral degree.

Finally, Wesleyan continued its dynamic strategic planning process. One of the major accomplishments of this year was the completion of the innovative revisions to the General Education curriculum. This unprecedented approach makes Wesleyan a thought leader in liberal arts education. This novel approach to general education will launch in Fall 2021. In this era of profound change, West Virginia Wesleyan's inventive liberal arts curriculum will be a tremendous asset to the students who come from around the world to study at WVWC.

As we move toward personalized education and individual learning pathways, we are mindful that the journey to intellectual and spiritual enlightenment is not a solo journey. As we walk this journey together, we continue to be grateful for your kind prayers and generous support.

Joel Thierstein, J.D., Ph.D.
President

# Africa University

Thank you, West Virginia United Methodists, for helping to prepare young leaders to be "an aroma that brings life" to a world that is crying out for justice, compassion, healing, and wholeness (2 Corinthians 2:14-16). Your prayers and gifts provide a strong foundation for the students, lecturers, and administrators as they engage in disciple-making by example. It is a joy to share with you, the members of the West Virginia Conference, as dedicated partners in ministry with Africa University.

The students, faculty and staff of Africa University are grateful to the West Virginia Conference for investing 100 percent of the asking to the Africa University Fund apportionment in 2020. Thank you for supporting the ministry of Africa University with such faithfulness and generosity. By giving so consistently, even in difficult times, West Virginia United Methodist congregations are a source of encouragement and strength.

COVID-19 and the measures instituted to control the resulting global health crisis it caused have brought about profound and lasting adjustments in how we live, work, serve and connect. For Africa University, these include:

- A shift to online-only teaching and learning from late March through December 2020. As the only university in Zimbabwe accredited to offer online degrees, Africa University had the infrastructure and expertise to transition smoothly and break new ground with competency-based student assessment tools.
- Gifts totaling more than $300,000 from across the United Methodist connection that were designated for COVID-19 relief efforts. These second-mile gifts enabled Africa University to care for almost 300 international students who were stranded on its campus between March and late July 2020 and assist students whose families were experiencing financial hardship.
- Excellent student retention and modest enrollment growth, with a 99 percent uptake of online learning by students. More than 3,000 students enrolled for the 2020-2021 academic year—an increase of 16 percent over the previous year—with 2,395 studying full-time. Fifty-seven percent of full-time students were female, and 24 percent were international.
- **Innovation, outreach, and service** through:
    - The development and distribution of masks and hand sanitizer (*of its own design/formulation*), that are now cleared for commercial production.
    - The launch, via a web application, of farm to household delivery of fresh produce, meat and poultry products by the Africa University Dream Farm Trust.
    - Two student-led initiatives—***Feed a Family*** and ***Ben Hill UMC Women's Residence Girl Child Support Program***—that provided medical care, food, and school fees assistance to vulnerable families in the wider community. Campus-based and home-based students gave up meals, raised additional resources, procured supplies, and organized safe distribution to families.

- The successful completion of two new buildings—the Highland Park UMC-funded student union facility and a dormitory for female students. A new solar farm powers the Highland Park women's dormitory.

Africa University's online campus is here to stay, thanks to infrastructure upgrades and the lessons learned in 2020. Going forward, Africa University is committed to growing its pan-African presence and impact through new programs, partnerships, and a blend of in-person and online learning options.

In a fragile and interconnected world and family of faith, the West Virginia Conference helps Africa University to transform the lives of young people and grow vibrant, worshipping communities.

In journeying alongside Africa University in ministry and mission, West Virginia United Methodists are the church in the world—seeding hope and sharing the love of Christ. You affirm that when we are all in it together, God's grace is indeed sufficient. To God be the glory.

# General Board of Higher Education and Ministry
# The United Methodist Church
# 1001 19th Avenue South, Nashville, TN 37212

The General Board of Higher Education and Ministry (GBHEM) announced its blueprint for the future, "Our Road Reimagined," in 2020. The plan details the realignment of GBHEM's culture and organizational structure to allow the agency to further its mission in a more effective, innovative and sustainable way. The creation of the plan was the result of a months-long process to survey and remodel the agency to set a course that is more collaborative, diverse and equitable at all levels.

While our approach is transforming, GBHEM's mission is not. We remain committed to helping United Methodist lay and clergy leaders discover, claim and flourish in God's call on their lives.

Over the last quadrennium, the world, The United Methodist Church and our constituents' needs have changed considerably. To address those shifting needs, we are adapting culturally, strategically and operationally to successfully carry out our important mission and ministry well into the future. We are developing an innovation mindset we know will be important moving forward.

- Last fall, GBHEM began carefully redesigning our organization to transition to a more cross-functional culture with three primary areas of focus: **Constituent Relations and Services; Product Innovation and Implementation; and Administrative Relations and Services**. This structure is allowing us to be more effective, nimble and sustainable.

- Further, these changes are aligning our Ordained Ministry and Higher Education teams strategically, creating more intentional collaborations, and building greater connections between the Church's pastoral and academic ministries.

- The agency's realignment also includes initiatives to reinvigorate our commitment to diversity, equity, and inclusion, and further strengthen our global focus. Our new structure opens the door for fresh opportunities, collaborations and partnerships and becoming more entrepreneurial and creative in our approach.

GBHEM looks confidently to the future. We are taking bold steps to remain good stewards and evolve in service to Christian leaders in a significant way throughout the Church, the Academy and the world.

Regardless of the shifts and changes we are all experiencing, the same spirit of service and leadership that first inspired John Wesley lives on in each of us. We have been called in new and transformative ways. GBHEM is excited to share more with you in the months ahead. We invite you to connect and collaborate.

Rev. Greg Bergquist, General Secretary

**Boston University** School of Theology

**Dear Colleagues in Ministry:**

I am grateful for my first opportunity to thank you for your moral, prayerful, and material support of the Boston University School of Theology (BUSTH). Like many institutions, this past year at BUSTH has been largely influenced by the COVID pandemic, outrage over enduring racial injustices in our country, and concern over rising white supremacy in our nation. Our work at BUSTH is to prepare religious leaders to encounter and engage complex challenges such as these. A year like 2020 makes the School's historic and ongoing commitments to social justice even more relevant. Below are some BUSTH highlights from 2020. We remain hopeful in our continued partnership with you in the work and witness of the School toward advancing social justice, fostering compassionate communities, and shaping wise leaders for a hurting world.

**BREAKING NEWS:**

- **Virtual Learning:** Our faculty, staff, and library successfully pivoted to fully remote learning in Spring 2020 upon the COVID lockdown, which continued through the summer terms. Fall 2020 offered a hybrid approach to learning, due to Boston University's "Learn *from* Anywhere" initiative, which included a comprehensive on-campus testing program and strict COVID precautions to ensure the safety of students, faculty, and staff. Students were given the most flexibility, with allowances to learn in-person in socially distanced and masked classes or in the comfort of their own homes via Zoom. The redirection to online learning served as an opportunity for BUSTH faculty to develop new online pedagogical proficiency and positions the School for greater engagement with current conversations concerning best practices in distance, hybrid, and online learning options for students worldwide.
- **Students**: We continue to increase and celebrate diversity in our student body, creating opportunities for in-depth exchanges and a rich virtual community life. Our Fall 2020 entering class was among our largest classes ever, with 128 new students enrolling in September, despite the fact that recruitment had to transition to be fully online.

- **Faculty**: We celebrated *dean emerita* Mary Elizabeth Moore's 12-year service to the School as she stepped down on December 31, 2020. The institution will be forever grateful for her historic tenure as its dean. The new dean G. Sujin Pak began her appointment on January 1, 2021. Dean Pak is known for her commitments to academic rigor, social justice, and United Methodism, which made her a wonderful fit for the deanship of BUSTH at this time. In the coming months, the School plans to appoint a new Martin Luther King, Jr. Professor of Ethical Leadership.
- **Lilly Endowment Grant for Thriving Congregations Initiative**: BUSTH was awarded a nearly $1 million, four-year grant to work with urban congregations responding to trauma. The project will be focused on responding to congregants who are continually shaped by and reacting to compounding domestic and global traumatic events, such as systemic racism, gun violence, homelessness, or immigration stressors.
- **Scholarships**: We continue to offer free tuition to UMC registered candidates for ordained ministry. Building student scholarships and housing opportunities remain key priorities. BUSTH also offers leadership fellowships to support students in ethnic, gender, and sexuality studies: Raíces Latinas, Sacred Worth, Indigenous Studies, Korean Studies, Women in Leadership, and Black Church Studies.
- **Online Lifelong Learning:** Through a generous grant from BU's Digital Education Incubator, BUSTH began to offer online mini-courses, workshops, and reading groups for interested professional and spiritual enrichment of alumni and other religious leaders. Inaugural groups covered topics such as religious Afro-futurism, spirituality through the writings of Howard Thurman, and rituals and practices of grief in a time of pandemic. To learn about or participate in the next BUSTH Lifelong Learning offerings, visit bu.edu/sth/oll.
- **Theology and the Arts Initiatives**: Due to the COVID pandemic, our traditional exhibits moved to an online space. The art of John August Swanson is available at https://butheoartsgallery2020.wordpress.com/john-august-swanson-social-justice-artist.
- **Development**: BUSTH's "On a Mission" campaign surpassed all expectations when it concluded in September 2019, raising $29.4 million—well beyond the $15 million goal set in 2010. These funds reflect broad support from alumni, friends, faculty, staff, and students, with a far-reaching impact on the School's ability to pursue its mission. More than 2,800 donors, including 1,927 alumni (a 50% alumni participation rate), contributed to our campaign.

**PARTNERING FOR MINISTRY AND TRANSFORMATION:**

- **Doctor of Ministry**: The DMin in Transformational Leadership flourishes with lively student cohorts that are interfaith, broadly ecumenical, culturally diverse, and global. The model includes intensives, online courses, and faculty mentoring.
- **Ecumenical partnerships**: We now have four denominational Communities of Learning: Wesleyan/Methodist, Episcopal/Anglican, United Church of Christ, and Unitarian Universalist.

- **Partnership with Hebrew College**: Together we are able to enrich interreligious learning through joint courses and public events, and also co-sponsor *The Journal of Interreligious Studies* and the *State of Formation* for emerging leaders.
- **Chaplaincy education**: BUSTH and the Chaplaincy Innovation Lab received a grant to support the joint project "Innovations in Chaplaincy Education," which will seek to redesign courses on chaplaincy in higher education, and centralize education for chaplaincy curricula, including competencies needed for chaplains or other professionals in spiritual care.

**TAKING ACTION GLOBALLY AND LOCALLY:**

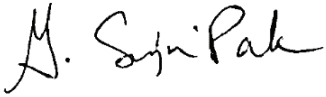
- **Campus action**: Work continues to improve accessibility, sustainability, and responsible investing. BUSTH is the first certified Green School in BU and is active in the Green Seminary Initiative.
- **Internships in global service and peacemaking**: Students participate in apprenticeship ministries across the world.

**COMMITMENT TO JUSTICE:**

- Faculty, staff, and students are active in #BlackLivesMatter efforts to seek racial equality, and in collaborative services to support people suffering the consequences of immigration practices or disability inequities.
- In Town Hall meetings, the community has deep conversations on issues that divide, seeking to develop capacities for relating across difference and to create a community based on the dignity of all.

BUSTH celebrates transformational leaders of The United Methodist Church. Your legacy and witness and your partnership give us hope and courage for the future.

Blessings and gratitude,



G. Sujin Pak, Dean

# Candler School of Theology

Since our founding in 1914, **Candler School of Theology at Emory University** has educated more than 10,000 students, shaping thoughtful, principled, and courageous leaders dedicated to transforming the world in the name of Jesus Christ. We continued our work even through this most difficult year, with the coronavirus continuing its march around the world, a reckoning for racial injustice rolling across our nation, and a toxic, divisive political atmosphere challenging our civic life. Perhaps there has been no better year than this to underscore the importance of faithful and creative leaders for the church's ministries throughout the world—the type of leaders we form at Candler.

Though our mission remains unchanged, the pandemic has necessitated many changes in how we undertake that mission: We have shifted classes online, redesigned syllabi to support optimal online learning, developed new ways to worship and experience community together in the virtual sphere, and discerned which new habits and modalities have promise for enriching our work even after the pandemic ends. Through these efforts, we and our students have gained deep experience in being flexible, adaptable, and creative as we respond to the demands of ever-changing contexts—experience that not only serves us well now, but will continue to serve us and our ministries far into the future.

Candler is one of 13 official seminaries of The United Methodist Church, yet true to the Methodist tradition of ecumenical openness, we enthusiastically welcome students from 44 denominations, with 46% of MDiv students coming from the Wesleyan tradition. Our student body reflects the diversity and breadth of the Christian faithful, with an enrollment of 483 from 12 countries and 37 states, 44 percent persons of color (U.S.), and a median age of 27 among MDivs. This diversity is a rich blessing, and this year we created a new staff position of assistant director of student life for diversity, equity and inclusion to foster understanding and ensure we are responsive to the needs of our diverse student body.

