Mark K. Dehority

President - North Central Jurisdiction
United Methodist Men.

Called to be the son, husband, father,
brother, leader, follower, and disciple
God planned me to be. Called to help
other men to answer their calls, by
equipping servant leaders and discipling
men.

Ten-year Deployed Staff for the General
Commission on United Methodist Men.
Twenty-years serving the United
Methodist Men at almost every level.
Strong background and education in
organizational development and team-
based improvement.

A flawed individual trying to surrender to
God's will.
