2024 INTRODUCTORY NOTES AND FUND-RAISING SUGGESTIONS

Welthe Celebration of Mission Event to the 2024 Celebration of Mission Event. 2024 will be the 27th year for Celebration of Mission Events, designed to support our Conference Mission Ministries, which include the seven Conference Mission Projects, the Church and Community Ministries, the New Vision Depot and the Volunteers in Mission. Over the past 15 years the Celebration of Mission Event has raised **\$1,533,242.69** in cash, plus an estimated one third to one-half that amount in tangible goods for our mission ministries. The total includes \$90,271.15 given and distributed in 2023. For the past several years every penny received has been distributed to aid our mission ministries in the WV Conference.

DATES: Since COVID-19 we have had only a few district-wide events. Reducing the number of districts from nine to seven has made it more difficult to hold district-wide events. However, individuals, churches and parishes have found methods to continue their support of the Celebration of Mission Event. This year much of the responsibility for raising funds and collecting tangible items for the Conference Mission Ministries will shift to the parishes, since every church in the WV Conference is placed in a Cooperative Parish. If we are going to have a successful Celebration of Mission Event in 2024 it will be **absolutely essential** that plans are made early and funds must be raised and tangible items collected well before actual Events are held.

April 27 or May 25, 2024 are the recommended dates to complete the major portion of fund-raising for the Celebration of Mission Event, although funds may be sent to the Conference Treasurer throughout the calendar year. **Each district will set its own schedule for the the Celebration of Mission Event emphasis.**

the Celebration of Mission Event IS:

- A Home Mission Ministry. All cash donations and collected tangible goods are distributed to mission ministries within the WV Annual Conference.
- Much more than a one-day Event. **the Celebration of Mission Event** is a year-around ministry of support for ten Conference Mission Ministries.
- Obeying the words of Jesus in Matthew 25:35-36.
 - I was hungry and you gave me something to eat,*
 - I was thirsty and you gave me something to drink,*
 - I was a stranger and you invited me in,*
 - I needed clothes and you clothed me (NIV).*
- A call for persons who have been blessed with abundance to share with those who are experiencing hardship.
- A WV Conference ministry that has raised and distributed \$1,533,242.69 to our Conference Mission Ministries over the past fifteen years.
- An opportunity to put “legs to our prayers” and minister to persons in great need.
- A gathering of material goods, in addition to cash gifts, to help meet the needs of our mission ministries.
- Celebrating the joy of working together to help meet the needs of thousands of persons served by our mission ministries.
- Celebrating the goodness of God’s provision and the empowerment of the Holy Spirit to do good in this world as the Body of Christ.

✠ **the Celebration of Mission Event** join other congregations in supporting conference missions with your cash gifts and donated items.

Proverbs 22:9 NIV:
A generous man will himself be blessed, for he shares his food with the poor.

MISSION AND MINISTRY:

New Vision Depot is an exciting extension ministry created by the West Virginia Annual Conference Disaster Response Committee. Located near the Southern Coal Fields, *New Vision Depot* provides quick, ready access to critical supplies and materials to help survivors recover from natural disasters. The *Depot* is housed in a 6,000 square feet warehouse located within the former USDA complex on Airport Road in Beaver, WV, and works in conjunction with the *Raleigh County Office of Emergency Management*. It functions as a warehouse to readily supply relief and recovery supplies in the immediate aftermath of a natural disaster. Additionally, as a distribution hub, the *Depot* enables maximum accountability for incoming and outgoing supplies acquired through the many generous monetary and in-kind donations received by the WV Conference Disaster Response Ministries during disasters. The *Depot* was birthed and “baptized” during the June 2016 flooding event.

A second building adjacent to the warehouse provides facilities for short-term overnight work teams with kitchen, sleeping bunks, and restrooms. Showers are in the warehouse. The building also provides space for staff and an assembly floor for building and inspecting flood/clean-up buckets, hygiene kits, and school kits.

We continually need your prayers, your in-kind donations, your hands-on service and cash funding. The *Depot* is available by appointment for churches, mission groups, and other organizations as a workday site for volunteers, confirmation classes, and those seeking community service hours.