We offer six single degrees (MDiv, MTS, MRL MRPL, ThM, DMin) and ten dual degrees. Our Doctor of Ministry degree is 90 percent online, so students can remain in their places of ministry while completing their degrees. Our new Chaplaincy concentration is now among our most popular, and our Teaching Parish program enables students to serve as student pastors in local churches throughout the southeast, learning firsthand about shepherding a congregation; this year, there were 36 participants.

Alleviating student debt through generous financial aid remains among our top priorities. In 2019-2020, we awarded nearly $6.6 million in financial aid, with 100% of MDiv and 98% of all students receiving support. All MDiv students who are certified candidates for ordained ministry in the UMC receive full-tuition scholarships, and all MDiv, MTS, and master of religious leadership students who are enrolled part-time or more receive a scholarship covering at least 50% of tuition for the length of their program.

The demands of the pandemic did not diminish Candler's robust schedule of events. Candler's Black Church Studies program celebrated its 30th anniversary with a yearlong slate of online lectures and panel discussions, now available at vimeo.com/candler. We also launched The Candler Foundry to make theological education accessible

to all, through short and semester-length courses taught by Candler faculty, videos and discussion guides to spark conversation in groups or one-on-one, and Facebook Live panel discussions connecting theology with current issues in the world. View the latest offerings at candlerfoundry.emory.edu.

Candler's ability to fulfill our mission of educating faithful and creative leaders for the church's ministries throughout the world depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this vital ministry in the life of our denomination. We invite you to visit us online at candler.emory.edu.

## Drew University Theological School

As with most other schools in the northeast of the U.S., Drew University evacuated its campus in early spring 2020 in response to the COVID pandemic. Drew Theological School faculty and staff adapted to this challenge with resilience, compassion, and creativity. The Theological School faculty put their courses all online, led development workshops for faculty across the university, and, in order to accommodate our many international admits who would not be able to enter the United States for fall 2020, designed an asynchronous Master of Divinity program.

As a result of this work, the Theological School welcomed 147 new students, its largest entering class in a decade, with an enrollment of 380 for the current academic year. Our chapel team has also led the way in creating online worship experiences that connect the Drew community now across the globe.

All degree programs at the Theological School include interdisciplinary courses that demand out-of-the-box thinking, apprenticeship training that addresses real-world issues, and modes of learning that promote adaptability and innovation. Our MDiv and MATM degrees include a required gateway year, vocational pathways, and experiential learning that develops and deepens adaptive leadership skills. The curriculum features a team-designed and taught interdisciplinary sequence of core courses reflecting the integration of the theological disciplines and practices characteristic of the life of faith.

The faculty have also articulated shared values that are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation.

Drew cultivates pastors, preachers, deacons, activists, teachers, and thought leaders who go all over the world to take their place as the next generation of faith leaders and change agents.

**Melanie Johnson-DeBaufre, Interim Dean**

Edgardo Colón-Emeric, the Irene and William McCutchen Associate Professor of Reconciliation and Theology, Associate Dean for Academic Affairs and Director of the Center for Reconciliation will become Dean of Duke Divinity School (DDS) July 1, 2021. Dean Gregory L. Jones will leave DDS to become president of Belmont University.

Duke Divinity School (DDS) continues to discern fresh strategies to respond faithfully and wisely to the changing church and the world. The disruptions, challenges, and injustices of 2020 occupied enormous attention as the school adapted to different modes of teaching/learning and interacting while also managing financial challenges both to DDS and Duke University.

DDS announced a new hybrid version of its Master of Divinity (M.Div.) program that will give students the opportunity to earn the M.Div. degree without relocating to Durham, N.C. The hybrid learning curriculum combines remote coursework with week-long residential intensives, where students connect in-person. The first cohort will begin coursework in fall 2021.

DDS welcomed the largest incoming class in school history with 257 new students from 35 different states and seven countries, including China, Italy, Japan, Kenya, Nigeria, South Korea, and the United States. Our Master of Arts in Christian Practice (28 students) and Doctor of Ministry (52 students) programs received record enrollments. The Master of Theology (13 students), Master of Theological Studies (34 students), and Doctor of Theology (6 students) had strong enrollment. Our new Certificate in Theology and Health Care will enroll 6 students, all of whom are TMC Fellows. Across all degree programs, 31 percent of the incoming class identified as a race/ethnicity other than white. Black students made up 21 percent of all students, Asian students, 5 percent; and American Indian students, 2 percent. 45 percent of students in the incoming class were female, and 55 percent were male. The Master of Divinity (M.Div.) degree program gained 113 new students. Students from minority groups comprised more than 25 percent of incoming M.Div. students, with black students making up 19 percent. Female students made up 46 percent of incoming M.Div. students, while males were 54 percent. There were 30 denominations represented in the M.Div. entering class, with 30 percent affiliated with the United Methodist Church. Nondenominational students made up 16 percent of the new M.Div. students; Baptists, 16 percent; and Anglican-Episcopalian, 9 percent.

The year 2020 also witnessed an expansion of DDS's partnerships, including the Kern Family Foundation partnership with the Office of Wesleyan Engagement to provide

accelerated pathways for undergraduate students to pursue the Master of Divinity degree at Duke. DDS welcomed its first cohort of students at Martin Methodist College, taking classes at Duke. The Americas Initiative, a fellowship of organizations, scholars and practitioners convened by the Center for Reconciliation, is working on peacebuilding among Latin American and Latinx communities, particularly those of Indigenous and African descent. The five-year Black Pastoral Leadership Collaboration, begun in the fall of 2019 and jointly funded by DDS and the Provost's Office, is working to harness the research and experiential wisdom of Black pastoral leaders nationally through a leadership school and practical theology archiving project.

DDS sought to reckon in deeper and broader ways with systemic racism and injustice, particularly in light of the overlapping pandemics of COVID, economic crisis, and mental health challenges, and the school sought opportunities to strengthen its partnership and racial justice work across Duke University. A Story Listening and Gathering project solicited past or present students, faculty, and staff to share stories of how race and racial discrimination affects daily life at DDS with a goal of understanding the experiences of the community and to inform the school's broader anti-racism efforts. A new Race and the Professions Fellowship, in partnership with the Kenan Institute for Ethics, and the Churches Promoting Recovery Project, in partnership with the Theology, Medicine, and Culture Initiative, provided new opportunities for students to deepen their vocational formation and reimagine community transformation beyond campus.

DDS hired eight new faculty members in 2020. Peter Casarella is a Professor of Theology and has published widely on medieval Christian Neoplatonism, contemporary theological aesthetics, intercultural thought, and the Hispanic/Latino presence in the U.S. Catholic Church.

Sarah Barton is an Assistant Professor of Occupational Therapy and Theological Ethics whose scholarly work is focused in theological ethics, with special attention to theological anthropology, disability, liturgy, and pastoral care. She has a joint faculty appointment as assistant professor of occupational therapy at Duke University Medical Center.

Quinton Dixie, Associate Research Professor of Church History and Black Church Studies, specializes in American religious history and has written on a wide range of topics, from the African American Civil Rights Movement to the history of Black Baptists in the U.S.

Zebulon Highben is Associate Professor of the Practice of Church Music at Duke Divinity School and Director of Chapel Music at Duke University Chapel, and his research interests include hymnody, liturgy, music and exegesis, the musical heritage of the Reformation.

Alma Tinoco Ruiz is a Lecturer in Homiletics and Evangelism and Director of the Hispanic House of Studies. She a practical theologian whose work centers on the intersection of homiletics, pastoral care, and evangelism and she is a provisional elder in the United Methodist Church.

Janet Martin Soskice is the William K. Warren Distinguished Research Professor of Catholic Theology and for the past 30 years was on The Faculty of Divinity at the University of Cambridge. Her work lies at the intersection of Christian theology and philosophy.

Norbert Wilson is Professor of Food, Economics, and Community, and his research explores food issues such as access, choice, and food waste. He is an ordained vocational deacon in the Episcopal Church USA.

Wylin D. Wilson is an Assistant Professor of Theological Ethics, and prior to joining the Duke faculty, she was on faculty at the Harvard Medical School Center for Bioethics and was a senior fellow at the Center for the Study of World Religions at Harvard Divinity School. Her research focuses on religion, gender, and bioethics, including rural bioethics and Black Church studies.

Dean of the Divinity School

## Garrett-Evangelical Theological Seminary

For 168 years Garrett-Evangelical Theological Seminary has been in service to the Church and the Methodist connection through the formation of Christian leaders in ordained and lay ministries. A result of the union of three historic institutions (Garrett Biblical Institute, Evangelical Theological Seminary, and the Chicago Training School), Garrett-Evangelical is located in the center and at the heart of the campus of Northwestern University in Evanston, Illinois.

One of the official 13 seminaries of The United Methodist Church, Garrett-Evangelical is perennially listed as one of the Seminaries that Change the World and boasts one of the finest theological faculties in the world. With a global student body, that also represents every region of the United States, Garrett-Evangelical is proud of its diverse and vibrant community of learning and of its enduring commitment to training skilled, bold and articulate leaders who share the transforming love of Jesus Christ. Rooted in our Wesleyan, Methodist, and Evangelical United Brethren origins, today's Garrett-Evangelical is also international and ecumenical in spirit and is committed to equipping students to proclaim the good news of the Gospel, to foster deep spirituality in the lives of the communities and persons they serve, to lead with cultural competence and commitment to racial equity and

justice, and as agents of transformative change for the wellbeing of all persons and creation.

Garrett-Evangelical continues to offer a broad array of degree programs that equip students for leadership in congregations, healthcare settings, community organizing and public theology, counseling, and scholarship and teaching in the classic theological disciplines and practices. A full 57% of Garrett-Evangelical students pursue congregational leadership following graduation, and our pastoral care and counseling programs also increasingly attract a large portion of our student body.

This year Garrett-Evangelical also welcomed a new president. The Reverend Javier A. Viera, an elder in the New York Annual Conference, assumed the presidency on January 1, 2021, after having served six and half years as Dean of Drew University Theological School. Dr. Viera will also serve as professor of Education and Leadership. He succeeds Dr. Lallene Rector, who served as president for seven years, and after a year-long sabbatical she will return to her position on the seminary's faculty as a professor of psychology and religion.

Garrett-Evangelical continues to extend its service to the church through its centers and institutes which are focused on equipping leaders with the resources necessary to thrive in ministry and public leadership, and on influencing the moral, theological, and ethical conversations in the public square. This year we launched the Institute for Ecological Regeneration which seeks to help churches and local communities address the global climate crisis with theological and ethical integrity and creativity. It joins the Styberg Preaching Institute, the Center for the Black Church Experience, the Stead Center for Ethics and Values, the Ruben P. Job Institute for Spiritual Formation, the Hispanic-Latinx Center, and the Asian/Asian-American Ministry Center as vital hubs of spiritual innovation and theological renewal for the good of the Church and the world.

# Methodist Theological School in Ohio

Thank you for this opportunity to bring you news from MTSO.

**MTSO preserves learning and community despite COVID-19**

Confronted by the challenges of a pandemic, MTSO's students, faculty and staff joined together to preserve a learning environment and a sense of community. In March 2020, the school announced that Spring Semester and summer classes all would move online. A virtual commencement was held for the class of 2020, featuring submitted video of individual graduates, as well as faculty members in full regalia. Addressing the graduates, President Jay Rundell said, "The pandemic has prepared you in ways that you might not realize. There will be surprises in the future. You now know how to adapt."

Fall 2020 classes began in a "hyflex" format, blending online learning and optional campus-based classes. As the virus became more widespread in mid-October, the school pivoted to all-online learning, extending the online-only format through the 2021 Spring Semester. During all COVID-related adaptations, MTSO's tradition of Tuesday chapel services continued – in person and distanced when possible, online when necessary. In addition, the dining hall staff offered free Thanksgiving dinners for pickup to students and employees, and continued to provide to-go lunches on a regular basis. Student organizations and study groups have continued to meet virtually. Most recently, plans were made to hold the 2021 commencement virtually.

**Full-tuition scholarships extended to those pursuing United Methodist candidacy**

MTSO and the school's generous donors pledged to extend a full-tuition pledge to all prospective students who are pursuing United Methodist elder or deacon candidacy. The MTSO admissions staff is happy to answer questions at 800-333-6876 or admissions@mtso.edu.

**$1 million Lilly Endowment grant will promote thriving in ministry**

In December 2020, MTSO received a grant of $995,731 to help establish "Spaces for Thriving: Cultivating Authentic Pastors for Small Membership Churches and Communities of Color." The project is part of Lilly Endowment Inc.'s Thriving in Ministry, an initiative that supports a variety of religious organizations across the nation as they create or strengthen programs that help pastors build relationships with experienced clergy who can serve as mentors and guide them through key leadership challenges in congregational ministry. The central goals of MTSO's project are to improve pastoral thriving through attention to well-being, authenticity in vocation, and connections to fellow pastors.

## St. Paul School of Theology

Saint Paul School of Theology, a seminary of the United Methodist Church, is committed to the formation of people for innovative, creative ministry. We are one institution, online and on-campus, in Kansas and Oklahoma.

This past year, we have all faced new challenges amid these unsettled times. Saint Paul School of Theology began the 2020-2021 academic year offering students an online option for all courses. With many students choosing to attend class solely online, our Student Council created a monthly "Chat & Chew" where students, faculty, and staff come together to eat lunch and talk about life, seminary, and ministry. In addition, Rev. Rod Newman, our Oklahoma Campus Chapel Coordinator, crafts a weekly Community Prayer to provide encouragement and faithfulness as the school seeks to provide spiritual formation in new ways.

Kansas Campus Chapel Coordinator Dr. Casey Sigmon took worship to new technological levels by introducing our weekly online worship service via Zoom, bringing our separate campus chapel services together for one service where all are invited to create a sacred atmosphere from wherever they are. Along with our featured alumni worship preachers, the community was blessed this fall by the presence of Musician in Residence Hannah Rand, from The Many, who led the music each week for worship. In Spring 2020, Odell Talley, Director of Music for Swope Parkway United and organist for Zion Travelers Missionary Baptist, served as Musician in Residence. For those who cannot join us live, chapel recordings are available on the Saint Paul YouTube channel.

Saint Paul staff and faculty continue to contribute to the academy, church, and society. This year, we have added new adjunct professors, including Rev. Dr. Carol Cook-Moore and Rev. Dr. Tiffany Nagel Monroe both of the OKUMC, Rev. Dr. Robert Turner of Vernon Chapel AME, UMC Deaconess Cindy Johnson of Rio Grande Conference, Rev. Adam Hamilton and Debi Nixon both of Church of the Resurrection, Rev. Chebon Kernell of the UMC Native American Comprehensive Plan, and Rev. Dr. Shannon Fleck of the Oklahoma Conference of Churches.

The faculty of Saint Paul School of Theology continue to maintain high standards of scholarship, research, publication, and engagement. Their many activities and publications over the past year are so numerous that space permits only the sharing of selected highlights.

1. Dr. Jim Brandt, Professor of Historical Theology, will publish "Schleiermacher's Christian Ethics" in the forthcoming Oxford Handbook of Schleiermacher, which will appear in 2022 from the Oxford University Press.
2. Dr. Nancy Howell, Professor of Theology and Philosophy of Religion and Oubri A. Poppele Professor of Health and Welfare Ministries, continues her service on the Executive Committee of the International Society for Science and Religion, working on several committees advancing the aims of the Society.

3. Rev. Dr. Israel Kamudzandu, Associate Professor of New Testament Studies, will see the publication of his book, Reading and Interpreting the Bible with Global South Christians: A 21st Century Model for Europe and North America Christendom, by Wipf and Stock Publishers this summer. He has also written four Commentaries on 2 Corinthians and Ephesians which appeared on WorkingPreacher.org in April.
4. Dr. Hal Knight, Donald and Pearl Wright Professor of Wesleyan Studies, continues his work as a contributing writer in *The Missouri Methodist* magazine.
5. Dr. Kristen E. Kvam, Professor of Theology, serves as co-chair for the American Academy of Religion's Program Unit "Martin Luther and Global Lutheran Traditions." Over the last several months, she has conducted invited presentations to the Great Plains UMC Clergy and its Clergy Excellence in Liminal Time Conversations and the Fall Theological Conference of Central States Synod (ELCA) on October 14, 2020.
6. Dr. Casey Sigmon, Assistant Professor of Preaching and Worship and Director of Contextual Education, continues to contribute regularly to WorkingPreacher.org and served as the keynote speaker at the Wesleyan Liturgical Society in Kansas City in March 2020. Her scholarly writing will appear in the Preaching the Manifold Grace, Vol. 2, edited by Ronald J. Allen and published by Wipf and Stock.

This year, we have faced several challenges that turned into opportunities for new recruiting spaces and partnerships to enhance students' seminary experience. With the change from in-person to virtual events, Rev. Shannon Hancock, Director of Admissions and Communications, has expanded her reach to prospective students by participating as a virtual exhibitor at online conferences. Rev. Hancock engages with prospective students via apps such as Whova and HopIn to highlight Saint Paul's unique course delivery system and formative community.

In February, Saint Paul held the 2021 Slater-Willson Lecture online featuring Rev. Dr. Miguel A. De La Torre. His lecture, "Why Do They Come?" explored the political, economic, and social causes of our current immigration crisis. Before the lecture, Rev. Dr. De La Torre participated in a student-led forum, entering a conversation centering around the practical aspects of ministry and immigration. Later in April, Saint Paul Evangelical Society, led by Dr. Hal Knight, hosted a lecture given by Dr. Sammy G. Alfaro, Associate Professor of Theology at Grand Canyon University and Pastor of Iglesia Nuevo Dia (New Day Church), on the "Pastoral Strategies for Ministering Among Latinx Immigrant Communities." And for the first time, on May 22, Saint Paul held a virtual commencement celebration with videos, cap and gown photos, online congratulatory messages from friends and family, and a commencement address by Rev. Chebon Kernell. The class of 2021 had 22 graduates, including 16 Master of Divinity and 1 Doctor of Ministry graduates. Due to the pandemic, for safety concerns, Saint Paul has postponed our 60th Anniversary Celebration. However, we have rescheduled the event for Friday, October 22 and look forward to coming together as a community for a safe, in-person gathering.

For the 2020-2021 fiscal year, Saint Paul Course of Study (COS) School educated 255 individual students, 40 of which were new students, with a total registration of 520

classes and offering a total of 51 courses. Due to Covid, the school quickly pivoted its course offerings and delivered lessons in both asynchronous and synchronous online formats. In Winter 2019, Saint Paul began a hybrid (online and on-campus) schedule for six courses. Although for 2021, this went fully online, plans to increase the number of hybrid course offerings are in development.

Saint Paul Board of Trustees added three new members to their ranks: Bishop James D. Tindall, Sr., Pastor Emeritus at Metropolitan Spiritual Church of Christ Kansas City; Ms. Sharon Cleaver, Senior Director of Marketing, Communications, and PR for the Boys & Girls Clubs of Greater Kansas City; and Mr. Rogers Strickland, Founder/CEO of Strickland Construction.

Through a Board initiative related to diversity and inclusion, Saint Paul created a working group on Native American theology and ministries comprised of Native theologians and church leaders. Their efforts are focused on how the church and academy can work together toward healing generational trauma related to the spread of Christianity and the genocide of Indigenous North Americans.

As we have happily reported in past years, Saint Paul is financially sound and operates with a balanced budget. The changes made these last years have established a solid financial foundation for years of sustainability. We continue to be grateful for donations from the community that provide technology, scholarships, and emergency assistance to students. Our significant investments in technology have recently allowed our staff, faculty, and students to transition to a fully hybrid educational delivery model providing a safe learning environment during the pandemic. Our faculty was uniquely adept at managing technology in the classroom before the pandemic, making the transition to all online courses a smooth process.

With the Board's assistance, led by Board Chair Rev. Dr. Tex Sample, the seminary focuses on its mission. Our trustees work to continuously enhance and evaluate the strategic plans in place to guide us into the future. Perhaps most importantly, we have learned much and grown closer as a community due to the pandemic.

Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking more to answer the call. We are a seminary that offers online and on-campus classes with a flexible schedule to help our students manage pastoral leadership demands in the 21st century. We are grateful for your support of our students and our seminary. May we continue to live into the call of Jesus Christ to be faithful witnesses for healing in these unsettled times and for generations to come.

President Neil Blair, Saint Paul trustees, faculty, staff, alumni, and students thank you for your prayers and support.

"Where Theology Meets Life"

## United Theological Seminary
**Dayton, OH**

*"I am about to do a new thing; now it springs forth, do you not perceive it?"*
*— Isaiah 43:19*

It appears God is doing some new things at United Theological Seminary, even in the midst of health, racial, and political crises.

**God is doing a new thing at United financially.** United continues to make progress toward its goal of becoming debt-free by the Seminary's 150th anniversary on October 11, 2021. Thanks to the faithfulness and generosity of alumni/ae and donors, less than $1 million remains of the original $4 million mortgage debt. After the mortgage is paid in full, the Seminary plans to convert those mortgage payments into money for student scholarships.

**God is doing a new thing in enrollment.** Over the last five years, United's Doctor of Ministry program has grown by 48%, from 170 students in the 2016-17 academic year to 251 in 2020-21. In Fall 2021, Dr. Elvin Sadler, General Secretary of the African Methodist Episcopal Zion Church, will become the Associate Dean for Doctoral Studies, upon the retirement of Dr. Harold Hudson who has been a vital leader at the Seminary for 17 years.

**God is doing a new thing with partners in church renewal.** In the 2020-21 academic year, United has partnered with Fresh Expressions US and the Mosaix Global Network to introduce two new Houses of Study. These houses oversee specialized tracks in the Doctor of Ministry and Master of Divinity programs. Rev. Dr. Michael Beck is director of the Fresh Expressions House of Studies, and Dr. Harry Li is director of the Mosaix House of Studies.

In collaboration with the Northwest Texas Conference of The United Methodist Church, United also introduced Rooted/Enraizados, a certificate program for coaches and mentors of Hispanic/Latino church planters. In 2020-21, the program served students from more than five annual conferences.

**God is doing a new thing with the establishment of The Bishop Bruce Ough Innovation Center.** Beginning in 2021, the Innovation Center honors the ministry of Bishop Bruce Ough by providing a hub of learning for church leaders seeking the framework, support, and courage to introduce the Gospel of Jesus Christ in new and creative ways. Rev. Sue Nilson Kibbey joins United as the inaugural director of the Innovation Center.

United's prayer is that United Methodists will perceive the new things that God is doing in our communities, congregations, and ministries as we strive to make disciples of Jesus Christ for the transformation of the world.

Grace and peace,
Dr. Kent Millard
President Oklahoma City, OK 73106

## Wesley Theological Seminary

For the world, 2020 was a year like no other. In the midst of a global pandemic, plus resurgent racism, mass unemployment, and politically challenging times in the US, Wesley remained committed to fostering wisdom and courage, preparing graduates to lead innovative ministries while remaining grounded in our biblical and theological traditions for the sake of God's inbreaking kingdom. The mode of educational delivery changed overnight, as we became an all-online seminary on March 15, 2020, and have remained so to keep students, faculty, staff, and all members of the Wesley community safe from COVID exposure on campus. This is simply Wesley modelling what we teach our students: to be committed to our God-given mission while being innovative and responsive in the delivery of ministry. Here are some of the ways we are accomplishing that with our many partners in this mission, as we seek to faithfully minister to the world in the future.

***Research projects support congregational community engagement and envision future ministry***

Wesley is pleased to announce new opportunities for UMC congregations to explore, clarify, and pursue thriving in their communities. Through **The Source Collaborative,** Wesley will work with three cohorts of regional congregations in a two-year process of prayer, community engagement, congregational visioning, and coaching, with the goal of following Jesus in mission and ministry. Interested congregations can contact innovation@wesleyseminary.edu for more information. This work, funded by a $1 million Lilly Endowment, Inc, grant, raises Wesley's role as a leading research and development seminary for the whole church and complements Wesley's other Lilly Endowment-funded projects focused on congregational vitality.

The **Religious Workforce Project** is an expansive study of the current and future nature of religious work, particularly in local congregations, so as to understand what opportunities and constraints may exist in the future and to adapt resources and training accordingly. Through the **Wesley Innovation Hub**, the seminary has worked with 18 congregations in the greater Washington area to experiment with ministries with young adults outside the church. Together, these projects forge insight into future ministry and local church development, influencing the way students are trained in master's, doctoral, and course of study education, but also informing workshops, podcasts, articles, and training for church leaders working in their communities across the country.

We invite you to discover the latest research and conversations generated by the Wesley community through our new web portal, #EngageInTheseTimes, at www.wesleyseminary.edu/#engage.

***Using research and partnerships to reach and equip the next generation of ministers***

Research shows that the primary way people learn about and begin to consider seminary options is through their pastor or an alum. Whether you feel called or know someone who does, **Wesley is ready to work with you** as we make theological education more accessible and relevant to the realities of ministry today—for laity and clergy, for those seeking a degree or certification or continuing education, and for ministry from within or beyond the church.

Wesley offers an 81-hour Master of Divinity, a 36-hour Master of Arts, and a 60-hour Master of Theological Studies, any of which can be focused around specializations in public theology, urban ministry, arts and theology, missional church, children and youth ministry and advocacy, or African American church leadership.

For full-time students, we offer a modern and affordable residential community in the nation's capital. Our **Community Engagement Fellows** program prepares students to engage in entrepreneurial, community-based ministry. Generous stipends are available for each Fellow while they complete their M.Div. degree. Our **3+3 Fast Track BA/MDiv program with Shenandoah University** allows students to complete both degrees in six years, entering ministry more quickly and with less debt.

For people with work, ministry, and family commitments, **Wesley's Master of Divinity degree can now be completed via online, weekend, short-term intensive, and weeknight courses in 5 years.** Check out upcoming flexible course offerings for Summer and Fall 2021 at www.wesleyseminary.edu/admissions/try-a-class-3.

Wesley works with each student to make seminary affordable. Thanks to the consistent support of graduates, congregations, and friends, Wesley provides more than $2 million annually in scholarships. In addition to our regular merit awards, ranging from 25% to 100% tuition with stipends, Wesley has released special additional scholarships: **full-tuition scholarships** for people recommended by Wesley alumni, campus ministers, or Christian camping or service ministries who feel called to leadership in the church as it is becoming; **Next Call in Ministry scholarships** for students who have worked in a non-ministry setting for at least 10 years; and **Generación Latinx Scholarships** for emerging Latinx/Hispanic leaders for ministries both within and beyond the church.

***Take your ministry to the next level***

In addition to full master's degrees, Wesley offers graduate certificates for those preparing for specialized ministry! The new **Certificate for Children and Youth Ministry and Advocacy** (CYMA) is designed for people who work with and advocate for children and young people, whether in churches, schools, or non-profit organizations. The **non-residential certificate can be completed in 12 to 15 months** through online coursework and up to

two residential sessions. For more information, visit www.wesleyseminary.edu/admissions/cyma-3. The **Certificate in Faith and Public Life explores the foundations of public theology, religious freedom, and civil discourse through graduate courses. For more information, visit** www.wesleyseminary.edu/ice/programs/public-theology/public-life/

Wesley is a leader in **Doctor of Ministry programs** in specialized tracks that can include international study. Wesley is pleased to announce three new Doctor of Ministry tracks for 2022: Ministry in a Digital Age, a timely new track exploring the new opportunities and challenges of online ministry; Justice, Compassion, and Witness in a Turbulent World, hosted in Cambridge, England; and a program focused on Latinx ministry. As well, new 2022 cohorts for our popular D.Min. areas of focus will be offered for Military Chaplains and CPE chaplains, our international mission-focused Global Church Leadership program, and Wesley's premiere D.Min. program in innovative church administration **"Church Leadership Excellence."** Find out more or apply at www.wesleyseminary.edu/doctorofministry/.

***Enrich your congregational outreach and explore new dimensions of ministry***

The **Center for Public Theology** equips pastors, seminarians, people of faith, and the media to create spaces for civil dialogue at the intersection of religion and politics. For more information, visit http://www.wesleyseminary.edu/ice/programs/public-theology/.

**The Henry Luce III Center for the Arts and Religion works with students, religious communities, artists, and scholars exploring the intersection of the arts and theology. Doreen was a member of the former Southside UMC in Huntington when she was called into ministry. She served as an assigned pastor in a part-time capacity for many years while working as an adjudication clerk for the Department of Veterans Affairs Regional Office. Her retirement allowed her to move into full-time ministry and she served Bethany (1994-2000) in the Little Kanawha District; Clifton Circuit (2000-2005) in the Western District; and Greenview (2006-2013) in the Southern District. After returning to the Huntington area, she attended Ceredo UMC as long as her health permitted.

Doreen followed God's call to ministry wherever it led her. She was a dedicated servant and a caring and committed pastor.

She was survived by a daughter, Christie Scrivner; two sons, Donald Todd Adkins and his wife Charmarie, and Richard Alva "Dick" Lucas and his wife Ruthie; seven grandchildren, Jamie Riggs, Jessica Ellis, Nathan Adkins, Charmarie "Elaine" Doss, Lucas Adkins, Kyle Adkins, and Jacob Adkins; and eight great-grandchildren.

## Gus E. Anderson, Jr.

The Rev. Gus E. Anderson, Jr., a retired local pastor in the conference, died May 15, 2021. Born February 11, 1955, in Bluefield, West Virginia, he was the son of Gus and Armenia "Rosalee" Anderson. He married his wife, Marsha Ann, in 1973. She preceded him in death in 2010 after 37 years of marriage. They had three children: a son and twin daughters.

Gus was a man of many talents which led him to a variety of occupations and passions during his life. He was employed as a structural engineer in multiple industries, including ET Boggess Architects in Princeton, West Virginia. He also found employment as a contractor. He had a lifelong desire to be a cowboy and a farmer. He loved horses and realized a dream when he found Zip, a Quarter Horse that served as his therapy animal for the disabilities he experienced with a 20-year battle with Multiple Sclerosis. The bond he felt with Zip strengthened and sustained him.

No matter what else he did in life, Gus followed God's call to ministry. He began as a youth pastor in the Church of God in Bluefield, Virginia. He was later ordained in the Church of God and served churches in Chase City, Pennington Gap, Wilderness Creek, and Tip Top, Virginia. He was licensed as a local pastor in The United Methodist Church in the Holston Conference, and served Little Walker Charge and Christ First, both in Virginia. He accepted his longest pastorate on a "temporary" basis, and then served War-Caretta in the Southern District for 22 years. With God's help and his own determination, he continued to serve even after his health deteriorated.

A sudden illness required his move to Heritage Hall Nursing Facility in Tazewell, Virginia, where he lived with his daughter, Terah. After being a resident there for two years, he began a ministry serving the residents and workers in the facility.

He was survived by his children, Matthew Anderson, Terah Anderson, and Jennifer Marrs and her husband Brian; siblings, Cathy Kinder, Bruce Anderson and his wife Pamela, James Anderson, and Margaret Waddell and her husband Robert; and grandchildren, Jenna Marrs, Lauren Marrs, Jonathan Burton, Rebecca Burton, and Brittany Burton.

In addition to his wife, Marsha Ann, he was preceded in death by his father. His mother died the morning following Gus's death, and they had a joint funeral service at the Mercer Funeral Home Chapel on May 19, 2021. Gus was buried at Grandview Memorial Gardens in Bluefield, Virginia.

RULES - PROCEDURE - ORGANIZATION
WEST VIRGINIA ANNUAL CONFERENCE - THE UNITED METHODIST CHURCH
(All paragraph references are to the *2016 Book of Discipline* unless otherwise noted)

PART A: RULES AND PROCEDURES FOR THE ANNUAL CONFERENCE SESSION

## I. RULES

1. **Adoption of Rules.** During the first business session, each Annual Conference shall adopt its rules which will then be in effect for the order and organization of the Annual Conference.

2. **Suspending or Amending Rules**.
   a. Any person or persons desiring to present an amendment or amendments to the Conference Rules must present the proposed amendment or amendments in writing to the Conference Rules Committee by February 1st of each year.
   b. The Conference Rules Committee shall assemble, edit and reproduce and present such proposed amendments to the Conference, with its recommendation, but they shall not have the power to change the essential meaning of any proposed amendment or amendments. However, where the proposed change is so simple as to be readily understood, the committee shall not be required to reproduce the report. Provided, further, however, that the Committee on Rules shall have the right to propose any alternative change or new rule or rules that the committee deems advisable and which may be given as a part of the committee's report to the Annual Conference. Any agency proposing a substantive revision or amendment to one of the present Conference Rules, shall send a representative to appear before the Committee on Rules for the purpose of clarification and interpretation.
   c. If, in the course of Annual Conference session, a motion is made from the floor that would amend the rules of the Annual Conference, a motion to suspend Rule I.2.a. and any other rule interfering with said proposed action must first prevail, and then said amendment shall be referred to the Rules Committee prior to vote by the Annual Conference session. Proposed rule will be brought back before the Annual Conference Session within 24 hours.
   d. All amendments must be adopted by a two-thirds vote of those present and voting.
   e. All amendments shall become effective immediately upon their adoption unless otherwise indicated.
   f. These rules may be suspended by a two-thirds vote of those present and voting.

3. **Supplemental Authority**. The latest edition of *Robert's Rules of Order* shall govern all questions of Parliamentary Procedure where such questions are not otherwise provided for by these standing rules.

4. **Printing of Rules**. These rules, with any modification as adopted, shall be published in the *Conference Workbook* and in all Conference publications of minutes and *Journals* so as to enable Conference members to refer readily to them.

## II. RULES OF ORDER AND BUSINESS PROCEDURE

1. **Sessions**. The Annual Conference sessions and such special or adjourned sessions as may be required shall be held with the resident bishop presiding as provided in ¶¶603.2,4,5,6.

2. **Roll Call**. The roll call shall be taken, as the conference may direct, upon recommendation by the Secretary of the Annual Conference.

3. **Bar of the Conference**. The bar of the Conference shall be established in the organizational motion. Only members within the bar shall be entitled to vote when the vote is taken. Members within the bar of the Conference are considered present and voting.

4. **Order of Business**. After devotional service, the daily business session of the Conference shall be conducted as follows:
   a. Report of Program Committee on daily proceedings, courtesies, and other responsibilities.
   b. Report of other standing administrative and special agencies.
   c. Calendar and agenda.
   d. Miscellaneous business.

5. **Adoption of Conference Session Agenda** Upon recommendation of the Committee on Annual Conference Program, the Annual Conference shall adopt an agenda and calendar for Conference Sessions (¶605.2)

6. **Expediting Conference Business**. The Committee on Annual Conference Program shall be responsible for interpretation and promotion of the missional and program ministries of the Annual Conference at conference sessions.

The Conference Secretary shall present, at the opening session, a *consent calendar* consisting of printed reports not requiring discussion. Twenty-four hours later, items may be removed from the consent calendar upon motion with an affirmative vote of 50 persons. The items remaining on the *consent calendar* shall then be voted upon in an omnibus motion.

Individuals, local churches, parishes and districts may submit resolutions to be printed in the *Conference Workbook* or may submit them later under Rule 13 of Section IV MISCELLANEOUS STANDING RULES OF THE CONFERENCE.

Resolutions that deal with structure or administration and are proposed by an Annual Conference agency shall be included in that agency's report. Agency resolutions dealing with all other matters and resolutions from all other sources shall be grouped in a section of the *Conference Workbook* headed Resolutions with the submitting group clearly defined and presented by the Committee on Annual Conference Program.

7. **Securing the Floor**. The method of obtaining the floor shall be established in the organizational motion. Members who secure the floor shall indicate their name and Annual Conference voting credentials before speaking.

8. **Interrupting the Speaker**. No member who has the floor may be interrupted except for a breach of order, or a misrepresentation, or to direct the attention of the Conference to the fact that the time has arrived for an order of the day, or to raise a very urgent question of high privilege.

9. **Debate**. After a question has been stated by the chair, it is before the Conference for consideration and action. All resolutions, reports from agencies, communications to the Conference, all amendments proposed to the Conference, and all other motions, except undebatable motions, may be debated before final action is taken on them, unless by a two-thirds vote the Conference decides to dispose of them.

10. **Length of Speech**. Each speech from the floor must be limited to three minutes unless the speaker's time is extended by the Conference by a majority vote. This three-minute limit may be reduced by a majority vote of the Conference at any time, and for any period of duration.

11. **Speaking More Than Once**. No member of the Conference shall speak a second time on the same question if any member who has not spoken desires the floor, and no more than twice on the same subject under the same motion.

12. **Question of High Privilege**. A member of the Conference claiming the floor at any time for what the member believes to be a very urgent question of high privilege shall be allowed to indicate briefly the nature of the question, and if it is adjudged by the chair to be such, the member may proceed until the chair judges that such privilege has been exhausted.

13. **Voting Procedure**. Voting shall be by a show of hands unless otherwise ordered by the Presiding Bishop or Presiding Officer. Presiding Bishop or Presiding Officer may order voting by electronic means whereby remote members may vote using an electronic device through a secure log-in provided in advance

by the West Virginia Annual Conference. A count vote may be ordered on call of any member supported by one-third of the members present and voting. An "aye" or "nay" vote by secret ballot may be ordered on call of any member, supported by one-third of the members present and voting.

14. **Division of Question**. Before a vote is taken, any member shall have the right to call for a division of any question, if it is subject to such division as the members indicate. If no member objects, the division shall be made; but, if there is objection, the chair shall put the question of division to vote, not waiting for a second.

15. **Precedence of Secondary Motions**. If any one or more of the following motions shall be made when one or more other motions are pending, the order of their procedure in relation to another shall be the same as the order on their listing below:

a. To fix the time to which the Conference shall adjourn. (This motion is subject to amendments, or it may be laid on the table.)
b. To adjourn
c. To take recess
d. To order the previous question
e. To lay on the table
f. To limit or extend the limits of debate
g. To postpone to a given time
h. To commit or refer
i. To amend or substitute (one amendment being allowed to an amendment)
j. To postpone indefinitely

16. **Tabling Related Motions.** No motion that adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

17. **Motion to Adopt**. A motion is a proposal that the assembly take certain action or that it express itself as holding certain views. Any member of the Conference may make such a proposal. When the motion is seconded by a member saying, "I second the motion," which may be done without obtaining the floor, it shall be before the body.

18. **Undebatable Motions**. The following motions shall be acted upon without debate:

a. To adjourn, when unqualified, except to adjourn the Conference finally.
b. To suspend the rules.
c. To lay on the table.
d. To take from the table.
e. To call for the previous question, and motions to close, limit, or extend the limits of debate.
f. To amend an undebatable motion.
g. To consider an undebatable motion.
h. To dispense with the reading of the minutes.
i. To call for the order of the day.

19. **Right of the Main Question**. The main question may be opened to debate under the following motions: to adopt, to commit or refer, to substitute, to postpone, and to reconsider. No new motion, resolution or subject shall be entertained until the one under consideration shall have been disposed of except as provided for under "voting procedure." This does not apply to undebatable questions.

20. **Reference of a Report**. It shall be in order for the Conference to refer to an agency committee a section or a part of a report or resolution that is before the Conference for consideration, or any amendment offered thereto.

21. **Procedure for Consideration of Substitute Motions**. When a resolution or committee report is properly before the Conference for consideration and action, even if amendments are pending, a substitute may be offered by any member moving that the same be substituted for the report, resolution, or amendment under consideration.

The substitute shall be an alternative to what is before the body and not simply a negation of the main motion as determined by the presiding officer. Debate on the motion to substitute will be limited to the question of substitution only. No amendments to the main motion or the substitute will be considered during this period of initial consideration.

Following the debate on the motion to substitute, a vote on substitution will occur. If the motion to substitute prevails by majority vote, the substitute motion becomes the main motion. If the motion to substitute fails to receive a majority vote, the original main motion remains on the floor for consideration. Debate, including the offering of amendments, moves forward on the main motion as per the rules of procedure.

22. **The Previous Question**. When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), they shall indicate to what they intend it to apply, if any secondary motion or motions are also pending. If they do not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate and shall require two-thirds vote of those present and voting for its adoption; and if it is adopted, the vote shall be taken on the motion or motions to which it applies without further debate.

23. **Unlawful Motion After Speech**. It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

24. **Exceptions to Majority Vote**. A majority of those voting shall decide all questions with the following exceptions:

a. One-third of those present and voting shall suffice to sustain a call for a count vote in case the decision of the chair is doubted. A tie vote sustains the chair.

b. A two-thirds vote shall be required;

1. To sustain a motion to suspend or amend the rules;
2. To sustain a motion for the previous question (see, "Previous Question" above), or any motion whose adoption would limit debate;
3. To set aside a special order;
4. To consider a special order before the time set therefore;
5. To sustain a request of the Committee on Annual Conference Sessions Program Committee for the presentation of any person after the second day of the Conference Session.

25. **Reconsideration**. A motion to reconsider an action of the Conference shall be in order at any time if requested by a member who voted with the prevailing side. The motion to reconsider may not be debated if the original motion was non debatable.

26. **Questions of Order**. It is the duty of the presiding officer to enforce the rules and orders of the Conference, without debate or delay. It is also the right of every member who notices the breach of a rule, to insist upon its enforcement. In such a case the member shall secure the floor by expressing "I rise to a point of order. The speaker will be addressed by the presiding officer who will decide the point and if no appeal is made and the member has not been guilty of any serious breach of decorum, the chair will permit him/her to resume his/her speech. But if the member's remarks are decided to be improper and anyone objects, he/she cannot continue without a vote of the Conference to that effect.

27. **Motion to Adjourn**. The motion to adjourn, when unqualified, shall be taken without debate, and shall always be in order, except:

a. When a member has the floor.
b. When a question is actually put, or a vote is being taken, and before it is finally decided.
c. When the previous question has been ordered and action is pending.
d. When a motion to adjourn has been lost, and no business or debate has intervened.
e. When the motion to fix the time to which the Conference shall adjourn is pending. The foregoing does not apply to a motion for final adjournment of the Conference.

28. **Meeting of Agencies, Boards, Committees, and Teams.** All agencies, boards, committees, and teams of the Annual Conference shall have the right to meet and vote by electronic means.

# The West Virginia Conference
# Sexual Ethics Policy

**What Do We Expect of Church Leaders?**

**Church leaders should do no harm.**

The church is a unique environment in which we expect no harm to be done. The church seeks wholeness and healing, in unity expressed as the Body of Christ. Where such unity prevails, there is no exploitation, no humiliation, and no abuse.

**People in a ministerial role will be held accountable.**

The ministerial role is one of power and responsibility. Persons called to ministerial roles are expected to dedicate themselves to the highest ideals of the Christian life for the sake of the church and the most effective witness of the gospel of Jesus Christ. Conduct is as important a witness as the sermons preached, the rites celebrated, the counsel offered, and other church tasks performed. Church leaders, whether clergy or laity, must maintain appropriate sexual boundaries that respect the fact that a power differential exists between them and those whom they serve.

**What Is Sexual Misconduct According to The United Methodist Church?**

Sexual misconduct is a chargeable offense for both laity and clergy. Chargeable offenses include, but are not limited to: child abuse, sexual abuse, sexual misconduct, the use of pornography, sexual harassment, and gender discrimination (The Book of Discipline 2016, par. 2702.1).

**Definitions**

**Sexual misconduct** is a continuum of sexual or gender-directed behaviors by either a lay or clergy person within a ministerial relationship (paid or unpaid). It can include child abuse, adult sexual abuse, harassment, rape or sexual assault, sexualized verbal comments or visuals, touching and advances, use of sexualized materials including pornography, stalking, sexual abuse of youth or those without capacity to consent, or misuse of the ministerial position using sexualized conduct to take advantage of the vulnerability of another. Sexualization of the ministerial relationship is a betrayal of sacred trust.

**Sexual harassment** is "any unwanted sexual comment, advance, or demand, either verbal or physical, that is reasonably perceived by the recipient as demeaning, intimidating, or coercive. Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender." (*The Book of Discipline 2016, par.* 161.I)

**Sexual abuse i**s a form of sexual misconduct and occurs when a person within a ministerial role of leadership (lay or clergy, pastor, educator, counselor, youth leader, or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, coworker, or volunteer.

**Pornography** is sexually explicit material that portrays violence, abuse, coercion, domination, humiliation, or degradation for the purpose of arousal. Any sexually explicit material that depicts children is pornographic.

**Dating** irrevocably alters the relationship between clergyperson and parishioner and impacts the congregation. Therefore, dating between clergy and parishioners is inappropriate and is discouraged. Because of vulnerability and power differences within the ministerial relationship, meaningful consent is difficult to establish. Any decision to initiate a dating relationship within this context would require transparency with all involved, including permission from the district superintendent, pastor-parish relations committee, and plans for alternative pastoral support for the person involved.

**How Does The United Methodist Church Respond to Sexual Misconduct?**

*The Book of Discipline* sets forth the plan by which we United Methodists govern ourselves. It reflects our understanding of the Church and of what is expected of its laity and clergy as they seek to be effective witnesses in the world as a part of the whole body of Christ. Complaints will be handled according to *The Book of Discipline. The Book of Discipline* will not substitute for actions which might be brought in a civil or criminal court. Any person reporting sexual misconduct will be heard with compassion. Appropriate support will be given to the complainant(s), the respondent(s), their families, and the congregation or Conference agency involved.

**1.** If you feel you are a victim of sexual misconduct within the West Virginia Conference of The United Methodist Church, you are encouraged to contact one of the following people (contact information may be found below*). If the misconduct involves a/an

**a)** *Clergyperson,* contact a District Superintendent or the Bishop.
**b)** *Employee or volunteer leader in a Conference-sponsored activity*, contact the Bishop
**c)** *Layperson in a ministerial role*, contact a District Superintendent.
**d)** *Layperson in a local church leadership role,* contact your pastor or a District Superintendent

**2.** Allegations involving minors or an adult incapable of self-reporting shall be reported to the appropriate government authorities. In WV, a report must be made to the Department of Health and Human Services Hotline (1-800-352-6513, for both children and vulnerable adults). A report must also be made within 24 hours to the state police or a local law enforcement agency with jurisdiction to investigate. In Garrett County, MD, contact Child Protective Services at 301-533-3005. For MD Adult Protective Services, call 800-917-7383. In addition to these reports, the notification procedures described in #1 above and the church's Safe Sanctuary policy shall be followed.

**3.** Retaliation on account of a good faith report of sexual misconduct shall not be tolerated and shall be considered a separate violation of this policy.

**The Bishop's office and each district superintendent may be contacted through the conference office at 304-344-8331. Direct contact information is elsewhere in the Journal or on the conference website at www.wvumc.org.*

**What Support Does the West Virginia Conference Offer to Those Affected by Sexual Misconduct?**

A Conference Response Team is named and maintained by the Bishop consisting of persons specially trained to respond as outlined by *The Book of Discipline.* This Team and the Cabinet shall consult and agree upon appropriate case management procedures.

**How Will We Help Reduce Sexual Misconduct?**

Education and awareness are key elements in the reduction of sexual misconduct and in effective intervention when sexual misconduct occurs. The West Virginia Conference will provide education to clergy and laity in ministerial roles to reduce sexual misconduct.

This education shall include

1. ethical standards of behavior;
2. resources for spiritual, emotional, physical well-being; and
3. a description of the complaint process and resources available to affected individuals and congregations

Basic education and training shall be required

1. for laypersons in ministerial roles – within six months of employment.
2. for clergy – within six months of initial appointment.

Basic education and training shall be offered to volunteers and non-ministerial employees in the church.

Following completion of basic education, supplemental training on these subjects shall be offered and/or approved by the West Virginia Conference and required both for clergy and laypersons at least every four years while serving in a ministerial role.

Congregations shall

**1.** become educated about issues related to appropriate boundaries and sexual misconduct;
**2.** draft, approve and follow a local church policy regarding Sexual Harassment, Sexual Abuse and Sexual Misconduct. Until such a policy has been adopted, the Conference policy and procedures will be in effect for the local church.
**3.** show concern for the health of the congregation and that of their leaders;
**4.** be aware of the demands on the time of their ministerial leaders and establish reasonable expectations; and
**5.** support continuing education, training, consultation, and peer connections for their clergy and lay leaders.

# West Virginia Conference Safe Sanctuaries Policy

## Introduction

Heeding Christ's call to love and serve one another (John 13:15,34); to care for those most vulnerable in his name, particularly the "least of these" (Matthew 25:40); and to welcome children and youth in Christ's name (Matthew 18:5), the West Virginia Conference of the United Methodist Church has developed this *Safe Sanctuaries*[1] *Policy* with accompanying procedures to reduce the risk of abuse to children, youth and vulnerable adults in the ministries of the local churches and the annual conference.

> *"People were bringing little children to him in order that he might touch them, and the disciples spoke sternly to them. But when Jesus saw this, he was indignant and said to them, 'Let the little children come to me; do not stop them; for it is to such as these that the kingdom of God belongs. Truly, I tell you, whoever does not receive the kingdom of God as a little child will never enter it.' And he took them in his arms, laid his hands on them, and blessed them."* (Mark 10:13-16)

Our Christian faith calls us to offer both hospitality and protection to children. The Social Principles of The United Methodist Church state that "children must be protected from economic, physical and sexual exploitation and abuse." Tragically, churches have not always been safe places for children. Child sexual abuse, exploitation, and ritual abuse occur in churches, both large and small, urban and rural. The problem cuts across all economic, cultural and racial lines. Such incidents are devastating to all who are involved: the child, the family, the local church and its leaders. God calls us to make churches safe places, protecting children and other vulnerable persons from abuse. God calls us to create communities of faith where children and adults grow safe and strong.

In light of this, the West Virginia Conference of the United Methodist Church is committed to creating policy and procedures that can 1) prevent such abuse from happening in our churches; 2) be a place where children can feel safe in disclosing abuse; and 3) protect the loyal volunteers and employees that minister to our children, youth and vulnerable adults.

This policy sets forth the **mandatory** requirements in the areas of:

Screening Staff and Volunteers
Supervision
Cyber Policy
Reporting Abuse and Responding

The policies that follow provide minimum standards and procedures for local churches and the annual conference that are in keeping with the Book of Discipline and General Conference resolutions *(endnote: 1996 General Conference Safe Sanctuaries resolution, which was reaffirmed in 2004 and 2008, expanded to include abuse risk reduction for vulnerable adults and cyber safety considerations).*

The West Virginia Conference shall:

- develop safety and risk-reducing policies and procedures for Conference-sponsored events such as camps, retreats, youth gatherings, childcare at conference events, mission trips, and other events for which the Conference or its agency or program is the sponsor;

[1] Melton, Joy Thornburg. Safe Sanctuaries, Reducing the Risk of Abuse in the Church. 2008. Discipleship Resources: Nashville, TN

*This policy has been adapted with permission from the Susquehanna Conference.*

- approve and maintain a Safe Sanctuaries Policy and assign the Sexual Ethics Team for implementation. The Conference Safe Sanctuaries Policy shall be posted on the Conference website, circulated in Conference publications, and shared with lay professional and clergy at district or Conference seminars; and
- develop training opportunities to assist local church leaders in the creation of local church policies and in their implementation.

Local churches should:

- develop a Safe Sanctuaries Policy for their church;
- be familiar with Annual Conference and other church policies regarding clergy and lay leader sexual misconduct; and
- designate a Safe Sanctuaries coordinator and/or team within the local church to ensure policies and procedures are followed.
- adopt screening procedures (use of application forms, interviews, reference checks, background clearances, and so forth) for staff, volunteers, employees, and helpers (paid and unpaid) directly or indirectly involved in the care of children, youth, and vulnerable adults;
- develop and implement procedures for church activities (see Supervision Section)
- become informed as to who are mandatory reporters
- carry liability insurance that includes sexual abuse coverage;
- develop and implement an ongoing education plan for the congregation and its leaders on the reality of child abuse, risk factors leading to child abuse, and strategies for prevention;

The West Virginia Conference Safe Sanctuaries Policy, with its minimum standards and recommended procedures, seeks to assist local churches and conference ministries in their covenant commitments to reduce the risk of abuse in ministries with children, youth, and vulnerable adults.

**Cyber Space and Cyber Safety**

While ministries and activities take place in a variety of venues, new forms of communication via the Internet and cell-phones and other hand-held devices constitute a new space for ministry and activities for children, youth, and vulnerable adults. Cyber Space includes: communications via email, instant messaging, and cell phone (speaking and texting), and other devices; communicating on social networking sites such as Facebook.; web-surfing and downloading of materials from the Internet; and gaming. Cyber Space is a fluid space which changes more and more as communications become more portable and websites change with increasing frequency. The dangers of direct access to age-inappropriate content, risky social contacts, intimidation, threats, bullying, remade and/or inappropriate photos, information that could increase risks for abuse, and more in Cyber Space make Cyber Safety an important part of *Safe Sanctuaries*.

**Definitions**

**What is Safe Sanctuaries?**

In 1996, the General Conference of the United Methodist Church adopted the resolution, Reducing the Risk of Child Abuse in the Church. This resolution, reaffirmed at every General Conference since then, became the impetus for annual conferences and congregations to develop and implement abuse risk reduction policies. Discipleship Ministries has identified ***Safe Sanctuaries*** as "*reducing the risk of abuse in the church for children, youth, and vulnerable adults*."

**What is abuse?**

Child abuse is a broad term encompassing a variety of acts perpetrated against a child (under 18) by an adult or significantly older or more powerful child that results in harm to the child, or that endangers a child's/youth's health,

safety or welfare. The child or youth is never capable of consenting to abusive behavior, either legally or morally. In all circumstances, child abuse is morally wrong and the child shares no responsibility for the abuse

The Code of Maryland and the West Virginia Code provide legal definitions of acts constituting criminal child abuse.[2] While we find these definitions informative, we believe the Church must hold itself to a higher standard. Our churches must be the safest and holiest of places for all of God's children/youth if we are to succeed in our efforts to live and serve as the Body of Christ in the world.

**Types of abuse**

**Physical Abuse[3]—**a person deliberately and intentionally causes bodily harm to a child. Examples may include violent battery with a weapon (knife, belt, strap, etc), burning, shaking, kicking, choking, fracturing bones, and any of a wide variety of non-accidental injuries to a child's body. (pages 29-30)

**Emotional Abuse—**abuse in which a person exposes a child to spoken and/or unspoken violence or emotional cruelty. Emotional abuse sends a message to the child of worthlessness, badness, and being not only unloved but undeserving of love and care. Children exposed to emotional abuse may have experienced being locked in a closet, being deprived of any sign of parental affection, being constantly told they are bad or stupid, or being allowed or forced to abuse alcohol or drugs. Emotional abuse is often very difficult to prove and devastating to the victim. (page 30)

**Neglect**—abuse in which a person endangers a child's health, safety, or welfare through negligence. Neglect may include withholding food, clothing, medical care, education, and even affection and affirmation of the child's self-worth. (page 30) If a parent cannot provide adequate care for a child due to poverty, infirmity, or other disability, their negligence is not legally categorized as abuse, although the child still needs care.

**Sexual Abuse—**child sexual abuse is a criminal act perpetrated by an adult (or an older and more powerful youth) that exploits and harms children/youth by exposing them to or involving them in sexual behavior for which they are unprepared, to which they cannot consent (either morally or legally), and from which they are unable to protect themselves. The child/youth is never capable of consenting to sexually abusive behavior and cannot be blamed for the sexual abuse regardless of the child's/youth's conduct. Examples of sexual abuse may include fondling, intercourse, incest, and the exploitation of the child/youth for the purpose of or exposure of the child/youth to pornography or prostitution. (page 30)

**Ritual Abuse—**abuse in which physical, sexual, or psychological violations of a child are inflicted regularly, intentionally, and in a stylized way by a person or persons responsible for the child's welfare. The abuser may appeal to some higher authority or power to justify the abuse. The abuse may include cruel treatment of animals or repeated threats of harm to the child, other persons, and animals. Reports of ritual abuse are often extremely horrifying and may seem too grim to be true. Children making such reports must not be ignored. (page 30)

**Hazing/Initiations/Bullying—**abuse that occurs when the child/youth is subjected to ridicule, harassment, or other emotional or physical harm as part of a rite of passage, initiation, punishment, or for the enjoyment of the participants or other bystanders. This type of abuse may be perpetrated by adults or by older or more powerful children or youth. While this type of abuse may not always constitute a crime, it serves no purpose in the Body of Christ and is not acceptable in our church.

Every ministry or event of the West Virginia Conference that relates to children, youth, and/or vulnerable adults shall follow these standards for supervision. These procedures are designed to reduce the risk of abuse to children, youth, and/or vulnerable adults, and to protect the staff persons and volunteers from unwarranted accusations. These are the MINIMUM standards, and each event may adopt more stringent requirements as deemed reasonably appropriate.

1. **Two non-related Adult Rule** –No matter the size of the group, a minimum of two nonrelated adults age 18 or older (defined as two adults not residing in the same household) shall be present with participants at all times. These adults shall have completed the screening process. One of the two adults may be a "roamer" who moves in and out of the rooms.

2. **Five-Years-Older Rule –** Every adult responsible for supervision shall be at least 18 years of age and at least five years older than the oldest child or youth event participant.

3. **No child, youth, or vulnerable adult will be left unsupervised** while attending a West Virginia Conference sponsored event. 4. **All activities should occur in open view.** Each room or space where activities involving children, youth or vulnerable adults occur shall have visibility from an interior hallway or a connecting room by means of a window, a door with an uncovered window, or an open door. Parents, volunteers, or local church staff may visit and observe any part of any program at any time.

5. **Bathroom Needs**. It is recommended that youth use a buddy system to ensure safety.

    i. There will be separate sleeping areas for males and females.
    ii. At least two adults will be present in each sleeping area and will be of the same gender as the children/youth/vulnerable adult in that area.
    iii. Sleeping areas should be pre-arranged by staff person or event coordinator prior to event.
    iv. Random and regular rounds will be conducted by two (2) adult leaders throughout the nighttime sleeping hours of all sleeping areas.
    v. Separate shower and bathrooms facilities are highly encouraged. When separate facilities are not possible, procedures for use of the facility will be conveyed to all event participants by the staff person or event coordinator.

Adults must respect the privacy of children/youth/vulnerable adult, during such situations as changing, showering, etc., and should intrude only to the extent that health or safety may require. Adults must protect their own privacy in similar situations as well.

## Cyber Safety Electronic Communication Recommendations

The internet, apps, social media and portable devices allow people to stay in contact with each other more easily than at any other time in the history of civilization. Excellent ministry can take place using modern technology, but as with all forms of ministry, there are inherent risks involved with the use of electronic communications. **Assume anything and everything in cyberspace is public information**. Here are some recommendations.

- **Obtain advance written parent/legal guardian permission.** In addition to general permission to participate in a conference ministry or event, obtain written advance parent/legal guardian permission for children and youths, and personal permission from vulnerable adults or their guardian if applicable, for:

    1. Taking and using photos or videos of participants, for example, posting on sites, sending by e-mail or by cell phone, reproducing photos in brochures, posters or newspapers.
    2. Communicating or transmitting data electronically with children, youths or vulnerable adults sharing any full name or contact information.

- **<u>Never</u> post identifiable information. For example:**

    1. Do not use "broadcast" emails. Use the "Bcc" option (blind carbon copy) so that each recipient sees only his or her address when a message is received.
    2. Be cautious when transmitting easily identifiable information such as event dates, times, locations, or participants.
    3. Limit what is communicated in prayer requests. When placing a child, youth, or vulnerable adult on a prayer list, use only first names and only if you think a name is necessary.
- **Use caution when sharing photos.**

    3. Consider using stock or purchased photos.
    4. Obtain all necessary legal permission to use photos or other content (poems, songs, etc.).
    5. If sharing photos, refrain from using names, and never use last names or other personally identifiable information.
    6. Check photos for vulnerable/compromising situations and to make sure they uphold your mission.
    7. Check to make sure nametags are not distinguishable.
    8. Block "save photo as" options on websites.
    9. Limit access to photos by employing the use of a password.

- **Social media sites (Facebook, Blogs etc.)** Do not use your personal social media presence for ministry. Use a group social media site that is monitored by senior leadership, for example a Facebook site for the specific group.

    10. Include a code of conduct/terms and conditions for the site that expressly states expectations for posts and a clear expression of how violations, offensive and objectionable material will be addressed.
    11. Monitor the site and remove inappropriate comments, photos, links, etc.
    12. Restrict who can be a friend.
    13. Do not post anything that you would not want printed in the newspaper, church newsletter or bulletin.
    14. Be familiar with, and comply with, social media provider policies, restrictions and terms and conditions. For example, according to Facebook's own terms, children under 13 years of age may not sign up for a Facebook account.
    15. Encourage children, youths, and vulnerable adults to follow these same guidelines as appropriate.

- **Do not collect online, or allow third parties to collect online, personal information from children under the age of 13. See Children's Online Privacy Protection Act ("COPPA") and Federal Trade Commission Rules implementing COPPA (the "Rule").** COPPA and the Rule require specific permissions and privacy policies if a website or online service collects, or allows third parties to collect, personal information if the service is directed to children under the age of 13. Restrictions also apply if the site is directed to a general audience and the organization has actual knowledge that it collects personal information from children under 13 years of age.

## Responding To and Reporting Abuse

A quick, compassionate, and unified response to an alleged or actual incident of abuse is necessary and expected. All allegations are to be taken seriously. In all cases of reported or observed abuse in a ministry event, the entire staff of that event, paid and/or volunteer, shall be at the service of all official investigating agencies.

A mandated reporter must make a report of suspected child abuse. All members of the clergy, employees, child care workers, youth camp administrators or counselors, and volunteers who work with children/youth are mandated reporters.

The goal of an immediate response to alleged or known incidents of abuse will be to ensure the safety of the victim and any additional potential victims. In all cases of alleged or actual abuse, professional support is obtained by informing the Department of Human Resources- Bureau for Children and Families at 1-800-352-6513 **not more than 24 hours after suspecting this abuse or neglect**. **In any case where the reporter believes that the child suffered serious physical abuse or sexual abuse or sexual assault, the reporter shall also immediately report to the State Police and any law-enforcement agency having jurisdiction to investigate**. The parents/legal guardians of the victim will be notified unless they have been named as the alleged perpetrator of the abuse. Pastoral support is sought by following the conference policy which is:

> If the allegation or incident concerns events or persons outside any relationship to a conference and/or local church related event, it is the responsibility of the person who heard the abuse to make the initial report to the Department of Human Resources- Bureau for Children and Families. The procedures outlined in this section will provide guidance for responses and reporting.
>
> > **Example:** Child, youth, or vulnerable adult telling a camp counselor about abuse by a relative during the prior year. If this report were made to the counselor in the course of his/her duties as a camp counselor, then it is the responsibility of the camp counselor to make the call to report. The camp counselor may talk with the Camp Dean or Site Director before making the call, asking for support.
> > An incident report should be filed with the Site Director as a part of the reporting process.

If the allegation is against or involves a conference staff person, pastor, helper or volunteer, or if it occurred in the course of a conference ministry event, the person in charge of the event, shall contact the Assistant to the Bishop. Procedures for responding to and reporting the abuse are contained herein.

**The Director of Communications of the West Virginia Conference or his/her designee is the only person/s authorized to make statements to representatives of the media.** All requests for statements shall be directed to the Director of Communications. Staff persons and volunteers are to be trained in how to handle media requests by referring them to the Director of Communications.

**How to respond to allegations of abuse**

Care for the alleged victim's safety. Once a child, youth, or vulnerable adult has disclosed alleged abuse, the one to whom the disclosure has been made should reassure the alleged victim of a concern for his or her safety and well-being. They will then make the call to Department of Human Resources- Bureau for Children and Families. The alleged victim (and any other potential victims if the abuse has allegedly taken place onsite) should be calmly moved to another safe place onsite in view of at least two other non-related adults. Someone safe and familiar should stay with the victim at all times.

Persons who are accused of abuse, if on site, will be immediately and discreetly removed from the ministry setting (both the accused and the victim to separate locations or areas) until the situation is resolved. This is to protect all persons involved, including the accused. The person to whom the disclosure was made should inform the victim in an age appropriate way that a report will be made to appropriate legal authorities.

Should the victim be in need of immediate medical attention, a call should be made for medical transport by ambulance. The parents/legal guardians of any victim under the age of 18 should be notified. It may not be

appropriate to contact the parents/legal guardians if they are the alleged perpetrators of the abuse, in which event the person designated as the reporter should be contacted and should handle contacting the parents/legal guardians when appropriate.

**Report the allegations of abuse**. The mandated reporter will obtain the information needed for the filing of reports, including, but not limited to, the victim's name and age, the name of the alleged perpetrator, the alleged facts of the abuse, and physical home addresses for the victim and the perpetrator. It is important to let the victim verbalize the allegations in his or her own words, being careful to limit questions asked of children or youth under the age of 18, or to vulnerable adults. If abuse is suspected a report should be made immediately (**not more than 24 hours after suspecting this abuse or neglect)** to Department of Human Resources- Bureau for Children and Families at 1-800-352-6513. **In any case where the reporter believes that the child suffered serious physical abuse or sexual abuse or sexual assault, the reporter shall also immediately report to the State Police and any law-enforcement agency having jurisdiction to investigate**. It is the responsibility of the mandated reporter to handle these matters in a professional and caring manner. Once the call is made the mandated reporter needs to immediately notify the person in charge of the event who will notify the Director of Youth and Outdoor Ministries who will notify the Assistant to the Bishop.

**Maintain confidentiality.** Allegations are to be discussed only on a need-to-know basis. The person(s) to whom the allegations were disclosed should immediately contact Department of Human Resources- Bureau for Children and Families giving the details to that person. Other adults onsite should be alerted to stay with the alleged victim and other potential victims. Once the allegations have been reported, the person to whom the allegations were made should not discuss the matter with other persons except law enforcement or designated state investigators. To do so could cause irreparable harm to the victims, their families, and the community.

**Response Team.**
As directed by the Office of the Bishop, the Conference Response Team may be called upon to assist in a given situation.

**Handling calls and questions from the media.** If a member of the media – newspaper, TV station, Radio station, Magazine – calls or approaches a staff or volunteer in person and asks about the situation, that person should get their name and phone number and respectfully tell them that the Director of Communications will get back to them with the answer as soon as possible. The following "hold response" can be used:

"I want to make sure we give you the most accurate and up-to-date information. The Director of Communications can best help you. If you give me your contact information, deadline and topic you are calling about, I will have them return your call as soon as possible." or, "Here is the phone number/email of the Director of Communications…"

**No staff person should answer any questions**. The staff person should be polite, but firm**.** A staff person should **never** simply tell a reporter, "*No Comment*," as this response raises concern that the incident (alleged or known) is not being dealt with or taken seriously by the church. Nothing is assured to be "off the record" when talking to the media. A staff person/volunteer should realize that any statement made to the media can be used publicly, even if the reporter says it is "off the record."

Seventy-five percent of the interest income from this account shall be divided equally among the districts for use by the District Trustees for the maintenance and improvements of the parsonage located there. This amount which shall be allowed to accumulate from year to year will be placed in a holding account for each district and will be available upon application by District Trustees. only shall become available for use in Conference owned properties, primarily District Parsonage emergencies. An emergency is an unanticipated expense that would cause the occupant difficulty in inhabiting that house.

35. The Annual Conference shall maintain a **Conference Reserve Fund** with the goal being to achieve a balance of 5% of the Annual Conference budget.
36. Once approved by the Annual Conference, all agency budgets, including the line items within them, are fixed for the ensuing year. Each agency is expected to administer its budget according to the income that becomes available. Any deficits at the end of the fiscal year shall be charged against the next budget for that agency. Exceptions to this policy may be granted by the Council, after consultation with the Covenant Council.
37. Each line item within a budget is to be executed and reported accurately as to its actual cost. When income for an agency is less than needed, the agency is responsible for identifying the priorities among the line items that are to receive support. Divisions or sections of an agency must adhere to decisions of the total agency of which it is a unit.
38. No agency or unit thereof is entitled to authorize expenditures of funds for purposes not previously approved by the Annual Conference unless expressly approved by the Council between sessions of the Annual Conference. Any funds so spent will be recovered from the next year's budget of that agency.
39. All agencies shall reimburse their members for expenses incurred in attending meetings when they submit itemized vouchers. This is interpreted to include only travel at the Conference rate (or if commercial transportation, the actual cost at coach rate), highway tolls, parking, meals and lodging. Receipts are required for all expenses. There shall be no exception unless prior approval of the expenditure is given through proper channels by the Council. Members of agencies traveling from outside the Conference boundaries to a meeting site within the Annual Conference shall be reimbursed only for that portion of vouchered expenses occurring within the boundaries of the Annual Conference to and from the site of the meeting. If this vouchered expense is for air transportation, the expense will be pro-rated by actual air mileage from the Conference boundaries to and from the site of the meeting.
40. Providing quality on-site care shall be a priority for all Conference agencies. When onsite care is not feasible and spouse care is not available, financial remuneration shall be made by the Conference agencies to its members for dependent care (child, person with disabilities, or elder care) as legitimate meeting expense so long as the total for all conference boards and agencies does not exceed $1,000. The amount to be reimbursed shall be the actual cost to provide specialized care not to the point of medical care and not to exceed $50 per dependent per day.
41. Expenses of the Annual Conference Session shall be a line item of the Conference budget and offerings received during each Annual Conference session shall be designated for Annual Conference and General Church causes to be determined annually by the Annual Conference on recommendation of the Covenant Council.
42. The Council on Finance and Administration will not consider program related financial requests without the prior consideration of the Conference Covenant Council.
43. A bond of at least $25,000 shall be provided by the local church/charge for Treasurers and other persons who handle funds within the local church. This bond shall be forfeited if a clear separation of duties is not followed by people responsible for receipts and expenses (Par. 2511).

44. The term "AGENCY," as used in recommendations and fiscal policies, shall be interpreted in its broadest sense to include all line items in the conference budget.
45. When two churches are merged with an effective date immediately following Annual Conference, the current Fair Share for the new charge shall be determined by adding 50% of the Fair Share of the smaller fair share church to the larger fair share church. The merged congregation will use the church number of the larger fair share church. All current year remittances received before the merger from the smaller fair share church will be transferred in the remittance system to the larger fair share church. For future fair share calculations, the financial statistical data for the smaller fair share church will not be added to the statistics of the larger fair share church. Only the membership figure will be transferred (smaller fair share church membership to be added to the larger membership). The percentage of payout on Line 73 for the merged church will be the higher percentage figure of either church.
46. Ten percent of the net proceeds from the sale of closed church property shall be allocated for the purpose of creating an endowment fund for capital improvements, repair and restoration of ethnic minority local churches. These funds shall be invested through United Methodist Foundation of WV, Inc., and that the income shall be administered by Ethnic Local Church Concerns Committee.
47. Failure to submit Statistical Reports in accordance with the *Book of Discipline* requirements will result in ten percent (10%) being added to the previous years adjusted expenses to determine the current year expenses for Fair Share calculation purposes.

## West Virginia Conference of the United Methodist Church Investment Policy

The vision of the West Virginia Annual Conference of The United Methodist Church (The Conference) is to be a Christ-led, spiritual breath of fresh air that changes the world. Its mission is to discover, develop, and deploy passionate spiritual leaders who make disciples of Jesus Christ for the transformation of the world. The Investment Committee of the Council on Finance and Administration (CF&A) has approved this policy in accordance with The Book of Discipline of The United Methodist Church. This policy is for guidance and use of the Investment Committee, the Council on Finance and Administration, depositories of funds of the Annual Conference and others in the execution of their duties related to the management of the investment portfolio of the Annual Conference.

## Investment Objective

The purpose of these funds is to provide resources to implement activities designed to carry out the mission of The Conference. Investment strategies should result in effective diversification of the invested funds in order to enhance real returns, protect against undue volatility and eliminate adverse effects of dependence on any investment concentration. Investments will be managed for total return, the sum of all earned income, dividends as well as realized and unrealized gains or losses less the investment management costs.
The Conference has four objectives for its investment portfolio which shall be considered when determining the appropriateness of investments for the portfolio. They are:

A. Preserve the capital assets of the Conference;
B. Maintain an appropriate level of liquidity within the portfolio;
C. Invest in a prudent manner in order to provide reasonable return on the invested funds of the Conference without unreasonable risk, and
D. Be consistent with the Social Principles of The United Methodist Church.

## Delegation of Authority

CF&A has a fiduciary responsibility to direct and monitor the investment management of Fund assets. As such, CF&A has retained the United Methodist Foundation of West Virginia, Inc. (The Foundation) as custodian of its investible funds (The Fund), and to provide services that include, but are not limited to:

1. Assisting the Investment Committee of CF&A in: establishing investment policies, objectives, and guidelines; selecting Investment Managers; reviewing such managers over time; measuring and evaluating investment performance; and other tasks deemed appropriate by CF&A.
2. Purchasing, selling, or holding the specific securities that will be used to meet the Fund's investment objectives.
3. Maintaining possession of securities owned by the Fund, collect dividend and interest payments, redeem maturing securities, and effect receipt and delivery following purchases and sales. (The foregoing shall not be construed as prohibiting the Fund from owning securities which are not physically certificated, but are held in book-entry form).
4. Performing regular accounting of all assets owned, purchased, or sold, as well as movement of assets into and out of the Fund accounts.

Additional specialists such as attorneys, auditors, actuaries, retirement plan consultants, and others may be employed by CF&A to assist it in meeting its responsibilities and obligations to administer Fund assets prudently.

CF&A will not reserve any control over investment decisions, with the exception of specific limitations described in these statements. Retained investment professionals will be held responsible and accountable to achieve the objectives herein stated; provided, however, that no such professional shall be liable for failure to achieve the targeted return over the relevant portfolio's valuation benchmark if such portfolio is invested within the permissible strategic asset allocations. All expenses for such experts must be customary and reasonable, and will be borne by the Fund as deemed appropriate and necessary.

## Investment Guidelines

The investment policies and restrictions presented in this Investment Policy Statement ("IPS") serve as a framework to achieve the investment objectives at a level of risk deemed acceptable.

## A. Sustainable Investing and Socially Responsible Investments

CF&A will make a conscious effort to invest in institutions, companies, corporations, or funds with policies and practices that are socially responsible, consistent with the goals outlined in the Social Principles of The United Methodist Church, as set forth in *The Book of Discipline of The United Methodist Church* (2016), as it may be from time to time amended. CF&A will avoid investments in core business activities that are not aligned with the Social Principles through their direct or indirect involvement with the production of anti-personnel weapons and armaments (both nuclear and conventional weapons), alcoholic beverages or tobacco; or that are involved in privately operated correctional facilities, gambling, pornography or other forms of exploitative adult entertainment. CF&A will make a conscious effort to invest in institutions, companies, corporations and funds that make a positive contribution toward the realization of the goals outlined in the Social Principles of The United Methodist Church. CF&A will give careful consideration to environmental, social, and governance factors when making investment decisions and actively exercise their responsibility as owners of the companies in which they invest, including engaging with companies to create positive change and holding them accountable for their actions, while also considering exclusion if companies fail to act responsibly.

## B. Target Asset Mix

CF&A hereby adopts a balanced approach to investing that is comprised of the asset classes listed below. CF&A may amend the actual asset allocations, as these targets may change from time to time due to market conditions.

| Investment Fund | Equities | Fixed Income | Cash Equivalents |
|---|---|---|---|

# 2020 Apportionment Review

- As of 12/31/2020, the Conference had 1,000 apportioned churches down from 1024 in 2019.
- We received $10,058,800; up $19,380 from 2019. The percentage of apportionment payout was 79%; down 3% from 2019. $2,680,403 apportioned dollars were not remitted, which is up $442,356 from 2019.
- 627 churches paid 100% or more of their fair share goal. This represents 63% of the total number of churches. These churches funded 64% of the Conference apportioned budget and represent 82% of the total fair share remitted during 2020.
- Of the top 100 highest apportioned churches, 67 paid 100% of their apportionment; however, $914,603 of apportionments were unpaid by the remaining 33. These 100 churches represent 50% of the total apportioned budget.
- During 2020, 87 churches contributed zero apportionment dollars representing $451,257 of the apportioned budget. This is an increase from 2019 in which 55 churches paid zero representing $199,749.
- Although the payout percentage declined during 2020, the commitment of churches to the ministries of the Conference and Denomination during a global pandemic and unprecedented turmoil continues to be remarkable. Conference ministry teams and staff continue to plan for new and renewed Conference ministries during 2021 and 2022. Therefore, churches are challenged to meet their fair share goals to enable these ministries.

**INDEPENDENT AUDITOR'S REPORT**

To the Council of Finance and Administration
West Virginia Conference of the United Methodist Church
Charleston, West Virginia

We have audited the accompanying consolidated financial statements of West Virginia Conference of the United Methodist Church (the Conference), which comprise the consolidated statement of assets, liabilities, and net assets – modified cash basis as of December 31, 2020, and the related consolidated statement of changes in net assets – modified cash basis and statement of functional expenses – modified cash basis for the year then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of West Virginia Conference of the United Methodist Church as of December 31, 2020, and its changes in net assets for the year then ended in accordance with the modified cash basis of accounting as described in Note 1.

**Basis of Accounting**

We draw attention to Note 1 of the consolidated financial statements, which describes the basis of accounting. The consolidated financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

**Correction of Error**

As described in Note 2 to the consolidated financial statements, beginning net assets have been restated to correct a misstatement. Our opinion is not modified with respect to this matter.

**Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The 2020 supplementary information on page 14 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole. The 2019 total column on the supplementary information on page 14 was subjected to the auditing procedures applied in the 2019 audit of the West Virginia Area Office of the United Methodist Church by other auditors, whose report on such information stated that it was fairly stated in all material respects.

**WEST VIRGINIA CONFERENCE OF THE UNITED METHODIST CHURCH**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**
**December 31, 2020**

**Note 1. Description of Organization and Summary of Significant Accounting Policies**

Organization and principles of consolidation

West Virginia Conference of the United Methodist Church represents one of the basic organization bodies in the global United Methodist Conference and serves approximately 1,100 local United Methodist churches in West Virginia and Garrett County, Maryland. The Conference provides administrative and program services to clergy and laypeople within West Virginia. Pension Funds, Inc. was incorporated for the purpose of being the plan sponsor of the Conference's health insurance plan and the beneficiary of certain beneficial interests.

These financial statements present the consolidated financial position and results of operations for West Virginia Conference of the United Methodist Church and Pension Funds, Inc. (collectively referred to as the "Conference"). The governing body of Pension Funds, Inc. is appointed by the West Virginia Conference of the United Methodist Church. The statements do not include the activities of the Conference's districts and local congregations because they do not meet the requirements of consolidation. All significant intercompany accounts and transactions have been eliminated.

Basis of accounting

The consolidated financial statements of the Conference are presented on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis, revenue is reported when cash is received, and expenses are recorded when paid, and certain assets and liabilities arising from noncash transactions are not recognized. This basis differs from generally accepted accounting principles which require that revenue be recognized when earned rather than when received, and that expenses be recognized when incurred rather than when paid.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income taxes

West Virginia Conference of the United Methodist Church and Pension Funds, Inc. are exempt from federal and state income taxes under Internal Revenue Code Section 501(c)(3).

Cash

Cash includes demand deposits with a regional financial institution. At December 31, 2020, the Conference's cash accounts exceeded federally insured limits by approximately $6,341,768.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**
**December 31, 2020**

**Note 1. Description of Organization and Summary of Significant Accounting Policies (Continued)**

Investments

Investments are held at Wespath Benefits and Investments (Wespath) and at United Methodist Foundation of West Virginia, Inc. (the Foundation). Wespath is a general agency of The United Methodist Church, and provides investment services to United Methodist – related institutional investors through a portfolio of proprietary investment funds, and is one of the world's largest faith-based investment companies. The Foundation is a legally separate 501(c) (3) corporation charged with raising, managing, and distributing funds for charitable and religious purposes, with a special interest in United Methodist causes. The Foundation maintains amounts deposited in pooled investment portfolios where the underlying investments consist principally of investments in Wespath funds. Additions to the investment portfolio are assigned shares in the investment pool based upon the per share estimated fair value at the beginning of the month in which the funds are deposited. Income, including unrealized appreciation or depreciation and realized capital gains and losses, is allocated on a monthly basis based on the proportionate share of the total Foundation portfolio. The Conference does not require collateral to secure these investments.

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Beneficial interest in perpetual trusts held by others

The Conference is the beneficiary under various perpetual trusts administered by the Foundation. Under the terms of the trusts, the Conference has the irrevocable right to receive income earned on the trusts' assets in perpetuity but will never receive the assets held in the trust. The underlying assets of the trusts are securities that are actively traded in the market.

Loans receivable

Loans receivable consists of loans made to clergy and laypeople. The carrying amount of loans receivable is reduced by an allowance that reflects management's estimate of collectability based upon the specific identification of doubtful accounts. No allowance for doubtful accounts was deemed necessary at December 31, 2020.

Contributions

The principal source of support is apportionments received from local churches. Apportionments are the recommended contributions for the local churches. Apportionments expire at the end of each calendar year. Local churches do not have any commitment on any underpayment of their apportionments. Additional contributions are received directly from donors. Such contributions are recognized at their estimated fair value and are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restriction.

**WEST VIRGINIA CONFERENCE OF THE UNITED METHODIST CHURCH**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**
**December 31, 2020**

**Note 1. Description of Organization and Summary of Significant Accounting Policies (Continued)**

Net assets

The Conference has classified its net assets based on the existence or absence of donor-imposed restrictions as follows:

**Without donor restrictions:** Assets that are not restricted by donors or for which restrictions have expired are unrestricted. Net assets without donor restrictions are available for use by the Conference at the discretion of the Board of Trustees.

**With donor restrictions:** Assets resulting from contributions whose use is limited by donor-imposed stipulations that either expire by the passage of time or by actions of the Conference are considered net assets with donor restrictions.

Functional expenses

The costs of providing various programs and other activities are summarized on a functional basis in the consolidated statement of functional expenses. Accordingly certain costs have been allocated among the programs and supporting services benefited. All expenses are allocated based on direct identification.

Subsequent events

The date to which events occurring after December 31, 2020 have been evaluated for possible adjustment to or disclosure in the consolidated financial statements is June 14, 2021, which is the date the consolidated financial statements were available to be issued.

**Note 2. Prior Period Adjustment**

Net assets have been restated as of January 1, 2020 to reflect adjustments necessary to present net assets in accordance with the modified cash basis of accounting. Management has determined that certain net assets were improperly classified as net assets with donor restriction and certain beneficial interests were improperly recognized. As a result, as of January 1, 2020 net assets without donor restrictions were increased by $615,636 and net assets with donor restrictions were decreased by $2,039,822.

**Note 3. Liquidity and Availability of Resources**

The Conference regularly monitors the availability of resources required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Conference considers all expenditures related to its ongoing activities of ministry, outreach, and evangelism as well as the conduct of services undertaken to support those activities to be general expenditures.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**
**December 31, 2020**

**Note 3. Liquidity and Availability of Resources (Continued)**

At December 31, 2020, the Conference's financial resources were earmarked as follows:

| | |
|---|---|
| Financial assets: | |
| Cash | $ 6,591,768 |
| Investments | 20,745,741 |
| | 27,337,509 |
| Less those unavailable for general expenditure within one year: | |
| Purpose restrictions | 514,334 |
| Conference board or agency designated financial assets | 22,115,036 |
| | 22,629,370 |
| Financial assets available within one year of the statement of financial position date for general expenditures | $ 4,708,139 |

In addition to financial assets available to meet general expenditures over the next 12 months, the Conference operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

The members of the Conference have designated a portion of its unrestricted resources for endowment and other purposes. Those amounts are identified as board or agency designated in the table above. These funds are invested for long-term appreciation and current income but remain available and may be spent at the discretion of the board or agency.

**Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Valuation techniques maximize the use of observable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted (unadjusted) in active market prices for identical assets or liabilities that the Conference can access at the measurement date.

Level 2 - Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

**Note 4. Fair Value Measurements (Continued)**

The following is a description of the valuation methodologies used for assets measured at fair value.

Funds held at the Foundation and Wespath: Net asset value (NAV) per unit equivalent is used as a practical expedient to estimate fair value. Investments that are measured at net asset value as a practical expedient are not classified in the fair value hierarchy. These investments consist of pooled funds, and the Conference owns shares of the pool and does not have direct ownership of the underlying investments.

Beneficial interests in external trusts and in net assets with affiliate: Valued using the fair value of the assets in the trusts as a practical expedient unless facts and circumstances indicate the fair value in the trust differs from the fair value of the beneficial interests.

| | Level 2 | Total |
|---|---|---|
| Beneficial interest in external trust | $ 1,340,066 | $ 1,340,066 |
| Beneficial interest in net assets with affiliate | 503,214 | 503,214 |
| | $ 1,843,280 | $ 1,843,280 |
| Investments measured at net asset value: | | |
| Funds held at the Foundation | | $ 17,331,413 |
| Funds held at Wespath | | 3,414,328 |
| | | $ 20,745,741 |

**Note 5. Net Assets Released From Restrictions**

**Note 7. Pensions and Other Post Retirement Benefits**

Clergy Retirement Security Program

The Conference participates in the Clergy Retirement Security Program (CRSP), which is administered by the General Board of Pensions and Health Benefits ("General Board"). CRSP is a retirement program providing lifetime income for substantially all clergy and lay pastors. The CRSP has two components. First, there is a defined benefit component that requires contributions to be made by the Conference based on either denominational average compensation or actual compensation. Second, there is a defined contribution component that requires contributions to be made by the Conference based on at least 2% of eligible compensation for eligible participants or 3% if the participant contributes 1%. The Conference made contributions of $403,539 for the year ended December 31, 2020. The CRSP is a program for clergy and is a result of an amendment and restatement of the Ministerial Pension Plan (MPP). As of December 31, 2020, the CRSP program consists of three different time periods based on periods of service:

- CRSP (a multiemployer program) for service beginning January 1, 2007
- MPP (a multiemployer program) for service from January 1, 1982 to December 31, 2006
- Supplement One to the Clergy Retirement Security Program for service prior to 1982 (Pre-82 Plan)

The Conference made contributions to the CRSP program of $1,609,285 for the year ended December 31, 2020, which was funded by Pre-82 monies as described below.

The CRSP Plan is a common control church defined benefit pension plan. The assets that have been contributed to the CRSP Plan by the Conference could be used to provide benefits to clergy members of other annual conferences if another annual conference was unable to fund their portion of the pension liability.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**
**December 31, 2020**

**Note 7. Pensions and Other Post Retirement Benefits (Continued)**

Clergy Retirement Security Program (Continued)

The Conference made no contributions to the Pre-82 Plan in the year ending December 31, 2020. Based on the 2020 actuarial report received from the General Board, the Conference assets in the Pre-82 Plan were $12,282,895 more than the plan's obligations of $32,337,166. The status of any of the overfunding of the Conference's share as of January 1, 2020 of this plan is such that all assets held by Wespath for the Pre-82 plan are available to pay any and all obligations of the plan, regardless of the annual conference from which contributions came or under which benefits were accrued. It has been determined that any of the Conference's overfunded amount will be used to satisfy the Conference's future retirement or pension plan obligations.

Comprehensive Protection Plan

The Conference also participates in the Comprehensive Protection Plan (CPP) which provides disability and death benefits for clergy members. The Conference made contributions of $405,087 to the CPP for the year ended December 31, 2020.

United Methodist Personal Investment Plan (UMPIP)

UMPIP is an Internal Revenue Code section 403(b) defined contribution multi-employer pension plan and provided a retirement savings plan for eligible clergy and employees of the Conference. The Conference contributes 9% of an eligible employee's compensation to a personal UMPIP account. Employees may contribute up to the dollar limits which are set law. The Conference made contributions of $112,805 for 2020.

**Note 8. Health Care Contingencies**

The Conference sponsors a partially self-funded health care plan. Estimated unpaid health care claims incurred as of December 31, 2020 are approximately $990,544. This liability is not reflected in the accompanying consolidated financial statements in accordance with the modified cash basis of accounting.

**Note 9. COVID-19**

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad impact on commerce and financial markets around the world. The extent of the impact of COVID-19 on the Conference's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak which at present, cannot be determined. Accordingly, the extent to which COVID-19 may impact the Conference's financial position and changes in net assets is uncertain and the accompanying consolidated financial statements include no adjustments relating to the effects of this pandemic.

**WEST VIRGINIA CONFERENCE OF THE UNITED METHODIST CHURCH**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**
**December 31, 2020**

**Note 9. COVID-19 (Continued)**

In an effort to mitigate the impact, the Conference applied for and received a Paycheck Protection Program loan ("PPP Loan") of $539,000 granted by the Small Business Administration under the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The PPP Loan was forgiven by the SBA on November 27, 2020, and PPP Loan forgiveness income of $539,000 is recognized on the consolidated statement of changes in net assets – modified cash basis for the year ended December 31, 2020.
